## The Vixen's Scream

When a sleepy hillside town is beset by a spate of burglaries followed by a murder, Detective Jack Harris must quickly uncover the link between them. A series of blood-curdling screams heard in the dead of the Cumbrian night has a London woman new to the area convinced that a murder has occurred. When the body of a young woman is in fact found, rumours quickly spread that a serial killer is at work in the small Pennine community of Levton Bridge. When the clues do indeed begin to point to a connection with other missing women, the pressure from on high to find answers increases ten-fold. Fighting the media circus's constant attempts to thwart the investigation, detective Jack Harris must also battle the confusion and doubts among his own team in order to find the killer. THE VIXEN'S SCREAM is the second book by John Dean to feature DCI Jack Harris. Look out for the first, DEAD HILL. These books can be enjoyed on their own or as part of a series, in no particular order. If you enjoy traditional British murder mysteries, look no further than THE VIXEN'S SCREAM.
