Hidden

Everyone reads the compelling story of Anne Frank and wants to know more. How many others were hidden away during the war? How and where? Were they separated from their families? Did they ever find each other again? Hidden tells the stories of 14 young people who were hidden throughout the Netherlands during World War Two. Their stories create a wider picture of what it meant to be Jewish in Europe during World War Two, and what it took to survive.

Hidden Like Anne Frank: 14 True Stories of Survival

For readers of *The Boy Who Dared* and *Prisoner B-3087*, a collection of unforgettable true stories of children hidden away during World War II. Jaap Sitters was only eight years old when his mother cut the yellow stars off his clothes and sent him, alone, on a fifteen-mile walk to hide with relatives. It was a terrifying night, one he would never forget. Before the end of the war, he would hide in secret rooms and behind walls. He would suffer from hunger, sickness, and the looming threat of Nazi raids. But he would live. This is just one of the true stories told in *Hidden Like Anne Frank*, a collection of eye-opening first-person accounts that share the experience of going into hiding to escape the Holocaust. Some were just toddlers when they were hidden; some were teenagers. Some hid with neighbors or family, while many were with complete strangers. But all know the pain of losing their homes, their families, even their own names. They describe the secret network that kept them safe. And they share the coincidences and close calls that made all the difference.

Hidden Children

Tells the stories of Jewish children who survived the Holocaust through the help of brave adults

Hidden Gold

The Gold family lived an idyllic life in pre-war Poland, each doing their part to run the family grocery store and tobacco concession. The oldest daughter, Shoshana, had many friends, her sister Esther was meticulous as she worked at the family store, and young David was doted on by them all. But that life is shattered in 1939 when Germany invades Poland and Jewish people are forced into the streets; their homes, schools, and businesses burned. We follow the Gold family's journey as they are forced into hiding. Just hours before the Nazis come to take over their current town, their mother has a premonition that today they will have a savior. When that someone appears, they are given hope for the first time since leaving home. But Shoshana has learned to be wary of strangers and knows that her family is in danger. The Golds hide in a cramped, secret enclosure for twenty-six months. Appalling conditions, starvation, fear of imminent betrayal and capture makes this a heart-stopping testament to the human spirit.

Peter's War

The harrowing true story of a German-Jewish boy who had to survive World War II on his own, separated from his parents as they fled the Holocaust. In 1942, as twelve-year-old Peter Feigl and his family tried to disappear in the Southern Zone of France, his parents were arrested. They had been constantly on the run for years, as Hitler consolidated power and overran Europe. Peter and his family fled from Germany to Czechoslovakia, then Austria, Belgium, and finally France. They were desperate to stay one step ahead of the Nazis and their concentration camps. But suddenly, Peter was alone:

a spirited child coming of age in hiding during the worst war in modern history. This book follows his incredible journey for survival, and his efforts as a secret resistance fighter. Beautifully illustrated in a scrapbook style, featuring original artwork alongside historical photographs from Peter's early life, this one-of-a-kind nonfiction picture book offers a very personal look into the lives of young people trying to evade-- and resist-- the Nazis. Excerpts and images from Peter's diary of those years add irreplaceable, first-hand details to the account of his survival. The acclaimed nonfiction duo of Karen Gray Ruelle and Deborah Durland DeSaix, creators of *Hidden on the Mountain* and *The Grand Mosque of Paris*, have crafted an enthralling account, filled with meticulous research and informed by the authors' own interviews with Feigl. Accessible and detailed, this will inspire young readers and offer a new perspective on a frequently studied era of history. Featuring more than ten pages of supplementary backmatter-- including an epilogue, extensive historical notes, a wealth of recommendations for further reading, and a comprehensive list of sources and credits-- *Peter's War* is a masterful resource, and an incredible, unforgettable true story. A Bank Street Best Children's Book of the Year!

Such Good Girls

Edgar Award-winning mystery novelist R. D. Rosen tells the story of the hidden children who survived the Holocaust through the lives of three girls hidden in three different countries—among the less than 10 percent of Jewish children in Europe to survive World War II—who went on to lead remarkable lives in New York City. Only one in ten Jewish children in Europe survived the Holocaust, many in hiding. In *Such Good Girls*, R. D. Rosen tells the story of these survivors through the true experiences of three girls. Sophie Turner-Zaretsky, who spent the war years believing she was an anti-Semitic Catholic schoolgirl, eventually became an esteemed radiation oncologist. Flora Hogman, protected by a succession of Christians, emerged from the war a lonely, lost orphan, but became a psychologist who pioneered the study of hidden child survivors. Unlike Anne Frank, Carla Lessing made it through the war concealed with her family in the home of Dutch strangers before becoming a psychotherapist and key player in the creation of an international organization of hidden child survivors. In braiding the stories of three women who defied death by learning to be “such good girls,” Rosen examines a silent and silenced generation—the last living cohort of Holocaust survivors. He provides rich, memorable portraits of a handful of hunted children who, as adults, were determined to deny Hitler any more victories, and he recreates the extraordinary event that lured so many hidden child survivors out of their grown-up “hiding places” and finally brought them together.

Hidden Children

Ten stories of children who experienced the holocaust firsthand.

Survivors of the Holocaust

"Perhaps there is no simple, easy way to educate children about the Holocaust. Yet [this] new extraordinary work in the form of a nonfiction graphic novel for children is a valiant attempt to do just that. These testimonials... serve as a reminder never to allow such a tragedy to happen again."—BookTrib
Between 1933 and 1945, Adolf Hitler and the Nazi party were responsible for the persecution of millions of Jews across Europe. This extraordinary graphic novel tells the true stories of six Jewish children who survived the Holocaust. From suffering the horrors of Auschwitz, to hiding from Nazi soldiers in war-torn Paris, to sheltering from the Blitz in England, each true story is a powerful testament to the survivors' courage. These remarkable testimonials serve as a reminder never to allow such a tragedy to happen again. Features a current photograph of each contributor and an update about their lives, along with a glossary and timeline to support reader understanding of this period in world history.

I Will Come Back for You: A Family in Hiding During World War II

What was it like to grow up Jewish in Italy during World War II? Sit with a little girl as her grandmother tells the story of her childhood in Rome, of being separated from her father, and of going into hiding in the mountains. Based on the experiences of the author's own family, this deeply moving book set during the Holocaust deals with a difficult subject in a way that is accessible and appropriate for young readers. *I Will Come Back for You* is an incredible story of bravery and kindness in the face of danger.

The Cut Out Girl

'Luminous, elegant, haunting, - I read it straight through' Philippe Sands, Author of *East West Street*
The enthralling story of a man's search for the truth about his family's past The last time Lien saw her parents was in the Hague when she was collected at the door by a stranger and taken to a city far away to be hidden from the Nazis. She was raised by her foster family as one of their own, but a falling out well after the war meant they were no longer in touch. What was her side of the story, Bart van Es - a grandson of the couple who looked after Lien - wondered? What really happened during the war, and after? So began an investigation that would consume and transform both Bart van Es's life and Lien's. Lien was now in her 80s and living in Amsterdam. Reluctantly, she agreed to meet him, and eventually they struck up a remarkable friendship. *The Cut Out Girl* braids together a powerful recreation of Lien's intensely harrowing childhood story with the present-day account of Bart's efforts to piece that story together. And it embraces the wider picture, too, for Holland was more cooperative in rounding up its Jews for the Nazis than any other Western European country; that is part of Lien's story too. This is an astonishing, moving reckoning with a young girl's struggle for survival during war. It is a story about the powerful love and challenges of foster families, and about the ways our most painful experiences - so crucial in defining us - can also be redefined. 'Remarkable, deeply moving' Penelope Lively 'An awe-inspiring account of the tragedies and triumphs within the world of the Holocaust's "hide-away" children, and of the families who sheltered them' Georgia Hunter 'A complex and uplifting tale' Kirkus

Remember World War II

Allows readers to understand World War II, not as seen through the eyes of soldiers, but through the eyes of children who survived the bombings, the blackouts, the hunger, the fear, and the loss of loved ones caused by the war.

Mitka's Secret

The remarkable life story of Mitka Kalinski, who survived seven years of enslavement—while still a child—to a Nazi officer during and after World War II Mitka Kalinski had never revealed his past to anyone. Not even to his wife or his four children. But in 1981, three decades after it had all ended, Mitka finally broke his silence about the horrors he had endured during the Holocaust and in the years immediately afterward: not only German concentration camps and sadistic medical experiments but also seven years of enslavement in the household of a Nazi officer, “Iron” Gustav Dörr. Having been orphaned before the war, Mitka did not know his origins or even his name. Torture, slavery, and a false name stripped him of his identity entirely. Thus, when he immigrated to the United States in 1951, Mitka seized the opportunity to bury his past and forge a new life. He lived the American life in all its fullness and moved to Nevada with his beloved wife, Adrienne, and their children. But the secret he carried became an increasingly heavy burden, preventing wholeness and healing. This is Mitka's account of facing the past, confronting his captors, connecting with lost relatives, and finding peace in the rediscovery of his origins. For Mitka, this also meant reclaiming his Jewish heritage—a journey that gave him a new sense of purpose and freedom from the lingering effects of trauma that had filled his life to that point. By the end, *Mitka's Secret* is less a story of survival and more one of redemption and transformation—from hidden suffering to abundant joy.

Hidden on the Mountain

As the Nazi Army closed in on Europe at the onset of World War II, desperate Jewish families were forced to flee their homes. Their lives were in danger, and they had no safe place to go. In this book the authors tell the poignant stories of some of the desperate children, collected in interviews both of survivors and the families who helped them in a small village in southern France. Time line, glossary, bibliography, and index,

Edith's Story

The story of a teenage Jewish girl who was sent into hiding in 1942 with a Christian family.--

The Hidden Children

Written with insights provided by a historian and a psychologist, this volume shares twenty-three remarkable first-person accounts of how these Holocaust survivors grew up amidst the horror and the danger.

Survival in the Shadows

This work tells the story of seven hidden Jews in Hitler's Berlin. Rather than risking so-called resettlement they found themselves living in a shadowy underworld where they had to survive without identity cards and ration books.

The Hidden Girl

After deciding to donate the dress her mother had made for her to a museum, Lola Rein Kaufman, survivor of the Nazi Holocaust, decides that it's finally time to speak publicly about her experiences.

Children in the Holocaust and World War II

Children in the Holocaust and World War II is an extraordinary, unprecedented anthology of diaries written by children all across Nazi-occupied Europe and in England. Twenty-three young people, ages ten through eighteen, recount in vivid detail the horrors they lived through, day after day. As powerful as *The Diary of Anne Frank* and *Zlata's Diary*, here are children's experiences—all written with an unguarded eloquence that belies their years. The diarists include a Hungarian girl, selected by Mengele to be put in a line of prisoners who were tortured and murdered; a Danish Christian boy executed by the Nazis for his partisan work; and a twelve-year-old Dutch boy who lived through the Blitzkrieg in Rotterdam. In the Janowska death camp, eleven-year-old Pole Janina Heshel so inspired her fellow prisoners with the power of her poetry that they found a way to save her from the Nazi ovens. Mary Berg was imprisoned at sixteen in the Warsaw ghetto even though her mother was American and Christian. She left an eyewitness record of ghetto atrocities, a diary she was able to smuggle out of captivity. Moshe Flinker, a sixteen-year-old Netherlander, was betrayed by an informer who led the Gestapo to his family's door; Moshe and his parents died in Auschwitz in 1944. They come from Czechoslovakia, Austria, Israel, Poland, Holland, Belgium, Hungary, Lithuania, Russia, England, and Denmark. They write in spare, searing prose of life in ghettos and concentration camps, of bombings and Blitzkriegs, of fear and courage, tragedy and transcendence. Their voices and their vision ennoble us all.

The Hidden Children

Over a million Jewish children were killed during the Holocaust. From ten thousand to 100 thousand Jewish children were hidden with strangers and survived. In this powerful and compelling work, 25 people share their experiences as hidden children. Black-and-white photos.

Fighting to Survive World War II

World War II was filled with deadly battles. And people caught in the crossfire were in just as much danger as the soldiers. Learn about the war's determined survivors and what it took for them to escape.

Survivors: True Stories of Children in the Holocaust

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

Hidden Children of the Holocaust

In the terrifying summer of 1942 in Belgium, when the Nazis began the brutal roundup of Jewish families, parents searched desperately for safe haven for their children. As Suzanne Vromen reveals in *Hidden Children of the Holocaust*, these children found sanctuary with other families and schools—but especially in Roman Catholic convents and orphanages. Vromen has interviewed not only those who were hidden as children, but also the Christian women who rescued them, and the nuns who gave the children shelter, all of whose voices are heard in this powerfully moving book. Indeed, here are numerous first-hand memoirs of life in a wartime convent—the secrecy, the humor, the admiration, the anger, the deprivation, the cruelty, and the kindness—all with the backdrop of the terror of the Nazi occupation. We read the stories of the women of the Resistance who risked their lives in placing

Jewish children in the care of the Church, and of the Mothers Superior and nuns who sheltered these children and hid their identity from the authorities. Perhaps most riveting are the stories told by the children themselves--abruptly separated from distraught parents and given new names, the children were brought to the convents with a sense of urgency, sometimes under the cover of darkness. They were plunged into a new life, different from anything they had ever known, and expected to adapt seamlessly. Vromen shows that some adapted so well that they converted to Catholicism, at times to fit in amid the daily prayers and rituals, but often because the Church appealed to them. Vromen also examines their lives after the war, how they faced the devastating loss of parents to the Holocaust, struggled to regain their identities and sought to memorialize those who saved them.

Out of Chaos

The stories in *Out of Chaos* forms a profound testament to lost and found lives that are translated into compelling reading. The collection illuminates brief or elongated moments, fragments of memory and experience, what the great Holocaust writer Ida Fink called "a scrap of time." In all, the anthology expresses survivors' memories and reactions to a wide range of experiences as they survived in so many European settings, from Holland, Belgium, Italy, Germany, Greece, Yugoslavia, Poland, and France. The writers recall being on the run between different countries, escaping over mountains, hiding and even sometimes forgetting their Jewish identities in convents and rescuers' homes and hovels, basements and attics. Some were left on their own; others found themselves embroiled in rescuer family conflicts. Some writers chose to write story clusters, each one capturing a moment or incident and often disconnected by memory or temporal and spatial divides.

The Hidden Children

Twenty-three adult survivors of the Holocaust share their childhood war-time experiences in this book. It tells of the loss of their early years and the struggle to rebuild their lives after the war. There is Kristine, who hid in the sewers of Lvov for 14 months; Rosa, who hid in an impoverished farmhouse, sleeping on a clay pallet behind a stove; Renee, who posed as a Catholic and was kept in a convent by nuns who knew her secret; and Richard, who, with his family, lived in a closet for 13 months.

Hiding to Survive

During the time of the Holocaust, some Jewish families were able to hide their children with non-Jews. These poignant stories--the experiences of fourteen of these hidden children--include postscripts about the child-rescuer relationship after the war. Photos.

Tales of World War II

It's the Second World War as you've never seen it before--discover the hidden stories of incredible human spirit during the world's darkest hour. Everyone knows what Adolf Hitler, Franklin D. Roosevelt, and Winston Churchill were doing during World War II, but what about ordinary people? In this beautifully illustrated book for children and grandchildren, war historian Dr. Hattie Hearn reveals some of the most incredible true tales from the war, including: -- The Canadian cabin boy who avoided German U-boats crossing the Atlantic -- The Navajo soldiers who developed a secret code to outfox their enemies -- The African-American jazz singer who worked as a spy for the French Resistance. Beautifully illustrated by Margarida Esteves and featuring stories from all over the world, *Tales of World War II* also contains jaw-dropping tales including the dog used to find survivors in the London Blitz, the champion cyclist who carried secret messages to help Jews escape the Nazis, and the bear who was recruited by the Polish army! Interspersed throughout the stories are pages explaining the key events of the war--from Pearl Harbor and Dunkirk to D-Day and the Holocaust.

Hidden Child

A powerful story of survival, loss, and hope Isaac was seven when the Germans invaded France and his life changed forever. First his father was taken away, and then, two years later, Isaac and his mother were arrested. Hoping to save Isaac's life, his mother bribed a guard to take him to safety at a nearby hospital, where he and many other children pretended to be sick, with help from the doctors and nurses. But this proved a temporary haven. As Isaac was shuttled from city to countryside, experiencing the kindness of strangers, and sometimes their cruelty, he had to shed his Jewish identity to become Jean Devolder. But he never forgot who he really was, and he held on to the hope that after the war he

would be reunited with his parents. After more than fifty years of keeping his story to himself, Isaac Millman has broken his silence to tell it in spare prose, vivid composite paintings, and family photos that survived the war.

The Hidden Children of France, 1940-1945

Interviews with eighteen Jewish “hidden children” of France and Belgium, telling the story of their survival during World War II. The history of France’s “hidden children” and of the French citizens who saved six out of seven Jewish children and three-fourths of the Jewish adult population from deportation during the Nazi occupation is little known to American readers. In *The Hidden Children of France*, Danielle Baily (a hidden child herself whose family travelled all over rural France before sending her to live with strangers who could protect her) reveals the stories behind the statistics of those who were saved by the extraordinary acts of ordinary people. Eighteen former “hidden children” describe their lives before, during, and after the war, recounting their incredible journeys and expressing their deepest gratitude to those who put themselves at risk to save others. Danielle Baily is one of the surviving “hidden children.” She was Professor of Linguistics at Paris Diderot University until 1998. Since then she has worked as a consultant and researcher. Betty Becker-Theye is Professor Emeritus and former Dean of the College of Fine Arts and Humanities at the University of Nebraska at Kearney and Adjunct Professor of Modern Languages at the University of Maine Hutchinson Center. She is the author of *The Seducer as Mythic Figure in Richardson, Laclos, and Kierkegaard*.

Flight and Rescue

The story of more than 2,000 Polish Jewish refugees who fled across the Soviet Union to Japan, where they awaited entrance visas to the United States and elsewhere.

Life in a Jar

Tells story of Irena Sendler who organized the rescue of 2,500 Jewish children during World War II, and the teenagers who started the investigation into Irena's heroism.

Survivors Club

A New York Times bestseller “Both moving and memorable, combining the emotional resolve of a memoir with the rhythm of a novel.” —New York Times Book Review In 1945, in a now-famous piece of World War II archival footage, four-year-old Michael Bornstein was filmed by Soviet soldiers as he was carried out of Auschwitz in his grandmother’s arms. *Survivors Club* tells the unforgettable story of how a father’s courageous wit, a mother’s fierce love, and one perfectly timed illness saved his life, and how others in his family from Zarki, Poland, dodged death at the hands of the Nazis time and again with incredible deftness. Working from his own recollections as well as extensive interviews with relatives and survivors who knew the family, Michael relates his inspirational Holocaust survival story with the help of his daughter, Debbie Bornstein Holinstat. Shocking, heartbreaking, and ultimately uplifting, this narrative nonfiction offers an indelible depiction of what happened to one Polish village in the wake of the German invasion in 1939. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. A New York City Public Library Notable Best Book for Teens

The Orphans of Normandy

A document of extraordinary beauty, this moving journal is the true story of World War II told through drawings by children from a French orphanage. Full color.

The hidden children

A Holocaust survivor's own story, told specially for young readers. This is the remarkable true story of a young Jewish girl and her brother caught in a world turned upside down by the Nazis during the Second World War. Eva Schloss describes her happy early childhood in Vienna with her kind and loving parents and her older brother Heinz, whom she adored. But when the Nazis marched into Austria everything changed. Eva's family fled to Belgium, then to Amsterdam where, with the help of the Dutch Resistance, they spent the next two years in hiding - Eva and her mother in one house, and her father and brother in another. But in the end they were all betrayed and deported to Auschwitz concentration camp in Poland. Despite the horrors of the camp, Eva's positive attitude and stubborn personality (which had

often got her into trouble) saw her through one of the most tragic events in history but sadly her father and brother perished just weeks before the liberation. Eva and her mother travelled back to the house in Amsterdam where Heinz and his father had hidden and discovered over thirty beautiful paintings by her brother. Heinz hadn't wasted any of his talents during his captivity. For Eva, here was a tangible, everlasting memory of her beloved older brother, and a reminder of her father's promise that all the good things you accomplish will make a difference. Heinz's paintings have been on display in exhibitions in the USA and are now a part of a permanent exhibition in Amsterdam's war museum. Eva Schloss is the posthumous step-sister of Anne Frank, after mother, Fritzi, was remarried to Otto Frank, the only surviving member of his immediate family.

The Promise

The remarkable true story of how a toy duck smuggled forged identity papers for Jewish refugees during WWII During World War II, a social worker named Jacqueline bicycled through the streets of Paris, passing Nazi soldiers and carrying a toy duck to share with the children she visited. What the Nazis didn't know, however, was that Jacqueline wasn't a social worker at all, but a Jewish member of the French Resistance. Families across Europe went into hiding as the Nazis rounded up anyone Jewish. The Star of David, a symbol of faith and pride, became a tool of hate when the Nazis forced people to wear the star on their clothing and carry papers identifying them as Jewish, so that it was clear who to arrest. But many brave souls dared to help them. Jacqueline was one of them. She risked her life in secret workshops, where forgers created false identity papers. But how to get these life-saving papers to families in hiding? The toy duck held the answer. Written by award-winning journalist Elisa Boxer and movingly illustrated by the acclaimed Amy June Bates, *Hidden Hope*, a true story, celebrates everyday heroism, resilience, the triumph of the human spirit, and finding hope in unexpected places.

Hidden Hope

In July 1942, thirteen-year-old Anne Frank and her family, fleeing the occupation, went into hiding in an Amsterdam warehouse. Over the next two years Anne vividly describes in her diary the frustrations of living in such close quarters, and her thoughts, feelings and longings as she grows up. Her diary ends abruptly when, in August 1944, they were all betrayed. First published over sixty years ago, Anne Frank's *Diary of a Young Girl* has reached millions of young people throughout the world. BBC TV's major new dramatization brings her extraordinary writing to life in a way that will engage and inspire a whole new generation. 'One of the greatest books of the last century' - Guardian

The Diary of a Young Girl

From award-winning author Deborah Heiligman comes *Torpedoed*, a true account of the attack and sinking of the passenger ship *SS City of Benares*, which was evacuating children from England during WWII. Amid the constant rain of German bombs and the escalating violence of World War II, British parents by the thousands chose to send their children out of the country: the wealthy, independently; the poor, through a government relocation program called CORB. In September 1940, passenger liner *SS City of Benares* set sail for Canada with one hundred children on board. When the war ships escorting the *Benares* departed, a German submarine torpedoed what became known as the *Children's Ship*. Out of tragedy, ordinary people became heroes. This is their story. This title has Common Core connections.

Torpedoed

The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler's List fame. Rena Finder was only eleven when the Nazis forced her and her family -- along with all the other Jewish families -- into the ghetto in Krakow, Poland. Rena worked as a slave laborer with scarcely any food and watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena's nightmares were not over. She and her mother were deported to the concentration camp Auschwitz. With great cunning, it was Schindler who set out to help them escape. Here in her own words is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

My Survival: A Girl on Schindler's List

“Brilliantly researched, utterly gripping history: the first full account of a remarkable group of Jewish refugees—a top-secret band of brothers—who waged war on Hitler.”—Alex Kershaw, New York Times best-selling author of *The Longest Winter* and *The Liberator* The incredible World War II saga of the German-Jewish commandos who fought in Britain’s most secretive special-forces unit—but whose story has gone untold until now June 1942. The shadow of the Third Reich has fallen across the European continent. In desperation, Winston Churchill and his chief of staff form an unusual plan: a new commando unit made up of Jewish refugees who have escaped to Britain. The resulting volunteers are a motley group of intellectuals, artists, and athletes, most from Germany and Austria. Many have been interned as enemy aliens, and have lost their families, their homes—their whole worlds. They will stop at nothing to defeat the Nazis. Trained in counterintelligence and advanced combat, this top secret unit becomes known as X Troop. Some simply call them a suicide squad. Drawing on extensive original research, including interviews with the last surviving members, Leah Garrett follows this unique band of brothers from Germany to England and back again, with stops at British internment camps, the beaches of Normandy, the battlefields of Italy and Holland, and the hellscape of Terezin concentration camp—the scene of one of the most dramatic, untold rescues of the war. For the first time, X Troop tells the astonishing story of these secret shock troops and their devastating blows against the Nazis. “Garrett’s detective work is stunning, and her storytelling is masterful. This is an original account of Jewish rescue, resistance, and revenge.”—Wendy Lower, author of *The Ravine* and National Book Award finalist *Hitler’s Furies*
