#### Low-Fat, Low-Cholesterol Cookbook

It is widely recognised that coronary heart disease is largely preventable through good diet and a healthy life-style. Eating for a healthy heart means reducing saturated fat and cholesterol and the recipes in this book have been specially created to provide a wonderful range of dishes for everyday eating. You can use every recipe in confidence that, however delicious-sounding, it is always low in fat, and can safely be served to anyone on a low cholesterol diet. The recipes in the book have been devised with families in mind, and can be cooked with the minimum of fuss. There are traditional dishes cooked with less fat, such as Country Pork with Parsley Cobbler, and Autumn Pheasant, and also lots of new, fresh ideas such as Red Pepper Soup with Lime, and Oaty Herrings with Red Salsa, that will surely become firm family favourites. There are dishes that are perfect for mid-week meals, such as Tuna and Corn Fish Cakes, and Caribbean Chicken Kebabs. The book also includes more sumptuous recipes for a supper or dinner party, such as Moroccan Spiced Roast Poussin, and Pan-fried Mediterranean Lamb. In addition, there's a vegetable section, with suggestions for hot, low fat accompaniments and salads, and plenty of pasta and pizza recipes too. Not only are there recipes for main meals: you will find quick snacks, wonderful puddings, and a superb selection of cakes, breads and biscuits. Every recipe in this outstanding cookbook has at-a-glance nutritional information to help everyone who needs to cook healthy food for themselves or a family. All the recipes use easy-to-find ingredients and store cupboard stand-bys, and there are clear step-by-step pictures to show all the techniques and cooking methods. It has never been easier, or more tempting, to eat both healthy and delicious low fat food!

#### Eat Your Way To Lower Cholesterol

From the American Heart Association, 150 healthy, flavorful, easy-to-make recipes that the whole family will enjoy Searching for meals that are not only appealing to the whole family but also nutritious, tasty alternatives to convenience products and fast food? The nation's most trusted authority on heart-healthy living presents nourishing, delectable recipes to please the palates of family members of all ages. Since the main dish is usually the starting point of meal planning, more than half the 150 recipes in this book are for entrées. With American Heart Association Healthy Family Meals, you'll be serving healthy, flavor-packed dishes to your family every night of the week. Chapters include: • Busy Nights recipes, like Pesto Presto Sirloin and Spring Ragù with Spiral Pasta, which are especially quick and easy to prepare—each of them can be made, start to finish, in 30 minutes or less. • Plan-Aheads, which offer recipes that require somewhat more time and steps such as marinating and chilling Tandoori-Style Chicken or using a slow cooker for Southwestern Beef Stew, but let you get a head start on a meal when it's convenient for you. • Cook Once, Eat Twice recipes that give you the benefit of having planned-overs instead of leftovers. For example, Roasted Salmon with Cucumber Lime Sauce provides enough cooked fish for tonight, plus more for Salmon Cakes with Lemon Caper Sauce later in the week. • Everyday Dinners recipes that provide tasty dishes, including Pomegranate Walnut Chicken and Curried Shrimp Risotto, which your family will want over and over again. Beautifully designed and sprinkled with dozens of vibrant recipe photographs, American Heart Association Healthy Family Meals also includes information for the educated shopper, the smart cook, parents with picky eaters, and more. With plenty of tips and ideas on how to create a healthy food culture that will set your children on a path to eating well forever, American Heart Association Healthy Family Meals is the must-have healthy family cookbook.

### The Menopause Diet

In the UK, 7 out of 10 people over the age of 45 have high cholesterol levels (Bupa 2007). Although there are no clear symptoms, high cholesterol levels have been associated with heart disease and stroke – two of Britain's biggest killers. There are several factors that can cause high cholesterol; an unhealthy diet, being overweight and a lack of exercise are three of the main contenders. As a result, some of the best ways to control and reduce cholesterol levels are losing weight, eating a heart-healthy diet and taking regular exercise. Although eating healthily may sound simple, it's often difficult to know which foods to avoid when trying to lower cholesterol. Fully adapted for the UK market, Low-Cholesterol Cookbook For Dummies reveals which food you should eat and helps readers make small changes to their diet to achieve big results. Low-Cholesterol Cookbook For Dummies includes: The latest dietary and medical information on cholesterol and how to control it Over 90 delicious recipes as well as low fat cooking techniques and ways to lower cholesterol on a daily basis Sensible advice on finding the right foods when shopping, planning menus, and adapting recipes to suit family and friends.
