If You Must Love Me

Coming to America with high expectations characteristic of any first time visitor to the country, Jafaar never anticipated a rough start. Not immediately after his arrival any- way. Having heard of America as the beacon of hope to other nationals; a country where things just work perfectly, he had anticipated a smooth start- until his friend Ahmed, with whom earlier arrangements had been made- left him stranded at the airport. But a destiny fashioned out for him will ultimately connect him with Ricky Volpe, a white son of a Church Minister, the son who will later play very important roles in Jafaar's journey to greatness and international fame.

You Must Love Others

Those who must also be loved, Shri Mataji explains, are those who are not Sahaja Yogis, but a waiting for their Self-realization. In this magazine, Shri Mataji travels to Hong Kong, Sahaja Yogis report from Mexico, and Shri Mataji tells of us of her greatest puja – it is that human beings. And finally two women, at first strangers, meet in Sicily, only to realize they are both Sahaja Yogis.

Millionaire's Hot Secretary Must Love Me

"Our business here is done." "Finally!" "Finally? Why? So there'll be an end to living with me and my love drama?" "Yes." "You're so clueless if you think this would end. I'd put more effort into having you, and I'll make you love me back. I never give up till I've achieved my goal." Oh no, so this wasn't ending yet?

Elementary Grammar of the Latin Language

When Justin escapes the comfortable medieval estate where his overbearing father has kept him sheltered his whole life, hot in pursuit of the servant girl he has fallen in love with, he finds himself caught up in a social order torn between extremes of wealth and poverty, feudal hierarchy and peasant revolts, ecclesiastical corruption and monastic piety, gross injustices and boundless mercy. The mid-fourteenth century was a time not only of burgeoning towns, majestic cathedrals, and nascent universities, but also of debauchery and violence, the Black Death and Inquisition, torture and ordeals. In his encounters with noblemen and peasants, alchemists and hermits, monks and heretics, knights and revolutionaries, prostitutes and miscreants from the medieval underworld, Justin comes to realize that he is entirely on his own as he confronts his personal moral failings and struggles to find faith in a world where God no longer seems to exist.

Kühner's Latin Grammar

"A great multitude of people filled the church, crowded together in the old black pews, standing closely thronged in the nave and aisles, pressing shoulder to shoulder even in the two chapels on the right and left of the apse, a vast gathering of pale men and women whose eyes were sad and in whose faces was written the history of their nation. The mighty shafts and pilasters of the Gothic edifice rose like the stems of giant trees in a primeval forest from a dusky undergrowth, spreading out and uniting their stony branches far above in the upper gloom. From the clerestory windows of the nave an uncertain light descended halfway to the depths and seemed to float upon the darkness below as oil upon the water of a well. Over the western entrance the huge fantastic organ bristled with blackened pipes and dusty gilded ornaments of colossal size, like some enormous kingly crown long forgotten in the lumber room of the universe, tarnished and overlaid with the dust of ages. Eastwards, before the rail which separated the high altar from the people, wax torches, so thick that a man might not span one of them with both his hands, were set up at irregular intervals, some taller, some shorter, burning with steady, golden flames, each one surrounded with heavy funeral wreaths, and each having a tablet below it, whereon were set forth in the Bohemian idiom, the names, titles, and qualities of him or her in whose memory it was lighted. Innumerable lamps and tapers before the side altars and under the strange canopied shrines at the bases of the pillars, struggled ineffectually with the gloom, shedding but a few sickly yellow rays upon the pallid faces of the persons nearest to their light..."

A late nineteenth century American author, F. Marion Crawford was a prolific novelist and noted writer of classic weird and fantastic stories. Crawford objected to the prevailing taste for realistic fiction and preferred to write gripping romance fiction. His novels are noted for vivid characterisations and their versatile and colourful depictions of European settings. Many of his works are set in Italy, the country he made his long-time home. His most celebrated achievement is the 'Saracinesca' trilogy of novels, which explores the effect of recent social changes on the aristocracy at a time when its influence and status were under attack from the emerging forces of modernity. For the first time in publishing history, this edition presents Crawford's complete fictional works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Crawford's life and works * Concise introductions to the novels and other texts * All 44 novels, with individual contents tables * Special 'Saracinesca Series' contents table to help navigate the novels * Rare novels appearing for the first time in digital publishing, including 'With the Immortals' and Crawford's last novel, 'The Undesirable Governess' * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Includes Crawford's non-fiction works, including his detailed history and travel books * Scholarly ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting titles CONTENTS: The Saracinesca Series The Novels Mr. Isaacs Doctor Claudius To Leeward A Roman Singer An American Politician Zoroaster A Tale of a Lonely Parish Saracinesca Marzio's Crucifix Paul Patoff With the Immortals Greifenstein Sant' Ilario A Cigarette-Maker's Romance Khaled The Witch of Prague The Three Fates Don Orsino The Children of the King Pietro Ghisleri Marion Darche Katharine Lauderdale Love in Idleness The Ralstons Casa Braccio Adam Johnstone's Son Taquisara A Rose of Yesterday Corleone Via Crucis In the Palace of the

One with the Father

Hollywood's conversion to sound in the 1920s created an early peak in the film musical, following the immense success of *The Jazz Singer*. The opportunity to synchronize moving pictures with a soundtrack suited the musical in particular, since the heightened experience of song and dance drew attention to the novelty of the technological development. Until the near-collapse of the genre in the 1960s, the film musical enjoyed around thirty years of development, as landmarks such as *The Wizard of Oz*, *Meet Me in St Louis*, *Singin' in the Rain*, and *Gigi* showed the exciting possibilities of putting musicals on the silver screen. The *Oxford Handbook of Musical Theatre Screen Adaptations* traces how the genre of the stage-to-screen musical has evolved, starting with screen adaptations of operettas such as *The Desert Song* and *Rio Rita*, and looks at how the Hollywood studios in the 1930s exploited the publication of sheet music as part of their income. Numerous chapters examine specific screen adaptations in depth, including not only favorites such as *Annie* and *Kiss Me, Kate* but also some of the lesser-known titles like *Li'l Abner* and *Roberta* and problematic adaptations such as *Carousel* and *Paint Your Wagon*. Together, the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies.
