Sallust's History of the War Against Jugurtha, and of the Conspiracy of Catiline

Excerpt from Sallust's History of the War Against Jugurtha, and of the Conspiracy of Catiline: With a Dictionary and Notes Soon after these events the civil war was renewed in Africa. Where the remnants, of the senatorial party had been assembled under the command of Scipio and Cato. To oppose these Sallust was directed to conduct a detachment of several legions. By the way of Capua to the shores of Campania, where they were to embark for Africa. On arriving at the port of embarkation. A mutiny arose among the troops on account of their unwillingness to leave Italy, and to encounter anew the hardships and dangers to which they had been so long exposed. Sallust found his authority of no avail to suppress the insurrection, and was compelled to secure his own safety by a precipitate flight to Rome, whither he was followed by a great number of the troops. Order being at length restored by the presence and authority of Caesar, the legions consented to embark. And shortly afterwards landed in Africa. Subsequently in an expedition entrusted to his command. Against the island of Cercina, Sallust is said to have evinced considerable courage. Military skill and prowess. After the close of this war, he was appointed to the command of the African province. Where he acquired immense riches by oppressing the people. On his return home. He was accused by the Numidians, of mal-administration of the affairs of his province. But escaped punishment through the friendship of Caesar with whom he is

reported to have shared his spoils. Scarcely, however, had he been acquitted. When Caesar, on whom all his fortunes depended. Was assassinated. On the ides of March. In the year of Rome 710. Sallust's history of the war against Jugurtha, and of the conspiracy of Catiline

This book presents two classic works of ancient Roman history by the renowned historian Sallust. In 'The Conspiracy of Catiline', Sallust vividly recounts the infamous plot to overthrow the Roman government of 63 BC, led by the charismatic but ruthless Catiline. In 'The War Against Jugurtha', he chronicles the wars between Rome and Jugurtha, King of Numidia, in the late second century BC. Both works offer timeless insights into human nature, politics, and power. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Sallust's History of the war against Jugurtha and of the Conspiracy of Catiline

Two of Sallust's most famous works, *The Conspiracy of Catiline* and *Jugurthine War*, are presented here. The first takes us to the year 63 B.C. as it discusses the corruption of Catiline. The second is a brief yet fascinating monograph describing the war in Numidia between

Sallust's History of the War Against Jugurtha, and of the Conspiracy of Catiline

These three works exemplify the Roman historian Sallust's condemnation of the excesses of the late Republic. In the conspiracy of Catiline and the war against Jugurtha he sees moral and political corruption and the tragedy of civil strife. This new translation captures Sallust's distinctive style and considers his work as history and literature.

Sallust's History of the War Against Jugurtha, and of the Conspiracy of Catiline

The book presents two works of the Roman historian Sallust describing two important events of his time: the Jugurthine War and the Catilinarian conspiracy. The Jugurthine War was a conflict between the Roman Republic and Numidia, a kingdom on the north African coast approximating modern Algeria. The Catilinarian conspiracy was a plot devised by Catiline with the help of a group of aristocrats and disaffected veterans, to overthrow the Roman Republic in 63 BC.

Sallust's History of the War Against Jugurtha, and of the Conspiracy of Catiline; with a Dictionary and Notes

Excerpt from Sallust's Jugurthine War and Conspiracy of Catiline: With an English Commentary, and Geographical and Historical Indexes IN preparing a new edition Of Sallust for the press, the editor has taken the greatest care to make such alterations and improvements, in the work, as. May render it a still more useful guide to the student than its predecessors have proved. The principal changes will be found to consist in a more enlarged commentary on the Jugurthine war, in the placing of this production of Sallust's before the narrative of the conspiracy of Catiline, and in the two Indexes, the one Geographical, the other Historical, which have been appended to the work. The enlargement of the notes on the 111 a war has been made at the request of several instructors, who thought that a more ample commentary on this part of the historian's labours was needed by their pupils. The change introduced into the body of the work, by placing the narrative Of the war with Jugurtha before the account of Catiline's conspiracy, cannot but meet with the approbation of all who lay claim to any fl L 10. Sallust's History of the War Against Jugurtha, and of the Conspiracy of Cataline

This new and original translation of Sallust's "Conspiracy of Catiline" and "War of Jugurtha" uses a fresh, modern English idiom that preserves the flavor of the historian's famous epigrammatic style. Fully outfitted for comprehension and efficient referencing, this special edition contains the following features: 1. Almost 300 detailed, scholarly footnotes 2. Extended introduction describing the political and military systems of the Roman republic 3. Maps, diagrams, and photographs 4. Topical organization charts 5. Chronological tables 6. Textual commentary 7. Detailed index Considered the first of the great Roman historians, Sallust has been read for centuries for his penetrating character studies, timeless moral insights, and matchless rhetoric. His profiles of flawed men led inexorably to ruin by excessive ambition or character defects resonate with us today more powerfully than ever. Intrigue...murder...the lust for power...and the fatal hubris that leads men to their dooms. These are some of the historian's gripping themes. Deeply concerned with the moral decay and corruption he saw around him, Sallust's pragmatic views of historical forces, personalities, and the psychology of power were aided by his own direct participation in the highest levels of Roman politics. "The Conspiracy of Catiline" tells the dramatic story of renegade senator Lucius Catiline's attempt to seize power in Rome during the waning days of the republic. "The War of Jugurtha" recounts the rise and ultimate destruction of the headstrong Numidian king Jugurtha, who waged an insurgent war against Rome from 112 to 106 B.C. And as the fates of men play themselves out on the stage of history, strength of character and the will of Fortune will be the ultimate arbiters of human destiny.
