The Mistress Contract

Based on intimate conversations recorded during the early years of their affair, The Mistress Contract is the true story of the contract signed four decades ago between an anonymous couple (attributed in the book simply as She and He), and the unique relationship that ensued. The contract She - a highly educated, divorced woman with a successful career, three children and a history of involvement in the feminist movement - asked her lover to sign proposed the following terms: He would provide her with a home and an income, while She would provide 'mistress services' - 'All sexual acts as requested, with suspension of historical, emotional, psychological disclaimers'. He agreed to her terms, and they found a kind of happiness that more traditional forms of commitment had never provided. They talked endlessly about why this was, and then began to tape their conversations. Now 88 and 93 years old respectively, She and He are still together. Was her suggestion a betrayal of all that she and the women of her generation had fought for? Or was it brave, honest, and radical? Provocative, unapologetic and inspiring, The Mistress Contract shines an unflinching and utterly compelling light on relations between

the sexes and is bound to spark debate. The Mistress Contract is soon to be a Royal Court play, adapted by Abi Morgan and directed by Vicky Featherstone, starting in January 2014.

His Pregnancy Ultimatum/Mistress By Contract

Theorization of sensual desire was not uncommon in the eighteenth century; like many materialists of the French Enlightenment, Jean-Jacques Rousseau rejected imperatives founded on metaphysical suppositions and viewed the senses as the only valid source of philosophical knowledge. In *Social Contract*, *Masochist Contract*, Fayçal Falaky demonstrates that what distinguishes Rousseau is that the foundational measure on which he bases his materialist philosophy is a sexual instinct endowed, paradoxically, with the same sublime, self-abnegating attributes historically associated with Christian, metaphysical desire. To understand the aesthetics of Rousseau's masochism is, Falaky argues, to understand how ideals of Christian morality and spiritual ennoblement survived the Enlightenment, and how God died, only to be repackaged in new fetishes. Whether it is the imperious mistress of his erotic fantasies, the Arcadian nature of his philosophical reveries, or the sublime Law designed to elevate the citizen from enslaving appetite, Rousseau's fetishes herald the new regulative Ideals of the modern secular state.

Femdom Contract

Holly I never thought I would end up a housekeeper scrubbing floors on my hands and knees for one of the most obnoxious a\$\$holes I've ever met. It doesn't matter if the floors are in a million-plus dollar condo, in one of Chicago's most exclusive addresses. I never had huge aspirations for my future but it certainly wasn't this. While even his sister thinks he's best taken in small doses, she offers me a job I can't refuse. I need this job, and it's not like it's forever, just until I'm not on the edge of poverty. Let him

be the unrepentant manwhore who didn't do repeats. It's better for him not to be at home, so close that my stupid body goes nuts when I even think of him. It's better this way, because he could never want me. I'm a plus size not a size two model he's used to having. I'm safe, it doesn't matter how badly I want him, he doesn't want me. Does he? Ethan In my world, the stakes are high, million dollar high, so no, I'm not nice. I don't say please or thank you and I never apologize. If you have a problem with that, it's your problem not mine. I didn't make partner at one of the biggest law firms in Chicago at only thirty-two with my winning personality. I'm on top because I make money for my clients, whether it's a high stakes takeover, or a player getting paid every dime he's worth. My clients come out on top. I have worked hard for the life I have, the million-dollar condo, the Ferrari in the garage, and the hottest woman on my arm and in my bed. So, if my bltch of a new housekeeper wants to look down on me, like I give a fu*k. My one weakness, my little sister parked me with a housekeeper who is far from perfect. Okay, she has the cooking and the cleaning down. But damn, does she have an attitude and a mouth on her that smiles even when she's insulting me. It's a good thing she isn't my type, or I would make her pay the best way possible. At least, I'm trying to tell my c@ck she's not my type, only the a\$\$ole has had his own idea since he saw her. It won't last long though, it never wants any woman for long. When she offers herself to me, it's with a contract where I hold all the control, all I have to do is sign.
