HUMAN RESOURCE MANAGEMENT TERMS

MANAGER Individuals who are responsible for supervising and directing the efforts of a group of employees to perform tasks that are directly related to the creation and delivery of a company's products or services.

LAW As more employment-related laws were passed, many companies began to assign much of the responsibility for employee management to the human resources department.

HR DEPARTMENTS Over time, the role of HR departments expanded to include a wide variety of tasks, including record keeping and payroll, compensation and benefits, recruitment, selection, training, performance management, and regulatory issues.

MANAGERS Managers are being held accountable for how effectively they attract, develop, and motivate the employees they oversee.

Managers must work with the HR department to design and implement HR practices that maximize the contributions of their employees.
