Intro

Do you know the condition I am in?

I have no choice

My daughter knows how to read now

She is our manager

She had nothing to report

I wish you well

She needs medical assistance

I'll take her to the nearest hospital

Please close the door

There are a thousand reasons to do it!

Taking a risk can be rewarding

What is your current address?

The future is full of hope

That is the wrong answer

Do you know the answer?

I can clean up by myself

My favorite sport is soccer

Let's take a 15-minute rest

A used car can be a good deal

Your performance can be affected by your sleep

I don't want to fight with you

Let's finish this quickly

My goal is to speak English fluently

I go to bed around 10 P.M

Let's make a plan

The hospital needs people to give blood

I love walking in nature!

My favorite color is blue

I'm going to buy some bread

I feel fine

I have to clean the floor today

The sun rises in the east

I haven't eaten yet today

A hot potato

I've got a splitting headache

To cut someone some slack

There is an important campaign next week

I've read some of your previous articles

Hook, line and sinker

Give it a whirl

My parents are coming to visit next weekend

You'll never believe this
At the drop of a hat
There are many kinds of pollution
Take it amiss
Sell like hotcakes
Bone to pick
I was just thinking about giving you a call
I guess a thunderstorm is on its way
It's not rocket science
You inspire me
Burn the midnight oil tonight
I can't go out tonight
It was on the house
At the elevenenth hour
I really want to go to the beach
I'm so happy for you
What do you enjoy doing in your spare time?
On the spot
Sell like hot cakes
