Intro

WHAT IS THE BACKGROUND? - Citation

WHAT ARE THE FACTS? What are the facts of the case? Who are parties? What? Injury/remedy?

Claims?

WHAT IS THE LEGAL QUESTION? What is the question the court is asking? The holding is the

answer to this question.

WHAT IS THE ANSWER TO THAT QUESTIONS This is the court's holding The court affirms,

reverses, and/or remands back to the lower court for further proceedings.

REASONING Ask yourself "Why" the court answers the question in this way. What "test" does the

court use to answer the question?

ANY OTHER OPINIONS? Not all judges may agree Majority-binding precedent Dissent=Disagree

with the outcome Concur= Agree with the outcome but wants to elaborate or agrees with the outcome

for different reasons

HOW FIT WITH OTHER CASES? In what way does this case address issues that I've seen before?
