The Book of the Ancient Romans

An introduction to life in Rome and its Empire from the first century BC to the end of the fourth century AD, based on the collections of the Ashmolean Museum in Oxford. Looks at the differences between town and country, at food and drink, medicine, religion, and the army.

Ancient Rome

This textbook provides comprehensive coverage of the political, military, and social history of ancient Rome from the earliest days of the Republic to its collapse and the subsequent foundations of the empire established by Augustus prior to his death in AD 14. Interspersed through the discussion of the political history of the period are crucial chapters on all aspects of Roman culture, including women, religion, slavery and manumission, overseas conquests and their impact, and life in the city of Rome, giving students a full understanding of republican society, culture, and politics. With over 130 maps, illustrations, and photographs, The Ancient Romans is lavishly illustrated, with a particular emphasis on coins as a valuable historical resource. It also closely references the authors' sourcebook, Ancient Rome: Social and Historical Documents from the Early Republic to the Death of Augustus, second edition, allowing students to engage with the documentary evidence and written sources in a deep and meaningful way. The Ancient Romans: History and Society from the Early Republic to the Death of Augustus is an indispensable resource for undergraduate students of the Roman Republic and its society and culture, as well as offering a comprehensive and compelling introduction for the interested reader.

The Ancient Romans

Presents the civilization of ancient Rome, discussing aspects of daily life for different social classes and reviewing some of the unique contributions that Romans made to later civilizations.

The Ancient Romans

Comprehensive survey of the civilization of ancient Rome.

The Ancient Romans

At its height, ancient Rome stretched from modern-day Great Britain in the west to modern-day parts of Asia to the east. Many social studies students know that ancient Rome was powerful and contributed much to future world civilizations, but what's often less clear is why and how this huge empire fell so spectacularly. Your readers will investigate this exact idea, including the invasions the Roman Empire faced, the overextension of the Roman military, and the political trouble that caused the empire to split in two. Maps and historical images aid readers' understanding the compelling narrative.

The Romans

The events and personalities of ancient Rome spring to life in this history, from its founding in 753 B.C. to the death of the philosopher-emperor Marcus Aurelius in A.D. 180. Paul A. Zoch presents, in contemporary language, the history of Rome and the stories of its protagonists—such as Romulus and Remus, Horatius, and Nero—which are so often omitted from more specialized studies. With an eye for detail, Zoch guides his readers through the military campaigns and political developments that shaped Rome's rise from a small Italian city to the greatest imperial power the world had ever known. We witness the long struggle against the enemy city of Carthage. We follow Caesar as he campaigns in Britain, and we observe the ebb and flow of Rome's fortunes in the Hellenistic East. Writing with the belief that such stories contain moral lessons that are relevant today, Zoch presents a narrative that is both entertaining and informative. An afterword takes the history to the fall of the Roman Empire in the West in A.D. 476.

The Ancient Romans

Introduces the history, culture, and people of ancient Rome and examines its many contributions to the development of Western society.

Ancient Rome

In *Everyday Life in Ancient Rome*, Lionel Casson offers a lively introduction to the society of the times. Instead of following the standard procedure of social history, he presents a series of vignettes focusing on the "ways of life" of various members of that society, from the slave to the emperor. The book opens with a description of the historical context and includes examination of topics such as the family, religion, urban and rural life, and leisure activities. This revised edition of Casson's engaging work, originally published in 1975 as *Daily Life in Ancient Rome*, includes two new chapters as well as full documentation of the sources.

The Ancient Romans

Do you know what the ancient Romans used instead of soap? Which emperor made his horse into a senator? Who was the god of music, light and truth? And how would a gladiator request an honourable death in battle? All these questions and more are answered in this fascinating easy-to-read guide to ancient Rome. Whether you are studying the subject and need access to the important information fast, or you are just interested in this fascinating period of history, this excellent quick-read guide containing over one hundred facts is a perfect addition to your bookshelf.

The Ancient Roman World

There's so much to digest when it comes to History - how do you know where to begin? These incredible short introductions are just the thing for readers who are beginning to explore ancient history. Get to know the basics on Ancient Rome from gladiators to day to day life, with easy-to-digest, humorous text that is reminiscent of the bestselling *Horrible Histories* series. James Davies' stunning artwork and infographics provide a fresh nonfiction approach that is sure to captivate young readers.

Everyday Life in Ancient Rome

Ancient Rome masterfully synthesizes the vast period from the second millennium BCE to the sixth century CE, carrying readers through the succession of fateful steps and agonizing crises that marked Roman evolution from an early village settlement to the capital of an extraordinary realm extending from

northern Britain to the deserts of Arabia. A host of world-famous figures come to life in these pages, including Alexander the Great, Hannibal, Julius Caesar, Cleopatra, Augustus, Livia, Cicero, Nero, Hadrian, Diocletian, Constantine, Justinian, and Theodora. Filled with chilling narratives of violence, lust, and political expediency, this book not only describes empire-shaping political and military events but also treats social and cultural developments as integral to Roman history. William E. Dunstan highlights such key topics as the physical environment, women, law, the roles of slaves and freedmen, the plight of unprivileged free people, the composition and power of the ruling class, education, popular entertainment, food and clothing, marriage and divorce, sex, death and burial, finance and trade, scientific and medical achievements, religious institutions and practices, and artistic and literary masterpieces. All readers interested in the classical world will find this a fascinating and compelling history.

101 Amazing Facts about Ancient Rome

The legacy of past civilizations is still with us today. In *Ancient Rome*, readers discover the history and impressive accomplishments of the ancient Romans, including their military power and feats of engineering. Engaging text provides details on the civilization's history, development, daily life, culture, art, technology, warfare, social organization, and more. Well-chosen maps and images of artifacts bring the past to life. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

Ancient Rome

In this second edition, *Ancient Rome* presents an extensive range of material, from the early Republic to the death of Augustus, with two new chapters on the Second Triumvirate and The Age of Augustus. Dillon and Garland have also included more extensive late Republican and Augustan sources on social developments, as well as further information on the Gold Age of Roman literature. Providing comprehensive coverage of all important documents pertaining to the Roman Republic and the Augustan age, *Ancient Rome* includes: source material on political and military developments in the Roman Republic and Augustan age (509 BC – AD 14) detailed chapters on social phenomena, such as Roman religion, slavery and freedmen, women and the family, and the public face of Rome clear, precise translations of documents taken not only from historical sources but also from inscriptions, laws and decrees, epitaphs, graffiti, public speeches, poetry, private letters and drama concise up-to-date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic and early empire. Students of ancient Rome and classical studies will find this new edition invaluable at all levels of study.

Ancient Rome, from the Earliest Times Down to 476 A. D.

This book shares little-known facts from and excerpts of primary source documents to correct popular misconceptions about Ancient Rome and to show how those misconceptions became widespread. Roman personalities and history have always had a larger-than-life profile in American popular culture, but most people think of this ancient civilization as merely decadent, cruel, and elitist. Most of our stereotypical conceptions of the empire and its people, however, are wrong. This book corrects popular misconceptions about the ancient Roman world, thus making ancient history relevant and accessible to modern readers and allowing modern critics of American politics and society to draw accurate comparisons. Each chapter discusses how a particular misconception developed, spread, and evolved into what we now believe to be the historical truth. Topics discussed include crucifixion, the destruction of Carthage, Julius Caesar's last words, and Roman hygiene. Excerpts from primary source documents provide evidence of both the rise of the historical fictions and the truths behind the myths.

Ancient Rome

This is one of two new titles from the acclaimed master of recreating the ancient world. Peter Connolly's superb illustrations bring to life the world of ancient Rome, giving children aged 8+ a real sense of what it was like to live there. We visit the baths and the laundry, watch chariot races at the Circus Maximus and gladiator fights at the Colosseum, and discover a wealth of fascinating details of everyday life. Perfect to support homework. Peter Connolly is a best-selling author and illustrator of the ancient world. His previous books with Oxford include Pompeii, The Roman Fort, The Legionary, The Cavalryman, The Ancient Greece of Odysseus, The Holy Land and The Ancient City. These have sold over 250,000 copies in English, and have been translated into many other languages. Peter Connolly is an Honorary Research Fellow of the Institute of Archaeology, London.

The Book of the Ancient Romans - Scholar's Choice Edition

"As for life, it is a battle and a journey in a strange land."--Emperor Marcus Aurelius Seeking to control an empire that spread throughout the Mediterranean world and beyond, the ancient Romans developed a distinctive culture in which they adapted many Greek ideas and styles but also created a wealth of new ones. The Roman heritage continues to affect our architecture, government, military, language, laws, and literature. Ancient Romans chronicles the lives and accomplishments of Roman figures whose influence continues to be felt today. We read about Romans from all walks of life, from the rebel gladiator Spartacus to the poets, historians, and playwrights who documented Roman life, to the many emperors (and some of their wives) who governed the empire. In 46 essays, Rosalie and Charles Baker explore the lives of these fascinating personalities, from the most famous Romans to people who are usually overlooked, including: * Juvenal, a master satirist who ridiculed Rome as a haven for crime, free spending, and other social evils * Livia, wife of Rome's first emperor (Augustus), mother of Rome's second (Tiberius), and grandmother of Rome's fourth (Claudius) * Mark Antony,

the general and statesman whose life and romance with the Egyptian queen Cleopatra have been re-created throughout history by writers and actors * Virgil, the poet who composed the Aeneid, the national epic of Rome * Cicero, the statesman, lawyer, and orator * Nero, who became emperor at age 16 and went on to rebuild Rome after a disastrous fire and to foster peace throughout his empire The biographies span the years 396 B.C. to A.D. 410. Each includes a handy fact box that lists birth and death dates and the major accomplishments of each person profiled. In addition, abundant illustrations and specially commissioned maps, an appendix chronicling the lives of legendary heroes and heroines of early Rome, a table of Roman emperors and their reigns, a family tree that traces the Julian and Claudian families, a timeline, a glossary of Roman terms, an index of Romans by profession, and suggestions for further reading all add to the usefulness of this exceptional reference. With figures from fields as diverse as literature, politics, the military, and philosophy, Ancient Romans provides a comprehensive examination of the origins of modern civilization.

The Cambridge Companion to Ancient Rome

Welcome to the Realm of the Roman Empire! *****SECOND EDITION***** Free bonus inside! (Right After Conclusion) - Get limited time offer, Get your BONUS right NOW! Are you curious about the world around you? Would you like to know about the origins of western civilization? Are you interested in knowing about the ancient world and what impact it has on your life? Would You Like To Know What It Takes To Earn The Name Augustus? If your answer to any one of these questions is a resounding yes, then Ancient Rome is the book for you. The Ancient Romans have always fascinated modern historians. From the time of the "rediscovery" of the Roman Civilization between the 14th and 17th centuries, historians have been in awe of the complexity of their society, their origins, and their decline. All of these have been subject to debate in the past, but now you have a chance to get some clarity on the issue, and maybe understand the world we live in a little better. The Roman Civilization heavily influenced western culture, and in this book, you shall find out the extent to which the Romans affected modern culture. You shall explore the different systems of Government that were put in place, go behind the scenes and find out a little bit more about the practices of the Roman senate and how it came to be one of the most central parts of the Civilization. Ancient Rome takes a look at the different origin stories that there are about ancient Rome, and contrasts them with archaeological evidence that has been found on the same subject. It also looks at the challenges that the city faced as it began, and the different ways in which its founders populated it. Ancient Rome tries to explore the little known facts about the first Kings of Rome, where they were from, how long their reign lasted, their achievements and failures and most of all, the advances each king made as he took over the throne of Rome. The book also examines the rise and fall of the Roman Republic, and the political changes that took place in the years that followed the fall of the last Roman King such as the different posts that were created to fill the void left by the king and the impact they had on the senate. Ancient Rome also looks at some of the conflicts that took place within the senate, the different disagreements between the Plebeians and the Patricians. This book examines the various ways that the senate found solutions to their problems, some of them more amicable than others. This book will take you through a quick walk-through of the different dynasties that existed during in Empire, the various Emperors that ruled during that time, and the impact they had on the economy and culture. You shall discover how each Emperor came to the throne and how each helped to expand the Roman Empire. You will also find out which Emperors did nothing at all and which Emperor is to blame for the decline of republican values. Download Ancient Rome today, and open your mind to the different cultures and civilizations of the world. ***Limited Edition*** Download your copy today!
