God's Supernatural Power in You

The need for power ministry is as strong today as it was when Jesus and the apostles walked the earth. The need for demonstrations of God's powerful love, exhibited through His church, will demolish strongholds of unbelief and relativism, as well as tear down cultural barriers that may bring confusion when only the words of the good news are shared, but its power is neglected. When Jesus and the apostles proclaimed the good news of salvation to people, works of power accompanied them. Today, the entire church needs mentored in how to bring God's word to the world in power. This book is a

prophetic call to engage the mission of bringing God's radical love to this hurting world through power ministry.

The Supernatural Man and His Mind

THE SUPERNATURAL MAN AND HIS MIND In exercising and walking in the supernatural, or simply put, the gifts of the Spirit, the church is usually divided between two groups: those that rest on their prayer life and those that rest on the willingness or otherwise of God to move. Each group can be likened to a drug that is meant to cure an illness. If this same drug is taken beyond prescription, it can lead to the death of the user. What am I saying? If we take the first group and "consume" it long enough, we are going to experience "accident" in the long run. In the same vein, if we take the second and "consume" it long enough, we will find ourselves to blame eventually. Maybe a perfect description will be a car without a brake. Each group is like a car without a brake, if it runs faster than necessary, the driver and passengers may not live to tell the story. For a car to be fit to run, there is a need for it to have a working brake; the same applies to walking in the gifts of the Spirit. We must find a balance between these two classes or else we may not see God's power move in and through us as much as we ought. This book, *The Supernatural Man And His Mind* sets forth the truth of the scriptures as regards walking in the supernatural power of God. It captures this revelation in such a simple term that readers will find it very easy to understand and as a result start walking in the realities of the supernatural power of God. If you desire to experience more move of God's spirit, this is the book to get. You will be glad you do.

Walking in the Supernatural

These monumental needs can be met only as the church rises up in the fullness of the supernatural power of almighty God. He is preparing to pour out His Spirit in an unprecedented way in these last days before Christ's return, and He desires every believer to manifest the supernatural as a normal part of the Christian life. When you yield to Him, trust in His Word, exercise faith, and live a righteous life, then you, too, can walk in His supernatural power. You can bring healing, miracles, and deliverance to a hurting world. In *Walking in the Supernatural* you will discover how to... Raise your level of supernatural expectancy Develop supernatural "eyesight" Break through natural limitations Miraculously meet the desperate needs of others Recognize demonic strongholds and tear them down See God's miracle power flowing through your life It's time to face the sicknesses, family problems, financial needs, and other adverse circumstances that come into our lives and those around us with the supernatural, miracle-working power of God. Let's move forward in the power of the Spirit!

Step Into Supernatural Power

Although the Holy Spirit is present and busy in the whole Bible, most times He is relegated to the New Testament and more specifically, to the book of Acts after the Day of Pentecost. What was the Holy Spirit's role in the Old Testament? How is He recognized in the life of a believer? Is His presence in a believer the same as His presence upon a believer? Is "speaking in tongues" really necessary? What is the use of speaking to God in a language that we do not understand if we can speak to Him in a language that we understand? How does "speaking in tongues" benefit the people around me? This is a book on spiritual warfare and as such it emphasizes the role of the Holy Spirit in this warfare, both in the Old Testament and in the New Testament. The best person to introduce the Holy Spirit is the Holy Spirit Himself! My prayer is that as you read this book, the Holy Spirit will reveal Himself to you in a way that has never happened before. He is wonderful! He is awesome! Without Him we cannot know Jesus or God the Father. He has been give full jurisdiction to move in and upon people on earth, to fulfil the will of the Father.

The Key

This book will complete you with knowledge and wisdom on how I was chosen to access God's supernatural power and use it for His Glory. I was positive about sharing this information being inspired by the Spirit of the Living God, extremely concerned how the people of God can be encouraged through my testimony. The Supernatural Power is awesome. It gets you right at the entry gate, into areas of life that no man on earth came close. Only through Jesus Christ who has the key that opened the door, and when he trusts you enough to receive it, you must follow instructions. There comes with a list of dos and don'ts included.

God's Supernatural Power

The modern church suffers from a serious identity crisis. Many Christians don't know who they really are in Christ. Churches languish in the land of lack, listless, powerless and with little influence in the world. This is about to change! God is birthing a new thing in the church. He is calling all believers to embrace the anointing of the Holy Spirit and walk in His divine power to change the world. The harvest is plentiful and the coming end-time revival needs a vibrant, anointed church that is ready to receive that harvest. God doesn't use just superstars; He longs to anoint ordinary people to do extraordinary things. He longs to anoint you. If not you, who? If not now, when? Now is the time!

Shifting Shadow of Supernatural Power

A storm is brewing... Who is ready for the coming showdown? *Shifting Shadows of Supernatural Power* charts the storm brewing between the power of God and schemes of the enemy; and encourages believers to step out of the shadows and into the Light. A history of the prophetic movement in the United States combined with interviews of many well-known prophetic voices such as Jill Austin, Heidi and Roland Baker, Todd Bentley, Stacey Campbell, Randy Clark, Graham Cooke, James Goll, Bill Hamon, John Paul Jackson, Rick Joyner, and Patricia King serve as a compass to navigate the storm and change the course of a too-complacent, intellectual church. The author equips you to: Step into God's presence. Define shifting shadows' origins. Sharpen your discernment. Recognize converging movements. Increase in power and authority. Arm yourself with knowledge to distinguish the difference between power that comes from God, the enemy, or even yourself. By tapping into God's authentic power and using His gifts of the Spirit, you will access His supernatural signs and wonders---today.

The supernatural power of God to bring deliverance and freedom is available to you! Jesus spent over 1/3 of His ministry delivering people from satanic torment and possession. When the Holy Spirit shows up, deliverance takes place. People are set free from bondage, their hearts are opened to God, and revival breaks out. In this timely handbook for deliverance, Chad MacDonald equips you to continue the deliverance ministry of Jesus through the power of the Holy Spirit! You will learn how to: Confront demon power. Cast out demons, including the most severe cases. Address common misconceptions about demons and deliverance. Unmask the schemes and tactics of Satan at work in your life, church, city and nation. Break the power of addiction and witchcraft. Live free from superstition, fear and generational curses. Jesus came to destroy the works of the devil. Today, God is calling His people to walk in this supernatural power of deliverance once again!

The Supernatural Power of Forgiveness

God's plan has never been to help believers avoid pain. In fact, He uses difficult seasons and relationships to propel His children toward their destiny. The healing process from emotional and spiritual wounds is a journey that prepares Christians to live powerful lives, fully trusting the God who has freed them from the past. Jason Vallotton thought his world was burning down around him when he found out that his wife, Heather, was having an affair and planned to leave him and their children. Using his own story as a poignant, evocative illustration of God's grace and healing, Jason invites readers to reframe their understanding of redemption. With his dad, Kris Vallotton, Jason shows believers how they can steward the hardest times and deepest pain in their lives and allow God to use them to lay a foundation for complete restoration and empowerment for the future. While it may be hard to see emotional wounds as gifts when they still hurt so deeply, those who read The Supernatural Power of Forgiveness will discover that God can not only heal their wounds, but He can also use the process of healing to equip them for whole, fulfilled and powerful lives.

Unquenched

God is able to do immeasurably more than what we often embrace. And Jonathan and Amanda Ferguson show us that we need to ask for more, expect more, and by His Spirit believe and actually apprehend the more of God. It's time to experience all you can experience in God, be all He has called you to be, and show the world His supernatural power. The Fergusons boldly share how to renew our minds and bring revival to our hearts. God's original intent with man was for our spirits to know and commune with Him, like Adam and Eve in the Garden of Eden before the deception of the serpent led them to their fall. Without walking in Eden, how can we come to know a God we have not seen? Jonathan and Amanda Ferguson say that knowing who God is has everything to do with learning: His ways His heart His character His written word His mind His passion Obtaining supernatural experiences with Him. God's ability to reveal Himself is the avenue through which we come to know Him; the realization of that truth is evident when each person experiences God for himself. Supernatural experience may mean hearing His voice, seeing angels, or having heavenly visitations, outer body experiences, seeing visions, or even being granted insight into what God has planned for future events. The other side of knowing God is to know what God can actively, physically do. This side of the supernatural includes the performance of signs, wonders, and miracles. Combining both aspects of knowing God is what the Fergusons refer to as embracing the full spectrum of the supernatural. All of these components must work hand in hand. In UNQUENCHED, the Fergusons share from their own powerful experiences in order to help readers understand the explosive power of the supernatural in your everyday life. UNQUENCHED shows you how to go after God for a full life!
