The Brothers Karamazov, also translated as The Karamazov Brothers, is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was published as a serial in The Russian Messenger and completed in November 1880. The author died less than four months after its publication. The Brothers Karamazov is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, judgement, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed as one of the supreme achievements in world literature.

Surrealist Women displays the range and significance of women's contributions to surrealism. Penelope Rosemont, affiliated with the Paris Surrealist Group in the 1960s and now a Chicago poet and painter, has assembled nearly three hundred texts by ninety-six women from twenty-eight countries. She opens the book with a succinct summary of surrealism's basic aims and principles, followed by a discussion of the place of gender in the origins of the movement. The texts are organised into historical periods ranging from the 1920s to the present, with introductions describing trends in the movement for each period; and each surrealist's work is prefaced by a brief biographical statement. Authors include El Allailly, Bruna, Cunard, Carrington, Cesaire, Gauthier, Giovanna, van Hirtum, Kahlo, Levy, Mansour, Mitrani, Pailthorpe, Joyce Peters, Rahon, Svanmajerova, Taub, Zangana

Into the Wild (Warriors, Book 1)

When Jefferson the hedgehog goes to his local hairdresser's, he's shocked to discover the barber lying dead on the floor. Falsely accused of the murder, Jefferson goes into hiding in the human kingdom with only his friend Gilbert the pig to help him clear his name. But can the two hunt down the real killer before it's too late? And how is the murder connected to the fight for animal rights? With a cover by Lisa d'Andrea, and inside illustrations by Antoine Ronzon

The Brothers Karamazov

This exquisite novel tells the story of one of the most compelling heroines in modern literature--Emma Bovary. "Madame Bovary has a perfection that not only stamps it, but that makes it stand almost alone; it holds itself with such a supreme unapproachable assurance as both excites and defies judgement." - Henry James Unhappily married to a devoted, clumsy provincial doctor, Emma revolts against the ordinariness of her life by pursuing voluptuous dreams of ecstasy and love. But her sensuous and sentimental desires lead her only to suffering corruption and downfall. A brilliant psychological portrait, Madame Bovary searingly depicts the human mind in search of transcendence. Who is Madame Bovary? Flaubert's answer to this question was superb: "Madame Bovary, c'est moi." Acclaimed as a masterpiece upon its publication in 1857, the work catapulted Flaubert to the ranks of the world's greatest novelists. This volume, with its fine translation by Lowell Bair, a perceptive introduction by Leo Bersani, and a complete supplement of essays and critical comments, is the indispensable Madame Bovary.

Grand dictionnaire universel du XIXe siècle

This is Eliphas Levi's (1810-1875) best-known book. This work arguably made Levi THE most influential writer on magic since the Renaissance. Originally issued in French, the English translator is A.E. Waite and it is doubtful that anyone else could have better captured the essence of Levi's work. The book is divided in two parts; the first is theoretical, the second practical. This is a fascinating and often debated work involving a discussion that covers almost the entire realm of Ritual and High Magic.

European graphic-fiction master Hermann is known throughout the world for his richly detailed painted art, brilliantly executed composition, and dynamic cinematic approach to storytelling, but his awe-inspiring work is not widely available in the United States. Dark Horse, in association with Strip Art Features now bring an English-language edition of Hermann's latest work to American audiences, presented in an oversized graphic album that beautifully showcases his stunning creative skills. Rodrigo is rich period adventure, set in 14th century Spain at a time of social tumult and great political instability, a time of bloody warfare between Christians and Moslems and dark intrigues in the ranks of the Spanish aristocracy. Few works of graphic fiction can match the sheer splendor of Hermann's vision, and Rodrigo is Hermann at his best!

Grand Dictionnaire Universel [du XIXe Siecle] Francais: (1.)-2. supplement.1878-90?

Written over the course of four decades, Francois-Rene de Chateaubriand's epic autobiography has drawn the admiration of Baudelaire, Flaubert, Proust, Roland Barthes, Paul Auster, and W. G. Sebald. In this unabridged section of the Memoirs, spanning the years 1768 to 1800, Chateaubriand looks back on the already bygone world of his youth. He recounts the history of his aristocratic family and the first rumblings of the French Revolution. He recalls playing games on the beaches of Saint-Malo, wandering in the woods near his father's castle in Combourg, hunting with King Louis XVI at Versailles, witnessing the first heads carried on pikes through the streets of Paris, meeting with George

Washington in Philadelphia, and falling hopelessly in love with a young woman named Charlotte in the small Suffolk town of Bungay. The volume ends with Chateaubriand's return to France after eight years of exile in England. In this new edition (the first unabridged translation of any portion of the *Memoirs* to be published in more than a century), Chateaubriand emerges as a writer of great wit and clarity, a self-deprecating egoist whose meditations on the meaning of history, memory, and morality are leavened with a mixture of high whimsy and memorable gloom.

The Confessions of Jean Jacques Rousseau

A steampunk pre-WW1 adventure packed with wild inventions and crazed scientists. Lucien Brindavoine, a professional layabout and occasional photographer, inhabits a world of adventure that takes him to Istanbul. He ends up in 'Iron City' in the middle of a titanic struggle for the financial empire headed by Otto Lindenburg.

"The" Oedipus Judaicus

"The ... final mystery for Enola and Sherlock"--P. [4] of cover.

Madame Bovary

"In 1778, Wolfgang Amadeus Mozart leaves Salzburg for Paris. The French capital promises to liberate the 22-year-old from the suffocating grip of his father, and from a city that is unable to accommodate his genius. But there is no grand entrance for the former child prodigy. When Mozart arrives in Paris, he is cash-strapped, unknown and his French is poor. His mentor, the critic Baron von Grimm, introduces him to a number of Parisian nobles. But recognition is hard-won, and at times the French court appears indifferent to Mozart's talents and disapproving of his spontaneity. Tracing the composer's six-month stay in the city of lights, Mozart in Paris dramatizes the confrontation between a sparkle-eyed genius and mundane reality. Frantz Duchazeau spotlights a frustrating yet formative period of the composer's life - and in doing so creates a living, breathing portrait of a man whose music, as Einstein famously said, 'was so pure that it seemed to have been ever-present in the universe, waiting to be discovered by the master.'"--Bookdepository.com

[This series] is for kids who can appreciate a little more action and a lot more voice in their reading. (There's more than a hint of Lemony Snicket's dark hilarity in Gutman's writing.)
