The American Heart Association Family & Friends CPR Anytime personal learning kit is an innovative way to provide anyone with a personal manikin for CPR practice. The manikin is easily portable, realistic, and can be used to practice almost anywhere. Family members or friends are often the only person that can respond if an emergency happens in the home, and now they can learn how to save a life with CPR by watching the instructional video that is included and practicing on the manikin.

Family & Friends CPR.

Easily master all aspects of dental assisting with the most up-to-date and most trusted text available. For more than 40 years, students and practitioners alike have relied on Modern Dental Assisting for its cutting-edge content, easy-to-grasp writing style, step-by-step procedures, and top-notch visuals. And the new 13th edition is no exception. With updated content — including the latest technological advancements, clinical photographs, and new coverage on cultural diversity and how it relates to patient care — this new edition will guide you from your first day of class all the way to your first job in dental assisting. UNIQUE! Trusted expert authors Doni Bird and Debbie Robinson present information and procedures in a way that makes it easy for students to understand and apply the material. Comprehensive, cutting-edge content is presented in approachable writing style. Step-by-step procedures for general and expanded functions use color coding and clinical photos to demonstrate key dental assisting competencies. 70 procedural videos include questions and answers correlated to the chapter procedures with closed-captioning in English and Spanish and audio narration in English. UNIQUE! Interactive Dental Office program provides in-depth case studies integrated with periodontal charting, radiographic mounting, and more. Dentrix practice management software on Evolve enables students to work with patient data much like they will in the office environment. Recall and Critical Thinking questions in each chapter provide opportunities for practice and application. Feature boxes on infection control and CDC practice, patient education, and law and ethics summarize recommendations and key applications in practice. Key terminology list helps students better comprehend the chapter and how the information applies to dentistry practice. Learning and performance outcomes set goals for what students will accomplish and serve as checkpoints for comprehension and skills mastery. NEW! Information on cultural diversity grounds students in this important topic and how it relates to patient care and patient communication. UPDATED! art program provides vivid original renderings of dental anatomy tooth morphology and dental imaging, along with improved photos of the latest products, equipment, and instruments. NEW! Coverage of the latest advances in general and specialty dental care covers technological advancements, public health and access to care, teledentistry, infection control guidelines, the Zika virus, Ebola, the oral-systemic health connection, and more. NEW! Updated critical thinking and recall questions challenge students and provide recollection skills.

Wall & Melzack's Textbook of Pain

Cool English is a 6-level contemporary version of Join In. • A clear structure combined with vivid illustrations which stimulate the senses for better recall. • It adapts to the emotional and intellectual growth of the child and the characters also grow with the child. • A variety of activities which stimulate the different forms of intelligence, especially musical and linguistic. • Cultural themes which introduce some customs of English-speaking countries. The pupils learn to respect cultural differences. • Use of phonetics throughout.

Health Promotion Throughout the Life Span - E-Book

Written specifically for the needs of family and adult nursing students, medical students, and primary care practitioners in Canada, this gold standard reference of family practice in America—named a 2013 Doody's core title and 1st-place winner of the American Journal of Nursing book award in 2017—now provides current Canadian practice protocols for professional standards of care across the life span. Guidelines are delivered in a user-friendly, step-by-step instructional style for physical exams and diagnostic testing results in SI units; health maintenance recommendations approved by Health Canada; care guidelines including Canadian drug names and dietary information; information on culturally responsive care; and patient resources specific to Canada. Practice guidelines are organized primarily by body system and delivered in outline format for quick and easy access. Each of more than 280 disorder protocols includes definition, incidence/prevalence, pathogenesis, predisposing factors, common findings, other signs and symptoms, subjective data, physical examination, diagnostic tests, differential diagnoses, plan, follow-up, consultation/referral, and individual considerations. Also included are numerous Client Teaching Guides in PDF format for customization and downloading. Abundant references are specific to the Canadian health care system. Key Features: Presents over 280 guidelines in consistent outline format Provides Canadian routine health maintenance guidelines, vaccinations, and screenings for HIV and HepC Covers individual care considerations for pediatric, pregnant, and geriatric patients Offers numerous Client Teaching Guides in digital format for clients to take home

Canadian Books in Print

Praised for its comprehensive coverage and clear organization, Critical Care Nursing: Diagnosis and Management, 7th Edition is the go-to critical care nursing text for both practicing nurses and nursing students preparing for clinicals. Nine sections highlight the alterations seen in critical care and make it easy to understand the unique challenges of critical care nursing. An abundance of learning

tools such as Patient Safety Alerts, Evidence-Based Practice boxes, NIC interventions, case studies, Pharmacologic Management boxes, and more give you a better understanding of clinical practice and help you reference vital information quickly and easily. Consistent organization within each body-system unit allows you to use this book as a one-stop resource for your critical care nursing education, as well as a reference for the relevant assessment techniques, lab values, and patient management principles needed by practicing nurses. Evidence-Based Practice boxes reinforce practice guidelines for both collaborative and nursing care. Case studies in each chapter help you internalize and apply chapter content to clinical situations. Pharmacologic Management tables offer quick summaries of the drugs most often used in critical care. Patient Safety Alerts provide key information for special safety issues to keep safety in the forefront of your mind. Nursing Management Plans of Care appendix provides detailed, clinically-relevant care plans tied to 35 different NANDA nursing diagnoses. Highlighted QSEN content makes it easy to identify QSEN competencies as they relate to critical care nursing. Internet Resources box provides a list of key websites from leading organizations in critical care. Combined chapter on shock, sepsis and multiple organ dysfunction syndrome makes understanding similar physiologic processes easier. Chapter summaries provide quick study guides by organizing key information in the chapter. New! 6-second, standard ECG strips help you learn to identify wave forms and accurately reflect what you'll use in practice. New equipment information and photos accurately depicts what you'll encounter in a modern critical care unit.

Practical Guide to the Care of the Surgical Patient E-Book

"I applaud Dr. Haber for addressing key concepts and issues in health promotion and aging, and making them accessible, respectful, mindful, and empowering." Marilyn R. Gugliucci, PhD Director, Geriatrics education and Research University of New England, Past President, AGHE "David Haber has done

it again!...A must-have for students and faculty alike." Barbara Resnick, PhD, CRNP, FAAN This fifth edition of Health Promotion and Aging has been substantially revised and updated with multiple new sub-sections, topics, and terms in each chapter. This book presents a wide scope of cutting-edge topics including gay aging, Jewish aging, social networking, brain games, the Obama administration's health care reform, mental health parity, exploritas, Wii-habilitation, elderspeak, skin cancer, Family Smoking Prevention and Tobacco Control Act, Senator Ted Kennedy's government-run long term care proposal, and sleep-related medical disorders. This book is focused on current research findings and practical applications, and includes detailed descriptions of two of the author's own programs that have been recognized by the National Council on the Aging's Best Practices in Health Promotion and Aging. These programs are comprehensive exercise programs in the community that include aerobics, strength building, flexibility and balance, and health education; and a health contract/calendar to help older adults change health behaviors.

The Corsini Encyclopedia of Psychology, Volume 1

The 5-Minute Clinical Consult, 2011 provides rapid-access information on the diagnosis, treatment, and follow-up of over 900 medical conditions. This best-selling clinical content is accessible online with the enhanced, quarterly-updated site or on your mobile device, to ensure instant point-of-care access to information in whichever format best suits your needs. The content has been updated to include 20 new topics, more evidence-based medicine ratings, expanded clinical pearls and patient education sections, additional complementary and alternative medicine material, and updated ICD-9 codes highlighted within the text. The online content has been enhanced and now contains a better and faster search functionality providing answers in 30 seconds or less. It continues to have fully searchable content of the book with links to PubMed, plus additional topics not covered in the print book. The online content also has over 1,000 English and Spanish patient handouts from AAFP; full-color images; videos of medical procedures and physical therapy; a new dermatology library; drug databases from Facts & Comparisons including monographs, images, interactions and updates; and laboratory information from the new edition of Wallach's Interpretation of Diagnostic Tests. This content is updated quarterly with new topics, medical procedure videos, more diagnostic images, drugs, and more. You can access all your 5-Minute Consult content using any web enabled mobile device, including Blackberry, Windows Mobile, Android, Palm, Windows PC, iPhone, or iPod Touch. Begin integrating the 5-Minute content into your daily workflow today.

Runner's World

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Working Mother

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.
