

Ethnicity And Security Of India A Case Study Of North East

[#ethnicity India security](#) [#North East India security](#) [#ethnic conflict India](#) [#India national security](#) [#regional stability India](#)

This comprehensive case study delves into the intricate relationship between ethnicity and security in India, specifically examining the unique challenges faced by the North East region. It analyzes how diverse ethnic groups, historical grievances, and geopolitical factors contribute to security dynamics, exploring their profound implications for India's national security and regional stability.
