While there are many books and decks for the advanced tarot enthusiast, there is very little for the less advanced. Now there is The Beginner's Guide to the Tarot, a book and card set designed specifically for the novice. In the fully illustrated, 192 page book, noted tarot expert Juliet Sharman-Burke leads the reader through the cards and suits, the Minor and Major Arcana, and the major layouts for the complete 78 card deck. Give yourself, and others, the gift of reading tarot cards with this beautiful kit—a full deck of 78 cards plus a full-color, step-by-step guide book that will have you reading cards in just a few hours. Inspired by the rich pattern and naive style of the ancient Italian tarot cards, this exquisite deck brings in all the archetypal symbols of the tarot—so when you learn to read cards with The Golden Tarot, you'll not only be reading your own cards confidently, but be able to interpret many other decks, too. From the figure-eight to the crayfish, the pomegranate to the tower, and the planets of astrology, here's where you begin to decode ancient symbols for future prediction, insight, and affirmation in your daily life.

The Zenned Out Guide to Understanding Crystals

The Crystal Tarot deck and guidebook expands the use of tarot beyond self-awareness and future predictions into the world of manifesting and intention-setting. This tarot 78-card tarot deck isn't created to help explain your fate but to control it. Explore, clarify and take hold of your destiny and manifest what you want to happen in your life. The combination of tarot (intentions and insights) and crystals (energy and power) is potent -- and hitherto relatively unexplored. Each card is beautifully illustrated and will be linked to a crystal which either amplifies or protects you from its energy. The good news is that readers don't need to have 78 crystals, as all crystal energies are broadly colour-coded, so as long as they have roughly 12 differently coloured crystals, you can still play along! And if you don't, the pack will explain how you can pick up 'wild stones' in all different colours, and how you charge them up like crystals. This dynamic, potent deck will empower you to navigate the universe, take charge of your life and manifest your ideal future. What are you waiting for?
