Madness - Book One of the Vigilance Series

A vivid reliving of a man's childhood while he is being put on trial for a crime he felt justified in committing. As he waits to tell his side of the story, he recalls events from his past in raw riveting detail which led him up to this day. As you read each written word, you will experience each and every emotion undertaken by this young man as he grew from child to adolescent too quickly. You will endure his pain, his sorrow, and his strength.

Eternal Vigilance

After a century-long Sleep, Tynan Llywelyn has awoken to find the world he once knew obliterated by a brutal war of epic proportions. In a new apocalyptic society bitterly divided by magic and technology, the Tyst Empire has found that a hundred years of global domination is not enough to sate their thirst for power. They have discovered the secret of the vampire race and have designed a plan to seize their own sinister form of immortality with the help of an ancient vampiric god. The rebel uprising known as the Phuree have obtained the knowledge of Lord Cardone's plans and have allied themselves with the remaining Immortal race. The powerful Phuree oracle, Nahalo, has had a vision that in Tynan alone lies the power to defeat the vampiric god and the dictatorship. Cast in violence and conspiracy into the mist of the bloodshed, in a world he is still struggling to define, Tynan must make the harrowing decision to save the world he so bitterly detests or stand and watch as humanity is destroyed by a primordial evil beyond all imagining...

Vigilance

Robert Jackson Bennett's Vigilance is a dark science fiction action parable from an America that has permanently surrendered to gun violence. The United States. 2030. John McDeane executive produces "Vigilance," a reality game show designed to make sure American citizens stay alert to foreign and domestic threats. Shooters are introduced into a "game environment," and the survivors get a cash prize. The TV audience is not the only one that's watching though, and McDeane soon finds out what it's like to be on the other side of the camera. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Fine Madness

'A masterful storyteller with an intricate knowledge of his subject.' The Daily Telegraph 'Alan Judd knows more about the secret world than any other writer living. To have him turn his expert eye on the world of Christopher Marlowe - and on Francis Walsingham, the Elizabethan George Smiley - is a special kind of literary treat.' Mick Herron 'Absolutely spellbinding. I gobbled it up in two days and could not stop' Miranda Seymour Danger and dissent stalk the streets and taverns of Elizabethan England. The Queen's chief spymaster, Francis Walsingham, and his team of agents must maintain the highest levels of vigilance to ward off Catholic plots and the ever-present threat of invasion. One operative

in particular - a young Cambridge undergraduate of humble origins, controversial beliefs and literary genius who goes by the name of Kit Marlowe - is relentless in his pursuit of intelligence for the Crown. When he is killed outside an inn in Deptford, his mysterious death becomes the subject of rumours and suspicion that are never satisfactorily resolved. Years later, Thomas Phelippes, a former colleague of Marlowe's and a man once much valued by Walsingham, finds himself imprisoned in the Tower. When he is visited by an emissary of the new king, however, it becomes clear that his long fall from favour may be reversed if he will furnish his monarch with every detail he is able to recall about his murdered friend's life and death. But just what is it that so fascinates King James about the famously mercurial playwright-spy, and does Phelippes know enough to secure his own redemption? Virtuoso, gripping and meticulously researched, award-winning writer Alan Judd turns in at the peak of his powers in this remarkable novel about a literary genius whose short-life and violent death composed one of the most fascinating unresolved mysteries of all time.

A Fine Madness

SUNDAY TIMES HISTORICAL FICTION BOOK OF THE MONTH, MARCH 2021 'Absolutely spell-binding. I gobbled it up in two days and could not stop' Miranda Seymour A remarkable and meticulously researched novel from award-winning writer Alan Judd, exploring the life of literary genius Kit Marlowe, whose violent death composed one of the most fascinating unresolved mysteries of all time. In Elizabethan England, the Queen's chief spymaster, Francis Walsingham, and his team of agents must maintain the highest levels of vigilance to ward off Catholic plots and the ever-present threat of invasion. One agent in particular - a young Cambridge undergraduate of humble origins, controversial beliefs and literary genius who goes by the name of Kit Marlowe - is relentless in his pursuit of intelligence for the Crown. When he is killed outside an inn in Deptford, his mysterious death becomes the subject of rumours and suspicion that are never satisfactorily resolved. Years later, when Thomas Phelippes, a former colleague of Marlowe's, finds himself imprisoned in the Tower, there is one thing that could give him his freedom back. He must give the king every detail he is able to recall about his murdered friend's life and death. But why is King James so fascinated about Kit Marlowe – and does Phelippes know enough to secure his own redemption? Praise for A Fine Madness 'A masterful storyteller with an intricate knowledge of his subject' The Daily Telegraph 'Alan Judd knows more about the secret world than any other writer living. To have him turn his expert eye on the world of Christopher Marlowe – and on Francis Walsingham, the Elizabethan George Smiley – is a special kind of literary treat.' Mick Herron 'Well-researched splice of fiction and historical fact... A vivid tale of espionage, dissent and intellectual discourse, with the past brought to teeming, pungent life' GUARDIAN 'Judd skilfully evokes the atmosphere of suspicion and fear...convincing portrait of the mercurial dramatist while still allowing Marlowe to remain something of the enigma he has always been' Sunday Times 'At the heart of this spy novel stands the mercurial, enigmatic figure of Christopher Marlowe, whose premature death is a tavern brawl has proven an enduring mystery... drawing on the real records of Marlowe's death and the secret service to craft a gripping story' BBC History Magazine 'Judd keeps us guessing until the last pages of this taut, clever, thought-provoking thriller.' The Spectator

The Right Madness

'The poet laureate of hard-boiled literature, superior even to James Lee Burke in his ability to evoke extreme melancholy, gruesome violence and an acute sense of landscape... Deeply compelling' Guardian Things are never straightforward for private detective C. W. Sughrue. A long-time recovering Vietnam veteran and prone to trouble, he's finally enjoying a slower pace of life. Until, that is, his old friend - psychiatrist William Mackinderick - enlists his help in shadowing some of his patients. Mackinderick suspects one of them may have taken highly confidential files from his office and he's desperate to know who. But soon Sughrue's not tracking them alive but dead, as one after the other they meet a gruesome end. Sughrue thought he'd seen it all before but he's been proved wrong...madness knows no bounds.

Lawless

The Hammond family have retired from the world of crime, but Angie and Billy are forced back into it when they discover that their sons are heavily involved in the supply and distribution of drugs. It comes as a shock to them but there is no time for recriminations as they are in danger from the people on the street who resent their success. It's a race against time as they try to make their presence felt once more, but the game has changed and the new players have created their own set of rules.

Mind Over Madness

What is madness? A state of mind? A fractured soul? Jean knows all too well. She and her family endure a madness of epic proportions. A curse brought on by fear. A curse of the heart and the mind. Some say Jean is crazy. Others say she is a light in the darkness. And othersA[a-A] well, others are afraid to even speak her name. Locked down against her will in a mental institution, enduring cruel experimental treatments, Jean is forced to relive her hellish nightmare, over and over, day after day, finally reaching her breaking point. In her fragile mind it seems there is only one optionA[a-A] freedom at any cost. Freedom from her very own captivityA[a-A]

The Venetian Galley Captain: Book One: In Service of the Doge

Venice is the sea power of the Mediterranean. Her Navy is the key. Her power is dependent on its use. This is the tale of one man, Cosimo Congardé, in love, war, and espionage. He is the Venetian galley captain and in his own words you learn of his progress from the captain of one galley to the leader of a wing in a squadron of the time. The effects of the new technology, ship-killing guns and the interdependence of the older weapons are seen through his eyes. The Republic has the best intelligence service of the day and Cosimo has managed to run amok of it. Battling the enemy, the admiralty, the master counterspy, aided by his crews and captains, while pursuing a lost love, this is the first of The Venetian Galley Captain series. So strap on your sword and join the adventure.

March Into Madness

After thwarting a disaster in the nation's capital, Mark Taylor captures the attention of the CIA. Mark doesn't trust the agency—not with his history with them—but he agrees to demonstrate the miraculous camera in the hopes of creating a team to help him ward off future catastrophe. Mark realizes too late that he should have listened to his gut instincts when he finds himself held in the bowels of DC against his will while agents of the CIA, intent upon learning the secrets of his psychic abilities, use him as a test subject.

Borges and Plato

This comparative approach shows how the Platonic viewpoint sheds new light on Borges' essayistic and fictional work. Analyses to which extent his thought is deeply rooted in classical philosophical doctrines.

The Complete Rougon-Macquart Series (All 20 Books in One Edition)

Les Rougon-Macquart is the collective title given to a cycle of twenty novels by French writer Émile Zola. Subtitled "Natural and social history of a family under the Second Empire"

FINE MADNESS.

Madness leaves the body it has destroyed and slithers to find a new body and mind to control and destroy. The land is not large, but those who cross it learn quickly of what lives in the soil of the land. The owner of that soil has far more to deal with. The Demon there is unsatisfiable.

Dark Dreams of the Awake: A Madness Lives - The Property: Book One

Following directly in the wake of The Temple of Yellow Skulls, our heroes face the totality of the destructive and pestilent forces presented by the Abyssal Plague. The disease of the liquid crystal Voidharrow spreads throughout the land, transforming unsuspecting creatures into plague demons. Shara, Uldane, and the unlikely drow hero Valmaggar join forces with Tempest and Rohgar from The Mark Of Nerath, and together they set out in search of the green dragon Vestapalk, or the creature Vestapalk has become--the patient zero of this abyssal plague. Meanwhile, Albanon and the mysterious cleric Kri Redshal--the last remaining member of the Order of Vigilance, an order dedicated to guarding the Voidharrow--go in search of answers to the disease that sweeps the land. While their search takes them deep into the heart of the darkness that is enveloping the land, the answers they find are truly in need of new questions. As they become aware of the true scale of the tragedy at hand, they see the forces behind them are more powerful than they had ever dreamed, and perhaps more seductive. From the Paperback edition.

Oath of Vigilance

Seven United States Secret Service men have disappeared in South America. Another is found—a screaming homicidal maniac. It is rumored that they are victims of a diabolical poison which produces "murder madness." Charley Bell, of the "Trade"—a secret service organization that does not officially exist—discovers that a sinister system of slavery is flourishing in South America, headed by a mysterious man known only as The Master. This slavery is accomplished by means of a poison which causes its victims to experience a horrible writhing of the hands, followed by a madness to do murder, two weeks after the poison is taken.

Murder Madness [Illustrated]

When Tynan Llywelyn awoke after a century of Sleep he found himself tethered to a war between a global technological dictatorship and the rebel uprising it sought to crush. Tynan realized quickly that his path in this new world was to be nothing less than extraordinary, embroiled in a web of tragedy, betrayal, and blood. In the wake of the death of Lord Cardone III and the system failure of the Chronous matrix, both humanity and vampire alike now struggle to redefine themselves in societal darkness and twisted co-dependency of one another to survive their common enemy, the Tyst Empire. Tynan himself is caught in a new political war of his own. Emerging victorious from his final battle, the Immortals have appointed him to a place of power amongst their ranks. However, Tynan's desire to return to his previous path as the philosophical leader of the vampire race creates a moral and ethical divide within him, as well as a deep concern for the women he loves. Amidst a seething, unstable world where conspiracy and violence thrives in every shadow, Tynan must walk a perilous new path lest he watch the world he just saved burn to ashes around him.

Eternal Vigilance 4

A month ago, eunuch sword-dancer and spy Varazda collided with ex-soldier Damiskos at a seaside villa during a dizzying week of intrigue, assassinations, and a fake love affair that—maybe—turned real. Now Varazda is back home in Boukos, at the center of a family and community he dearly loves, and Damiskos is coming to visit. Things aren't going according to plan. Varazda's family members suspect Damiskos's motives. Varazda grapples with his own desires. Add in a horrible goose, a potentially lethal sculpture, and yet another assassination plot, and any man other than Dami would be boarding a ship straight back to PHEME. It's going to take all of Damiskos's patience, and all of Varazda's strength, to make this new relationship work. After all that, solving one more murder shouldn't be too hard. *Saffron Alley* is the second book in the *Sword Dance* trilogy, the continuation of Dami and Varazda's story from *Sword Dance*. It crosses over with *One Night in Boukos*, but you don't have to have read that book to enjoy this one.

Saffron Alley

A Dying Man. A Heart-warming Tale. One Final Christmas. Old People's Home are never good. Strange things happen. No magic exists here. I want to see a Final Christmas. Do I get my wish? If you enjoy heart-warming, enthralling fantasy short stories, read this one! BUY NOW! Available in *Fantastical Christmas Complete Collection*.

One Final Christmas

Max Weber and Michael Foucault are among the most controversial and fascinating thinkers of our century. This book is the first to jointly analyse them in detail, and to make effective links between their lives and work; it coincides with a substantial resurgence of interest in their writings. The author's exciting interpretative approach reveals a new dimension in reading the work of Foucault and Weber; it will be invaluable to students and those researching in sociology and philosophy.

Max Weber and Michel Foucault

This book substantiates two claims. First, the modern world was not simply produced by "objective" factors, rooted in geographical discoveries and scientific inventions, to be traced to economic, technological or political factors, but is the outcome of social, cultural and spiritual processes. Among such factors, beyond the Protestant ethic (Max Weber), the rise of the absolutist state and its disciplinary network (Michel Foucault), or court society (Norbert Elias), a prime role is played by theatre. The modern reality is deeply theatricalized. Second, a special access for studying this theatricalized world is offered by novels. The best classical novels not simply can be interpreted as describing a world

"like" the theatre, but they capture and present a world that has become thoroughly transformed into a global theatre. The theatre effectively transformed the world, and classical novels effectively analyze this "theatricalized" reality – much better than the main instruments supposedly destined to study reality, philosophy and sociology. Thus, instead of using the technique of sociology to analyze novels, the book will treat novels as a "royal road" to analyze a theatricalized reality, in order to find our way back to a genuine and meaningful life.

Novels and the Sociology of the Contemporary

A much-praised memoir of living and surviving mental illness as well as "a stereotype-shattering look at a tenacious woman whose brain is her best friend and her worst enemy" (Time). Elyn R. Saks is an esteemed professor, lawyer, and psychiatrist and is the Orrin B. Evans Professor of Law, Psychology, Psychiatry, and the Behavioral Sciences at the University of Southern California Law School, yet she has suffered from schizophrenia for most of her life, and still has ongoing major episodes of the illness. *The Center Cannot Hold* is the eloquent, moving story of Elyn's life, from the first time that she heard voices speaking to her as a young teenager, to attempted suicides in college, through learning to live on her own as an adult in an often terrifying world. Saks discusses frankly the paranoia, the inability to tell imaginary fears from real ones, the voices in her head telling her to kill herself (and to harm others), as well as the incredibly difficult obstacles she overcame to become a highly respected professional. This beautifully written memoir is destined to become a classic in its genre.

The Center Cannot Hold

Not Quite Hope and Other Political Emotions in the Gilded Age argues that late nineteenth-century US fiction grapples with and helps to conceptualize the disagreeable feelings that are both a threat to citizens' agency and an inescapable part of the emotional life of democracy--then as now. In detailing the corruption and venality for which the period remains known, authors including Mark Twain, Harriet Beecher Stowe, Henry Adams, and Helen Hunt Jackson evoked the depressing inefficacy of reform, the lunatic passions of the mob, and the revolting appetites of lobbyists and office seekers. Readers and critics of these Washington novels, historical romances, and satiric romances a clef have denounced these books' fiercely negative tone, seeing it as a sign of elitism and apathy. The volume argues, in contrast, that their distrust of politics is coupled with an intense investment in it. Chapters examine both common and idiosyncratic forms of political emotion, including 'crazy love', disgust, cynicism, 'election fatigue', and the myriad feelings of hatred and suspicion provoked by the figure of the hypocrite. In so doing, the book corrects critics' too-narrow focus on 'sympathy' as the American novel's model political emotion. We think of reform novels as fostering feeling for fellow citizens or for specific causes. This volume argues that *Gilded Age* fiction refocuses attention on the unstable emotions that shape our relation to politics as such. It also positions this literature's fraught fascination with formal politics as a necessary counterpoint to histories of US literature that focus only on the nineteenth-century novel's anti-institutional imaginaries.

Madness

When eight-year-old Vinni Stewart disappears from a Jersey shore town, Maddy, her distraught single mother, begins a desperate search for her daughter. Maddy's five-year journey leads her to a bakery in Brooklyn, where she stumbles upon something terrifying. Ultimately, her artist neighbor Evelyn reconnects Maddy to her passion for painting and guides her to a life transformed through art. Detective John D'Orfini sees more than a kidnapping in the plot-thickening twists of chance surrounding Vinni's disappearance, but his warnings to stay away from the investigation do not deter Maddy, even when her search puts her in danger. When the Russian Mafia warns her to stop sniffing into their business, Maddy must make a choice whether to save one child—even if it might jeopardize saving her own.

Not Quite Hope and Other Political Emotions in the Gilded Age

Records the academic paths of ground-breaking women psychologists in their own words: their triumphs, decisions, obstacles, and legacies.

The Novels of Charles Lever: Confessions of Con Cregan, the Irish Gil Blas; Illus.by Phiz

In this volume the author focuses on how the work of Derrida has helped rework the themes of tradition, legacy and inheritance in Western philosophy. It includes readings of Derrida's texts that demonstrate the claims he makes cannot be understood without considering the way in which he makes those claims.

The Complete Book of Muslim and Parsi Names

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Shorter Novels, Eighteenth Century

In Shorter Views, Hugo and Nebula award-winning author Samuel R. Delany brings his remarkable intellectual powers to bear on a wide range of topics. Whether he is exploring the deeply felt issues of identity, race, and sexuality, untangling the intricacies of literary theory, or the writing process itself, Delany is one of the most lucid and insightful writers of our time. These essays cluster around topics related to queer theory on the one hand, and on the other, questions concerning the paraliterary genres: science fiction, pornography, comics, and more. Readers new to Delany's work will find this collection of shorter pieces an especially good introduction, while those already familiar with his writing will appreciate having these essays between two covers for the first time.
