My So-Called Sex Life: An Enemies To Lovers Standalone Romance

I've got a list of people I absolutely don't ever want to be stuck with on a boat, or a plane, or a train, and it starts and ends with the broody, grumpy, too-sexy-for-my-own good Axel Huxley. Also known as this romance novelist's number one nemesis. The man is legendary for his mighty pen and his even mightier scowl. I tried to work together with the cocky thriller writer once upon a time, but the two of us are like vodka and good decisions. We don't play well together. Only now, our publishers are sending us on a joint trip across Europe to mingle with our most devoted readers on an old-fashioned luxury train. And thanks to a booking snafu, we have to share a sleeper car. You guessed it--there's only one bed. I'm not sure I can survive the next seven days and nights with my dangerously sexy enemy and all our fiery tension. Which explodes one night in a desperately needed hate bang. But the bigger plot twist is this - the more time we spend together, visiting the most romantic cities in Europe by day and discovering each other at night, the more I'm forced to face our past. To let go of the hurt. To see the man he's become. And when I do, I wonder if it's too late to write a new happy ending for us?

One Exquisite Touch

A sexy enemies-to-lovers standalone, rich with masquerades, billionaires and forbidden trysts! When the invitation arrived, it detailed the rules of the masquerade--no names, no identities. I set one more--find a most wicked man for one night, the kind who'll bring me deliciously naughty pleasure. But as the clock ticks to midnight, he finds me, whisks me away to a secret alcove, and delivers all that dirty bliss and then some, leaving me craving more. We make arrangements for another secret rendezvous. Only fate has other plans, since I run into him the next morning. Turns out the stranger at the ball is the billionaire owner of the hotel across the Strip from mine. My rival. My enemy. The last thing I'll do is let the brilliant, mercurial man who wants a piece of my business into my bed again. But

when he throws down a daring, risqué bet. I have to decide if I want to raise the stakes. Or walk away... ONE EXQUISITE TOUCH is a wickedly racy, high-stakes love story between a man and a woman. It also features several sexy MFM love scenes.

Stud Finder

From New York Times and USA Today bestselling author Lauren Blakely comes a new standalone romance... Man seeking woman: Hot, rich, smart, witty, self-made multimillionaire Internet genius seeks classy, intelligent, sexy, fun-loving woman who's interested in settling down and sharing all the good things. There. Best. Ad. Ever. I will absolutely find the woman of my dreams, someone who'll love me for me. Even if my sister thinks I need help dating, I'm confident I can pull this off, courtesy of the great worldwide web. Let me just hit the upload button right now... * * * No. Just no. As a woman and a professional matchmaker, I can't let Dylan Parker run this ad. He's the catch of all catches. That's why his sister has asked me to help her ridiculously good-looking, insanely rich, but socially clueless brother find a woman. As a broker of happily ever afters, I'm known as the Stud Finder since I make a great living pairing wildly successful women with men who won't fleece them but will adore them. After all, what woman in her right mind wouldn't fall in love with Dylan? I mean, besides me. It totally won't be me. *Stud Finder is a standalone novella told in dual POV in the style of Lauren Blakely's series of standalone rom-coms like Big Rock, Mister O and The Sexy One. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

The Tryst

The moment I run into the woman I once loved madly, I've got one goal and one goal only--a second chance. The plan? Go big or go home. Fine, getting into my birthday suit at my ex-girlfriend's place of work might not seem like the best way to win her heart again. But trust me on this count--she always liked me best without any clothes on. And you've got to play to your strengths when you're fighting an uphill battle. I'm prepared to fight hard for her because sometimes you need a second chance at first love. He's the one who got away . . . The nerve of Tyler Nichols to reappear like that at my job, showing off his rock-hard body that drove me wild far too many nights. That man with his knowing grin and mischievous eyes is nothing but a cocky jerk to saunter back into my life. Except, what if he's not. . . ? I've tried like hell to forget him, but maybe I'm cursed to remember the guy I fell madly in love with eight years ago. Lord knows I'm not over him, so what's the harm in giving him a week to prove he's changed in the ways that matter? After all, how do you resist THE HOT ONE?

The Hot One

A sexy, swoony standalone romance from the #1 NYT Bestselling author of FULL PACKAGE and MISTER O.... Let me count the ways why falling into forbidden love is not my wisest move... 1. She works with me every single day. Did I mention she's gorgeous, sweet, kind and smart? 2. She works in my home. Playing with my five-year-old daughter. Teaching my little girl. Cooking for my princess. Which means... 3. She's the nanny. And that makes her completely off-limits...But it doesn't stop me from wanting her. All of her. *** The other nannies in this city don't call him the Sexy One for nothing. My boss, the amazingly wonderful single father to the girl I take care of every day is ridiculously hot, like movie star levels with those arms, and those eyes, and that body. Not to mention, the way he dotes on his little girl melts me all over. But what really makes my knees weak are the times when his gaze lingers on me. In secret. When no one else is around. I can't risk my job for a chance at something more...can I? But I don't know how to resist him much longer either... With all the heat, heart and humor readers have come to expect, this newest standalone will make you laugh, swoon and feel like you're falling in love!

The Sexy One

Former lovers Josh and Haven are now competing for the same client, and find themselves also fighting their still-burning attraction to one another.

Seductive Nights Box Set

"When you think about how easy it is to lose keys, phones, sunglasses, and your dignity on social media, you might figure it'd be a cinch for me to ditch my V Card. At 25, I run a successful business,

live in a fantastic apartment, and have fabulous friends to go out with any night of the week. And yet I'm still a card-carrying member of a club I don't want to belong to anymore. Good thing I know just the man for the deflowering job--my brother's business partner and best friend"--Back cover.

The V Card

Some things are better left unsaid. Besides, I don't need to act on every wild thought that flits through my imagination, not when my fiancé and I have the kind of life I've always longed for -- passionate, intimate and oh so real. I can't risk losing him, so I focus on building our life together as a couple, expanding my career as a sports reporter, and prepping for our wedding. But the more insistent my thoughts become, the closer I get to telling him what I want most...The question though is what will happen to our unbreakable bond when I do.

The RSVP

The second the test-the-sexy-scenes offer landed in my lap, I said yes. After all, I've been damn curious about a few things I've read in romance novels. Do buttons truly go flying across the floor when you rip off a guy's shirt? Is staircase nookie hella hot or does it leave you with a big old bruise mark on your back? And don't even get me started on all that panty shredding, and whether it even works. Time to find out as I embark on Project Sexy Scenes Research, at the request of my hotshot book editor bestie. All I need is a willing scene partner. Enter Tristan, my best guy friend. The witty, tell-it-like-it-is, bearded hottie volunteers for the experiment. He's also the guy who gave me the most devastating, toe-curling kiss of my life ten years ago. But nothing has happened since then. And nothing will come between my panties and our friendship now since we have a plan to keep it PG. But once the buttons start flying, all bets are off..

The Engagement Gift

Celebrity photographer and college senior Jess Leighton desperately needs to crash the wedding of the year. Snapping just one pic of the A-list Hollywood couple tying the knot will pay her way through grad school. But with security tighter than the bride-to-be's corset, she'll need more than her camera and smarts, she'll need help from her biggest rival--hot, British, motorcycle-riding William Harrigan, whose sexy accent can melt the panties off any woman. He's the last person Jess should trust, but he's her only ticket in. William Harrigan wants one thing - to stay in L.A. past college graduation. With a student visa set to expire, the clock is ticking. When he lands a gig that pairs him with the beautiful blond spitfire Jess, he's scored his best shot at living out the American dream. Winning her trust would be a whole lot easier, however, if he didn't have ulterior motives... But there's no faking the intense attraction between them. Try as they might to resist each other, soon sparks are flying, as they devise a plan to sneak into the ceremony. But when Jess' new celebrity client raises the stakes, she starts to smell blackmail, and soon she and Will are chasing down cheating directors, staking out clandestine trysts, and making fake IDs, all while sneaking scene-stealing kisses and hot nights together. The audience loves a happy ending, but in a town where everyone's acting and no one's playing by the rules, can Jess and William find their own ever after in time?

She's the only girl I ever missed when she walked away. But now she's back in my life, every day, and there are no guarantees for us, especially since I don't know how to tell her my secrets. What happened to my family. All I know is she's the closest I've ever come to something real, and I want to feel every second of it
