Saya bangun siang. Tapi itu masih mending, masih jam sembilan, karena biasanya saya bangun jam dua belas siang. Saya memang pemalas, tapi untuk apa saya rajin kalau saya merasa diri sudah pandai. Samalah itu seperti halnya kamu, tidak perlu hemat lagi, karena kamu sudah kaya, sudah mendapatkan pangkalnya ("Sales Badminton") "Buku ini jangan dibaca." - Jaya Suprana, Pakar Kelirumologi "Sensasi kegilaan yang sama dengan memacu motor dalam gelap malam tanpa lampu penerangan. "Lagian, uang sudah banyak pun. Mau apa lagi. Cuma tinggal santai saja dan ngirim SMS buat istri tercinta yang sedang bekerja di kantornya: "Ibu, apa yang kau cari? (Ayah. Timur, dan Bebe)." Wow, langsung dibalas: "Cari uang!" Oh ya? Saya kirim lagi SMS: "uang Ibu hilang?" Tak ada jawaban, tentu saja, dia kan sibuk nyari uang. (HARI SENIN) [Mizan, Pastel Books, Cerita, Humor, Indonesia]

Di daerah Jalan Ganesha, saya inget SBY. Aduh, kenapa inget SBY? Ini pasti gara-gara dulu, waktu Pemilu Presiden. Waktu itu saya mencoblos dia. Mencoblos SBY. Tapi, asli bukan bersumber dari hati nurani saya. Itu lebih karena memenuhi suruhan anak saya, yang saya bawa ikut ke dalam bilik suara. Itu disuruh Timur yang waktu itu berumur 5 tahun. Tetapi janganlah ini kita bahas banyak-banyak. ("Jalan ke Mana-Mana") "Ini Buku Berbahaya." -Prof. Dr. Bambang Sugiharto Buku ini adalah perayaan ide, karnaval anarki wacana. Semacam jaz yang improvisasi kecerdasannya begitu nakal dan seme-na-mena. Tidak disarankan bagi para intelektual yang arif dan bijaksana. -Prof. Dr. Bambang Sugiharto, Guru Besar Filsafat di Unpar dan ITB Pidi Baiq menyebut tulisan-tulisannya sebagai Catatan Harian

atau Cacatan Harian. Saya memuatnya di suplemen “Khazanah” di Pikiran Rakyat dan menyebutnya cerita pendek. Beberapa teman protes, katanya Catatan Pidi Baiq seperti bermain kasti dengan pemukul softball. Terserah! Dunia sudah berubah, Bung. Mungkin kita memang harus mengganti nama permainannya. -Rahim Asyik, Redaktur Khazanah [DAR! Mizan, Cerita, Catatan Harian, Indonesia]

"Pokoknya, besok harus dibuang!" "Iya" "Tidak ada alasan!" "Marmut, kan, nggak tahu kalau itu taman," kata saya membela diri. "Pemiliknya, kan, tahu," kata dia. "Allah memang Mahatahu." Saya langsung suka pada momen dialog yang membahas ketuhanan seperti ini. "Allah apa?" dia tanya. "Sang Maha Pemilik?" "Apa? Bukan Allah!" katanya. "Yang beli marmutnya." "Oh" "Yang beli marmutnya, kan, tahu."

"Tapi Bu, kalau ayah nikah lagi, pasti bukan nafsu" saya bilang begitu sambil makan kuaci (satu persatu). Itu komentar saya untuk mereka yang bilang poligami janganlah didasari oleh karena desakan nafsu. "Kalau Ayah memang karena apa?" The Holy Woman

Chris Kraus' *The Bastard Factory* tells the story of an entire epoch: a drama of betrayal and self-delusion spanning the years 1905 to 1975, taking us from Riga and Moscow, Berlin and Munich, all the way to Tel Aviv. Hubert and Konstantin Solm are brothers, born in Riga at the beginning of the twentieth century. They will find themselves – along with their Jewish adopted sister, Ev Solm – caught up in in the maelstrom of their changing times. As the two brothers climb the rungs of society – working first for the government in Nazi Germany, then as agents for the Allied forces, and eventually becoming spies for the young West Germany – Ev will be their constant companion, and eventually a lover to them both. The passionate love triangle that emerges will propel the characters to terrifying moral and political depths. The story of the Solms is also the story of twentieth-century Germany: the decline of an old world and the rise of a new one – under new auspices but with the same familiar protagonists. Translated from the German by Ruth Martin

“Saath ensured communities understood not just their rights when it came to basic services but also their responsibilities. With three decades of experience in partnerships for equitable and rights-based urban development, Saath is well positioned not just to be a player, important as that is, but to also be a resource agency, a teacher and a guru, sharing its successes and failures to other institutions who are treading a similar path.” Mr Shankar Venkateswaran, Former Chief, TATA Sustainability Group and former Country Head, American India Foundation “This book not only highlights the good work done by Saath, but also provides food for thought in terms of what needs to be done to make our cities a much better place to live than what they are today. This book will certainly help inspire people to join NGOs in their own ways and help create an atmosphere for social change that will lead to a more inclusive growth.” Mr Dilip Chenoy, Secretary General, Federation of Indian Chamber of Commerce and Industries “Urban India needs a large number of initiatives like those taken by SAATH to solve its large and diversified problems.” Prof Chetan Vaidya, former Director of the National Institute of Urban Affairs and School of Planning and Architecture, Delhi, Trustee of Saath

Cara Pintar Mendongeng

A small boy grows up in Amsterdam, making sand pies, playing with his favourite jumping jack toy, visiting his father's office as a treat. He is loved. Then men with guns come in the night to take them away, and the familiar world of his childhood is destroyed. In this searing, spare novel Jona Oberski, who was transported to Bergen-Belsen as a young boy, recreates the state of childhood with unblinking, almost unbearable clarity. Conveying the joy of family life and the terror of separation, these vivid, haunting snapshots of memory have the darkness and strangeness of the most terrible fairy tale, as a child tries to understand the horror unfolding around him. Jona Oberski was born in 1938 in Amsterdam. He studied and worked there as a nuclear and particle research physicist, and still lives there with his wife Froukje Slijper. He is the father of three sons, two from an earlier marriage.

City of Jasmine

There is perhaps no political figure in modern history who did more to secure and protect the Indian nation than Sardar Vallabhbhai Patel. But, ironically, seventy years after Patel brought together piece by piece the map of India by fusing the princely states with British India to create a new democratic, independent nation, little is understood or appreciated about Patel's enormous contribution to the making of India. Caricatured in political debate, all the nuances of Patel's difficult life and the daring choices he made are often lost, or worse, used as mere polemic. If Mahatma Gandhi was the spiritual core of India's freedom struggle and Jawaharlal Nehru its romantic idealism, it was Sardar Patel who brought in the vital pragmatism which held together the national movement and the first ideas of independent India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that it was better to create history than write it. This is why even his deepest misgivings and quarrels have been easily buried. But every warning that Patel left for India - from the dangers of allowing groups to create private militias to his thoughtful criticism on India's approach to Kashmir, Pakistan and China - are all dangerously relevant today. It is impossible to read about Patel, who died in 1950, and not feel that had he lived on, India might have been a different country. It is also impossible to ignore Patel and understand not only what the idea of India is but also what it could have been, and might be in the future. The Man Who Saved India is a sweeping, magisterial retelling of Sardar Patel's story. With fiercely detailed and pugnacious anecdotes, multiple award-winning, best-selling writer Hindol Sengupta brings alive Patel's determined life of struggle and his furious commitment to keep India safe. This book brings alive all the arguments, quarrels and clashes between some of the most determined people in Indian history and their battle to carve out an independent nation. Through ravages of a failing body broken by decades of abuse in and outside prison, Patel stands out in this book as the man who, even on his death bed, worked to save India. Hindol Sengupta's The Man Who Saved India is destined to define Patel's legacy for future generations.

Deutsche Lieder für Jung und Alt

In cinema studies today, rarely do we find a direct investigation into the culture of capitalism and how it has been refracted and fabricated in global cinema production under neoliberalism. However, the current economic crisis and the subsequent Wall Street bailout in 2008 have brought about a worldwide skepticism regarding the last four decades of economic restructuring and the culture that has accompanied it. In this edited volume, an international ensemble of scholars looks at neoliberalism, both as culture and political economy, in the various cinemas of the world. In essays encompassing the cinemas of Asia, Africa, Latin America, Europe, and the United States the authors outline how the culture and subjectivities engendered by neoliberalism have been variously performed, contested, and reinforced in these cinemas. The premise of this book is that the cultural and economic logic of neoliberalism, i.e., the radical financialization and market-driven calculations, of all facets of society are symptoms best understood by Marxist theory and its analysis of the central antagonisms and contradictions of capital. Taking a variety of approaches, ranging from political economy, ideological critique, the intersection of aesthetics and politics, social history and critical-cultural theory, this volume offers a fresh, broad-based Marxist analysis of contemporary film/media. Topics include: the global albeit antagonistic nature of neoliberal culture; the search for a new aesthetic and documentary language; the contestation between labor and capital in cultural production; the political economy of hollywood, and questions of gender, sexuality, and the nation state in relation to neoliberalism.

River's Note

From the international-best-selling author comes a “taut, entertaining archaeological murder-mystery-meets-spy-thriller” (Kirkus Reviews). When journalist Rivka Kleinberg is brutally murdered in a Jerusalem cathedral, it’s a complicated case for detective Arie Ben-Roi. Kleinberg had racked up a wide array of enemies exposing corruption in the halls of power—from international corporations and the Russian mob to the Israeli government. Learning that Kleinberg was working on a story involving Egypt, Ben-Roi enlists the help of his old friend Yusuf Khalifa of the Luxor Police. Together they discover something far more sinister than a single murder. Kleinberg was chasing a mystery spanning centuries—a timeless search for an incredible treasure that has cost countless people their lives, and a modern-day conspiracy that now threatens to add Ben-Roi and Khalifa to the tally of the dead. From a highly respected archaeologist and international-best-selling author comes “a well-researched tale combining an archaeological puzzler with contemporary Middle Eastern concerns” (Financial Times). “An absolutely top-notch thriller.” —Daily Mail
