The Triumph of the Cross

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1901 edition. Excerpt: ...by men with the-gamp arHnnr nrf mnctanry that they have shown in following Him. This is the reason why Christians are so closely united together; f5f we see that they love Jesus Christ above all things. For His sake they likewise love each other, or wnatsoever race and country they may be; and the more their faith in Christ increases, the stronger grows their brotherly love. This could not be the case were their faith not true. For fallacy and error cause, not harmony, but discord. Again. The soul enjoys greater happiness in proportion as, by love and contemplation, it draws nearer to its last end. But the happiness enjoyed by Christians far surpasses all pleasures oi understanding and sense. This trtrtrrts" proved byTKeTnvincible constancy of the martyrs, who went to death rejoicing and exulting; by the numberless monks and hermits who, relinquishing all things, and living in the practice of the greatest austerity, have yet enjoyed incomparable happiness; and by the numerous philosophers who have found such delight in the study of Holy Scripture, that, in order to devote themselves to it, they have abandoned every other branch of learning. Hence we see that the joy which souls find in Christ exceeds all other happiness. If, then, felicity be synonymous with proXllliily Ur our last end, Christ, in whom all happiness is found, must be the Last End of human life. In order to comprehend, collectively, all the properties of our Last End we reason thus. As all things of the same species tend naturally to the same end, be it proximate or ultimate, it follows that men, who are all of the same species, must be fitted for some one thing which is the common end of human life. Now, all men agree in professing that they tend towards a last end;...

The Triumph of the Cross

This is a sequel to Richard Viladesau's well-received study, *The Beauty of the Cross: The Passion of Christ in Theology and the Arts from the Catacombs to the Eve of the Renaissance*. It continues his project of presenting theological history by using art as both an independent religious or theological "text" and as a means of understanding the cultural context for academic theology. Viladesau argues that art and symbolism function as alternative strands of theological expression sometimes parallel to, sometimes interwoven with, and sometimes in tension with formal theological reflection on the meaning of crucifixion and its role in salvation history. This book examines the two great revolutionary movements that gave birth to the modern West: the Renaissance and the Protestant Reformation. This period was eventful for both theology and art, and thus particularly fruitful for Viladesau's project. Using individual works of art, over sixty of which are reproduced in this book, to epitomize particular artistic and theological models, he explores the contours of each paradigm through the works of representative theologians as well as liturgical, poetic, artistic, and musical sources. To name a few examples, the theologies of Savonarola, Luther, Calvin, and the Council of Trent, are examined in correlation to the new situation of art in the era of Fra Angelico, Leonardo, Michelangelo, D?rer, Cranach, and the Mannerists. In this book, Viladesau continues to deepen our understanding of the foremost symbol of Christianity.

The Triumph of the Cross

The origin, development and spread of the feast of the Exaltation of the Cross is traced on the basis of liturgical sources, and through a careful examination of the liturgical textual material, the meaning of the feast is analyzed with respect to its content. Among the important points receiving attention in this analysis are the place, function and significance of the Cross relic, and the theology of the Cross, or the process whereby the understanding of the Cross was shaped, as that was invested in the feast. The research is based on sources of Western liturgy from the early Middle Ages, and therefore has bearing on the period in the West in which a multiform liturgy, celebrated according to various indigenous local and regional traditions, gradually made way for one uniform Latin liturgy patterned on Roman models.

The feast of the Exaltation of the Cross spread through the West from Rome within this context of standardization and Romanization. This raises questions about the uniformity and the Roman content of the feast. This study especially examines to what degree indigenous interpretations of the Cross, which were part of the legacy of the Hispanic and Gallican traditions in particular, continued to be preserved through the liturgical books of the early Middle Ages.

TRIUMPH OF THE CROSS

Excerpt from *The Triumph of the Cross* Every syllable of this profession of Savonarola's faith in the supremacy of the successor is expunged There are no asterisks to show that words are left out. There is no footnote, no word in the Preface, to explain the uh pardonable liberty of the translator. A comma is put after the words loosed in heaven, and the translator continues, - as though this were the author's continuation, -from which we may see that Jesus Christ, down to the words He shall sit and rule upon the throne of David, etc The entire passage about the successor of St. Peter, Hence it follows, is summarily omitted from what purports to be a translation. The Triumph of the Cross; Illustrating the Life and Progress of the Believer

'A movingly personal book ... the fruit of much deeply meditated sharing of the good news with people of all sorts. Reading it is a real discovery of the fresh waters of faith.' - from the foreword by Rowan Williams 'After this, when Jesus knew that all now was finished, he said, "I am thirsty."' Jesus' words from the cross - a picture of God sharing the world's suffering, experiencing our humanity - can be a window onto God's purposes, leading to a deeper appreciation of his overwhelming love. *I Thirst*, the Archbishop of Canterbury's Lent book for 2004, helps us explore what the death of Jesus means and how it relates to our lives today. Bishop Stephen Cottrell follows the passion story in John's Gospel, penetrating the deep mystery of a God who loves humanity no matter the cost. Each layer of meaning in the simple cry 'I thirst' is an invitation to consider our own lives and think again about what it means to be a follower of Christ in the modern world.

Out of the Depths, Or, The Triumph of the Cross

The Triumph of the Cross is a picture of God in His work clothes redeeming the world from sin. If you want to know what Grace looks like, look at the Cross and catch a glimpse of the emaciated, bruised, broken, and bleeding body of the Man on the middle Cross. He was full of grace sufficient to reach into every school room, operating room, jail house, penthouse, poor house, flop house, and the White House. The mercy and love of God is put on display in every page of this book. Who would have thought God's saving power would look like this? He was born among four-legged animals and died between two-legged thieves. But at the Cross, the past is pointless, color doesn't matter, gender is irrelevant, age of no consequence, and bank rolls are not significant. Jesus bore the sins of our condemnation on the tree, and the fragrance of his efficacious atonement fills every hill and valley in our universe with hope. Follow his breathtaking journey from Bethlehem to Calvary.

The Triumph of the Cross, Illustrating the Life and Progress of the Believer

Recent portrayals of the life of Christ in the popular media force all thoughtful people to wonder -- why? Why would this innocent man walk willingly and with unwavering determination toward such a grisly end? Why would He ever accept such undeserved mistreatment? In *The Triumph of the Cross*, Charles Swindoll clearly explains to the unchurched and non-Christian reader why Jesus was willing to walk the sacrificial path to the cross, and how that long-ago sacrifice impacts all our lives today. Succinct, historically accurate, and thought-provoking, *The Triumph of the Cross* cannot fail to stir readers.

The Triumph of the Cross

Why did it please God that His Son was brutalized? Why does a loving God allow us to hurt so deeply? What made Jesus' death any different from thousands who died just as He did? Darkness covered the earth that day. The sun fled. From noon until three, the darkness of death hovered over the hill where the Son of God was dying. As Christians, we know the story well?the nails in His hands, the thorns on His head, the gambling soldiers, the taunting thieves. Charles Swindoll invites us to "return with me to those epochal days when our Lord walked into the awful darkness?which He did not deserve?only to arise into the sunlit dawn of triumph, providing us a victory from which we shall never know defeat." Go with him and you will find that, as only he can, Dr. Swindoll uncovers new meaning in the Cross and the Resurrection for those who face death and darkness today. His fresh perspectives on these core events of faith can help you see beyond the darkness to the new light of dawn.

Triumph of the Cross

We confront failure in all levels of our humanity. There is failure in the use of the gifts of the earth, the unlimited exercise of intelligence, the enjoyment of freedom, and in the acceptance of the call of an infinite God. The failure to achieve fulfillment at any one of these levels may contribute to a particular frustration that may destroy the wholesome harmony necessary for happiness. In a period of utopian

ideologies and theologies, this book may serve as a reminder that we do fail and that our faith does not promise that we shall not fail. Yet, precisely because we experience failures, we find cause for hope and deliverance outside ourselves. This is the theology of the cross--triumph through failure.

The Triumph of the Cross

Down through the years many books have been written to help us plumb the depth of sin, to help us understand the significance of Calvary. Today there is a dearth of writings about the cross and particularly about the seven times that Jesus spoke from the cross. These utterances of Christ are known as the "seven last words of Jesus" or "the seven words of the cross." Yet, in a most striking way, the words of Jesus from the cross tell us the essential meaning of Christ's coming and death. This book on Christ's words from the cross is shared with the deep desire that readers may see, not only the centrality of the cross for salvation, but also the centrality of the cross in enabling us to live the Christ life. These messages were written to help the reader identify with the cross for salvation. But they do not stop there. They also insist on an identification with the cross to the point that we die to the old life and walk in a newness of life.

The Cross and the Serpent

This treatise on the Cross of Christ lists the benefits of the Atonement of Jesus in the lives of those who place their faith in Him and what he has done for them. The emphasis is found in these Scriptures: "FOR I DETERMINED NOT TO KNOW ANYTHING AMONG YOU, SAVE JESUS CHRIST, AND HIM CRUCIFIED." 1 Corinthians 2:2 "I AM CRUCIFIED WITH CHRIST." Galatians 2:20 "GOD FORBID I SHOULD GLORY, SAVE IN THE CROSS OF THE LORD JESUS CHRIST." Galatians 6:14. Edward Samuel writes in his preface: "This little work is not intended for the learned or wise of this world; but for the poor of Christ's flock, rich in faith, and heirs of a kingdom. It is for those who are brought up in the school of Christ, taught by His Spirit, feeling the plague of their heart, and knowing what a daily conflict is. It is for the doubting and fearing believer; the bruised reed and smoking flax. Such souls I hope, through Divine blessing, will find encouragement in perusing it. Herein will be found doctrine, experience, and precept; in a word, a brief summary of the whole gospel."

The Darkness and the Dawn

"The Cross and the Crown" covers the earthly ministry of Jesus. This is a companion book to both "Emmanuel" and "Highly Exalted". Chant reveals what suffering on the cross meant, proof of the resurrection, and the power the resurrection gives believers to live victoriously in the present world. (Theology)

The Triumph of the Cross

The special character of Paul's interpretation is marked by his ability to embody in his thought and praxis the movement of the incarnation, that is, the condescension of God into the depth of the human condition, so that the eternal Word of the gospel is able to become ever anew a word on target for the people to whom the gospel is addressed.

The Cross and the Serpent

God is kind and merciful and does not want anyone to perish. He desires to relate with you and that is why He created you. To ensure that you are reconnected to Him and that you are saved He sent His son. Jesus came to justify you and make you acceptable to God. He accomplished this at His death on the cross for those who believe and accept His finished work. Those who depend on the keeping of the Old Testament law to be saved are under a curse because the scripture says that if one faults in one, one is guilty of breaking all (Jam. 2:10). It means that rarely will anyone be saved, but it is not God's wish. If that was His wish, He would not have paid such a costly prize for the world. For the above reason, God made a new law which is less burdensome and more practicable when He saw that you are not able to keep the old law as expected. Jesus who encouraged you to forgive unconditionally and who gave His life to wash away your sins and who is presently interceding for you will not judge and condemn you if you accept Him and His offer of grace. This book emphasizes that (1) Jesus will never reject those who accept His finished work on the cross and states that having accepted Jesus as their personal lord and savior, they will no longer be condemned. Jesus did not reject any of His disciples their weaknesses notwithstanding. He rather declared them holy (Jn. 13:1aEUR"13). By so doing, He showed us that those who accept Him will not be rejected by His father whose desire it is that all be saved. God will not reject you. You are the only one who can deny yourself entrance. In John 6:37aEUR"40, Jesus said that all that His father gave Him will come to Him and all that come to Him, He will not cast away. (2) It shows the mercy of God to humanity and sets to guide man to accept His grace. (3) It illustrates how the mercy of God through Christ triumphed over the judgement of the Old Testament through Moses. (4) It will help you understand the consequences of sin on Christians and non-Christians and states that without Jesus you cannot withstand the fiery darts of the enemy. (5) It points out the functions of the Old Testament and the New Testament laws. (6) It highlights ways of worshiping God, why some prayers are not answered and the prerequisite for getting prayers answered. (7) Stresses the importance of the study and obedience to the word of God. This book will guide you to live a holy and peaceful life, free from the burden of sin and sin consciousness as it points out the negative effects of sin consciousness; anxiety, worry, fear, uncontrolled talking, lack of contentment and a new form of idol worship. It integrated the views of some renowned men of God and authors and quoted the bible extensively. It challenges the idea that Christians would be judged and consequently questions the good in the good news of the birth and death of Jesus if after accepting Jesus as your personal lord and savior Christians would be judged and condemned if they slip in error. In addition to that, the scriptures did not say that Christians would be judged but the world.
