would have seen the plushies I've been ...

cut out the shapes

develop your own plush pattern

cut out your pieces

cut out all your individual pieces

begin working on cutting out the fabric

tracing your pattern pieces

tracing your pattern pieces on the back of the fabric

work on tracing your shapes and transferring your patterns onto the fabric

traced two of the belly patterns

add the stitching

attaching the pieces to the body

force the material through fleece

leave one small hole open
take into account your seam allowance thicker
stick it into the little crevices
add the fluff to the inside
take your seam allowance into account
secure that little magnet in with a piece of polyfill
push all the little beans down into the foot
put nothing but polyfill inside the bodies
to pack the face of my plushies with even more stuffing
then we begin the long and tedious process of filling the body
involves fluffing out the neck and sewing in that final hole
fill the gaps with the holes
add a little bit of fluff on the cheeks
start sewing the legs onto the body
ladder stitching the hip bone
secure the stitch right at the back of the butt
put extra stuffing up inside the leg
begin resewing the leg
line up all the pieces
working our way around the tail side by side
tie a knot
attach the arms
secure a piece of thread to the bottom of the hand loop
tied the knot
attach the ear to the plushie
attach them to the body
add in all the other details
