Under the Midnight Sky

Chilling secrets buried deep in wild bushland drive this thrilling new novel from bestseller Anna Romer. When an injured teenager goes missing at a remote bushland campground, local journalist Abby Bardot is determined to expose the area's dark history. The girl bears a striking resemblance to the victims of three brutal murders that occurred twenty years ago and Abby fears the killer is still on the loose. But the newspaper Abby works for wants to suppress the story for fear it will scare off tourists to the struggling township. Haunted by her own turbulent memories, Abby is desperate to learn the truth and enlists the help of Tom Gabriel, a reclusive crime writer. At first resentful of Abby's intrusion, Tom's reluctance vanishes when they discover a hidden attic room in his house that shows evidence of imprisonment from half a century before. As Abby and Tom sift through the attic room and discover its tragic history, they become convinced it holds the key to solving the bushland murders and finding the missing girl alive. But their quest has drawn out a killer, someone with a shocking secret who will stop at nothing to keep the truth buried.

Midnight Sky

How can we harness the future if the past will not set us free? An emotive story of love, loss and letting go. Opposites attract? Laura Brown, interior designer and James Morgan-Jones, horse whisperer - and Midnight Sky, a beautiful but damaged steeplechaser. Laura seems to have it all, glamorous job, charming boyfriend. Her sister, Maggie, struggles with money, difficult children and an unresponsive husband. She envies her sister's life, but are things as idyllic as they seem? She might be a farmer's daughter but Laura is doing her best to deny her roots, even deny her true feelings. Until she meets James, but James is very married, and very much in love, to a wife who died two years ago. They both have issues to face from their past, but will it bring them together, or push them apart? This publication is written in British English. Spellings and grammatical conventions are conversant with the UK.

Good Morning, Midnight

NOW A MAJOR NETFLIX FILM 'THE MIDNIGHT SKY', DIRECTED BY GEORGE CLOONEY, STAR-RING FELICITY JONES AND GEORGE CLOONEY 'A remarkable and gifted debut' Colson Whitehead, author of *The Underground Railroad* 'Fans of Emily St. John Mandel's *Station Eleven* and Kim Stanley Robinson's *Aurora* will appreciate the Brooks-Dalton's exquisite exploration of relationships' *Washington Post* There is a particular beauty in silence, in being cut off from the world. Augustine, a brilliant, ageing scientist, is consumed by the stars. He has spent his entire life searching for the origins of time itself. He has now been left alone on a remote research base in the Arctic circle, all communication with the outside world broken down. But then he discovers a mysterious child, Iris, who must have hidden herself away when the last of his colleagues departed. Sully is a divorced mother. She is also an astronaut, currently aboard *The Aether* on a return flight from Jupiter. This is the culmination of her career, the very reason for all the sacrifices she has made - the daughter she left behind, the marriage she couldn't save. When all communication goes silent, she is left wondering what she will be returning to. Marooned in the vast silence of space and the achingly beautiful sweep of the Arctic, both Augustine and Sully begin to understand their place in the world, and what gives their life meaning. For only in the silence can we find out who we truly are.

Thornwood House

When you're all that stands between the murderous past and the fate of those you love, how far would you go to save them? When Audrey Kepler inherits an abandoned homestead in rural Queensland, she jumps at the chance to escape her loveless existence in the city and make a fresh start. In a dusty back room of the old house, she discovers the crumbling photo of a handsome World War Two medic – Samuel Riordan, the homestead's former occupant – and soon finds herself becoming obsessed with him. But as Audrey digs deeper into Samuel's story, she discovers he was accused of bashing to death a young woman on his return from the war in 1946. When she learns about other unexplained deaths in recent years – one of them a young woman with injuries echoing those of the first victim – she begins to suspect that the killer is still very much alive. And now Audrey, thanks to her need to uncover the past, has provided him with good reason to want to kill again. An enthralling, haunting tale of obsession, love and courage

Journey Under the Midnight Sun

A twenty-year-old murder A chain of unsolvable mysteries Can one detective solve this epic riddle? When a man is found murdered in an abandoned building in Osaka in 1973, unflappable detective Sasagaki is assigned to the case. He begins to piece together the connection of two young people who are inextricably linked to the crime; the dark, taciturn son of the victim and the unexpectedly captivating daughter of the main suspect. Over the next twenty years we follow their lives as Sasagaki pursues the case - which remains unsolved - to the point of obsession. Stark, intriguing and stylish, *Journey Under the Midnight Sun* is an epic mystery by the bestselling Japanese author of *The Devotion of Suspect X*.

Twenty Thousand Streets Under the Sky

'I recommend Hamilton at every opportunity, because he was such a wonderful writer and yet is rather under-read today. All his novels are terrific' Sarah Waters 'If you were looking to fly from Dickens to Martin Amis with just one overnight stop, then Hamilton is your man' Nick Hornby Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, *The Midnight Bell*. *The Midnight Bell*, a pub on the Euston Road, is the pulse of this brilliant and compassionate trilogy. It is here where the barman, Bob, falls in love with Jenny, a West End prostitute who comes in off the streets for a gin and pep. Around his obsessions, and Ella the barmaid's secret love for him, swirls the sleazy life of London in the 1930s. This is a world where people emerge from cheap lodgings in Pimlico to pour out their passions, hopes and despair in pubs and bars - a world of twenty thousand streets full of cruelty and kindness, comedy and pathos, wasted dreams and lost desires.

The Midnight Sky

Adelina pikir, tiada lagi penderitaan. Dia telah membalas dendam pada mereka yang mengkhianatinya. Sang Serigala putih memenangi takhta Kenettra, tapi seiring bertambahnya kekuasaan, dia menjadi semakin kejam. Kegelapan dalam dirinya semakin tak terkendali, ingin menghancurkan semua yang ada di dekat Adelina. Kemudian ancaman baru muncul, dan Adelina beserta para Mawar mau tak mau harus bekerja sama dengan para Belati untuk menghadapinya. Namun, aliansi mereka yang sarat

kecurigaan dan pengkhianatan mungkin lebih berbahaya dari apa pun. Bagaimanakah nasib para Elite selanjutnya? [Mizan Fantasi, Fantasi, Science, Fiction, Remaja, Terjemahan, Indonesia]

The Midnight Star

Tayler Hale is ahead of her time as one of the first women naturalists. She has always loved adventure and the great outdoors, and her remote job location also helps keep her away from the clutches of the man to whom she once made a foolish promise. It seems she must keep running, however, and in secret, her boss from Yellowstone arranges for a new job . . . in Alaska. The popular Curry Hotel continues to thrive in 1929 as more visitors come to Alaska and venture into the massive national park surrounding Denali. Recent graduate Thomas Smith has returned to the hotel and the people he considers family. But when a woman naturalist comes to fill the open position and he must work with her, everything becomes complicated. The summer brings unexpected guests and trouble to Curry. With his reputation at stake, will Thomas be able to protect Tayler from the danger that follows?

The midnight sky, notes on the stars and planets

Twelve-year-old Fredricka O'Reilly has a dark secret. It's 1967 in the last frontier—Alaska, and the truth keeps the normal happy life she longs for just beyond her reach. Her brother's four-year stint in the Air Force ends, and Fredricka believes his return will change her life for the better, until he reveals a secret of his own. As her life crumbles around her, the only one left to turn to is her mother. Can Fredricka risk telling her secret even if it could tear her family apart? "Heartwarming and heartbreaking, *Secrets Under the Midnight Sun* is a whimsical and haunting story about secrets: the causes, the effects, and the fears that give them strength. Freddie's charm, joy, and courage make her a memorable and fun character. I hated to see the book end, wondering what would happen to Freddie next." —Jill Williamson, Christy Award-winning author of *By Darkness Hid*

The Midnight Sky: Familiar Notes on the Stars and Planets ... With ... Star-Maps and ... Other Illustrations

Stanley is almost fifty. He hates his job, has an overbearing mother, and is in a failed relationship. Then he meets Asher, the man of his dreams, literally in his dreams. Asher is young, captivating, and confident about his future—everything Stanley is not. So, Asher gives Stan a gift. The chance to be an extra five years younger each time they meet. Some of their adventures are whimsical. A few are challenging. Others are totally surreal. All are designed to bring Stan closer to the moment his joyful childhood turned to tears. But when they fall in love, Stan knows he can't live in Asher's dreamworld. Yet he is haunted by Asher's invitation to "slip into eternal sleep."

Under the Midnight Sun (The Heart of Alaska Book #3)

This powerful first-hand account of a transformative summer with Canada's First People follows a young woman's journey to the far North. Alone and vulnerable, the spirited teenager overcomes formidable obstacles to achieve her dream of living with the Dene in a remote bush camp. Her heart is broken when a romance with a Dene man is cut short and she is sent back to the city. Echoes of those forbidden bonds forged under the midnight sun haunt the author of this true story for decades. Fifty years later, a chance meeting catapults the grandmother and educator back into the lives of the Sahtu Dene. Reconnecting with her lost love, the author discovers that he has kept her memory alive. They piece together fragments of that summer's events, uncovering complex factors at play between young men and women during the 1970s. The Arctic wilderness is the spectacular backdrop for this story of Dene romance, culture and philosophy as experienced in the light of the midnight sun.

Secrets Under the Midnight Sun

A heartbreaking tale of love, loss and one nearly perfect summer -- perfect for fans of *The Fault In Our Stars* and *Love, Simon*. Seventeen-year-old Katie Price has a rare disease that makes exposure to even the smallest amount of sunlight deadly. Confined to her house during the day, her company is limited to her widowed father and her best (okay, only) friend. It isn't until after nightfall that Katie's world opens up, when she takes her guitar to the local train station and plays for the people coming and going. Charlie Reed is a former all-star athlete at a crossroads in his life - and the boy Katie has secretly admired from afar for years. When he happens upon her playing guitar one night, fate intervenes and the two embark on a star-crossed romance. As they challenge each other to chase their dreams and

fall for each other under the summer night sky, Katie and Charlie form a bond strong enough to change them -- and everyone around them -- forever.

The Midnight Man

Death in the Midnight Sky By: Joe Berardino I closed my eyes, raised my chin to heaven, and felt the words surround me. They filled my heart with love, encouragement and boundless hope. I dreamt of marching over Russian tanks, freeing the Jews in Europe, opening schools in Africa. My chest filled with pride. I knew I could do anything; I could live the dream of my young President...My fate was sealed. I knew I had to become part of the greatest challenge of my generation, the new generation. Patriotism served as the inspiration for Joe Berardino's tour in Vietnam, flying the mighty gunship. Like countless other American servicemen, hard work, perseverance, and tenacity became ingrained in Joe's character, allowing him to accomplish his life's goals, including earning a scholarship to attend Michigan State University. Death in the Midnight Sky is about the bravery and honor of the U.S. serviceman; about their honor and integrity; and about their inherent truth and honesty.

Under the Midnight Sun

A comprehensive, entertaining look at heroes, heroines, and critical moments from African American history -- from the slave trade to the Black Lives Matter movement --by award-winning author Jabari Asim. Jabari Asim goes beyond what's taught in the classroom to reveal a fact-filled history of African American history through politics, activism, sports, entertainment, music, and much more. You'll follow the road to freedom beginning with the slave trade and the middle passage through the abolitionist movement and the Civil War where many African Americans fought as soldiers. You'll learn how slave songs often contained hidden messages and how a 15-year-old Jamaican-born young man named Clive Campbell helped to create hip-hop in the early 1970's. You'll experience the passionate speeches, marches, and movements of the Civil Rights era along with the sacrifices of Martin Luther King, Rosa Parks, Medgar Evers, and many others. Along the way there are dozens of profiles of political trailblazers like Shirley Chisholm, the first black woman elected to Congress in 1968; dominant athletes like Tiger Woods who, in 1995, was only the second African American to play in a Master's Golf Tournament which he went on to win in 1997; popular musicians like Miles Davis, one of the most influential artists of the twentieth century; and inspiring writers like Toni Morrison, the first African American to win the Nobel Prize in literature. Filled with beautiful illustrations by Lynn Gaines that bring these figures and events to life, plus a removable historical timeline poster, A Child's Introduction to African American History is a fascinating and comprehensive guide to this often overlooked yet immensely important part of American history.

Midnight Sun

Being part of the Midwest Pack isn't easy-especially now. Sky's life has never been simple-and it only gets more complicated. The Alphas, Ethan, and several key players in the otherworld go missing, thrusting Sky into the position of Elite Alpha and tasking her with finding them. The list of suspects grows as Sky realizes that her mating with Ethan has caused allies to become enemies. Will she locate the missing in time or will she be the last Alpha standing? Sky doesn't know who she can trust. Too many people want her dead, including a new group of witches who want to rid the world of were-animals, especially those that can wield magic like Ethan and Sky. Adding to the problems is a new group of vampires, who would do anything necessary to gain control in the Midwest by taking over the Northern Seethe, including hurting Sky's friends.

Death in the Midnight Sky: Flying the Mighty Gunship in Combat

There's no mistaking the terminal phase of irreversible catastrophe. The climate has gone berserk. Rising oceans inundate swamps and deserts. Genetic engineers have yet to redesign the human body to cope with the crud in the air, the water, the food, the soil. Now time has run out. With Earth a lost cause, the satellite worlds twinkling in orbit are prime territory for takeover by the powerful and rich. They are a single battleground on which the richest and most powerful megacorps, Kyocera-Merck and Samurai Industries, fight, no holds barred. In the artificial purity of satellite air or beneath the bilious skies of Earth, despite newly evolved bacterial plagues and bribe-taking androids, Robert Silverberg's characters pursue destinies both outrageously self interested and heartwrenchingly familiar in a savagely funny story of our planet's last gasp.

A Child's Introduction to African American History

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. An instant #1 New York Times Bestseller An instant #1 USA Today Bestseller An instant #1 Wall Street Journal Bestseller An instant #1 IndieBound Bestseller Apple Audiobook August Must-Listens Pick "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- New York Times

Midnight Sky

NEW YORK TIMES BESTSELLER • TODAY SHOW BOOK CLUB PICK • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST. LOUIS POST-DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much-anticipated second novel, which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife, Fanny. At the age of thirty-five, Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium—with her three children and nanny in tow—to study art. It is a chance for this adventurous woman to start over, to make a better life for all of them, and to pursue her own desires. Not long after her arrival, however, tragedy strikes, and Fanny and her children repair to a quiet artists' colony in France where she can recuperate. Emerging from a deep sorrow, she meets a lively Scot, Robert Louis Stevenson, ten years her junior, who falls instantly in love with the earthy, independent, and opinionated “belle Americaine.” Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing—and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr. Jekyll and Mr. Hyde*. In time, though, she succumbs to Stevenson's charms, and the two begin a fierce love affair—marked by intense joy and harrowing darkness—that spans the decades and the globe. The shared life of these two strong-willed individuals unfolds into an adventure as impassioned and unpredictable as any of Stevenson's own unforgettable tales. Praise for *Under the Wide and Starry Sky* “A richly imagined [novel] of love, laughter, pain and sacrifice . . . *Under the Wide and Starry Sky* is a dual portrait, with Louis and Fanny sharing the limelight in the best spirit of teamwork—a romantic partnership.”—USA Today “Powerful . . . flawless . . . a perfect example of what a man and a woman will do for love, and what they can accomplish when it's meant to be.”—Fort Worth Star-Telegram “Horan's prose is gorgeous enough to keep a reader transfixed, even if the story itself weren't so compelling. I kept re-reading passages just to savor the exquisite wordplay. . . . Few writers are as masterful as she is at blending carefully researched history with the novelist's art.”—The Dallas Morning News “A classic artistic bildungsroman and a retort to the genre, a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance.”—The New York Times Book Review

Hot Sky at Midnight

As a princess and a mother, as a sister and a daughter, Jahanara will find herself faced time and again with impossible choices, and will discover the real meaning of her regal birthright. In *Beneath a Marble Sky* John Shors recreates an historical Hindustan brimming with breathtaking intrigue and containing the secret truth of the Taj Mahal for a world still in awe of its enduring majesty.

Midnight Sun

What is the dark and terrifying secret that haunts Moonlight Cove? *Midnight* is a gripping thriller from bestselling novelist Dean Koontz that explores a town haunted by a deadly presence. Perfect for fans of *THE EYES OF DARKNESS* and Stephen King. 'A monster hit... In his own masterful way, Koontz slowly unveils the escalating horror... breath-taking' - Dallas Morning News A string of inexplicable deaths has occurred in the picturesque coastal town of Midnight Cove; sinister, shadowy figures stalk the streets

in the dead of night and four people are drawn together by terrifying circumstance: a young woman determined to find the truth behind her sister's suicide; an undercover federal agent; a child on the run from her parents; and a wheelchair-bound veteran. As darkness descends, these four must confront the chilling nightmare of Moonlight Cove... What readers are saying about *Midnight*: 'The characters are exceedingly well drawn, the plot is compelling and the concept one that really engages' 'The book is thought-provoking, it's part adventure and part reflection of the darker side of human nature, but it's mostly just good, pulse-racing fun' 'Keeps you spellbound and wanting to keep the lights on!'

Under the Wide and Starry Sky

"Necessary for all of humankind, *Under the Broken Sky* is a breathtaking work of literature."—Booklist, starred review A beautifully told middle-grade novel-in-verse about a Japanese orphan's experience in occupied rural Manchuria during World War II. Twelve-year-old Natsu and her family live a quiet farm life in Manchuria, near the border of the Soviet Union. But the life they've known begins to unravel when her father is recruited to the Japanese army, and Natsu and her little sister, Cricket, are left orphaned and destitute. In a desperate move to keep her sister alive, Natsu sells Cricket to a Russian family following the 1945 Soviet occupation. The journey to redemption for Natsu's broken family is rife with struggles, but Natsu is tenacious and will stop at nothing to get her little sister back. Literary and historically insightful, this is one of the great untold stories of WWII. Much like the Newbery Honor book *Inside Out and Back Again* by Thanhha Lai, Mariko Nagai's *Under the Broken Sky* is powerful, poignant, and ultimately hopeful. Christy Ottaviano Books

Beneath a Marble Sky

Piper Chesterfield lives a glamorous life traveling the world and reviewing the finest hotels. She calls nowhere home, she works alone and that's how she likes it--for long ago Piper decided that to protect her heart she should lock it away. So when Piper's next assignment brings her to the newly opened Stardust Lake Hotel for the festive season, the last person she expects to face is Gabe Whitaker, the man who broke her heart so completely she could never love again. But Piper isn't the only one who has been frozen in time by heartbreak. Gabe hasn't forgotten the golden-eyed girl who disappeared from his world without a trace. Now fate has reunited them on Juniper Island, can the magic of Christmas heal old wounds? And can this enchanting town be the one place Piper can finally call home?

Midnight

A SPELLBINDING TALE OF LOVE AND LOSS, SISTERHOOD AND THE TANGLED THREADS OF FATE 'Blending folktale with history, hope with tragedy, its touch will linger on your heart long after you put it down' Marie Brennan, author of the *Memoirs of Lady Trent* series This is how a fairy tale begins . . . Deep in the Hungarian woods, the sacred magic of King Solomon lives on in his descendants. Gathering under the midnight stars, they perform small miracles and none are more gifted than the great Rabbi Isaac and his three daughters. Hannah, bookish and calm, can coax plants to grow even when the weather is bitterly cold. Sarah, defiant and strong, can control the impulsive nature of fire. And Levana, the fey one, can read the path of the stars to decipher their secrets. But darkness is creeping across Europe, threatening the lives of every Jewish person in every village. Each sister will have to make an impossible choice in an effort to survive - and change the fate of their family for ever. Enter a magical world of secrets, family ties and fairy tales weaving through history . . . perfect for fans of *The Bear and the Nightingale* and *Spinning Silver*. 'The Light of the Midnight Stars is storytelling as spellcasting. Rossner has conjured something vivid and wild and true' Kiran Millwood Hargrave, author of *The Mercies* 'Rossner creates a lush, immersive world . . . The result is as lovely as it is heartbreaking' Publishers Weekly 'Rossner's tale is as lyrical as the slow growth of roots, the quick dance of fire and the stately procession of the stars. Blending folktale with history, hope with tragedy, its touch will linger on your heart long after you put it down' Marie Brennan, author of the *Memoirs of Lady Trent* series 'A welcome tribute to Jewish resilience in the face of oppression, imbued with elemental magic, folkloric traditions and the transcendent power of love' Jordanna Max Brodsky, author of *The Wolf in the Whale* Other novels by Rena Rossner: *The Sisters of the Winter Wood*

Under the Broken Sky

Hawai'i author Chris McKinney's first entry in a brilliant new sci-fi noir trilogy explores the sordid past of a murdered scientist, deified in death, through the eyes of a man who once committed unspeakable crimes for her. Year 2142: Earth is forty years past a near-collision with the asteroid Sessho-seki. Akira

Kimura, the scientist responsible for eliminating the threat, has reached heights of celebrity approaching deification. But now, Akira feels her safety is under threat, so after years without contact, she reaches out to her former head of security, who has since become a police detective. When he arrives at her deep-sea home and finds Akira methodically dismembered, this detective will risk everything—his career, his family, even his own life—and delve back into his shared past with Akira to find her killer. With a rich, cinematic voice and burning cynicism, *Midnight, Water City* is both a thrilling neo-noir procedural and a stunning exploration of research, class, climate change, the cult of personality, and the dark sacrifices we are willing to make in the name of progress.

Christmas Under a Cranberry Sky

"This is a 'brave' project. An astonishing photograph could outsmart haiku. An evocative haiku or tanka could steal the light from a photograph. When they present together on the same page, they cannot be too close. At the same time, they should have a similar tone. Mark Teaford knows what a photograph hides under its skin and what kind of scent a poem breathes out. This book is like kaiseki, a traditional Japanese multi-course meal. I guarantee your eyes and stomach will be satisfied." -?Fay Aoyagi, Associate Editor, *The Heron's Nest*, Former President, Haiku Society of America

The Light of the Midnight Stars

THE SECOND BOOK IN THE TIFFANY ACHING SERIES Something is coming after Tiffany. . . Tiffany Aching is ready to begin her apprenticeship in magic, but life isn't exactly what she thought it would be. She expects spells and magic – not chores and ill-tempered goats! Surely there must be more to witchcraft than this? And Tiffany will find that she needs her magic more than ever, to fight off the insidious, disembodied creature that is pursuing her. This time, neither Mistress Weatherwax (the greatest witch in the world) nor the fierce, six-inch-high Wee Free Men can protect her. In the end, it will take all of Tiffany's inner strength to save herself. Will she succeed?

Midnight, Water City

A harrowing account of a remarkable woman's life in communist China, "To the Edge of the Sky" is a tale of human courage in the face of shocking inhumanity and hardship. 45 photos.

Staring at the Midnight Sky

The Whiting Award—winning author of the story collection *Reasons for and Advantages of Breathing* delivers her enchanting debut novel, set in 1916 Tennessee: a rich and rewarding tale of two flawed yet endearing grifters who pursue women, wealth, and a surprisingly valuable commodity for the troops in Europe—mules. A middle-aged Irish immigrant, Billy has a gift for illusion—making damaged objects look new. His companion, Charles, the smooth-tongued teenage son of a prostitute, is a natural salesman, just like the mythical father he's never met. Longtime horse traders and partners, they've recently turned their talents to trading mules. But in the summer of 1916, these seasoned grifters skilled in the art of the underhanded deal have just been swindled themselves. They're saddled with the one thing they may not be able to unload: a gorgeous, murderous black mare named *The Midnight Cool*. Charles should have listened to Catherine, the beautiful, rebellious daughter of Leland Hatcher, the richest man in Richfield, Tennessee, and the former owner of *The Midnight Cool*. The horse would be worth a fortune—if she weren't a verified man-killer who attacks on sight. Charles and Billy are rooted in this muggy town until they can miraculously retrain their recalcitrant mare, and in the shadow of the growing inevitability of war, their bond begins to fray. Falling in love with Catherine—and under the spell of the deceitful, wealthy Leland, the vision of himself he'd like to be—Charles pulls away from the older man. Despite their growing distance, Billy and Charles find their business thriving when the war in Europe pushes the demand for mules sky-high and the United States enters the fight. But when a trade goes terribly wrong, Charles is forced to reevaluate his allegiance to his country, the moral implications of his lifestyle, his relationship with Catherine, and, ultimately, his mysterious and surprisingly deep connection to Billy. Populated by spirited, memorable characters, *The Midnight Cool* is a startlingly profound tale of aspiration, loyalty, and love—and the eternal search for something lasting in a transitory world.

A Hat Full of Sky

'A gripping, beautifully written novel that I devoured in a day...as thrilling as it is fascinating' Hannah Kent, author of *Burial Rites* Sweden 1856. Blackasen Mountain: a distant place of rumour, superstition and now - murder. They say it was the Lapp who killed the three men. But something is not right. Ester knows it - but to help the settlers is to betray her people. Magnus feels it too. Sent by the Minister to survey the mountain, he cannot resist its mystery. And Lovisa: banished from the city by her father, travelling with her sister's husband, she is perhaps closest of them all to the wildness of the place. Three people, caught in the haunting light of the midnight sun.

Midnight Chicken

This magical narrative non-fiction ebook for children shines a light on the incredible events that take place in the darkness above. Track a colony of bats as they fly through the twilight to pollinate the flowers of the mysterious baobab tree, travel into the wilderness to gaze at the constellations of the Northern and Southern Hemisphere, watch a pod of humpback whales swimming through chilly Arctic waters under the gentle glow of the Northern Lights, then travel through the ages to check in on Halley's Comet as it makes its appearance above the Earth every 75 years. *Through the Night Sky* is a beautiful ebook that spans a wide range of subjects, including everything from nocturnal animals or revellers watching fireworks illuminate the night, to celestial objects such as the moon, planets, and shooting stars - all under the vast night sky.

To the Edge of the Sky

A teenage boy in 1940s Italy becomes part of an underground railroad that helps Jews escape through the Alps, but when he is recruited to be the personal driver for a powerful Third Reich commander, he begins to spy for the Allies.

The Midnight Cool

NATIONAL BESTSELLER • The Pulitzer Prize–winning author of *The Sixth Extinction* returns to humanity's transformative impact on the environment, now asking: After doing so much damage, can we change nature, this time to save it? RECOMMENDED BY PRESIDENT OBAMA AND BILL GATES • SHORTLISTED FOR THE WAINWRIGHT PRIZE FOR WRITING • ONE OF THE TEN BEST BOOKS OF THE YEAR: *The Washington Post* • ONE OF THE BEST BOOKS OF THE YEAR: *Time*, *Esquire*, *Publishers Weekly*, *Kirkus Reviews* • “Beautifully and insistently, Kolbert shows us that it is time to think radically about the ways we manage the environment.”—Helen Macdonald, *The New York Times* With a new afterword by the author That man should have dominion “over all the earth, and over every creeping thing that creepeth upon the earth” is a prophecy that has hardened into fact. So pervasive are human impacts on the planet that it's said we live in a new geological epoch: the Anthropocene. In *Under a White Sky*, Elizabeth Kolbert takes a hard look at the new world we are creating. Along the way, she meets biologists who are trying to preserve the world's rarest fish, which lives in a single tiny pool in the middle of the Mojave; engineers who are turning carbon emissions to stone in Iceland; Australian researchers who are trying to develop a “super coral” that can survive on a hotter globe; and physicists who are contemplating shooting tiny diamonds into the stratosphere to cool the earth. One way to look at human civilization, says Kolbert, is as a ten-thousand-year exercise in defying nature. In *The Sixth Extinction*, she explored the ways in which our capacity for destruction has reshaped the natural world. Now she examines how the very sorts of interventions that have imperiled our planet are increasingly seen as the only hope for its salvation. By turns inspiring, terrifying, and darkly comic, *Under a White Sky* is an utterly original examination of the challenges we face.

In the Month of the Midnight Sun

On the longest day of the year, a young Alaskan girl stays up late and enjoys the midnight sun.

Through the Night Sky

Tears Of The Soul is a selection of over 200 poems that I wrote over a period of many many years. They are an echo of my countless moods, a myriad of my emotions and a reflection of my tears. The poems question the meaning of love , loss and life itself. Sadness is my inspiration. Happiness is a moment. Love is a dream.

Beneath a Scarlet Sky

From stone age to space age, every human who has looked up at the night sky has seen the same stars in the same patterns. They reveal our entire history, as well as hinting at our ultimate fate. In *Beneath the Night*, Stuart Clark tells the full story of this relationship. From prehistoric cave art and Ancient Egyptian zodiacs to the modern era of satellites and space exploration, Clark reveals the history of a fascination that has shaped our scientific understanding; helped us navigate the terrestrial world; provided inspiration for our poets, artists and philosophers; and given us a place to project our hopes and fears. This is the story of the universe, and our place within it.

Under a White Sky

In 1986 Kids Can Press published an edition of Robert Service's *The Cremation of Sam McGee* illustrated by painter Ted Harrison, who used his signature broad brushstrokes and unconventional choice of color to bring this gritty narrative poem to life. Evoking both the spare beauty and the mournful solitude of the Yukon landscape, Harrison's paintings proved the perfect match for Service's masterpiece about a doomed prospector adrift in a harsh land. Harrison's *Illustrator's Notes* on each page enhanced both poem and illustrations by adding valuable historical background. Upon its original publication, many recognized the book as an innovative approach to illustrating poetry for children. For years *The Cremation of Sam McGee* has stood out as a publishing landmark, losing none of its appeal both as a read-aloud and as a work of art. Kids Can Press proudly publishes this deluxe hardcover twentieth anniversary edition --- complete with a spot-varnished cover, new cover art and heavy coated stock --- of a book that remains as entrancing as a night sky alive with the vibrant glow of the Northern Lights.
