Business Ethics, Seventh Edition

The seventh edition of this pragmatic guide to determining right and wrong in the workplace is updated with new case studies, exercises, and ancillary materials. Joseph Weiss's Business Ethics is a pragmatic, hands-on guide for determining right and wrong in the business world. To be socially responsible and ethical, Weiss maintains, businesses must acknowledge the impact their decisions can have on the world beyond their walls. An advantage of the book is the integration of a stakeholder perspective with an issues and crisis management approach so students can look at how a business's actions affect not just share price and profit but the well-being of employees, customers, suppliers, the local community, the larger society, other nations, and the environment. Weiss includes twenty-three cases that immerse students directly in contemporary ethical dilemmas. Eight new cases in this edition

include Facebook's (mis)use of customer data, the impact of COVID-19 on higher education, the opioid epidemic, the rise of Uber, the rapid growth of AI, safety concerns over the Boeing 737, the Wells Fargo false saving accounts scandal, and plastics being dumped into the ocean. Several chapters feature a unique point/counterpoint exercise that challenges students to argue both sides of a heated ethical issue. This edition has eleven new point/counterpoint exercises, addressing questions like, Should tech giants be broken apart? What is the line between free speech and dangerous disinformation? Has the Me Too movement gone too far? As with previous editions, the seventh edition features a complete set of ancillary materials for instructors: teaching guides, test banks, and PowerPoint presentations.

Ferrell Business Ethics Seventh Edition with Your Guide to an A Passkeyplus Business Ethics Reader Sixth Edition

"The overarching goal in the seventh edition of this text remains what it was for the first edition: "to provide a clear, concise, and reasonably comprehensive introductory survey of the ethical choices available to us in business." This book arose from the challenges encountered in my own teaching of business ethics. Over the years I have taught business ethics in many settings and with many formats. I sometimes relied on an anthology of readings, other times I emphasized case studies"--

An Introduction to Business Ethics

This accessible, applied text covers the complex environment in which managers confront ethical decision making. Using a managerial framework, the authors address the overall concepts, processes, and best practices associated with successful business ethics programs--helping students see how ethics can be integrated into key strategic business decisions. The Seventh Edition incorporates comprehensive and rigorous updates that reflect the ever-increasing academic and governmental attention being given to this area. The textbook program provides an abundance of real-world examples and cases, as well as exercises, simulations, and practice tests that provide plenty of opportunity for students to master the text material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Managing Business Ethics: Straight Talk about How to Do It Right, Seventh Edition with BizLX Software Set

For courses in Business Ethics, Moral Issues in Business, Social Issues in Business, Business and Society, International Business Ethics, and Issues in International Business. This systematic, integrated investigation of the field of business ethics is presented from an informed philosophical point of view. It argues that ethics is the glue as well as the oil that makes business possible, addressing the full gamut of issues: from such macro considerations as the moral justification of economic systems to such micro issues as proper computer use by employees.

Business Ethics: Ethical Decision Making and Cases

"The overarching goal in the seventh edition of this text remains what it was for the first edition: "to provide a clear, concise, and reasonably comprehensive introductory survey of the ethical choices available to us in business." This book arose from the challenges encountered in my own teaching of business ethics. Over the years I have taught business ethics in many settings and with many formats. I sometimes relied on an anthology of readings, other times I emphasized case studies"--

Business Ethics

Integrating late 20th-century issues from the complex workplace, this text spotlights major contemporary and international topics in business ethics. Following the premise that though ethical issues change, ethical principles remain constant, the text equips readers with practical guidelines to apply to the ethical dilemmas they will ultimately face.

Ethics and the Conduct of Business Plus Mythinkinglab with Etext -- Access Card Package

Current Issues in Business Ethics analyzes the questions which underlie business activities, arguing that the prime object for a legitimate business must be sustainability. It also looks at the issues between individuals and business and asks whether businesses can support their employees as an alternative to family and church. Finally it assesses the impact of most recent trends in business looking at: * the activities of multinational companies * the changing gender balance * privatization * the loss of power of the trade unions.

Ethics and the Conduct of Business

This book provides readers with a clear, straightforward writing style, an abundance of examples, detailed real-life cases, and current data and statistics. It aims to 1) introduce ethical concepts that are relevant to resolving moral issues in business, 2) develop the reasoning and analytical skills needed to apply ethical concepts to business decisions, 3) identify the moral issues involved in the management of specific problem areas in business, and 4) examine the social and natural environments within which moral issues in business arise. Chapter topics cover ethics and business, ethical principles in business, the business system, ethics in the marketplace, ethics and the environment, the ethics of consumer production and marketing, the ethics of job discrimination, and the individual in the organization. For anyone in business.

Current Issues in Business Ethics

The Oxford Handbook of Business Ethics is a comprehensive treatment of the field of business ethics as seen from a philosophical approach. The volume consists of 24 essays that survey the field of business ethics in a broad and accessible manner, covering all major topics about the relationship between ethical theory and business ethics.

Business Ethics

Revised edition of the authors' Managing business ethics, [2014]

The Oxford Handbook of Business Ethics

Honest Work: A Business Ethics Reader, now includes 103 readings and 80 cases on such classic topics as honesty and trust in the workplace, whistleblowing, product liability, finance ethics, and conflicts of interest, along with more cutting edge subjects including environmental ethics and ethics and technology. The text was revised in the midst of the worst global financial crisis since the Great Depression, which reaffirms the convictions that led the authors to develop this text: first, that business ethics is primarily about the ethics of individuals; second, that business itself is a morally sensitive endeavor as it directly or indirectly harms or benefits other people. Honest Work assumes that the goal of a business ethics course is to help students become successful as human beings so that they can go on to invent, run, and rebuild sustainable businesses. Unlike most texts, it brings ethical questions back to the reader, and challenges students to think about the relationship between the way they do business and the kind of life they want to live. questions, and suggested readings and web links. An Instructor's Manual with Test Bank is available to adopters.

Test Item File [for] Business Law

How can one be a Christian in the world of business, not just on the weekend? How can one be honorable in business? Through the integration of the Christian worldview and business ethics, this book provides Christians with a mental framework with which to answer these important questions. Beginning with Genesis as the foundation for the Christian's worldview and the Ten Commandments as the outline for the Christian's ethical obligations, the authors develop principles upon which ethical choices can be made, even when working in a primarily non-Christian-oriented business environment. The book is designed to be helpful both to those beginning their career in business and those already employed in business who struggle with how to engage in today's business environment while maintaining their commitment to God's vision for life to be both meaningful and honorable. Topics of business ethics such as employee rights, discrimination, technology and privacy, insider trading and accounting fraud, and the special challenges of working internationally are covered. The added value this book brings to these discussions lies in its serious consideration of the Christian worldview as foundational to ethical decision-making in everyday areas of business.

Managing Business Ethics

This comprehensive textbook, packed with international cases, places individual human action at the heart of ethical business, arguing that business ethics guides human excellence in businesses. With its unique person-centred approach and student-centred pedagogy, this book will help students to discover and frame ethical issues in business, allowing them to gain an understanding of the role of ethical values and moral character in leadership, reason about ethical dilemmas, and reflect on how to improve business and organizational conditions from an ethical perspective. With international and up-to-date case studies drawn from a wide range of business contexts, this book helps students

to apply the foundations and principles of business ethics to real world situations. With a strong theoretical unpinning that supports positive practical action, this is an ideal textbook for Business Ethics students at undergraduate, postgraduate and MBA level. New to this Edition: - Thoroughly updated throughout - All new case studies - Increased coverage of: immigration; climate change; social networking; organizational culture; transnational corporations; ecological issues; environmental, social and corporate governance - Increased international coverage, in particular of Asia, the Middle East and Africa - A new companion website with instructor and student resources

Honest Work

Businesses compete in many ways, including nonmarket areas like corporate responsibility. Learn how to sharpen your firm's competitive edge. Baron's integrated approach combines the disciplines of economics, political science, law, and ethics to provide a deeper understanding of the managerial issues that arise in the business landscape. The seventh edition includes four new chapters on financial markets and their regulation, the investor's perspective and renewable power, the political economy of India, and behavioral ethics. The book also includes 26 new cases on timely topics.

Honorable in Business

Over 30 years Ronald F. Duska has established himself as one of the leading scholars in business ethics. This book presents Duska's articles the years on ethics, business ethics, teaching ethics, agency theory, postmodernism, employee rights, and ethics in accounting and the financial services industry. These reflect his underlying philosophical concerns and their application to real-world challenges — a method that might be called an Aristotelian common-sense approach to ethical decision making.

Business Ethics in Action

A foundational text for the modern business student and an essential instructor resource, this book presents a thorough and comprehensive introduction to business ethics. Taking a strategic stakeholder approach—one that emphasizes how important it is to balance multiple stakeholders' needs—students will develop the critical skills they need to analyze and solve complex ethical issues, while ensuring overall business success. The second edition retains Business Ethics' strong balance of theory and practice, but incorporates several new features, including: Fresh cases ensuring students are exposed to the most topical real-world examples A global view, with examples from international and emerging markets, and coverage of ethical standards from around the world An expanded chapter on individual ethical decision-making, as well as a new chapter devoted to ethical theory A renewed emphasis on the popular boxed features with more integration of newer case studies, and the addition of "Emerging Market Business Ethics Insights" The latest data on business ethics and ethics related issues from a variety of reputable sources A comprehensive set of lecture slides, test questions, and instructor notes provide additional material for the classroom.

Business and Its Environment

This text provides an up-to-date, critical analysis of contemporary issues in business ethics. The authors begin with an overview of the major, broad themes in business ethics, then move to a more practical discussion of ethics in key management functions. The second edition of The Ethical Business has been updated to address current thinking and new problems faced, with new chapters focusing on the symbiotic relationship between business and the environment and new case studies. An essential core text for today's business students, bringing ethical dilemmas into context to provide the foundation of good management practice.

Contemporary Reflections on Business Ethics

Lawyers' Professional Responsibility, sixth edition is a detailed yet accessible treatment of lawyers' legal and professional responsibilities, suitable for students and practitioners alike. This comprehensive book contains detailed footnoting of relevant provisions and rules in each Australian jurisdiction. Lawyers' Professional Responsibility's content and commentary are not confined to developments across Australia, but where relevant includes comparative coverage from the main common law jurisdictions, including the United States, Canada, the United Kingdom, New Zealand, Hong Kong and Singapore. This edition includes content and commentary on the Legal Profession Uniform Law, to

date as implemented in New South Wales and Victoria, together with the various uniform rules, for both solicitors and barristers.

Business Ethics

"Ethical Theory and Business, 8/e "presents a comprehensive anthology of readings, legal perspectives, and cases in ethics in business. Focuses on providing and explaining the tools needed to deal with ethical dilemmas in business. The authors examine ethical theory and business practice, the purpose of the corporation, corporate character and individual responsibility, acceptable risk, the ethical treatment of employees, diversity and discrimination in the workplace, marketing and disclosure of information, ethical issues in information technology and, ethical issues in international business. This book is intended for those interested in examining the ethical challenges we face today.

The Ethical Business

An authoritative and practical guide to business ethics, written in an accessible question and answer format In today's turbulent business climate, business ethics are more important than ever. Surveys of employees show that misconduct is on the rise. Cover stories reporting indictments, prosecutions, and penalties imposed for unethical business conduct appear almost daily. Legislatures pass requirements elevating the levels of punishment and their enforcement against corporations and individuals. Organizations face pressure to design and implement effective ethics and compliance programs. As a result, businesses and businesspeople are increasingly worried that their conduct might cross lines that put their wealth and reputations at risk. Business Ethics: What Everyone Needs to Know (R) explains what those lines are, how not to cross them, and what to do when they are crossed. Written for both businesspeople facing real-life dilemmas and students studying ethical questions, this succinct book uniquely surveys materials from moral philosophy, behavioral science, and corporate law, and shares practical advice. Experts J.S. Nelson and Lynn A. Stout cover a wide array of essential topics including the legal status of corporations, major ethical traps in modern business, negotiations, whistleblowing and liability, and best practices. Written in a short question-and-answer style, this resource provides engaging and readable introductions to the basic principles of business ethics, and an invaluable guide for dealing with ethical dilemmas.

The Methods of Ethics

Business Ethics--Faith That Works, 2nd Edition shows how faith forms the foundation for the theory and practice of business ethics and how ethical leadership results in long-term success in business. It challenges readers to understand their own beliefs and actively base the ethics they practice in business on those beliefs for building an ethical culture that can lead to a sustainable competitive advantage. The book begins by covering business ethics basics, highlighting how ethics are good for business. Ruddell then analyses the Scriptural teaching about business ethics as a model for how faith can (and indeed must) integrate with business ethics and then contrasts with other, secular, views of business ethics. He continues by reviewing steps for solving ethical problems in business and how to set up and carry out an effective ethics program inside the business and how companies can extend those ethics to those around them through effective social outreach programs, and to the environment by being good stewards of our resources.

Lawyers' Professional Responsibility

Justice, Crime, and Ethics, a leading textbook in criminal justice programs, examines ethical dilemmas pertaining to the administration of criminal justice and professional activities in the field. Comprehensive coverage is achieved through focus on law enforcement, legal practice, sentencing, corrections, research, crime control policy, and philosophical issues. The contributions in this book examine ethical dilemmas pertaining to the administration of criminal justice and professional activities in the field.

Ethical Theory and Business

Presents a discussion of the concepts of various aspects of business ethics, followed by concrete examples using actual cases. This new edition incorporates a variety of disciplines in its analysis of the topic, and features revised cases and new discussion questions.

Business Ethics

Ethical decisions can be complicated, but ethics class doesn't have to be! **BUSINESS ETHICS: STAKEHOLDER AND ISSUES MANAGEMENT APPROACH**, 5e, International Edition, helps students get involved and be prepared, because ethics is everybody's business. This easy-to-follow guide addresses business ethics in a way you can understand. By using interesting, current, real-world examples and focusing on stakeholders, this textbook can help you outline your personal business ethics for years to come, giving you the practical tools you need to handle moral dilemmas in the workplace and the world.

Business Ethics – Faith That Works, 2nd Edition

"Business Ethics: Best Practices for Designing and Managing Ethical Organizations, Third Edition focuses on how to create organizations of high integrity and superior performance. Author Denis Collins shows how to design organizations that reinforce ethical behavior and reduce ethical risks using his unique Ethical Systems Model that outlines how to hire and train ethical employees, make ethical decisions, and create a trusting, productive work environment. Taking a practical approach, this text is packed with tips, strategies, and real-world case studies that profile a wide variety of businesses, industries, and issues"--

Justice, Crime, and Ethics

Provides an introduction to the subject of ethics and values in the business environment. Set firmly in a European context, the book spans the range of subjects in business ethics, including: theories of ethics; capitalism and free enterprise; marketing; employment; and the greening of business.

Business Ethics

Traditionally, books on business ethics focus on CSR, companies' relations with their stakeholders, and corporate citizenship. More recently, green credentials and sustainability have been added to that agenda. Unconventionally, this book argues that business ethics are basic to running business, not a separate subject. They are inherent to the governance and management of every organization, not an optional exercise in corporate citizenship. Business ethics concern behaviour in business and the behaviour of business. Decisions at every level in a company have ethical implications – strategically in the board room, managerially throughout the organization, and operationally in all of its activities. The use, and sometimes the abuse, of corporate power, the process of corporate governance, raises ethical issues. Business involves risk-taking, whether decisions are at the strategic, managerial, or operational level. Exposure to ethical risk needs to be part of every organization's strategy formulation, policy making, and enterprise risk management. Designed to be read by both undergraduates and postgraduates, this book is a primer on ethics in business. It is also relevant to ethics courses that are now part of many legal, accountancy and other professional examinations. The book is not about moral philosophy, nor does it prescribe appropriate standards of behaviour or recommend economic, legal or political solutions. Rather it enables readers to recognize ethical issues in business, to respond appropriately, and to embed ethics in business processes. The book not only considers what business ethics are, and why they are important, but offers practical approaches on how to develop a successful corporate ethics culture.

Business Ethics

This book offers new and challenging approaches to business ethics that successfully link theory and practice thereby overcoming lacunae and inadequacies in much of the literature concerning ethics and governance, a theme that recurs with remarkable frequency in the history of business ethics as an academic discipline. This work provides imaginative and innovative proposals for the indispensable coupling of virtue, integrity, and character with global business, finance, and banking. The volume seeks to overcome the marginal status of business ethics in universities, business, and enterprise by demonstrating that virtue ethics is an important step in the direction of an adequate response to the leadership issue. This new edition of a popular work points to new ways of achieving an ever more urgent coalescence of ethics and business. It proposes practical advice and viable suggestions to business people on what is right and wrong in business. The volume makes a vital contribution in the area of education that should serve the ongoing development of top leaders. In the important domain of women in leadership, the volume provides new solutions that break boundaries on the global stage. The work challenges unethical marketing of human images with important implications for citizenship and society. The volume contains creative suggestions for the use of spirituality and human development

for the enhancement of business and society. The significantly extended second edition includes an exciting line up of leading academics and practitioners in the audacious hope that something may change for the better in the realms of business and banking.

Business Ethics

With complete coverage of the ethical principles that inform the role of the paralegal, *Ethics and Professional Responsibility for Paralegals*, Eighth Edition is ideal for use as either a primary course book, or a supplementary text. An authoritative presentation combined with clear and readable pedagogy enriches all levels of inquiry into the ethics of legal practice. Key Benefits: Comprehensive coverage of the professional responsibilities of paralegals, illuminated with chapter overviews, key terms, and a student-friendly organization. Discussion questions with hypotheticals and review questions in each chapter. Landmark cases, many involving paralegals, that demonstrate how the principles and rules of ethics are applied. Updated ethics opinions, with a focus on technology and social media, supported by new hypotheticals. Expanded coverage of how technology is affecting various aspects of ethics and practice, including confidentiality and privilege, competence, conflicts of interest and advertising. Many new cases including: *State Bar v. Lang* (unauthorized practice of law), *Committee v. JPMorgan Chase* (competence), *Lola v. Skadden* (professionalism), *Pension Committee v. Banc of America Securities* (advocacy), and *McDermott v. Superior Court* (confidentiality).

An Introduction to Business Ethics

The second edition of *Business Ethics* introduces readers to key ethical issues that arise within the world of business, providing a strong theoretical foundation as well as real world applications. This new edition has been greatly revised, and includes new sections on the financial services industry, globalization, and global economic justice. An accessible introduction for beginners, offering a combination of important established essays and new essays commissioned especially for this volume. Greatly revised - more than half of the selections are new to this edition. Newly commissioned essays address information technology, global economic justice and globalization, stakeholder theory, the corporation as an individual, and other topics. Uses diverse, authentic business cases to illustrate discussion of concepts. Cases have been updated to reflect current problems and issues. Provides students with guidance and tools to write their own case study essays. Readings are presented to progressively develop the reader's ability to read and apply ethical theory by writing case responses from different vantage points.

Business Ethics

In 1973, Daniel Bell argued that corporations in post-industrial societies increasingly needed to behave in accord with widely accepted social norms, particularly in terms of ethical behavior and social responsibility. Yet widespread criticism of business behavior was not an invention of the 1960s and 70s or a product of changing commercial norms. The key feature historically has been business scandal. Understandings of how the field of business ethics has emerged are undeveloped, however. This book is the first attempt to explain the conditions which saw a focus develop on business ethics especially in the 1960s and 70s, and how the broader field developed to encompass related notions such as corporate governance, corporate social responsibility, ethical leadership, sustainable business and responsible management education. *The Rise of Business Ethics* provides an introduction and analysis of the key developments in contemporary business ethics by examining them in terms of their diachronic development – the key thinkers, the key issues, the key institutions and how they each contributed to contemporary understandings of business ethics, governance and practice. Addressing the topic from a European as well as North American perspective, *The Rise of Business Ethics* will be of interest to researchers, academics, and students in the fields of business ethics, business and society, business history, organization studies and political economy.

Leadership and Business Ethics

2008 Best Reference, Library Journal As a field of study, business ethics aims to specify the principles under which businesses must operate to behave ethically. Thus business ethics focuses on such issues as those that have recently attracted so much public scrutiny: executive compensation, honesty in accounting, transparency, treatment of stakeholders, and respect for the environment. These are, in fact, perennial questions that accompany the long history of human economic activity and that will also be present through an indeterminate future. The five volumes of this ultimate resource recognize the inherent unity between business ethics and business and society, that stems from their shared

primary concern with value in commerce. This Encyclopedia spans the relationships among business, ethics, and society by including more than 800 entries that feature broad coverage of corporate social responsibility, the obligation of companies to various stakeholder groups, the contribution of business to society and culture, and the relationship between organizations and the quality of the environment. Key Features Embraces commerce in all of its ethical and social dimensions Offers comprehensive and fairly lengthy essays on such crucial topics as justice, freedom, stakeholder theory, and regulation Provides very brief essays that introduce important personages in the field, while other similarly brief entries explain the nature and function of various organizations Includes contributions from respected authorities in the fields of management, psychology, sociology, communication, political science, philosophy, and other related fields Cross-references to other entries in the Encyclopedia and includes a list of references and suggested readings for each article Key Themes Accounting Applied Ethics Corporate Management and the Environment Corporate Powers, Organization and Governance Corporations in the Social Sphere Customers and Consumers Economics and Business Employee Issues Environmental Thought, Theory, Regulation, and Legislation Ethical Thought and Theory Finance Gender, Age, Ethnicity, Diversity, and Sexual Preference Information Systems International Social and Ethical Issues Justice Legislation and Regulation Management Marketing Organizations Political Theory, Thought, and Policy Problematic Practices Rights The Encyclopedia of Business Ethics and Society is the premier reference tool for students, scholars, practitioners, and others interested in gaining knowledge of the role business plays with regard to the environment in which it exists—making it a must-have resource for all academic libraries.

Business Ethics and Corporate Governance

Sleeping Freshmen Never Lie

Starting high school is never easy. Seniors take your lunch money. Girls you've known forever are suddenly beautiful and unattainable. The guys you grew up with are drifting away. And you can never get enough sleep. Could there be a worse time for Scott's mother to announce she's pregnant? Scott decides high school would be a lot less overwhelming if it came with a survival manual, so he begins to write down tips for his new sibling. Scott's chronicle of his first year of bullies, romance, honors classes, and brotherhood is both laugh-out-loud funny and touchingly wise.

Never Let You Go

Losing everything has Lexi clinging to her daughter. Hell is determined to loosen her grip. It's been seven years since disaster struck her family. Lexi Solomon has held it all together since then--just barely. But now Lexi is losing it. The husband who deserted her is back in town, wanting to see their daughter Molly. Her sister's shameless murderer is up for parole. An unsavory old friend is demanding payment for debts that Lexi knows nothing about and can't begin to meet. And something else is going on--something Lexi feels but can't explain. A dangerous shift is taking place between this reality and the next. Forces beyond her imagination are vying for control. A rare novel that will satisfy a wide range of readers, *Never Let You Go* explores the high-stakes decisions played out in the thin spaces between heaven and earth. As the enemy's grip tightens around Lexi, she will have to decide what's truly worth holding on to. "Keeps you glued to the pages until the very last."--Tosca Lee, author of *Havah: The Story of Eve*

Never Let You Go

"What to Say Next reminds readers that hope can be found in unexpected places." --Bustle From the New York Times bestselling author of *Tell Me Three Things* comes a story about two struggling teenagers who find an unexpected connection just when they need it most. Nicola Yoon, the bestselling

author of *Everything, Everything*, calls it "charming, funny, and deeply affecting." Sometimes a new perspective is all that is needed to make sense of the world. KIT: I don't know why I decide not to sit with Annie and Violet at lunch. It feels like no one here gets what I'm going through. How could they? I don't even understand. DAVID: In the 622 days I've attended Maplevue High, Kit Lowell is the first person to sit at my lunch table. I mean, I've never once sat with someone until now. "So your dad is dead," I say to Kit, because this is a fact I've recently learned about her. When an unlikely friendship is sparked between relatively popular Kit Lowell and socially isolated David Drucker, everyone is surprised, most of all Kit and David. Kit appreciates David's blunt honesty—in fact, she finds it bizarrely refreshing. David welcomes Kit's attention and her inquisitive nature. When she asks for his help figuring out the how and why of her dad's tragic car accident, David is all in. But neither of them can predict what they'll find. Can their friendship survive the truth? Named a Best Young Adult Novel of the Year by POPSUGAR "Charming, funny, and deeply affecting all at the same time." —Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* "Heartfelt, charming, deep, and real. I love it with all my heart." —Jennifer Niven, New York Times bestselling author of *All the Bright Places*

What to Say Next

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has...especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never dared to want, awakening a desire to explore more than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

Clipped Wings

"OMG the feels in this book. Probably one of my all time favorite books." -Sam, Goodreads Reviewer Hazel McCallister loves her life. Perfect grades. Perfect best friend. Perfect boyfriend. Until her perfect boyfriend cheats on her with her perfect best friend. Now Hazel's in free fall—until her best friend's brother, Felix, gives her the perfect idea. Reclaim her power by taking revenge on her cheating ex. Felix James loves his life. Casual relationships. Loads of surfing. He's as drama-free as they come. But he can't stand by when his sister steals her best friend's boyfriend, and the dude insists it was Hazel's fault. So Felix vows to help turn Hazel into a girl her ex can't resist—so then she can break his heart. With an alliance in place, Hazel's revenge is all but assured. But with each piece of payback, she feels a stronger attraction to Felix, even though revenge will turn her into a girl Felix could never be with. And soon Hazel has to make an impossible choice: revenge...or Felix, the boy who's stolen her heart. Disclaimer: This *Entangled Teen Crush* book contains betrayal, revenge, and that most tempting vice of all, the bad boy you know you can't have.

Not Okay Cupid

The bestselling author of *Encyclopedia of an Ordinary Life* returns with a literary experience that is unprecedented, unforgettable, and explosively human. Ten years after her beloved, groundbreaking *Encyclopedia of an Ordinary Life*, #1 New York Times bestselling author Amy Krouse Rosenthal delivers a book full of her distinct blend of nonlinear narrative, wistful reflections, and insightful wit. It is a mighty, life-affirming work that sheds light on all the ordinary and extraordinary ways we are connected. Like she did with *Encyclopedia of an Ordinary Life*, Amy Krouse Rosenthal ingeniously adapts a standard format—a textbook, this time—to explore life's lessons and experiences into a funny, wise, and poignant work of art. Not exactly a memoir, not just a collection of observations, *Textbook* Amy Krouse Rosenthal is a beautiful exploration into the many ways we are connected on this planet and speaks to the awe, bewilderment, and poignancy of being alive. "...a groundbreaking new twist on the traditional literary experience... *Textbook* is a delightful collection of interesting scenarios that directly point to life lessons. Rosenthal manages to spotlight grand moments and everyday moments with equal curiosity, proving that it can be both a privilege — and petrifying — to peek into one's humanity."—Associated Press

"Rosenthal is a marvel... a talented storyteller with an experimental flair for formatting... This engaging, playful, and clever glimpse into one woman's life offers lots of photographs, graphic illustrations, and diagrams, resulting in a book that will make readers smile as their notions of story delivery expand."
—Booklist

Famous Men of Science

New York Times bestselling author Cathy Maxwell's delicious Logical Man's Guide to Dangerous Women series continues with this provocative romance between a reprobate earl and a sensible spinster who agree to marry under scandalous circumstances. Perfect for fans of Sophie Jordan and Sabrina Jeffries. Lesson #1: A man, even titled and handsome, cannot be careless forever. The Earl of Marsden—better known as Mars to all—has lived his life by his own rules...until he is presented with a very big problem in a very tiny package—a baby girl, his daughter cast off by his ex-mistress. Mars won't let his child be cast adrift, except he doesn't know the first thing about babies. Panicking, he turns to a woman for help. Not just any woman, but Clarissa Taylor, village spinster, matron-in-training, and Mars's greatest critic. Still, who better to tend a motherless child than a woman who was abandoned as a babe herself? Lesson #2: Life always plays the upper hand—especially when it comes to love. Clarissa desperately wishes to not to be beholden to anyone. She has spent a lifetime being pitied by the village. Her plan is simple—to use what the intolerable earl will pay her to become her own woman. It all sounds so straightforward until the threat of scandal sends her and the one man she can't abide toward . . . marriage? Mars and Clarissa are about to learn the greatest lesson of all—that sparks always fly when the iron is hot.

Eben Holden (EasyRead Large Bold Edition)

This study affords an entirely new view of the nature of modern popular entertainment. American vaudeville is here regarded as the carefully elaborated ritual serving the different and paradoxical myth of the new urban folk. It demonstrates that the compulsive myth-making faculty in man is not limited to primitive ethnic groups or to serious art, that vaudeville cannot be dismissed as meaningless and irrelevant simply because it fits neither the criteria of formal criticism or the familiar patterns of anthropological study. Using the methods for criticism developed by Susanne K. Langer and others, the author evaluates American vaudeville as a symbolic manifestation of basic values shared by the American people during the period 1885-1930. By examining vaudeville as folk ritual, the book reveals the unconscious symbolism basic to vaudeville—in its humor, magic, animal acts, music, and playlets, and also in the performers and the managers—which gave form to the dominant American myth of success. This striking view of the new mass man as a folk and of his mythology rooted in the very empirical science devoted to dispelling myth has implications for the serious study of all forms of mass entertainment in America. The book is illustrated with a number of striking photographs.

A Guest at the Ludlow

Integrating social history and civil rights movement studies, *Fighting for Hope* examines the ways in which political meaning and identity were reflected in the aspirations of these black GIs and their role in transforming the face of America.

The Party

"A Diary From Dixie" is a Civil War diary which paints a "vivid picture of a society in the throes of its life-and-death struggle." The author described the war from within her upper-class circles of Southern planter society, but encompassed all classes in her book. Literary critics have praised Chesnut's diary. The influential writer Edmund Wilson termed it "a work of art"

His Lessons on Love

Jason I'm not letting her go after this. I left the love of my life when she needed me most. I thought I was saving the world, but instead I lost everything. Now I need her. My sister is missing and I'm suspect #1. Without Jules as my defense attorney, I would be locked in a cell instead of trying to save my sister. Once I find Ellie, I'm never letting either of them out of my sight. There's no way I'm making that mistake again. Jules He's just like every other client. The man I thought was the love of my life, ghosted me when I needed him most. I'd like to say he was the one that got away. But no. He's the bullet I dodged. Now he needs me. His sister is missing and he's being charged with her kidnapping. He thinks we can mend what he broke. But I can't trust him. There's no way I'm making that mistake again. eeeeeee Escaping Conviction is a suspenseful, second chance romance with legal, military, and dark themes. It is the first in the Conviction series of interconnected standalones which have an overarching plot throughout the series, but no cliffhanger for the couple in this book. **While Escaping Conviction has an HEA, this read is not for the faint of heart. The Conviction series should be read by mature readers only (18+) and contains sexually explicit scenes, along with descriptions of human trafficking, drugs, strong language, and physical and sexual violence. Reader discretion is advised.**

American Vaudeville as Ritual

A history of lucrative real estate in Los Angeles shares the lesser-known contributions of a range of figures from Douglas Fairbanks and Marilyn Monroe to Howard Hughes and Ronald Reagan. By the best-selling author of Rogues' Gallery.

Fighting for Hope

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

Diary from Dixie

Seventy-nine Short Essays on Design brings together the best of designer Michael Bierut's critical writing—serious or humorous, flattering or biting, but always on the mark. Bierut is widely considered the finest observer on design writing today. Covering topics as diverse as Twyla Tharp and ITC Garamond, Bierut's intelligent and accessible texts pull design culture into crisp focus. He touches on classics, like Massimo Vignelli and the cover of *The Catcher in the Rye*, as well as newcomers, like McSweeney's Quarterly Concern and color-coded terrorism alert levels. Along the way Nabakov's *Pale Fire*; Eero Saarinen; the paper clip; Celebration, Florida; the planet Saturn; the ClearRx pill bottle; and paper architecture all fall under his pen. His experience as a design practitioner informs his writing and gives it truth. In *Seventy-nine Short Essays on Design*, designers and nondesigners alike can share and revel in his insights.

Escaping Conviction

Fred Lewis Pattee was a literary critic and the first-ever professor of American literature. In this work, published in 1915, he gives an account of the developments in American literature in the 70s, 80s, and the beginning of the 90s years of the 19th century.

Homage to a Broken Man

The very strange but nevertheless true story of the dark underbelly of a 1960s hippie utopia. Laurel Canyon in the 1960s and early 1970s was a magical place where a dizzying array of musical artists congregated to create much of the music that provided the soundtrack to those turbulent times. Members of bands like the Byrds, the Doors, Buffalo Springfield, the Monkees, the Beach Boys, the Turtles, the Eagles, the Flying Burrito Brothers, Frank Zappa and the Mothers of Invention, Steppenwolf, CSN, Three Dog Night and Love, along with such singer/songwriters as Joni Mitchell, Judy Collins, James Taylor and Carole King, lived together and jammed together in the bucolic community nestled in the Hollywood Hills. But there was a dark side to that scene as well. Many didn't make it out alive, and many of those deaths remain shrouded in mystery to this day. Far more integrated into the scene than most would like to admit was a guy by the name of Charles Manson, along with his murderous entourage. Also floating about the periphery were various political operatives, up-and-coming politicians and intelligence personnel – the same sort of people who gave birth to many of the rock stars populating the canyon. And all the canyon's colorful characters – rock stars, hippies, murderers and politicians – happily coexisted alongside a covert military installation.

Unreal Estate

The inspiration for *Expats*, a new series starring Nicole Kidman coming soon to Prime Video. “Devastating and heartwarming, and exquisite in every way, this is a book you'll fall deeply in love with and never want to put down.” —Kevin Kwan, author of *Crazy Rich Asians* From the New York Times bestselling author of *The Piano Teacher*, a searing novel of marriage, motherhood, and the search for connection far from home. In the glittering city of Hong Kong, expats arrive daily for myriad reasons—to find or lose themselves in a foreign place, and to forget or remake themselves far from home. Amidst this hothouse atmosphere, a tragic incident causes three American women's lives to collide in ways that will rewrite every assumption of their privileged world: Mercy, a young Korean American and recent Columbia graduate, once again finds herself compromised and adrift, trying to start her life anew; Hilary, a wealthy housewife, is haunted by her struggle to have a child, hoping to save her uncertain marriage; meanwhile, Margaret, once the enviable mother of three, tries to negotiate an existence that has become utterly unrecognizable after a catastrophic event. Faced with unthinkable choices, these three women form a profound connection that defies the norms of the sequestered community—finding in each other a strength borne of need, forgiveness, and ultimately hope. Atmospheric and utterly compelling, *The Expatriates* showcases Lee's exceptional talent as one of our keenest observers of women's inner lives.

Inked Armor

Images of teenage girls in poodle skirts dominated American popular culture on the 1950's. But as Kelly Schrum shows, teenage girls were swooning over pop idols and using their allowances to buy the latest fashions well beforehand. After World War I, a teenage identity arose in the US, as well as a consumer culture geared toward it. From fashion and beauty to music and movies, high school girls both consumed and influenced what manufacturers, marketers, and retailers offered to them. Examining both national trends and individual lives, Schrum looks at the relationship between the power of consumer culture and the ability of girls to selectively accept, reject, and appropriate consumer goods. Lavishly illustrated with images from advertisements, catalogs, and high school year books, *Some Wore Bobby Sox* is a unique and fascinating cultural history of teenage girl culture in the middle of the century.

Eben Holden

Critically acclaimed when it was first published in 1987, this timeless collection of stories features eccentric, complex characters who think and do the unconventional.

A Select Collection of Old English Plays

Contains over 200 illustrations by Medal of Honor recipient Charles W. Reed “Most histories of the Civil War focus on battles and top brass. *Hardtack and Coffee* is one of the few to give a vivid, detailed picture of what ordinary soldiers endured every day—in camp, on the march, at the edge of a booming, smoking hell. John D. Billings of Massachusetts enlisted in the Army of the Potomac and survived the conditions he recorded. The authenticity of his book is heightened by the many drawings that a comrade, Charles W. Reed, made in the field. This is the story of how the Civil War soldier was recruited, provisioned, and

disciplined. Described here are the types of men found in any outfit; their not very uniform uniforms; crowded tents and makeshift shelters; difficulties in keeping clean, warm, and dry; their pleasure in a cup of coffee; food rations, dominated by salt pork and the versatile cracker or hardtack; their brave pastimes in the face of death; punishments for various offenses; treatment in sick bay; firearms and signals and modes of transportation. Comprehensive and anecdotal, *Hardtack and Coffee* is striking for the pulse of life that runs through it."-Print ed.

Seventy-nine Short Essays on Design

The author of the Pulitzer Prize-winning *Battle Cry of Freedom* and the New York Times bestsellers *Crossroads of Freedom* and *Tried by War*, among many other award-winning books, James M. McPherson is America's preeminent Civil War historian. In this collection of provocative and illuminating essays, McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation's history. McPherson sheds light on topics large and small, from the average soldier's avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South. Readers will find insightful pieces on such intriguing figures as Harriet Tubman, John Brown, Jesse James, and William Tecumseh Sherman, and on such vital issues as Confederate military strategy, the failure of peace negotiations to end the war, and the realities and myths of the Confederacy. This *Mighty Scourge* includes several never-before-published essays--pieces on General Robert E. Lee's goals in the Gettysburg campaign, on Lincoln and Grant in the Vicksburg campaign, and on Lincoln as Commander-in-Chief. All of the essays have been updated and revised to give the volume greater thematic coherence and continuity, so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world. Combining the finest scholarship with luminous prose, and packed with new information and fresh ideas, this book brings together the most recent thinking by the nation's leading authority on the Civil War.

Rochester

In World War II, the 81st Troop Carrier Squadron dropped paratroopers onto the battlefield, often in the face of heavy fire. This book relates the exploits of the 81st, which mirrored the combat experience of World War II troop carrier units.

A History of American Literature Since 1870

With *My Year as a Clown*, Williams introduces us to the Philadelphia Eagles-obsessed Chuck Morgan, reeling after being blindsided by the abrupt collapse of his 20-year marriage. Morgan is a new kind of male hero, imperfect and uncertain, who—like his favorite football team—is fumbling forward into uncertainty. The 2013 Silver Medal Winner for Popular Fiction from the Independent Publisher Book Awards. Initially, Chuck worries he'll never have a relationship again, that he could stand in the lobby of a brothel with a hundred dollar bill plastered to his forehead and still not get lucky. But as his emotionally raw, 365-day odyssey unfolds, Chuck gradually relearns to live on his own, navigating the minefield of issues faced by the suddenly single—new routines, awkward dates, and even more awkward sex. *Clown* will attract fans of the new breed of novelists that includes Nick Hornby, Jonathan Tropper and Tom Perrotta. Like others in that distinguished group, Robert Steven Williams delivers a painfully honest glimpses into the modern male psyche while writing about both sexes with equal ease and grace in a way that's both hilarious and heartbreaking at the same time. "Williams has written a terrific novel. His book pulls back the curtain on male masculinity--showing us what a guy really goes through when dealing with the difficult mess of his beloved spouse's infidelity and the ensuing divorce. Williams' characters give us the real-deal: a gut wrenching and often humorous look, showing us the everyday horrors of what it's like to start all over again as one approaches middle age." - Suzan-Lori Parks, winner Pulitzer Prize for Drama "Robert Steven Williams has written a novel of tremendous honesty, humor, and insight. His story of Chuck Morgan, cast adrift on the rocky shoals of dating when his wife of twenty years suddenly leaves him, does for men what Bridget Jones's Diary did for women." - Joy Johannessen, editor for Alice Sebold, Amy Bloom, Michael Cunningham and *My Year as a Clown* "When we first meet Chuck Morgan, he's broken, twisted and confused. And that's what makes him so interesting. Like other intriguing literary heroes, he is at his best after life has knocked him to the ground, forcing him to find a new way to be strong again; damaged maybe, but more confident this time, with a kinder, more open heart." - Jimmie Dale Gilmore, *The Flatlanders*

Weird Scenes Inside The Canyon

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

The Sea Acorn

" What Liburd and colleagues provide in this edition is a framework for all practitioners?involved in diabetes prevention and control. The recommendations and tools provided here are key to the success of future research and programmatic efforts. -Wayne H. Giles, MD, MS & Ann Albright, PhD, RD (From the Foreword) Type 2 diabetes and its principal risk factor, obesity, have emerged as twin epidemics in communities of color. This book investigates the epidemiology of diabetes in these minority communities, arguing that the determinants of diabetes include not only personal choices, but also broader social and contextual factors, such as community racism, residential segregation, and cultural patterns. This book includes in-depth analyses of many community-based interventions which serve African-American, Hispanic/Latino American, Asian American, and Native American populations. The author also provides suggestions for community-based initiatives to reduce the obesogenic environment many minorities live in. Key features: ilIncludes effective intervention approaches for prevention and control of diabetes in racial and ethnic populations ilExplores the influence of institutionalized racism and residential segregation on the emergence of diabetes and obesity ilPresents extensive case studies detailing the experiences, challenges, and breakthroughs of various community health initiatives and programs This book will serve as an important resource for professors, students, community leaders, policymakers, health practitioners, and anyone interested in joining the movement to eliminate health disparities and achieve health equity. "

The Expatriates

It Can't Happen Here is a semi-satirical political novel by Sinclair Lewis published in 1935. It features newspaperman Doremus Jessup struggling against the fascist regime of President Berzelius "Buzz" Windrip, who resembles Gerald B. Winrod, the Kansas evangelist whose far-right views earned him the nickname "The Jayhawk Nazi." It serves as a warning that political movements akin to Nazism can come to power in countries such as the United States when people blindly support their leaders.
