What Matters Most

The celebrated author of Finding Meaning in the Second Half of Life delivers a unique look at happiness, sharing a Jungian approach to finding a fearless, authentic path. Why are we here? What is the meaning of existence? What truly matters the most in life? To even begin to answer these questions, we must

start by exploring our own internal ideals, values, and beliefs. Presenting the unique perspective of respected analyst and author James Hollis, Ph.D., *What Matters Most* helps readers learn to appreciate (even be amazed by) events unfolding within, even as the external world creates constant struggles. Taking a fresh look at the concept of happiness, Hollis uses a warm, accessible tone to encourage readers to learn to tolerate ambiguity, embrace growth rather than security, respect the power of Eros, engage spiritual crises, and acknowledge the shadow of mortality. Providing inspiring wisdom and personal reflections to address our deepest worries, *What Matters Most* yields far more than mere self-help clichés. Instead, Hollis guides readers in uncovering the heart of the matter, discovering what it means to truly live life to its fullest, most meaningful state—as fully engaged citizens of the world.

In the House in the Dark of the Woods

A dark fairytale, full of witchcraft, where nothing is as it seems. Once upon a time there was and there wasn't a woman who went to the woods. In this dark fairy tale, a young woman sets off to pick berries in the depths of the forest, but can't find her way home again. Or perhaps she has fled or abandoned her family. Or perhaps she's been kidnapped, and set loose to wander in the wilderness. Alone and possibly lost, she meets another woman who offers her help. Then everything changes. On a journey that will take her to the depths of the witch-haunted woods, through a deep well wet with the screams of men, and on a living ship made of human bones, our heroine may find that the evil she flees has been inside her all along. Laird Hunt is an American writer and translator. He has written seven novels, including *Neverhome*, which was a New York Times Book Review Editor's Choice selection, an IndieNext selection, winner of the Grand Prix de Littérature Américaine and The Bridge prize, and a finalist for the Prix Femina Étranger. His *In the House in the Dark of the Woods* is also available from Pushkin Press. A resident of Boulder, CO, he is on the faculty in the creative writing PhD program at the University of Denver.

Finding Meaning in the Second Half of Life

What does it really mean to be a grown up in today's world? We assume that once we "get it together" with the right job, marry the right person, have children, and buy a home, all is settled and well. But adulthood presents varying levels of growth, and is rarely the respite of stability we expected. Turbulent emotional shifts can take place anywhere between the age of thirty-five and seventy when we question the choices we've made, realize our limitations, and feel stuck—commonly known as the "midlife crisis." Jungian psycho-analyst James Hollis believes it is only in the second half of life that we can truly come to know who we are and thus create a life that has meaning. In *Finding Meaning in the Second Half of Life*, Hollis explores the ways we can grow and evolve to fully become ourselves when the traditional roles of adulthood aren't quite working for us, revealing a new way of uncovering and embracing our authentic selves. Offering wisdom to anyone facing a career that no longer seems fulfilling, a long-term relationship that has shifted, or family transitions that raise issues of aging and mortality, *Finding Meaning in the Second Half of Life* provides a reassuring message and a crucial bridge across this critical passage of adult development.

In a Dark Wood

Thirty-nine, divorced, jobless: Benedick Hunter is going nowhere, heading in the exact opposite direction he expected. So when he comes across a children's book that his mother, Laura, wrote, he decides that her life and work - haunting stories replete with sinister woods, wicked witches and brave girls who battle giants - hold the key to finding out why his own life is such a mess. Setting out to discover why Laura killed herself when he was six, Benedick travels to the US. As he grows more obsessed with what happened to his mother, Benedick enters into a dark wood - one that is both hilariously real and terrifyingly psychological. Dark humorous and inventive, *In a Dark Wood* casts light on the nature of depression, genius and of the healing power of storytelling.

In a Dark Dark Wood

This is the deep dark wood. Everyone knows it's no place to go for a stroll. There are monsters and trolls and giants everywhere, not to mention the Big Bad Wolf! Wait a minute! What's that sweet little girl doing in the deep dark wood? Doesn't she know it's DANGEROUS here? The Big Bad Wolf will gobble her up for his lunch! But this deep dark wood is full of twists and turns, and all is not quite what it seems. The Big Bad Wolf is about to get a big, bad surprise... A monstrously funny mixed-up fairytale with an unexpected twist!

The Deep Dark Wood

A little boy sets out to find the thief of his grandmother's strawberry tarts and meets a number of unusual characters on his search.

Jeremiah in the Dark Woods

A fantastically dark and timeless graphic debut, for fans of Grimm Tales, The Melancholy Death of Oyster Boy and the works of Neil Gaiman.

Through the Woods

A motherless girl hungry for hope . . . and the dream that could be leading her astray. Almost two years have passed since twelve-year-old Allie Granderson's beloved mother, Mary, disappeared into the wild tornado winds. Her body has never been found. Allie clings to memories of her mother, just as she clings to the broken compass she left behind, the makeshift Nativity scene in the front yard, and her best friend Zach. But even with Zach at her side, the compass on her wrist, and the Nativity right outside the window, Allie cannot help but feel lost in all the growing up that must get done. When the Holy Mother disappears from the yard, Allie's bewilderment is compounded by the sudden movement of her mother's compass. Following the needle, Allie and Zach leave the city behind and push into the inky forest on the outskirts of Mattingly. For Allie, the journey is more than a ghost hunt: she is rejoining the mother she lost—and finding herself with each step deeper into the heart of the dark wood. Brimming with lyrical prose and unexpected discoveries, *In the Heart of the Dark Wood* illustrates the steep transition we all must undergo—the moment we shed our childlike selves and step into the strange territory of adulthood.

In the Heart of the Dark Wood

The death of the foxes' ruling oracle bodes ill for the Wraith Mice around Darkwoods, and their allies near and far. Princess Zuryzel, a young Wraith Mouse, must lead her people to defeat the hated foxes.

Darkwoods

A story of love and grief. 'I became a widower and a father on the same day' says Joseph Luzzi. His book tells how Dante's 'The Divine Comedy' helped him to endure his grief, raise their infant daughter, and rediscover love.

In a Dark Wood: What Dante Taught Me About Grief, Healing, and the Mysteries of Love

One of America's premier outdoor writers delivers a fascinating debut novel. When hunters report they've wounded a strange--and big--animal, Deputy Frank Vaughan goes in search of it. But the only thing more terrifying than what he's hunting is what is hunting him. Original.

Dark Woods

Hilarious, hen-sational new adventure series by the author of bestselling ATTICUS CLAW Young chicken Amy Cluckbucket dreams of escaping from Perrin's farm to a life of chicken adventure. One day Amy receives a summons to the Kung Foo School for Poultry in Tibet where she learns she is to become part of an elite chicken squad whose mission is to defeat their evil predators. It sounds like a dream come true for Amy but she's disappointed to find that fellow squad members, Ruth and Boo, don't seem to want to make friends. Ruth is too busy inventing things and Boo has problems of her own. The chickens travel to Chicken HQ to meet their mentor, Professor Rooster. When their first mission flops it is Amy who persuades the others that they should stick together to restore Professor Rooster's

faith in them. Through a series of egg-citing adventures and hilarious mishaps the three young chickens learn the value of friendship and teamwork. But will they be ready for their biggest mission so far - to save the chicks of St Eggbert's Primary School from the jaws of their mortal enemy, Thadeus E Fox?

Chicken Mission: Danger in the Deep Dark Woods

A Dark, Dark Tale

"Myth is our wild way of telling the truth, of sharing stories that have our living earth speaking through them. There is an old insistence that we each have a twin we know nothing about. A wild, curious twin that was thrown out the window the night we were born, taking much of our energy with them. This story is a quest to find and court our wild twin, for they have something important to tell us. If there was something we were here to do in our few, brief years, we can be sure that the wild twin is holding the key. In *Courting the Wild Twin*, Martin Shaw, an accomplished storyteller and scholar of myth and oral tradition, explores two ancient myths concerned with the wild twin and shares how vital they are to our ability to confront challenges with purpose, courage and creativity. Myths are our secret weapon. They have a radical agency of beauty in our age of amnesia, an agency far beyond concept and polemic"--

Courting the Wild Twin

A guidebook for spirituality in a post-Christian world.

Gifts of the Dark Wood

Beasts of the Forest: Denizens of the Dark Woods offers its readers an in-depth and interdisciplinary engagement with the forest and its monstrous inhabitants; through critical readings of folklore, fiction, film, music video and animation. Within the text there are a multitude of convergent critical perspectives used to engage and explore fictional and real monsters of the forest in media and folklore. The collection features chapters from a variety of academic perspectives: film and media studies, cultural studies, queer theory, Tolkien studies, mythology and popular music are featured. Under examination are a wide range of narratives and media forms that represent, reimagine and create the werewolves, witches and weird apparitions that inhabit the forest, along with the forest as a monstrous entity in itself. Whether they be our shelter and safe-haven or the domain of malevolent spirits and sprites, forests have the capacity to horrify and threaten those that venture into them without permission. Human interference has continually threatened forests across the world, yet this threat is reversed in myth, folklore and more recent cultural forms. This collection ranges widely to analyse how forests figure in contemporary culture, as well as the wider contexts in which such representations are inserted.

Path Through Wood

Elisabeth Tonnard's *In This Dark Wood* is a study of urban alienation in America. In a haunting, modern-gothic style, it pairs images of people walking alone in nighttime city streets with 90 different English translations, collected by Tonnard, of the famous first lines of Dante's *Inferno*: "Nel mezzo del cammin di nostra vita / mi ritrovai per una selva oscura / ché la diritta via era smarrita." ("In the middle of the journey of our life / I found myself in a dark wood / for the straight way was lost"). The images were selected from the Joseph Selle collection at the Visual Studies Workshop in Rochester, New York, which contains over a million negatives from a company of street photographers who worked in San Francisco from the 1940s to the 70s. This edition is a reprint of a work originally self-published in 2008.

Beasts of the Forest

Robert A. Johnson, bestselling author of *He, She, We* and other psychology classics, shares a lifetime of insights and experiences in this easy-to-read book on psychological projection - seeing traits in others that are, in fact, our own. Drawing on early Christianity, mediaeval alchemy, depth psychology and the myths of *The Flying Dutchman* and *The Once and Future King*, he, also, explores the subjects of loneliness, fundamentalist religion and the spiritual dimensions of psychology.

Elisabeth Tonnard

The woods were insane in the dark, terrifying and magical at the same time. But best of all were the stars, which trumpeted their light into the misty dark. Castella Cresswell and her five siblings-Hannan, Caspar, Mortimer, Delvive, and Jerusalem- know what it's like to be different. For years, their world has been confined to their ramshackle family home deep in the woods of upstate New York. They abide by the strict rule of God, whose messages come directly from their father. Slowly, Castley and her siblings start to test the boundaries of the laws that bind them. But, at school, they're still the freaks they've always been to the outside world. Marked by their plain clothing. Unexplained bruising. Utter isolation from their classmates. That is, until Castley is forced to partner with the totally irritating, totally normal George Gray, who offers her a glimpse of a life filled with freedom and choice. Castley's world rapidly expands beyond the woods she knows so well and the beliefs she once thought were the only truths. There is a future waiting for her if she can escape her father's grasp, but Castley refuses to leave her siblings behind. Just as she begins to form a plan, her father makes a chilling announcement: the Cresswells will soon return to their home in heaven. With time running out on all of their lives, Castley must expose the depth of her father's lies. The forest has buried the truth in darkness for far too long. Castley might be their last hope for salvation.

Inner Gold

Meet Noddy the little wooden boy who comes to life in Enid Blyton's most enduringly popular creation. Noddy is doing very well as a taxi driver in Toyland. What will happen when tricky Sly asks Noddy for a ride at midnight? First published in 1951, this edition contains the original text by Enid Blyton and illustrations by Hamsen van der Beek.

The Cresswell Plot

This book offers the first full length study on the pervasive archetype of The Gothic Forest in Western culture. The idea of the forest as deep, dark, and dangerous has an extensive history and continues to resonate throughout contemporary popular culture. *The Forest and the EcoGothic* examines both why we fear the forest and how exactly these fears manifest in our stories. It draws on and furthers the nascent field of the ecoGothic, which seeks to explore the intersections between ecocriticism and Gothic studies. In the age of the Anthropocene, this work importantly interrogates our relationship to and understandings of the more-than-human world. This work introduces the trope of the Gothic forest, as well as important critical contexts for its discussion, and examines the three main ways in which this trope manifests: as a living, animated threat; as a traditional habitat for monsters; and as a dangerous site for human settlement. This book will appeal to students and scholars with interests in horror and the Gothic, ecohorror and the ecoGothic, environmentalism, ecocriticism, and popular culture more broadly. The accessibility of the subject of 'The Deep Dark Woods', coupled with increasingly mainstream interests in interactions between humanity and nature, means this work will also be of keen interest to the general public.

Here Comes Noddy

Seven short stories, in which are found vivid retellings of the gypsy tales collected from the Wood family of Caegwyn. Including magical tales rich with the mystery of the Welsh landscape and quest stories. Suitable for readers aged 9-11 years. Winner of the 2007 Tir na n-Og Award. Reprint; first published in July 2006. -- Welsh Books Council

The Forest and the EcoGothic

Throughout its long history, Freetown, Massachusetts, has been a hotbed of criminal and supernatural occurrences in the town's State Forest. This is the first account of how its darker side connects hauntings with violent crime and local cults. Native American ghosts roam here and evil lurks, making the forest a haven for nasty creatures (the Pukwudgies). A witch looks for favors from young men, satan cults thrive, and killers kill. Read first-hand accounts from police officials and criminals about the forest. Learn why hauntings continue today. Many come here to enjoy the beauty of Freetown State Forest; these are the stories of those who cannot leave.

Dark Tales from the Woods

Set in the late fourteenth and early fifteenth centuries, during the Hundred Years War between France and England, Haasse's epic masterpiece brilliantly captures the power, passion and political intrigue of the Middle Ages.

Dark Woods

In a Dark Wood Wandering

A blackly comic heist novel set in Glasgow's famed underworld, reminiscent of early Christopher Brookmyre. Boddice, a crime lord looking over his shoulder for good reason, has assembled an unlikely band of misfit crooks. Their job is to steal a famous diamond worth millions, known as The Dark Side of the Moon. Despite the odds, the crew's self-serving squabbles and natural incompetence, the plan progresses. As events build to an explosive climax no one really knows who is playing who. Full of twists and turns and laugh-out-loud moments, this is a hugely enjoyable romp from entirely the criminal's point-of-view, with not a single cop in sight. 'Neds, drug dealers, gangsters, molls, jakes, crazy old bag ladies, racketeering, and the biggest jewel heist ever seen in the UK. Welcome to Glasgow. No Mean City meets The Italian Job in this hilarious comic noir debut, as the dark underbelly of the city's crimeland is spewed onto the page. With razor-sharp dialogue, superbly venal characters and a finely-tuned plot, The Dark Side of the Moon builds to an explosive firecracker of an ending.' Douglas Lindsay, author of The Legend of Barney Thomson and Song of the Dead 'Mix Irvine Welsh with Ocean's Eleven. Set in Glasgow and BANG! Dark Side of the Moon is a fun and thrilling read with moments that will have you reflecting on life, and moments when you will be giving it LOLs. A boom-bastic read. Loved it.' Michael Malone, author of Beyond the Rage and Bad Samaritan

Through the Woods

This is the story of a sleepy town called Suds. A place where stories fill the air of children turning grey and disappearing without a trace... Poppy and Erasmus are certain there's something peculiar going on in Suds, and they're determined to unravel its secrets. But when they discover the answers might lie in the dark and twisting woods, can they find the courage to creep inside and solve this riddling mystery? 'A thrilling read...flavoured with fairytales, drizzled with a syrup of fear and sprinkled with heart.' M.G. Leonard

Soon to be a Netflix Original Series! "Wildly imaginative." —President Barack Obama on The Three-Body Problem trilogy This near-future trilogy is the first chance for English-speaking readers to experience this multiple-award-winning phenomenon from Cixin Liu, China's most beloved science fiction author. In The Dark Forest, Earth is reeling from the revelation of a coming alien invasion-in just four centuries' time. The aliens' human collaborators may have been defeated, but the presence of the sophons, the subatomic particles that allow Trisolaris instant access to all human information, means that Earth's defense plans are totally exposed to the enemy. Only the human mind remains a secret. This is the motivation for the Wallfacer Project, a daring plan that grants four men enormous resources to design secret strategies, hidden through deceit and misdirection from Earth and Trisolaris alike. Three of the Wallfacers are influential statesmen and scientists, but the fourth is a total unknown. Luo Ji, an unambitious Chinese astronomer and sociologist, is baffled by his new status. All he knows is that he's the one Wallfacer that Trisolaris wants dead. Beyond the Deepwoods

THE EIGHTH DI HELEN GRACE THRILLER BY BESTSELLING AUTHOR M. J. ARLIDGE There is a sickness in the forest. First, it was the wild horses. Now it's innocent men and women, hunted down and murdered by a faceless figure. Lost in the darkness, they try to flee, they try to hide. In desperation, they call out for help. But there is no-one to hear their cries here... DI Helen Grace must face down a new nightmare. The arrow-ridden victims hang from the New Forest's ancient oaks, like pieces of strange fruit. Why are helpless holidaymakers being targeted in peak camping season? And what do their murders signify? Is a psychopath stalking the forest? Is there an occult element to the killings? Could the murders even be an offering to the Forest itself? Helen must walk into the darkness to discover the truth behind her most challenging, most macabre case yet. *** PRAISE FOR M.J. ARLIDGE: 'Helen Grace is one of the greatest heroes to come along in years' JEFFERY DEAVER 'The new Jo Nesbo' JUDY FINNIGAN 'Fast paced and nailbitingly tense ... gripping' SUN 'DI Helen Grace is a genuinely fresh heroine ... The Dark Forest

An Invitation to Listen to Your Soul's Calling How do you define "growing up"? Does it mean you achieve certain cultural benchmarks—a steady income, paying taxes, marriage, and children? Or does it mean

leaving behind the expectations of others and growing into the person you were meant to be? If you find yourself in a career, place, relationship, or crisis you never foresaw or that seems at odds with your beliefs about who you are, it means your soul is calling on you to reexamine your path. With *Living an Examined Life*, James Hollis offers an essential guidebook for anyone at a crossroads in life. Here this acclaimed author guides you through 21 areas for self-inquiry and growth, challenging you to:

- Recover Personal Authority—how to stop living in response to the expectations placed on you
- Choose Meaning Over Happiness—why seeking truth instead of entertaining distractions ultimately leads to greater fulfillment
- Exorcise the Ghosts of the Past That Bind You—how the voices that haunt you can lead you to grow
- Bestow Love on the Unlovable Parts of You—recovering the guiding force concealed in your Shadow
- Construct a Mature Spirituality—the five essential elements of integrating meaning and mystery into your life
- Seize Permission to Be Who You Really Are—the challenge of fully showing up for your life

With his trademark eloquence and insight, Dr. Hollis offers *Living an Examined Life* to inspire you toward a life of personal authority, integrity, and fulfillment. "It is my hope that this book will be a tool to recover your respect for that which abides deeply within," writes Dr. Hollis. "You will not be spared disappointment or suffering. But you can know the depth and dignity of an authentic journey, of being a real player in your time on this turning planet, and your life will become more interesting, taking you deeper than ever before."

Down to the Woods

Darkness falls so quickly in Howland that the people there have no word for evening. But for thirteen-year-old Annie, the dark is almost soothing compared to the misery of her cruel aunt and uncle's house. When Annie finally escapes, she finds herself on a journey that will take her deep into the forest—where fearsome creatures lurk—and to the glittering halls of a palace. Hints of the Brothers Grimm add magic to this spellbinding and beautifully told story.
