The Lancet

In the mid-1850s, no scientist in the British Empire was more visible than Richard Owen. Mentioned in the same breath as Isaac Newton and championed as Britain's answer to France's Georges Cuvier and Germany's Alexander von Humboldt, Owen was, as the Times declared in 1856, the most "distinguished man of science in the country." But, a century and a half later, Owen remains largely obscured by the shadow of the most famous Victorian naturalist of all, Charles Darwin. Publicly marginalized by his contemporaries for his critique of natural selection, Owen suffered personal attacks that undermined his credibility long after his name faded from history. With this innovative biography, Nicolaas A. Rupke resuscitates Owen's reputation. Arguing that Owen should no longer be judged by the evolution dispute that figured in only a minor part of his work, Rupke stresses context, emphasizing the importance of places and practices in the production and reception of scientific knowledge. Dovetailing with the recent resurgence of interest in Owen's life and work, Rupke's book brings the forgotten naturalist back into the canon of the history of science and demonstrates how much biology existed with, and without, Darwin

Westminster and Foreign Quarterly Review

Harsh attempts to discover what they believed their responsibilities were and what they tried to accomplish; to evaluate the human and logistical resources at their disposal; and to determine what they knew and when they learned it."--BOOK JACKET.

Chronicle of the Horse

From automatons to zombies, many elements of fantasy and science fiction have been cross-pollinated with the Western movie genre. In its second edition, this encyclopedia of the Weird Western includes many new entries covering film, television, animation, novels, pulp fiction, short stories, comic books,

graphic novels and video and role-playing games. Categories include Weird, Weird Menace, Science Fiction, Space, Steampunk and Romance Westerns.

Examples & Explanations for Property

Anne DeWitt examines how Victorian novelists challenged the claims of men of science to align scientific practice with moral excellence.

"The" Athenaeum

The United Nations estimates that four billion people worldwide live outside the protection of the law. These people can be driven from their land, intimidated by violence, and excluded from society. This book is about community paralegals - sometimes called barefoot lawyers - who demystify law and empower people to advocate for themselves. These paralegals date back to 1950s South Africa and are active today in many countries, but their role has largely been ignored by researchers. Community Paralegals and the Pursuit of Justice is the first book on the subject. Focusing on paralegal movements in six countries, Vivek Maru, Varun Gauri, and their coauthors have collected rich, vivid stories of paralegals helping people to take on injustice, from domestic violence to unlawful mining to denial of wages. From these stories emerges evidence of what works and how. The insights in the book will be of immense value in the global fight for universal justice. This title is also available as Open Access.

Richard Owen

Buckle up and get ready to go on a memorable adventure with our best-ever Western classics. Contents: Man in the Saddle (Ernest Haycox) Canyon Passage (Ernest Haycox) Trail Smoke (Ernest Haycox) Winnetou (Karl May) The Bandit of Hell's Bend (Edgar Rice Burroughs) The Deputy Sheriff of Comanche County (Edgar Rice Burroughs) The War Chief (Edgar Rice Burroughs) Apache Devil (Edgar Rice Burroughs) Riders of the Purple Sage (Zane Grey) The Rainbow Trail (Zane Grey) The Spirit of the Border (Zane Grey) The Untamed (Max Brand) The Night Horseman (Max Brand) The Seventh Man (Max Brand) The Virginian: A Horseman of the Plains (Owen Wister) The Last of the Mohicans (James Fenimore Cooper) The Prairie (James Fenimore Cooper) Chip, of the Flying U (B. A. Henty)...

Taken at the Flood

John Owen was one of the most significant figures in Reformed Orthodox theology during the Seventeenth Century, exerting considerable religious and political influence in the context of the British Civil War and Interregnum. Using Owen's sermons from this period as a window into the mind of a self-proclaimed prophet, this book studies how his apocalyptic interpretation of contemporary events led to him making public calls for radical political and cultural change. Owen believed he was ministering at a unique moment in history, and so the historical context in which he writes must be equally considered alongside the theological lineage that he draws upon. Combining these elements, this book allows for a more nuanced interpretation of Owen's ministry that encompasses his lofty spiritual thought as well as his passionate concerns with more corporeal events. This book represents part of a new historical turn in Owen Studies and will be of significant interest to scholars of theological history as well as Early Modern historians.

Encyclopedia of Weird Westerns

Once childhood friends, Samantha and Landon are now separated by distance and secrets. Will Samantha's return to Nantucket bring her the peace she longs for? Samantha Owen's estranged stepfather has died, leaving her his cottage in Nantucket--a place she left years ago, never planning to return. As a single mom, Samantha can't afford to pass up on a financial windfall like ocean-front property. So she travels home to fix up the house and sell it . . . never suspecting that Landon Reed still lives two doors down. As their long-dormant romance begins to bud again, Samantha must face a past that separated her from the God of her childhood. And she must tell Landon why she fled the island in the first place--a secret that could tear them apart. Is Landon's love really as unconditional as he claims? And will Sam finally realize that the God she found all those years ago never abandoned her? A heart-tugging tale of shattered trust, growing faith, and love that endures . . . all in a romantic, seaside setting.

Moral Authority, Men of Science, and the Victorian Novel

Luke Irontree minds his business and leaves mortal humans alone. But if you're a vampire, he has a magic sword and a silver-inlaid stake for you. Every night, the immortal vampire slayer haunts the streets of Portland, hunting vamps and protecting innocent people from becoming vampire chow. Then, he goes home alone to his quiet house and his cat, Alfred. This is his life. But when he runs into a local werewolf pack, he has two choices – continue his lonely hunt or take a chance on making friends. Allies would make the job easier, especially with hordes of bloodthirsty vampires flooding the streets. However, trusting means opening himself to betrayal and loss. Luke might not have a choice though. With homeless people disappearing off the streets, 20-somethings being snatched from night clubs, and heavily armed vampires flooding the streets, he must risk everything if he wants to save Portland from becoming a vampire wasteland... This box set contains 3 full-length novels and an exclusive bonus novella and a novelette.

The North British Review

For the Second Edition of their widely-used study guide, The authors reflect changes in the law and incorporate user feedback to make *Property: Examples & Explanations* even more accessible. With straightforward introductory text and the proven-effective pedagogy that is the hallmark of the *Examples & Explanations* series, this comprehensive paperback gives first-year students the extra assistance they need to master the fundamentals of property. The text earns the approval of both students and instructors for its: eminently clear and readable text; examples and explanations that allow students to test and apply their understanding of laws and concepts; six-part topical organization that matches the coverage of Dukeminier and Krier's best-selling casebook; As well as most first-year property courses; citation of the same principal cases used in most leading casebooks; skilled authorship; both Burke and Snodgrass have written other successful student texts. The Second Edition introduces important changes: the first half of the book is reorganized to present the examples and explanations at the end of each chapter, making it consistent with the second half; new introductory text and examples on the Third Restatement of Servitudes; the takings chapter is updated with two recent U.S. Supreme Court decisions: *Palazzolo v. Rhode Island* and *Tahoe-Sierra Preservation Council, Inc. v. Tahoe Regional Planning Agency*. With its focused coverage, concise format, and problem-based pedagogy, *Property: Examples & Explanations, Second Edition*, rounds out any teaching package.

Community Paralegals and the Pursuit of Justice

From slave narratives to the Civil War, and from country music to Southern sport, this Companion is the definitive guide to the literature and culture of the American South. Includes discussion of the visual arts, music, society, history, and politics in the region. Combines treatment of major literary works and historical events with a survey of broader themes, movements and issues. Explores the work of Edgar Allan Poe, Mark Twain, William Faulkner, Zora Neale Hurston, Flannery O'Connor and Eudora Welty, as well as those - black and white, male and female - who are writing now. Co-edited by the esteemed scholar Richard Gray, author of the acclaimed volume, *A History of American Literature* (Blackwell, 2003).

50 WESTERNS (Vol. 1)

Mr. Thomas Bennet of Longbourn unexpectedly outlives his wife and must make a new life for himself in this conclusion to the Longbourn Unexpected trilogy. Will Thomas continue in his indolent ways, or will

he use the opportunity to become a better man? We will get to see all of the adult Bennet daughters, including Jane, Elizabeth, Mary, Kitty, and of course Lydia!

John Owen and the Civil War Apocalypse

Reprint of the original, first published in 1858. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

The New [afterw.] Owen's weekly chronicle; or Universal journal

J. R. and Philip Milton present the first critical edition of John Locke's Essay concerning Toleration and a number of other writings on law and politics composed between 1667 and 1683. Although Locke never published any of these works himself they are of very great interest for students of his intellectual development because they are markedly different from the early works he wrote while at Oxford and show him working out ideas that were to appear in his mature political writings, the Two Treatises of Government and the *Epistola de Tolerantia*. The Essay concerning Toleration was written in 1667, shortly after Locke had taken up residence in the household of his patron Lord Ashley, subsequently Earl of Shaftesbury. It has been in print since the nineteenth century, but this volume contains the first critical edition based on all the extant manuscripts; it also contains a detailed account of Locke's arguments and of the contemporary debates on comprehension and toleration. Also included are a number of shorter writings on church and state, including a short set of queries on Scottish church government (1668), Locke's notes on Samuel Parker (1669), and 'Excommunication' (1674). The other two main works contained in this volume are rather different in character. One is a short tract on jury selection which was written at the time of Shaftesbury's imprisonment in 1681. The other is 'A Letter from a Person of Quality', a political pamphlet written by or for Shaftesbury in 1675 as part of his campaign against the Earl of Danby. This was published anonymously and is of disputed authorship; it was first attributed to Locke in 1720 and since then has occupied an uncertain position in the Locke canon. This volume contains the first critical edition based on contemporary printed editions and manuscripts and it includes a detailed account of the Letter's composition, authorship, and subsequent history. This volume will be an invaluable resource for all historians of early modern philosophy, of legal, political, and religious thought, and of 17th century Britain.

Surrender Bay

The Lloyd's Register of Shipping records the details of merchant vessels over 100 gross tonnes, which are self-propelled and sea-going, regardless of classification. Before the time, only those vessels classed by Lloyd's Register were listed. Vessels are listed alphabetically by their current name.

The Monthly Army List

Part of an integrated online collection of primary documents, secondary reference sources, and journal articles covering all areas of U.S. history from pre-colonial times to the present day. The DAB records the lives of prominent Americans who died by Dec. 31, 1980.

Luke Irontree & The Last Vampire War (Books 1-3)

Official records produced by the armies of the United States and the Confederacy, and the executive branches of their respective governments, concerning the military operations of the Civil War, and prisoners of war or prisoners of state. Also annual reports of military departments, calls for troops, correspondence between national and state governments, correspondence between Union and Confederate officials. The final volume includes a synopsis, general index, special index for various military divisions, and background information on how these documents were collected and published. Accompanied by an atlas.

Property

Focusing on twenty-first century Western films, including all major releases since the turn of the century, the essays in this volume cover a broad range of aesthetic and thematic aspects explored in these films, including gender and race. As diverse contributors focus on the individual subgenres of the traditional Western (the gunfighter, the Cavalry vs. Native American conflict, the role of women in Westerns, etc.), they share an understanding of the twenty-first century Western may be understood as a genre in itself.

They argue that the films discussed here reimagine certain aspects of the more conventional Western and often reverse the ideology contained within them while employing certain forms and clichés that have become synonymous internationally with Westerns. The result is a contemporary sensibility that might be referred to as the postmodern Western.
