Meet Curtis Stone

What do you think about the rise in popularity of small scale farming?

It's all about self determination

Farming as a means to resist the system

Don't try to save the world

What do you see as the future of agriculture?

One of the greatest things about social media

Hope to influence others to change

Many people are sheep

Prepping for the future and smart phones

People addicted to smart phones affect on society

Use social media as a tool

Tools that changed the game for small farming

Should I DIY my farm or get the best tools from the beginning?

Using Youtube to help people

Big government is monoculture

Nature's Always Right and Natural Law

Is diversity always a good thing?

A philosophical analogy of natural farming and politics

Communism ALWAYS fails

How did you choose your paths in life?

Talking about building capital

Human selfishness to benefit others?

Crony capitalism

Where humanity goes wrong: FORCE

Where to find out more about Curtis
