Weird Woods

Woods play an important and recurring role in horror, fantasy, the gothic, and the weird. They are places in which strange things happen, where you often can't see where you are or what is around you. Supernatural creatures thrive in the thickets. Trees reach into underworlds of earth, myth, and magic. Forests are full of ghosts. In this new collection, immerse yourself in the whispering voices between the branches in Wistman's Wood on Dartmoor, witness an inexplicable death in Yorkshire's Strid Wood and prepare yourself for an encounter with malignant pagan powers in the dark of the New Forest. This edition also includes notes on the real locations and folklore which inspired these deliciously sinister stories.

The Publishers Weekly

In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichore and learn that the goddess Artemis has been kidnapped.

The Illustrated London News

Life was a bed of roses for Patrick Aldermann when Great Aunt Florence collapsed and he inherited Rosemont House. But when Peter Pascoe's boss suggested to him that Aldermann was a murderer, the inspector was left with a thorny problem.

Cassell's Illustrated Family Paper

'A mystery, a love story and a fascinating encounter with a different culture, Yuki Means Happiness is an outstanding novel' John Boyne Diana is young and uneasy in a new relationship when she leaves America and moves halfway around the world to Tokyo seeking adventure. In Japan she takes a job as a nanny to two-year-old Yuki Yoshimura and sets about adapting to a routine of English practice, ballet and swimming lessons, and Japanese cooking. But as Diana becomes increasingly attached to Yuki she also becomes aware that everything in the Yoshimura household isn't as it first seemed.

Before long, she must ask herself if she is brave enough to put everything on the line for the child under her care, confronting her own demons at every step of the way. *Yuki Means Happiness* is a rich and powerfully illuminating portrait of the intense relationship between a young woman and her small charge, as well as one woman's journey to discover her true self.

Publishers' Weekly

The blogger behind *Confessions of a Funeral Director*—what *Time* magazine called a "must read"—reflects on mortality and the powerful lessons death holds for every one of us in this compassionate and thoughtful spiritual memoir that combines the humor and insight of *Smoke Gets in Your Eyes* with the poignancy and brevity of *When Breath Becomes Air*. We are a people who deeply fear death. While humans are biologically wired to evade death for as long as possible, we have become too adept at hiding from it, vilifying it, and—when it can be avoided no longer—letting the professionals take over. Sixth-generation funeral director Caleb Wilde understands this reticence and fear. He had planned to get as far away from the family business as possible. He wanted to make a difference in the world, and how could he do that if all the people he worked with were . . . dead? Slowly, he discovered that caring for the deceased and their loved ones was making a difference—in other people's lives to be sure, but it also seemed to be saving his own. A spirituality of death began to emerge as he observed: The family who lovingly dressed their deceased father for his burial The act of embalming a little girl that offered a gift back to her grieving family The nursing home that honored a woman's life by standing in procession as her body was taken away The funeral that united a conflicted community Through stories like these, told with equal parts humor and poignancy, Wilde offers an intimate look into the business and a new perspective on living and dying

Illustrated London News

When the mysterious Nowhere Emporium arrives in Glasgow, orphan Daniel Holmes stumbles upon it quite by accident. Before long, the 'shop from nowhere' -- and its owner, Mr Silver -- draw Daniel into a breathtaking world of magic and enchantment. Recruited as Mr Silver's apprentice, Daniel learns the secrets of the Emporium's vast labyrinth of passageways and rooms -- rooms that contain wonders beyond anything Daniel has ever imagined. But when Mr Silver disappears, and a shadow from the past threatens everything, the Emporium and all its wonders begin to crumble. Can Daniel save his home, and his new friends, before the Nowhere Emporium is destroyed forever? Scottish Children's Book Award winner Ross MacKenzie unleashes a riot of imagination, colour and fantasy in this astonishing adventure, perfect for fans of Philip Pullman, Corneila Funke and Neil Gaiman.

The Illustrated London News

Do unto others as you would others should do to you. You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be im polite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us ;a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; the.re can be no true, politeness without kindness, purity, singleness of heart, and sensibility. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus, that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much.

The Illustrated sporting & dramatic news

A work devoted to the study and characteristics of crowds. An endeavor to examine the difficult problem presented by crowds in a purely scientific matter, proceeding with method, without being influenced by opinions, theories and doctrines. With sections devoted to the mind of crowds, opinions and beliefs of crowds and the classification and description of the different kinds of crowds.

Frank Leslie's Illustrated Newspaper

A delightful, diverse selection of fairy tales from around the world by one of our most beloved children's writers International bestselling children's author Cornelia Funke has always been fascinated by fairy tales; they have often crept into her own storytelling. In this enchanting anthology, Funke presents lesser-known stories that challenge the traditional 'happily-ever-after' alongside more familiar tales. From her native Germany, to snowy Siberia, from Japan to Vietnam, this collection includes wondrous tales from around the world, 'The Girl Who Gave a Knight a Kiss out of Necessity', 'The Frog Princess' 'The Boy Who Drew Cats' and many more besides to delight readers of all ages. Cornelia Funke (editor) is one of the bestselling children's writers in the world. Her books have sold tens of millions of copies, and they include the Inkheart trilogy, Dragon Rider, The Thief Lord and the Reckless series, which is published by Pushkin. Cornelia has long been inspired by fairy tales from around the world.

The Percy Jackson and the Olympians, Book Three: Titan's Curse

Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Deadheads

A best-selling account describes the intelligence operations of allied forces during World War II as experienced by wounded RAF pilot Roald Dahl, a patriot who infiltrated the upper reaches of Georgetown society and worked with such figures as Churchill, Roosevelt, and spy chief William Stephenson to influence U.S. policy in favor of England. Reprint.

Hard Times

Composed of more than 600 objects dating from 1740 to 1945.

Confessions of a Funeral Director

Reproduction of the original: Flemington by Violet Jacob

The Nowhere Emporium

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

Ladies' Book of Etiquette, and Manual of Politéness

In *The Case-Book of Sherlock Holmes* we read the last twelve stories Conan Doyle was to write about Holmes and Watson. They reflect the disillusioned world of the 1920s in which they were written, and he can be seen to take advantage of new, more open conventions in fiction. Suicide as a murder weapon and homosexual incest are some of the psychological tragedies whose consequences are unravelled by the mind of Holmes before the eyes of Watson. That said, the collection also includes some of the best turns of wit in the series, and indeed in the whole of English literature. The editor of this volume, W.W. Robson, is Emeritus David Masson, Professor of English Literature at the University of Edinburgh and the author of *Modern English Literature*. The general editor of the *Oxford Sherlock Holmes*, Owen Dudley Edwards, is Reader in History at the University of Edinburgh and author of *The Quest for Sherlock Holmes. A Biographical Study of Sir Arthur Conan Doyle*. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The New Cambridge Bibliography of English Literature: 1900-1950

"Reading a perfectly plotted Agatha Christie is like crunching into a perfect apple: that pure, crisp, absolute satisfaction."—Tana French, New York Times Bestselling Author From the Queen of Suspense, an all-new collection of her spookiest and most sinister stories, including an Agatha Christie story never before published in the USA, *The Wife of Kenite!* For lovers of the supernatural and the macabre comes this collection of ghostly and chilling stories from legendary mystery writer Agatha Christie. Fantastic psychic visions, specters looming in the shadows, encounters with deities, a man who switches bodies with a cat—be sure to keep the light on whilst reading these tales. *The Last Séance* gathers twenty stories, some featuring Christie's beloved detectives Hercule Poirot and Miss Marple, in one haunting compendium that explores all things occult and paranormal, and is an essential omnibus for Christie fans.

The Crowd

Today we associate the Renaissance with painting, sculpture, and architecture—the “major” arts. Yet contemporaries often held the “minor” arts—gem-studded goldwork, richly embellished armor, splendid tapestries and embroideries, music, and ephemeral multi-media spectacles—in much higher esteem. Isabella d’Este, Marchesa of Mantua, was typical of the Italian nobility: she bequeathed to her children precious stone vases mounted in gold, engraved gems, ivories, and antique bronzes and marbles; her favorite ladies-in-waiting, by contrast, received mere paintings. Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their components; paintings and sculptures in modest materials, although discussed by some literati, were of lesser consequence. This book endeavors to return to the mainstream material long marginalized as a result of historical and ideological biases of the intervening centuries. The author analyzes how luxury arts went from being lofty markers of ascendancy and discernment in the Renaissance to being dismissed as “decorative” or “minor” arts—extravagant trinkets of the rich unworthy of the status of Art. Then, by re-examining the objects themselves and their uses in their day, she shows how sumptuous creations constructed the world and taste of Renaissance women and men.

The Athenaeum

Twenty-nine tales from the folklore of Turkey, India, Denmark, Armenia, and the Sudan.
