How to Become an Alpha Male

Dubbed "The lazy man's way to easy sex and romance with 20 or more women a month," How to Become an Alpha Male is the no-risk, never-fail blueprint on how to 'magnetically' attract an endless flow of horny, ready-for-sex women to you... without ever having to play their games or deal with rejection. Sold as an ebook at AlphaMaleMethod.com, John Alexander's guide is now available, for the first time ever, as a hardcopy book. You see, once you have these secrets all the 'work' of meeting women will be done for you... automatically! You can just 'flip on' your magnetic powers of attraction... so to speak... and instantly bring sex, romance and more roaring into your life! Why does the Alpha Male Method work so well? Because it's based on the same hush-hush psychological tactics advertisers have used for centuries to get filthy rich. They work for anyone, anywhere and at any time (no matter how desperate your situation is right now).

Alpha Male Challenge

Men are losing their masculinity. Guys are urged to get in touch with their "feminine" side at the expense of the traditional attributes that make men "male." Not only has "manliness" become a dirty word in a society of beta males and couch potatoes, but there's actually less and less of it in the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. Today's men need a major adjustment of alpha attitude, and "Alpha Male Challenge" is the 10-week plan for reclaiming the masculine, competitive edge guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the "true" Alpha Male--the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment, confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/ Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.

Becoming the Alpha

Have you ever wondered why some people seem to have the ability to have whatever they want, whenever they want; the ability to do the things they wish, whenever they wish? Did you ever think to yourself that if someone else could have the unimaginable success and freedom for themselves, then why couldn't you have it for yourself? The good news is, you can have everything you've dreamed of having; you can do everything you've dreamed of doing; you can be everything you've dreamed of

becoming. The bad news, not everyone believes this, let alone believes in themselves. This practical and action-oriented experience by Nicholas Dodge is going to take you on a journey through personal development. In Nicholas' groundbreaking book "Becoming The Alpha," he will help you distinctly: Discover the five main characteristics of all wildly successful individuals Overcome any conscious or subconscious energies keeping you from being free Open your mind to the endless opportunity that undoubtedly sits in front of you Control internal energy by establishing a mindset of abundance and positivity Master external game from how successful individuals walk to how they perform Live a triumphant life filled with dominance, fruitfulness and everlasting honor Because, you see, most people that find themselves... Battling with self-confidence Forming negative habits Lacking determination Failing in various areas of life ...often tend to remain that way, unless they take the necessary action they've been reluctant to take. From the author of a best-selling self-help book "Mindset Mastery," Nicholas has asserted himself as a beginner, yet top influencer in his field by busting myths that people have to settle for a life less than that of their desires. Follow the advice presented in this book and you too can experience a triumphant life of dominance and fruitfulness - a life you previously envied and coveted. What's stopping you from making the most out of the time you have; from being everything you've dreamed of becoming? What's stopping you from becoming the alpha?"

The True Source of Healing

The Inner Game of Stress

A unique and empowering resource to overcoming stress and stabilizing your mental health in today's volatile world—part of the bestselling Inner Game series, with more than one million copies sold! "Tim Gallwey is one of the great teachers of our time. In this day, when many talk of accelerating learning in organizations but few have actually done it, the words of a master are timely indeed."—Peter M. Senge, author of The Fifth Discipline: The Art and Practice of the Learning Organization Renowned sports psychology expert W. Timothy Gallwey teams up with two esteemed physicians to present an invaluable guide for managing everyday stress. Gallwey explains how negative self-talk undermines us and leaves us feeling helpless and unhappy—and he shows that we have the means to build a shield against stress using our abilities to take childlike pleasure in learning new skills, which can help us rest, relax, and trust our own judgement. With his trademark mix of case histories and interactive worksheets, Gallwey helps us tap into our inner strengths with these practical tools: • the STOP technique: Learn how to Step back, Think, Organize, and Proceed with a more conscious choice process, even in the most chaotic circumstances. • the Attitude tool: If you're feeling resentment, try gratitude. • the Magic Pen: Develop the ability to open up your intuition and wisdom. • the Transpose exercise: Imagine what the other person thinks, feels, wants—and develop empathy, kindness, and better relationship skills. • the PLE triangle: Use your goals for Performance, Learning, and Experience to redefine success and enhance enjoyment. You don't have to be an athlete to keep your life in perspective and your performance at its peak. A one-of-a kind guide, The Inner Game of Stress allows anyone to get in the game and win.

Masculinity Is Our Future

Masculinity has been invalidated and even seen as toxic for over four decades. However, a game-changing revolution is now underway. Inside this book is a ground-breaking, and all-inclusive understanding of what being masculine means. It destroys antiquated feminist stereotypes and demonstrates how manly traits are the world's gold standard. Based on years of study, hard data and cut-

ting-edge research, these chapters offer uplifting insights about masculine definitions, understanding women, domestic violence, suicide, and rape. These essays shine a light on the masculine virtues that liberate and protect our civilizations and they must be lionized, celebrated and valued. Human survival is at their mercy. It's time that everyone witnesses the breathtaking future of these astounding qualities. Millions of rebels, armchair enthusiast's, and the general public have already risen in a counterculture movement. Are you ready to join the conversation?

Domination Basics

This book shows a blatant disregard for social acceptability as it instructs readers toward one simple goal: total domination. It's egotistical, sexist, narcissistic, and completely practical. These are the secrets of the alpha male, and throughout the centuries, they have been the only real path to money, women, and power. If you've tried everything else, it may be time to use what actually works. Introduction In every generation there are two groups. There are the masses. For them, the world is chaotic and painful. They live most of their lives knowing something is wrong but not knowing how to fix it. Their battle cry is one of weak mediocrity. They are neither satisfied nor rested. Their biggest fear is that they will die nothing more than the sum of their failures and frustrations. There is another group. They are the elite, the Alphas. They understand the universe as an equation. They get it. They are free in all the ways that others are not because they are free of fear. Everything is in abundance for them. They have the friends you want. They have the jobs you want. They have the cars you want parked in front of the houses you wish you owned. They experience the life you want while surrounded by the women you want. All the things you dream about, they know how to get - easier, faster, and smarter than you can. At the end of every day, they sleep with ease, looking forward to the next day's adventures. Which group are you a member of? What if you had a choice? This book will give you that choice. Inside You Will Discover... Part 1: Social Basics Being the envy of those around you How you choose to see yourself and those around you dictates how you assign value. We are going to stack the deck in your favor by preventing you from sabotaging your own value and stopping you from over-inflating the value of those around you. With these skills, you can thrive in any social environment. Part 2: Business Basics Failure and other necessary ingredients for success This is your guide for maneuvering when things periodically and inevitably go wrong in the business world. Where most men become paralyzed, you will become stronger. This is the art of building today's success out of yesterday's failures. Part 3: Power Basics Understanding the source and nature of your power The source and nature of your power is no great secret, yet most men will never understand these concepts because they expect complex answers. By accepting the truths you didn't expect, and taking action on a plan that is deceptively simple, you will gain power far beyond what you thought possible.

Grow a Pair

The straight-talking, New York Times bestselling author and Pitbull of Personal Development® is back with a pithy and prescriptive guide to success. A five-time bestselling author and one of the country's leading business speakers, Larry has made a reputation for being the first to challenge the positive-attraction gurus and the law-of-attraction bozos with his commonsense approach to success. Larry doesn't sugar-coat, and he isn't afraid to make people uncomfortable, because he wants us to stop making excuses, and start getting results. In the New York Times and Wall Street Journal bestseller Grow a Pair, Larry takes on entitlement culture, the self-help movement, political correctness, and more. We've all heard the phrase "grow a pair," but Larry's advice isn't about anatomy—it's about attitude. To get the success we want, we need to reject victimhood in favor of being assertive and finally taking some responsibility. With prescriptive advice on goal achieving, career, personal finance, and more, Grow a Pair will give the readers the kick in the pants they need.

The Beta Male Revolution

"The Beta Male Revolution is for men in the 21st Century what Feminism was for women in the 1960s and 1970s" says Author and Professional Dating Coach Alan Roger Currie in his latest book. Most men don't want to remain 'just friends' with women. Men want either sex only from women, or a combination of sexual companionship and non-sexual companionship. Unlike men, women have as many as FOUR types of men they want to spend time with: - Men who women only want to spend time with for sexual enjoyment and satisfaction: These are 'Total Alpha males' - Men who women only want to spend time with for a combination of sexual companionship and non-sexual companionship. These are 'Alpha males with a few Beta traits and tendencies' - Men who women want to spend time with primarily

for the benefit of entertaining conversation, enjoyable social companionship, and financial assistance and support. These are 'Beta males with a few Alpha traits and tendencies' - Men who women only want to spend time with for strictly platonic friendship, flattery, and to have men provide them with an 'empathetic listening ear' when they are feeling bored, frustrated, or depressed. These are 'Total Beta males' Many women socially interact exclusively with Alpha male types between the ages of 18 and 29, and then begin looking for a nice, sweet, polite, monogamy-oriented Beta male type for marriage once they reach the age of 30. Well, the Beta male types are tired of this routine, and they are now avoiding proposing to marriage to women who they perceive as "Alpha male leftovers." Beta males are now well aware that the vast majority of women want to spend time with Alpha males for sexual enjoyment and satisfaction. They are also well aware that most women want to spend time with Beta males for platonic friendship, financial favors, and entertaining conversation. The Beta Male Revolution is a brutally honest assessment of where we as a society have been, where we are now, and where we are headed regarding the state of dating, long-term romantic relationships, marriage, and monogamy vs. promiscuity vs. polyamory. Women can also learn from this book because Currie explains just why men pursue some women for short-term non-monogamous 'casual' sex only, while they pursue other totally different women for long-term romantic relationships and marriage. Purchase this book right now and be educated and enlightened. You are guaranteed to have a better understanding of the manner in which the mind of the opposite sex works, and why men and women gravitate toward the type of romantic companions and sexual companions that they do after reading this book. This book will be talked about for years to come.

Fanny

A “rollicking and bawdy” tale of eighteenth-century England, inspired by Fanny Hill, from the New York Times–bestselling author of *Fear of Flying* (The Plain Dealer). Galloping from England to Africa to the high seas of the Caribbean, bestselling author Erica Jong’s “perverse epic” follows the amorous adventures of a woman of pleasure and pluck (The New York Times). Falling in with randy highwaymen, witches, kidnappers, pirate queens, prostitutes, and such luminaries as Jonathan Swift, William Hogarth, and Alexander Pope, Fanny is seeking much more than fortune. In this unexpurgated “memoir” by the girl made famous in John Cleland’s notorious *Fanny Hill*, our dauntless heroine finally reveals what really made her. Life begins somewhat ignobly for Fanny Hackabout-Jones. Abandoned as an infant on the doorstep of Lord and Lady Bellars’s grand Wiltshire manor, she contemplates the literary life as she grows to ripe young womanhood. Fanny chooses, however, to pursue a very different future when she flees to London to escape the mortifying advances of her adoptive father. There, on the road, her life truly begins. Cast by pernicious Fate—and her own audacious will—into a series of astonishing escapades, Fanny learns that a woman’s lot is not an easy one in these oppressive times. But she will not be discouraged, nor will she falter, on the uneven path toward notoriety, self-discovery, motherhood, and love. This is a delightful twist on classic literature—and “Erica Jong was the right person to write it” (Anthony Burgess, *Saturday Review*). This ebook features an illustrated biography of Erica Jong including rare photos and never-before-seen documents from the author’s personal collection.

Color Your Style

Move over *Color Me Beautiful*, an Emmy Award-winning costume designer shows women how to find their authentic style archetype. David Zyla has made women look sensational on the runway, television, and Broadway for twenty years. In *Color Your Style*, David shows how every woman can unlock her authentic style based on a combination of her personality, her eight true colors, and one of twenty-four color-palette archetypes—from the Wholesome Flirt to the Romantic Poetess to The Maverick. Through quizzes, charts, and stories, women can discover the colors, clothes, and accessories that will attract love, power, energy, and attention. *Color Your Style* is like getting an astrological reading—only color-inspired—allowing you to learn more about yourself while you make over your wardrobe. We are at our best when we feel comfortable, confident, and know we look fantastic. Zyla and *Color Your Style* shows women how to be their best—without being slaves to designer labels or the latest trends.

Line Let Loose

As forms of drawing go, scribbling is the most basic: it is seen as playing a formative role in the drawings of both children and primates. Doodling, while still being a widespread phenomenon, is largely an adult preoccupation—a nomadic form of drawing typically produced during meetings and phone calls. But

even though those who engage in it are not necessarily trained artists, automatic drawing is a more dramatic event, and the results of an absentminded or trancelike state are sometimes astonishing. Because of their amateur and spontaneous character, all three forms of drawing have been adopted by modern artists seeking to escape from the constraints of their professional skills. In *Line Let Loose*, David Maclagan shows that each of these marginal forms of drawing has its own history in spiritualism, surrealism, abstract expressionism, and psychedelic art. Referring to Klee, Pollock, Miro, Twombly, and LeWitt, as well as many lesser-known or anonymous artists, he traces the links between them and a pervasive notion of the spontaneous and 'unconscious' creation of forms in art. He suggests that the original novelty of these unconventional drawing processes has begun to wear off, and he explores their new situation in our modern digital culture.

Leadership is Male

From the Foreword by Elisabeth Elliott: "A simple, sane, serious treatment of the subject by a man who loves God, respects women, and takes the inspiration of Scripture and the integrity of the apostles for granted."

Swoon: Great Seducers and Why Women Love Them

"Lose yourself: Swoon has wicked fun answering that age-old query: What do women want?"—Chicago Tribune Contrary to popular myth and dogma, the men who consistently beguile women belie the familiar stereotypes: satanic rake, alpha stud, slick player, Mr. Nice, or big-money mogul. As Betsy Prioleau, author of *Seductress*, points out in this surprising, insightful study, legendary ladies' men are a different, complex species altogether, often without looks or money. They fit no known template and possess a cache of powerful erotic secrets. With wit and erudition, Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women. What she discovers is revolutionary. Using evidence from science, popular culture, fiction, anthropology, and history, and from interviews with colorful real-world ladykillers, Prioleau finds that great seducers share a constellation of unusual traits. While these men run the gamut, they radiate *joie de vivre*, intensity, and sex appeal; above all, they adore women. They listen, praise, amuse, and delight, and they know their way around the bedroom. And they've finessed the hardest part: locking in and revving desire. Women never tire of these fascinators and often, like Casanova's conquests, remain besotted for life. Finally, Prioleau takes stock of the contemporary culture and asks: where are the Casanovas of today? After a critique of the twenty-first-century sexual malaise—the gulf between the sexes and women's record discontent—she compellingly argues that society needs ladies' men more than ever. Groundbreaking and provocative, *Swoon* is underpinned with sharp analysis, brilliant research, and served up with seductive verve.

How to Become the Man That Women Want to Love and Obey...in Every Way In order to attract and more importantly, KEEP a good woman in your life, you must become the kind of man that she simply can't live without. This is your only job as a man when it comes to dating and relating with women. You don't need a bunch of seduction techniques, mind games, or pick-up tactics to make a woman want you. Because quite frankly, no seduction technique in the world will turn a woman on and make her want you if she does not RESPECT you as a man. If a woman cannot respect you as a man, she won't be able to trust you. If she isn't able to place her trust in you, she simply cannot fall in love or STAY in love with you. Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security. How to Get the Respect, Desire, and Unwavering Loyalty of a Woman If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more. And get this, you don't need to be ridiculously good-looking or have a big bank account to make a woman feel secure with you. There's a much better (and easier) way, and that's what you'll discover inside *What Women Want In A Man*. In *What Women Want In A Man* you're going to learn: How to understand women and the one thing that you can improve about yourself to make a woman want you more. The reason why a really great woman is HARD-WIRED by NATURE to CHASE the kind of man that possesses several qualities that are rare in most men. (Hint: This is the key to understanding how women think) Ten ways

in which you can IMMEDIATELY begin working on yourself to become an overpowering magnet for the woman of your dreams. How to be decisive and become a master at dealing with conflict while staying perfectly calm and poised. The unforgivable sin that can ruin your chances of getting (and keeping) a girlfriend. This is the thing that FORCES her to either want to DUMP YOU or CHEAT ON YOU without her understanding why. How to take control of your emotions in any situation and be the rock that she needs you to be. How to make a woman happy by being THE MAN in your relationship; you know – the one that “wears the pants.” The reasons why the woman you want may put you in the friend zone, and how to avoid falling into this horrifying category. Why men who suffer from the nice guy syndrome have the most difficulties attracting and keeping a phenomenal woman to build an amazing relationship with. How to become an alpha male and become more assertive with women. This is the key to transforming yourself into the kind of man that she can confidently rely on and most importantly, RESPECT. How to silence your “inner weakling” and become so secure with yourself as a man that she won’t be able to entertain the thought of being with some other guy. And much, much more... NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn’t hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn’t happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames’s boss and lover, Katrina, reveals that she’s pregnant with his baby—and that she’s not sure whether she wants to keep it—Ames wonders if this is the chance he’s been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can’t reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex, and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

The Alpha Man

A fully revised and updated edition to a classic bestseller, *The Macho Paradox* is the first book to show how violence against women is a men’s issue—and how all genders can come together to stop it. From the #MeToo movement to current discussions about gender norms in schools, sports, politics, and media culture, *The Macho Paradox* incorporates the voices and experiences of the women, men, and others who have confronted the problem of gender violence from all angles. Bestselling author Jackson Katz is a pioneering educator and activist on the topic of men’s violence against women. In this revised edition of his heralded book, Katz outlines the ways in which cultural ideas about “manhood” contribute to men’s sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too often lead to gender violence. This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to domestic violence and is a vital read for women with controlling partners or as a self-help book for men. Praise for *The Macho Paradox*: “A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women.”—Booklist “If only men would read Katz’s book, it could serve as a potent form of male consciousness-raising.”—Publishers Weekly “These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be

every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

The Macho Paradox

_____ 'Scintillating, provocative... An elegant synthesis of royal biography and political thriller.' Daily Telegraph A Times History Book of the Year: a story which inspired the Hollywood film MARY QUEEN OF SCOTS Mary, Queen of Scots & Elizabeth I of England. Two powerful monarchs on a single island. Threatened by voices who believed no woman could govern. Surrounded by sycophants, spies and detractors. Accosted for their dominion, their favour and their bodies. Besieged by secret plots, devastating betrayals and a terrible final act. Only one queen could survive to rule all. _____ 'Brings us a fresh Mary, set in a gloriously rich context, a tragic heroine - irresistibly real and relevant... There isn't a line wasted in this taut, dramatic and utterly beguiling biography.' Charles Spencer author of Killers of the King: The Men Who Dared to Execute Charles I 'The perfect combination of scholarship and storytelling, meticulous research and emotional insight, Kate Williams brings Mary vividly to life in all her complexities and contradictions.' Kate Mosse, author of The Burning Chambers 'It takes a special kind of historian to turn an old story on its head. Eye-opening, provocative, this is the great rivalry re-imagined for the #MeToo generation.' Lucy Worsley

Two novels in one large volume, both set in the same universe as *The Ship Who Sang*: *The City Who Fought*: Simeon was bored with running the mining and processing station that made up his "body." If anyone was to survive, somehow he must transform his wargaming hobby into the real thing and become *The City Who Fought*. *The Ship Avenged*: Ten years later, Joat, the eleven year old techno-demon heroine of the first novel is now an adult herself. She and her ship are on the trail of the Kolnari space raiders, trying to stop them before they can spread an infectious, mind-destroying disease among the inhabited stars and destroy civilization throughout the galaxy. At the publisher's request, this title is sold without DRM (Digital Rights Management). "Anne McCaffrey and S.M. Stirling have, in *The City Who Fought*, combined her brain-ships and his military expertise to produce a superior book." *Chicago Sun-Times* "McCaffrey and Stirling create vivid heroes and villains in a complex and deadly game." *Publishers Weekly* "Intriguing . . . McCaffrey and Stirling have produced a book that expands the boundaries of the series to which it belongs, yet remains consistent with the cycle's overall design. Fans of both writers should be more than pleased." *Dragon* "[*The Ship Avenged* is a] compelling story of resourcefulness and politics in space." *Midwest Book Review*

The City and the Ship

We'd all like to get things done and become more productive. But what often happens is we put off important tasks and let them slip through the cracks. The end result? We get overwhelmed by the amount of things to do. In other words, "procrastination" causes you to feel stressed when you're not completing tasks in a systematic manner. The solution is simple: develop an "anti-procrastination mindset" where you take action on a daily basis and NEVER get overwhelmed by your to-do list. --

Praise for Finding Alpha "Eric Falkenstein is more than one of the smartest and funniest people in finance. He's been a banker, a key model builder at a major rating agency, and a hedge fund trader. In this tour de force, he outlines the successes and failures of financial theory applications in the real world from the perspective of an aggressive early adopter of the best ideas in finance. To this day, I think Eric's private firm default model is one of the best papers ever published in applied finance, and this wonderful book falls into the same category." —Donald R. van Deventer, PhD, founder and Chief Executive Officer, Kamakura Corporation "People dismissed Columbus when he said the world was round. Thank goodness he persisted. Like Columbus, Falkenstein challenges standard thinking, only this time about risk and reward. As the meltdown of the capital markets has shown, the financial industry clearly missed something with regard to risk management. As an industry, we need to consider alternative theories on risk, and clearly Falkenstein is on to something here. Agree with him or not, Finding Alpha is worth a read." —Kevin M. Blakely, President and CEO, The Risk Management Association "Writing through the lens of an experienced practitioner, Falkenstein digests decades of research in capital markets, financial economics, and investment psychology that have shaped modern investment theory. This text is an excellent companion for portfolio managers, investment students, or anyone seeking to better understand the relationship between risk, returns, and financial reward." —Todd Houge, PhD, CFA, The University of Iowa How do we find alpha when risk does not correlate with return? Finding Alpha is a practical guide to achieving alpha when conventional measures of risk rarely correlate with higher returns. Author Eric Falkenstein—a PhD who has also been a risk manager and portfolio manager—tells the story of alpha from its beginnings to its current reversal, where risk is now evidenced by return as opposed to vice versa. Falkenstein begins by walking readers through the Capital Asset Pricing Model (CAPM), as well as other well-documented theories about risk and return, and explores how these theories measure up to current empirical evidence being documented by researchers and academics. He also outlines a novel approach to the issues of how benchmark risk and investor overconfidence affects expected asset returns, how to understand the nature of alpha and risk, and how to use practical applications of alpha-seeking strategies that he developed as a successful hedge fund manager. Finding Alpha concludes by outlining some real-life applications of alpha in finance and explains how the search for alpha affects the day-to-day life of all financial professionals.

The Charismatic Ministry

It provides comprehensive coverage of developments in formal and informal education in Hong Kong from the end of 1941 to the beginning of the new millennium. As was true of its predecessor, each Part of this book is subdivided into three sections: Commentary, Chronicle, and Evidence. Such an organization facilitates flexible reading. Readers primarily interested in analysis, interpretation, and the identification of themes are likely to focus initially on the Commentary sections and to move, as they feel stimulated, to the relevant entries in the Chronicle and/or items of Evidence. Readers who seek either more encyclopedic understanding or detailed answers to specific questions may well wish to focus primarily or at least initially on the Chronicle sections, and then to search for substantiation in the Evidence section or for amplification in the author's Commentary. At times, some readers may wish to browse through the Evidence sections, reaching possibly serendipitous discoveries. Academic and general readers are likely to be particularly interested in Part I of the book, which deals with education in Hong Kong during the Japanese occupation, a topic that has received only very rare and generalization-bound treatment in other publications. The author offers insights into all levels of education. His conceptual scope incorporates many types of education - including the mainstream academic education, technical education, teacher education, special education, physical education, civic education, education that focuses on morals, that which focuses on culture, and the various sorts of non-formal and informal education.
