"Fascinating ... one of the brainiest and most interesting comics of the year."-WIRED Tom Taylor's life was screwed from the get go. His father created the Tommy Taylor fantasy series, boy-wizard novels with popularity on par with Harry Potter. The problem is Dad modeled the fictional epic so closely on Tom's real life that fans are constantly comparing him to his fictional counterpart, turning him into the lamest variety of Z-level celebrity. In the final novel, it's even implied that the fictional Tommy will cross over into the real world, giving delusional fans more excuses to harass Tom. When an enormous scandal reveals that Tom might really be a boy-wizard made flesh, Tom comes into contact with a very mysterious, very deadly group that's secretly kept tabs on him all his life. Now, to protect his own life and discover the truth behind his origins, Tom will travel the world, eventually finding himself at locations all featured on a very special map-one kept by the deadly group that charts places throughout world history where fictions have impacted and tangibly shaped reality, those stories ranging from famous literary works to folktales to pop culture. And in the process of figuring out what it all means, Tom will find himself having to figure out a huge conspiracy mystery that spans the entirety of the history of fiction. Collects issues #1-5 in this NEW YORK TIMES bestselling Vertigo series by Mike Carey (LUCIFER, X-MEN LEGACY and ULTIMATE FANTASTIC FOUR) and Peter Gross (LUCIFER).

### The Way I Used to Be

Stanley Yelnat's family has a history of bad luck going back generations, so he is not too surprised when a miscarriage of justice sends him to Camp Green Lake Juvenile Detention Centre. Nor is he very surprised when he is told that his daily labour at the camp is to dig a hole, five foot wide by five foot deep, and report anything that he finds in that hole. The warden claims that it is character building, but this is a lie and Stanley must dig up the truth. In this wonderfully inventive, compelling novel that is both serious and funny, Louis Sachar has created a masterpiece that will leave all readers amazed and delighted by the author's narrative flair and brilliantly handled plot.
