The Sierra Madre Casino

Sierra Madre Maintenance Password

Dean Domino

The Security System Shut Down Everything Trapping the Guests in Their Rooms Trapping Ferrah Keys in Her Room while the Guests in the Hotel Were all Dying Being Killed by the Holograms Dying from the Cloud or from Fallout from the Bomb the Holographic Defense System Was Recording Them We Heard Vera Keyes in Her Own Voice Say that the Holograms Were Recording They Were Recording that Very Moment What We Heard Her Hologram Say Were the Last Words That Vera Keyes Ever Spoke the Hologram Recorded those Words and Somehow that Recording of Her Voice Got Interwoven with the Security System Instead of Looking like Security the Hologram Took On the Voice and Appearance of the Last Person It Encountered a Dying Vera Keyes We Are Facing a Scared Grieving Lover Moments before She Died

It Protected Them-Well by Making Them Immortal the Hologram Is Designed To Protect Them the Very Holograms That Ultimately Killed Them Now Where Their Faces and Use Their Voices It's a Tough Long Task Sneaking from Room to Room Trying To Avoid Pharaoh's Hologram until the Last We Find a Maintenance Workshop in this Terminal We Can Download some Recipes View some Lore and Download the Hologram Code Which Allows Us To Turn It Non-Hostile if Christine Is Our Ally She Doesn't Say Anything but if She Is Our Enemy at this Point She Expresses Her Frustration Security's Down Doesn't Matter We'll Help You in this Room We Find a Maintenance Key on a Table Allowing Us To Open the Rear Door

So They Put Her in Vera's Room Christine Now that Your Voice Is Back Was There Anything You Wanted To Say I've Been Hunting the One Who Hijacked Your Pip-Boy Elijah for some Time He CanNot Leave the Sierra Madre Alive When He's Done What He's Done Here Is Nothing Compared to What He's Done in the Past the Only Way To Bring Him Out Is if You Get to the Vault You Won't Allow You To Go Down There Alone that's When We Kill Him How Long Have You Been Hunting Elijah

Too Long but I Might Have Had a Chance To Settle It before this Event Happened

The Cantina the Theater the Executive Suites Has Given Us Access to a New Snippet of Recording of Erika's Voice Now Even if We Keep Christine Alive We Still Have To Assemble Vera Keyes Voice from Audio Recordings I'M Not Sure Why Christine Can't Just Walk Over to the Speaker and Talk but We Find no Option in the Game To Have Her Do that Additionally the Reason Father Elijah Wanted To Kill all of Our Companions Is because the Slave Colors That They Are Wearing Is Interfering with the Ambient Music Played on each Floor It Was from that Ambient Music That We Were Going To Lift Samples of Vera Keyes Voice To Then Reassemble into a Finished Track However if We Kept all Three Companions Alive

The Reason Father Elijah Wanted To Kill all of Our Companions Is because the Slave Colors That They Are Wearing Is Interfering with the Ambient Music Played on each Floor It Was from that Ambient Music That We Were Going To Lift Samples of Vera Keyes Voice To Then Reassemble into a Finished Track However if We Kept all Three Companions Alive They Still Have Their Slave Collars on So Presumably those Slave Colors Would Still Be Interfering with the Ambient Music That Said We Did Find a Recording with Vera's Voice at the Theater this Was Dean Domino's Blackmail Hollow Tape and We Also Found Vera Keyes Voice inside Vera's Room this Was an Audition Tape That We Found in Her Closet
