The Baker's Creek Brothers Collection (Book 1-3)

A Message to the Reader: I started writing this book in 1995, when I was still not yet thirty years old but approaching it too quickly to not make note of where I was, who I was, or why I was. The story behind the reason for writing is a part of this work so I won't burden you with it twice, but I will say that I have never had more intimate conversations with God both frustrating and revealing than on those 4 a.m.s while staring at a blank page or screen. I think that on some level, one of the reasons why it has taken me so long to finally put this before you has been simply that I will miss those particular conversations, and I haven't quite figured out what else I want to talk about. So many things have happened since the final draft was completed. So many of the endings to these stories have changed. I swear I thought about Lullaby every day. I went from rejection to rejection, first draft to third, and another couple of years passed. I never gave up on the notion that I wanted it out there, but I couldn't simply let it go. The unmentionable then occurred on September 11th, 2001, and after that morning nothing made sense or mattered much, aside from the fact that somehow, I was still alive and breathing and trying not to lose my mind. My coworkers and I were beginning our day across the street from the Towers when it all began, and I join the sentiments of thousands maybe millions when I say that we struggle on a daily basis to maintain some semblance of equanimity. I write this message to you a little over four months from that day so full of fear and love. Even on that day, I swear I thought about Lullaby and how maybe someday someone would find it in the rubble of what was left and have a smile over what New York City was before it was obliterated. For months I have been wondering whether it's the right thing to do, to put this out there at a time when really, who cares about one woman's ride on the A train? How selfish and careless of me would it be to expect that anyone will read this and connect after all that has happened and is happening on this beloved planet? Over and over again I have asked myself these questions. Then I saw *The Nutcracker* and *Contact* with my mom during the Christmas holidays. I listened to Nanci Griffith sing during her concert at the Beacon Theatre in December and just recently, I almost passed out with laughter during John Leguizamo's one-man explosion called *Sexaholix*. I've seen *A Beautiful Mind*, *The Majestic*, *Vanilla Sky* and *Oceans 11* in the span of one month, and I've read the last verse of Bruce Springsteen's *Land of Hope and Dreams* pinned to one of the walls in my office cubicle - once a day. At the office Holiday party a woman sang *Oh Come, All Ye Faithful*, and I hugged everyone I hadn't seen since September for at least five minutes each and then I danced a few body parts clear off of my person. A friend and I were writing each other recently about the pain following the loss of a loved one. Everyone grieves in their own way, but what remains constant is that sometimes ruthlessly, the rest of the world moves forward in its evolution, regardless of the fact that for you, time has stopped. It seems unfair sometimes that even in the face of the world your world ending, Earth doesn't take a breather and give you a few minutes or days to get your heart back inside of your chest. It seems a curse. But it's a blessing. It's a blessing that in the face of so much, Nanci and Bruce still write and sing, *The New York City Ballet* still dances, John still makes us laugh, and people still believe. So, I am taking the next step in the life of Lullaby, and I'm placing it in your hands with all the love and hope for its appreciation that I can muster. The world as many of us know it has ended and we may never fully understand why, but I would betray the Force behind my every inspiration if I didn't allow this to completely evolve.

I swear I am not the kind of person who gets her cell phone caught in places that require an ER trip and an OB/GYN. But, apparently, I am. I'm also not the kind of person who spends all her time thinking about the guy who got away. But, apparently, I am, too. Starting a new life in Boston isn't supposed

to include repeatedly embarrassing myself in public, meeting a crazy blond woman who has ties to the band Random Acts of Crazy, and definitely isn't supposed to include wallowing in a past I thought I'd left behind four years ago. But, apparently, it does. And the drummer for the band, Sam Hinton, is the boy I loved in high school and who disappeared with my heart. Now he's back, better than ever. Second chances aren't supposed to make scars disappear and hearts mend. But, apparently, they can. If you trust enough. Fate took their lives by storm four years ago and put an unbreachable gulf between Sam and Amy. Can time really heal all wounds...or are some scars too deep? These stories are true. They are for dog lovers of all breeds. Some are reconstructed from conversations with the actual participants, others from my own experience. I do not promote or condone dog fighting but neither do I tolerate the continual stream of deliberate misinformation and blatant lies from the news media and government agencies. I love these remarkable dogs and will continue to own them as long as I am able.

In *Unconventional Combat*, Michael A. Messner illuminates the current generational transformation of the US veterans' peace movement, from one grounded mostly in the experiences of older, White men of the Vietnam War era, to one increasingly driven by a young, diverse cohort of post-9/11 veterans. In particular, he focuses on six veterans of color--mostly women who identify as queer--to show how their experiences of sexual and gender harassment, sexual assault, racist and homophobic abuse during their military service shapes their efforts to transform the veterans' peace movement.

Jack Kerouac was an American novelist, poet and leader of the Beat movement. His iconic masterpiece 'On the Road' exacted a broad cultural influence, capturing the spirit of its time as no other work of the 20th century had done since 'The Great Gatsby'. Kerouac's insistence upon 'First thought, best thought' and his refusal to revise was controversial. He deemed revision as a form of literary lying, imposing a form farther away from the truth of the moment. His novels reveal a quest for pure, unadulterated language—the truth of the heart unobstructed by the lying of revision. His technique demonstrates an unusual writing style, neither haphazard nor sloppy, but systematic in the most-individualised sense. Seeing local women turn up dead is enough to shake any father, even a veteran sheriff's deputy. After years of loneliness, the timing couldn't be worse to let another woman into his life. But he'd have better luck resisting gravity than resisting Lucia Ramirez, the first to prove there's still a heart beneath his bullet proof vest. Maddy is the only person who can take down Papa, when every branch of law enforcement in every country, is on her father's payroll. It's evil. To want to ruin, to murder, her family. But that's what she is. Ruined for a life outside of destroying her father. She can't feel arousal. Has never been kissed. Never felt anything other than disgust for the world that she perpetuates. Until she clashes with a possible mercenary who gives her hope. The hunter versus the virgin. The predator and his prey. When forced together, can enemies resist the urge to run away or destroy one another?
