[#The Fighting Dog](#) [#Fighting Dog Breeds](#) [#Aggressive Dog Behavior](#) [#Dangerous Dog Breeds](#) [#History of Dog Fighting](#)

The term 'fighting dog' typically refers to specific breeds or types of canines historically bred or trained for combat. These animals often possess strong physical attributes, high resilience, and sometimes aggressive tendencies, making them formidable. While once prevalent in various cultures, the practice of dog fighting is now widely illegal and universally condemned due to its extreme cruelty. Understanding the origins and characteristics of these dogs is crucial for discussions on animal welfare and responsible pet ownership.
