The HEENT Exam Video.mov - The HEENT Exam Video.mov by BilderbackHealth 1,180,969 views
11 years ago 17 minutes - Jessica Nishikawa demonstrates some of the techniques of the (HEENT)
Head, Eyes, Ears, Nose and **Throat**, exam.
check your peripheral vision
bring the ophthalmoscope to your right eye
start off with inspection just looking at the placement of your ears
put on the speculum
look at the specific structures of the tympanic membrane
place the tuning fork in front of her ear
strike the tuning fork place it on the mastoid bone behind the ear

inspecting the nose from the outside looking for any obvious deformity

press up slightly on the nose

looking at her septum looking for any septal deviation from one side

look into the back of her throat looking at her tonsils

start with inspection inspection of the neck

start with the trachea

apply your hands below the isthmus of the thyroid

feeling the lobes of the thyroid for any lumps
