Local Innovations in Child Care and Early Learning - Local Innovations in Child Care and Early Learning by New America 1,028 views 12 years ago 1 hour, 25 minutes - Local **Innovations**, in Child Care and Early **Learning**, Nearly 11 million American children under 5 spend part of their day in a child ...

Career Advance Key Program Elements • Offered to adults whose young children are already enrolled in high-quality early education • Sector based, with employer outreach • Career path training - comprised of steps, each of which results in a credential

The Challenge: Sufficient Child Care • Full-day Head Start does not match full-day work schedules, especially in healthcare • We match the parents' class time to their children's

Interactions with Local Partners • Occupational training is provided by our technical school and community college • Adult Basic Education is provided by a local public school district • As their schedules and requirements change, we must

Interaction with State Agencies • HPOG grant requires we partner with local WIB, state WIB, TANF, and Office of Registered Apprenticeships • The regulations of these programs impede them from

Our Mission: Ensure that children of all races, ethnicities, incomes, abilities and languages have the opportunities and support they need for success in school and beyond.
