Don't Make Me Count to Three

Do you find yourself threatening, repeating your instructions, or raising your voice in an attempt to get your children to obey? Are you discouraged because it seems you just can't reach the heart of your child? Through personal experience and the practical application of Scripture, Ginger Hubbard encourages and equips moms to reach past the outward behavior of their children and dive deeply into the issues of the heart. Ginger's candid approach will help moms move beyond the frustrations of not knowing how to handle issues of disobedience and into a confident, well-balanced approach to raising their children.

Don't Make Me Count to Three!

Offers parents practical advice on how they can use Scripture-based parenting methods, with an overview of various methods and tips for implementing those methods into their daily routine.

Don't Make Me Count to Three Study Guide

Dive deeper into God's Word with this six-week study guide designed to strengthen understanding of heart-oriented discipline from a biblical perspective. Reflection on Scripture offers us encouragement and breaks the crippling strongholds of our self-dependent way of parenting. As Ginger introduces each lesson she guides moms in the practical application of Christ-centered parenting and reminds us that our efforts are only brought to fruition by God's grace. The lessons taken from Don't Make Me Count to Three are a guide for group Bible study, practical application of Scripture for parenting, heart-probing questions for personal growth, and focused memorization.

Wise Words for Moms

81/2 / 11, 6 page chart designed to help parents identify heart issues from behavior.

The Home Team

Using illustrations and analogies from the world of sports, *The Home Team* by Clint Archer presents the Christian family as a team. He highlights the one-flesh union of husband and wife as the fundamental team for God's design of society, the family, and marriage. Facing challenges together this cohesive team must not allow division to weaken their union. As children are added, Mom and Dad play their unique and essential roles to strengthen the expanding team. The family must close ranks on opponents to God's design, tackle obstacles, and fortify the bonds in their huddle. In the unity and synergy of teamwork each player is uniquely positioned to advance the team's objective. The goal is to give God glory, and enjoy the blessings and joy that come with obedience.

I Can't Believe You Just Said That

Set aside ineffective practices, such as scolding, ignoring the offense, or merely administering punishment. Ginger Hubbard, the bestselling author of *Don't Make Me Count to Three!*, lays out a simple, Bible-based strategy for parents to help their kids tame their tongues and walk in the transforming power of Christ. Are you ever embarrassed or shocked by what comes out of your child's mouth? Do you raise your voice, threaten, and coerce, but find yourself frustrated because nothing seems to work? In *I Can't Believe You Just Said That!*, Ginger Hubbard provides a practical, three-step plan to reach beyond the behaviors of tongue-related struggles—such as lying, tattling, and whining—to address your child's heart. After all, as Matthew 12:34 tells us, “the mouth speaks what the heart is full of.”

Instructing a Child's Heart

Gospel-Centered Family Counseling

Pastors and counselors regularly minister to people whose marriages or families are in crisis. Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray. Pastors and counselors need practical, biblical help in order to connect their theological training to the reality of modern messy relationships. These how-to training manuals provide relevant, user-friendly equipping for pastors, counselors, lay leaders, educators, and students, enabling them to competently and compassionately relate God's Word to marriage and family life.

Permanent Markers

A You-Can-Totally-Do-This Guide to Teaching Spiritual Life Skills That Last As mom to a work-in-progress family of six, author Janel Breitenstein knows too well the chaos of life with the lid off. She understands how skeptical you are of shoe-horning more into carpool-packed days and just trying to get kids to put socks in the hamper. But as a missionary, she also understands the urgent need to cultivate unerasable habits that prepare kids for a bold relationship with Jesus. If you're a parent looking for doable, out-of-the-box ways to disciple your children, *Permanent Markers* is a resource you'll seek again and again. Find... age-appropriate, uber-easy ideas and activities that will draw kids toward God questions to kickstart meaningful conversations, along with journaling prompts for both you and your kids hands-on life skills for teaching kids what the world often rejects—like community, self-control, humility, and Christ-anchored identity small-group discussion questions and lists of additional resources *Permanent Markers* empowers you to engage kids in vibrant spirituality, leaving this work of art up to God. You'll find a practical, fun handbook for the most vital, eternal part of parenting.

1-2-3 Magic

The award-winning, best selling '1-2-3 Magic' book provides practical and easy-to-learn parenting techniques that WORK for children ages 2-12. You won't need to study child psychology to understand the three simple steps in the program and get results quickly! Step 1: Control Obnoxious Behaviour. Learn a simple technique to get your kids to STOP doing what you don't want them to do (whining, arguing, tantrums, sibling rivalry, etc.); Step 2: Encourage Good Behaviour. Learn several effective methods to get your kids to START doing what you do want them to do (cleaning rooms, going to bed, homework, etc.); Step 3: Strengthen Relationships. Learn four powerful techniques that reinforce your bond with your children. You will also learn how to manage the Six Kinds of Testing and Manipulation, how to handle misbehaviour in public and how to avoid the Talk-Persuade-Argue-Yell-Hit Syndrome.

Becoming God's True Woman

A charge to women to recover what the feminist revolution has robbed them of: the God-given beauty, wonder, and treasure of their distinctive calling and mission. The feminist revolution was supposed to bring women greater fulfillment and freedom. Yet women today feel anything but fulfilled and free because they have lost the distinctiveness and richness of their calling as women. Now a movement is spreading seeds of hope, humility, obedience, and prayer—a call to return to godly womanhood—and its truth will resound in the hearts of readers through the powerful messages of Nancy Leigh DeMoss, Susan Hunt, Mary Kassian, Carolyn Mahaney, Barbara Hughes, P. Bunney Wilson, and Dorothy Patterson. Though each author approaches the subject of godly womanhood differently, a thread runs throughout that will instill joy and delight at the greatness of God's created order and the part he wants women to play in his grand, redemptive plan. Includes a study guide.

Regretting Motherhood

Women who opt not to be mothers are frequently warned that they will regret their decision later in life, yet we rarely talk about the possibility that the opposite might also be true—that women who have children might regret it. Drawing on years of research interviewing women from a variety of socioeconomic, educational, and professional backgrounds, sociologist Orna Donath treats regret as a feminist issue: as regret marks the road not taken, we need to consider whether alternative paths for women currently are blocked off. She asks that we pay attention to what is forbidden by rules governing motherhood, time, and emotion, including the cultural assumption that motherhood is a “natural” role for women—for the sake of all women, not just those who regret becoming mothers. If we are disturbed by the idea that a woman might regret becoming a mother, Donath says, our response should not be to silence and shame these women; rather, we need to ask honest and difficult questions about how society pushes women into motherhood and why those who reconsider it are still seen as a danger to the status quo. Groundbreaking, thoughtful, and provocative, this is an especially needed book in our current political climate, as women's reproductive rights continue to be at the forefront of national debates.

Christ in the Chaos

Moms: Look to the gospel for your rest, joy, sufficiency, and motivation. For far too long mothers have been beaten down by the law of “do better” and “try harder.” The burden of “getting it right” threatens to crush weary souls who desire to serve their families faithfully. Christ in the Chaos brings comfort to conflicted hearts that are starved of grace and longing for the freedom in Christ the Bible promises. In this book, Kimm Crandall emphasizes the importance of the gospel and how Christ's life, death, and resurrection change every aspect of motherhood. From finding our identity in Christ and understanding God's grace to taking off the mask of acceptability and dealing with the comparison crud, this book will free you to serve your family knowing that his love for you does not change based on your performance. Christ in the Chaos is a “must read” for every mother who longs for what is seemingly impossible: peace and freedom in the midst of her chaos.

12 Simple Secrets Real Moms Know

Best-selling parenting guru Michele Borba, the mother of three, has surveyed 5,000 mothers for their experience and wisdom in raising happier, more confident kids by returning to a more natural, authentic kind of mothering. Withhold Not Correction

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

The Glass Castle

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you · then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged · or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Ask a Manager

From the New York Times best-selling author of Love & Respect comes the definitive book for mothers and sons. Love is important but it is respect that is the key to your son's heart. As Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all, a mother and her son. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding when applied properly. Moms yearn to learn anything that better helps them with their sons. After all, they love their boys, but many find them more difficult to parent than their girls, especially from age four and up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons, at least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys (and big ones) need Mom's respect? No wonder mothers feel left in the dark on this topic. Mother & Son is also available in Spanish, Madre e hijo.

Mother and Son

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of Utopia are reminiscent of life in monasteries.

Utopia

"Child Training Tips is not just another book on parenting. It is a diagnostic tool comprised of bulleted symptom lists to help parents quickly diagnose their children's behavior issues and easily find biblical solutions. This updated edition of the original classic is an invaluable tool that will help parents raise happy, well-adjusted children who come the first time they are called, speak respectfully, and are less prone to sibling rivalry."--Page [4] cover.

Child Training Tips

Prioritizing your time and your life, you'll be able to manage a bustling home in a way that honors God and builds up family relationships. By following the clear model of Proverbs 31:10, and adapting the characteristics that make up a faithful homekeeper, you too can become an "Excellent Wife."

Large Family Logistics

The author describes how she forged positive relationships with her sons through Attachment Parenting practices, sharing advice on how to address a child's needs without resorting to pop culture trends.

Beyond the Sling

Decades of research have demonstrated that the parent-child dyad and the environment of the family— which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers

in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

Parenting Matters

Discover and fulfill your God-given purpose by joining the more than thirty-five million others who have embarked on a spiritual journey that started with this #1 New York Times bestselling book by Pastor Rick Warren. Before you were born, God knew what your life had in store for you. His hope for you is to discover the life he created just for you--both here on earth, and forever in eternity. Let Rick Warren guide you as you learn to live out your true purpose. The Purpose Driven Life is more than a book; it's a road map for your spiritual journey. Combining thoughtful verses from Scripture with timely stories and perspectives from Warren's own life, The Purpose Driven Life will help you discover the answer to one of life's most important questions: What on earth am I here for? Throughout The Purpose Driven Life, Warren will teach you to spend time getting to know yourself and your creator in order to live your life to the fullest. Unlocking your true purpose will also reduce your stress, simplify your decisions, increase your satisfaction, and, most importantly, prepare you for eternity. Designed to be read over the course of forty-two days, The Purpose Driven Life will help you see the big picture, giving you a fresh perspective on the way that the pieces of your life fit together. Every chapter of The Purpose Driven Life provides a daily meditation and practical steps to help you uncover and live out your purpose, starting with exploring three essential questions: The Question of Existence: Why am I alive? The Question of Significance: Does my life matter? The Question of Purpose: What on earth am I here for? Each copy of The Purpose Driven Life also includes thoughtful discussion questions, audio Bible studies that go along with every chapter, and access to a supportive online community, giving you the opportunity to dive even deeper into each life-changing lesson.

The Purpose Driven Life

A fresh and practical guide to successfully managing children's behaviour – from babies to young adults.

Happy Kids: The Secrets to Raising Well-Behaved, Contented Children

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total

domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The 48 Laws of Power

Through captivating stories, edgy humor, and shocking confessions, Ginger Hubbard drops the act and gets real in this brutally honest look at the seldom admitted, rarely talked about sins of the heart. Removing her “good Christian” mask, Ginger opens the dark chapters of her heart in order to share about the glorious grace of God toward repentant sinners. Get ready to laugh. Get ready to cry. Get ready for a deeper, more authentic relationship with Jesus Christ. This is what real Christianity is all about. Includes a Seven-Week Bible Study ideal for small groups.

Guiltless Living

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his resume, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Think Like a Monk

The Bible contains everything we need to know about child training. For *Instruction in Righteousness* is simply a handbook to help you use the Bible as you train up your children for the Lord. Use this book as a quick reference during everyday discipline situations, as a manual for family worship, as a guide to personal Bible study. Find out what God says about sins, what he promises will happen to the sinner, how he blesses those who obey. Take those truths from scripture and use them as a pattern for practical discipline and reward ideas to use with your children! - Back cover.

For Instruction in Righteousness

This fascinating account portrays God's power in the life and ministry of A. Wetherell Johnson, from her overseas mission work to the founding and remarkable growth of Bible Study Fellowship.

Created for Commitment

In this deeply moving and life-affirming tale, a mother must nurture her five-year-old son through an unfathomable situation with only the power of their imagination and their boundless capacity to love. Written for the stage by Academy Award® nominee Emma Donoghue, this unique theatrical adaptation featuring songs and music by Kathryn Joseph and director Cora Bissett takes audiences on a richly emotional journey told through ingenious stagecraft, powerhouse performances, and heart-stopping

storytelling. Room reaffirms our belief in humanity and the astounding resilience of the human spirit. This updated and revised edition was published to coincide with the Broadway premiere in Spring 2023.

Room

Helping Christian parents raise their children with grace and the gospel, this book addresses topics such as the law, God's forgiveness and love, and true heart obedience--a great resource for raising grace-filled kids.

Give Them Grace

Jodie Berndt shows you how to make the Bible a book of prayers that can powerfully influence your children's lives. You'll discover how to pray specifically and expectantly for their faith, character, safety, relationships, and future. You'll gain new, biblical perspectives on God's purposes for your children. And through the encouragement of the Scriptures and true-life stories, you'll find out what a huge difference your prayers really make in the lives of those you love most. Discover How to Pray God's Will for Your Children's Lives There's no place like God's Word to turn to when you want to pray confidently and effectively for your kids. "Prayers permeated with the Word of God bring about changes in our children and keep us in touch with God's priorities. This is a wonderful resource that you will want to refer to over and over." Fern Nichols, founder and president of Moms in Touch International "If I could choose only one book to help me pray for my children, this is it! Not only has Jodie given us a rich treasure of true stories, practical prayers, and relevant Scriptures for our children, but a surprise awaits! In reading this I found my own confidence in God growing. RUN and get this book for moms and grandmoms." Susan Alexander Yates, author of How to Like the Ones You Love "I know of no one who can speak more authoritatively than Jodie Berndt on praying for your children. Every parent who wants their children to grow into godly men and women should read this book.

Praying the Scriptures for Your Children

First released in the Spring of 1999, How People Learn has been expanded to show how the theories and insights from the original book can translate into actions and practice, now making a real connection between classroom activities and learning behavior. This edition includes far-reaching suggestions for research that could increase the impact that classroom teaching has on actual learning. Like the original edition, this book offers exciting new research about the mind and the brain that provides answers to a number of compelling questions. When do infants begin to learn? How do experts learn and how is this different from non-experts? What can teachers and schools do-with curricula, classroom settings, and teaching methods--to help children learn most effectively? New evidence from many branches of science has significantly added to our understanding of what it means to know, from the neural processes that occur during learning to the influence of culture on what people see and absorb. How People Learn examines these findings and their implications for what we teach, how we teach it, and how we assess what our children learn. The book uses exemplary teaching to illustrate how approaches based on what we now know result in in-depth learning. This new knowledge calls into question concepts and practices firmly entrenched in our current education system. Topics include: How learning actually changes the physical structure of the brain. How existing knowledge affects what people notice and how they learn. What the thought processes of experts tell us about how to teach. The amazing learning potential of infants. The relationship of classroom learning and everyday settings of community and workplace. Learning needs and opportunities for teachers. A realistic look at the role of technology in education.

How People Learn

The stepmother's role often is ambiguous and underappreciated, and frequently it carries unrealistic expectations. The book answers women's concerns and questions, including: How can I be a caretaker and a key emotional connector in the family if the children don't accept my influence? How should I cope with children who are confused about their family and torn between loyalty to their biological mother and me? When should I step back in conflicts and when should I insist that my husband stand up for me? In addition it addresses the spiritual and emotional climate of the home, providing perspective and guidelines to help stepmothers and their families thrive.

The Smart Stepmom

"Carl is a frog in search of a friend, but his outlandishly long tongue (and even larger appetite!) always sabotages his plans. An unsuspecting gnat tries to show young Carl how to use his tongue, but thawoolp! He ends up as Carl's first meal. Then a rambunctious horsefly tries to engage Carl in a game of cards, but thawoolp! He meets the same fate as the gnat. Even sweet Miss Fish tries to give Carl a chance, only to become the latest course in Carl's all-he-can-eat buffet. When a wise old kingfisher picks Carl for his next meal, Carl finally learns to change his ways. The true test comes when a small ant tries to befriend the hungry frog. Carl musters all of his willpower and redefines the phrase "tongue tied" to keep himself from snacking on the ant, and in the process makes the best friend he could ever hope to have. This rollicking romp will keep families giggling while imparting the friendly lesson that it's better to have friends than to eat them"--Publisher description.

Carl the Frog

Most of us live with the stubborn idea that we'll always have tomorrow. But sooner or later all of our tomorrows will run out. Each day that you postpone the hard work and succumb to the clutter that chokes creativity, discipline, and innovation will result in a net deficit to the world, to your company, and to yourself. *Die Empty* is a tool for individuals and companies that aren't willing to put off their best work. Todd Henry explains the forces that keep people in stagnation and introduces a three-part process for tapping into your passion: Excavate: Find the bedrock of your work to discover what drives you. Cultivate: Learn how to develop the curiosity, humility, and persistence that save you from getting stuck in ruts. Resonate: Learn how your unique brilliance can inspire others. Henry shows how to find and sustain your passion and curiosity, even in tough times.

Die Empty

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show with Trevor Noah*, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.

Born A Crime

The most important conversations you will have with your kids will be in the context of everyday life. In *'Everyday Talk,* ' author John Younts explains how to use ordinary conversations to talk to your kids about God and his world. You'll be delighted by his clear, practical insight and biblical wisdom. Buy this book and read it. But don't stop there?put it into practice. Your children will thank you!

Everyday Talk

'Maté's book will make you examine your behaviour in a new light' Guardian 'Bold, wise and deeply moral. [Maté] is a healer to be cherished' Naomi Klein, author of *No Logo* and *The Shock Doctrine* Children take their lead from their friends: being 'cool' matters more than anything else. Shaping values, identity and codes of behaviour, peer groups are often far more influential than parents. But this situation is far from natural, and it can be dangerous – it undermines family cohesion, interferes with healthy

development, and fosters a hostile and sexualized youth culture. Children end up becoming conformist, anxious and alienated. In *Hold on to Your Kids*, acclaimed physician and bestselling author Gabor Maté joins forces with Gordon Neufeld, a psychologist with a reputation for penetrating to the heart of complex parenting. Together they pinpoint the causes of this breakdown and offer practical advice on how to 'reattach' to sons and daughters, establish the hierarchy at home, make children feel safe and understood, and earn back your children's loyalty and love. This updated edition also addresses the unprecedented parenting challenges posed by the rise of digital devices and social media. By helping to reawaken our instincts, Maté and Neufeld empower parents to be what nature intended: a true source of contact, security and warmth for their children.

Hold on to Your Kids
