The Devil Thought He Had Me!

BLOODY. KIDNAPPED. TRAPPED. I'm laying in the trunk of this car, bloody from the beating I've just taken. While laying here crying in pain, all I can think about is my 19-month-old son. Just an hour ago I was in the mall shopping, living what I thought was the best life an 18-year-old could be living. My pager goes off, it's a guy trying to buy 2 and a half ounces of crack cocaine. Not knowing this page was about to change my life in a major way. As I lay here thinking this going to be my last ride, I said my prayers, asked God for forgiveness, wiped my tears away, laid there ready to face the consequences of the sinful life I was living. Now how in the world did I get here?!

The Devil Thought He Had Me

I wrote this book because I want people to know that even in their adversity, they can overcome anything. Because it was told to me that I was retarded, I proved to myself, with the help of the Lord, that I can do anything I put my mind to. I am an overcomer.

The Devil Thought He Had Me

Meet Shannon, an overworked single mom with more issues than one, Jenna, who's willing to lose everything for a lie, April, a girl forced to leave it all behind and Samantha, who hides a secret so deep in her heart. Strong forces attempt to derail the women and move them to tears as they try to live their best life on their own. Just when things seem to go their way, they find their worlds falling apart. Will past lovers and present interest keep them from the will of God? The enemy takes many different forms in the lives of these four friends. Will his tricks prove to be profitable?

The Devil Thought He Had Me- HA! But I Got Away

The Devil Thought He Had Me

Have you ever herd of the "boogie man" as a child with horns coming out his head, with the red face; he was just plain ugly! The truth of the matter is that wasn't necessarily true. The "boogie man" can be someone you will eat dinner with, a person you trust, or you simply love so much. One thing i've learned is he/she can look just like you and me. What i've discovered is over time is the "boogie man" has an agenda and that is to kill, steal and destroy. Just as the old cliché saying, "NEVER TRUST A WOLF IN SHEEP CLOTHING" is something that we must all keep in the back of our minds today.

God and I Fighting the Devil: The Devil Thought He Had Me, But God Brought Me Through

After being diagnosed with multiple sclerosis, the disease continued to progress. I was spiraling downhill. I got to the point where I just existed. Nothing made me feel better. I lost interest in doing anything, and had no motivation. My girls, being my only reason to live, depended on me even if I wasn't one-hundred percent there physically or mentally. MS was ruining my life and my marriage. I was losing the battle. If I can't win this battle, how on earth am I supposed to win the war? I must get out of this depressive state of mind for my family. I couldn't let this disease win. Contemplating life, I finally started leaning on God after dealing with this debilitating disease for so many years.

The Devil Thought He Had Me! Vol. II

POW! POW! POW! I'm laying in the trunk of this car, bloody from the beating I've just taken. While laying here crying in pain, all I can think about is my 19-month-old son. After praying, I wiped my tears with the bloody shirt and was ready to deal with whatever the consequences were for my sinful behavior. Then the car stopped. I heard the doors open then close. I scooted all the way to the back of the trunk because I thought that they were going to shoot the car up, then set it on fire. Then I heard the trunk pop...

Preach Woman Preach

This book deals with the challenges that women pastors go through when they have been denied their place of being a pastor, because it has been an issue that women can't preach. It tells who really preached first, but I'm here to set the record straight. We can preach. We have preached, and we will not stop preaching until Jesus comes back, for Jesus is coming quickly. I pray that you enjoy this book—I have. God bless.

Beyond Idol Worship!

Part autobiography and part inspirational journey, this work describes how to be delivered from oppression, depression, and bondage and addiction of any kind through God. (Motivation)

The Handgun of the Holy Ghost

This book is about how we go through all types of struggles in our lives and the only way we can and have survived them is with God. Life isn't easy but we have to know that we will have struggles in this life some harder than others, but with God on your side you have the victory over Satan's schemes. The devil wants to destroy our lives because he knows what God has planned for us. This book is about my life and what many didn't know about me. It is also about how God set me free and gave me the victory over the enemy even unto death. As you read this book it will help you to understand and the know that you can survive anything with God.

THE STRUGGLE IS REAL, BUT WITH GOD I AM SURVIVING IT!!!

Through my trials and tribulations, God gave me my identity. I hindered my walk and relationship with God by leaning on my own understanding. Although, as a child, the pain I endured was out of my control, as an adult, the majority was based on the choices I made and the signs I willingly ignored for decades. I blamed others for my lack of love. I was miscomprehending, seeking love from individuals that only comes from God, the Creator. It was my iniquity; it caused the separation between God and me, which hindered my blessings from him. It was also God's grace that helped with the brokenness that crippled and tormented me throughout my life. He rescued me by transforming my circumstances into the center blocks I needed to climb out of the hole I was buried in. My foolishness caused me to make lifelong decisions based on temporary issues. He should have been my ultimate choice. When I was tested, my afflictions bent and twisted the vessels attached to my heart, but God didn't allow me to flatline. He was the guiding force I needed when I thought I was too broken to be repaired. He rebuilt and molded me to be used for his glory. God's love, through my tests and trials, matured and strengthened me. The things sent to destroy my peace were no competition to the mind-regulating God I serve! This book was written in inspiration to my God, Lord, and Savior, Jesus Christ. He deserves all the praise and honor, and without Him, it wouldn't be me. The blueprint and directions of God's Word are the recipes to all salvation. Above all, I pray that you, too, will understand the importance of obedience and the relationship God desires us to have as we're reconciled with Him.

Three Nails and a Tree

Fruit for My Seed Today is Sunday, December 2, 2012. It is a beautiful day out here in Victoria, Mexico. It is the perfect day and weather to be out at the local weekly street fair. Rather, today I find myself sitting in my room, reflecting on my past, thinking about the present, and wondering what the future has in store for our family. I recently returned today from a weekend of hoops that began in Mexico City and ended in Acapulco, Mexico. We concluded our two game road trip last night in Acapulco as we pulled out a hard fought victory over the Guerreros of Chilpancingo. After traveling on our team bus all night and day, we returned safely back here just a few hours ago. Although I am pleased and happy with this past weekend's results on the hardwood, nothing makes me smile as each day comes and goes, closer to the day I will finally get to hug, kiss, and hold you in my arms. I think about you all the time, son. In just a few short weeks, you will come into this world and be here with your family. It is a privilege and a blessing to be a father. I want to make you this promise now Lorenzo Karon Keeler Jr, I will strive to be the best provider, role model, motivator, friend, and father I can possibly be. I will always be here for you as long as I am living and breathing on this earth. I once heard a man say, "There is no manual on how to be a good father." When I heard this a few years ago it struck me to be true. As I continued on this journey of life and went through trials, learned lessons, and gained knowledge over the last year, I no longer believe that statement to be true. I have gone through my fair share of ups, downs, tribulations, hurts, disappointments, and failures. It was through these challenges that I finally picked up a very exclusive manual and began to learn the lessons, knowledge, and wisdom it had to offer. In PROVERBS 23:12, God's Word tells us, "Apply your heart to instruction, And your ears to words of knowledge." It all began with me taking action and applying my heart to the word of the Lord. Now I know without a doubt in my mind that this manual, also known as the Holy Bible, is the ONLY road map to peace and an abundant, purposed life. The Bible can lead, guide, and teach every human being on earth how to become GREAT fathers, mothers, brothers, sisters, sons, daughters, etc. PROVERBS 19:8 says, "He who gets wisdom loves his own soul; He who keeps understanding will find good." Over the last year, I have gained much wisdom and knowledge from God's mighty word. I realized if I just apply His counsel to my life, it will change my life for the better. PROVERBS 24:3-4, "Through wisdom a house is built, And by understanding it is established; By knowledge the rooms are filled with all precious and pleasant riches." Applying the Lord's counsel to our life is beneficial to us here on earth and qualifies us for eternal life in Heaven with our Heavenly Father. I pray I will be on this earth with you for many years to come. I pray I will be here from watching you take your first steps to witnessing you exchange vows with your beautiful bride on your wedding day. The fact of the matter is we do not know when it is our time to depart from this earth. Only God knows when our time is up and when our day is over. I could be here fifty more years or fifty more minutes. Because I do not know, I want to leave you with my story. It is through these events that I have learned valuable lessons. It is through these events that I realized true peace and happiness cannot be found in anything this world has to offer. I want you to be aware of the choices I made and the consequences that followed. At 27 years old, many may say I am young and have much more living to do. Yes, I am young and I pray I have many more years ahead. However, I am thankful to be alive and in my right mind today. Believe me when I tell you, son, I once traveled on a path full of dangerous activities. I willfully participated in a life of sin and I could have been dead a long time ago. I am thankful for our Heavenly Father's love, care, mercy, faithfulness, and protection even when I did not deserve it. I will be the first to admit I do not have it all figured out. As a matter of fact, I am still learning and growing daily. However, I do know one thing for certain. Without God in our life and the Holy Spirit leading and guiding us, we are not living. PROVERBS 9:10-12 tells us, "The fear of the Lord is the beginning of wisdom, And the knowledge of

the Holy One is understanding. For by me your days will be multiplied, And years of life will be added to you. If you are wise, you are wise for yourself, And if you scoff, you will bear it alone."

Fruit for My Seed

A Kept Secret

With all the bad, there was so much good and love within. I didnt know whom or what to share this longing with, but there was one, his name is Jesus. Because of him and his mercy and grace, we shared the same love. Im not going to tell you it was easy to put my trust in Him (Jesus), but he never left or forsake me. He desired all of me, both the good and the bad. I learned in my soul saving journey. Because all in all, the wrong places, things, and people, it was God and His son that I really needed. And with them in my life I dont grieve the Holy Spirit, but I rejoice, even in my trials and infirmities, because greater was he, that was in me, than he that was in the world. Always know that you are never alone and if I can overcome, so can you. My people, you are so loved. Remember God is bigger than your circumstances. So I hope and pray that this book lead you in the arms of the right person Jesus. I am proud today to say Im a Soul Winner for Jesus.

Blessed One

From the pulpit to the parking lot, anger has become a debilitating cancer to the souls of Christians. A cancer that stunts the spiritual maturation and matriculation of Christians every day. However, the Bible still suggests that Christians possess the ability to be angry and do no harm. I then propose that anger is not the problem. Rather, it is our learned response to anger and untreated emotions that lead to challenges in life and the sin that may follow. This begs the questions, what is anger, what is its origin, and how do we manage it? Listen, sisters, I invite you to trek with me through this dark tunnel, my thirty-year journey from hurt to healing. A healing found in the most unsuspecting placeaEUR" in the perfect will of the Father. So, grab a pen, a toasty drink, your favorite notebook, a box of tissues, and brace yourself to laugh out loud as I share my untold story and provide you with practical, yet amazingly powerful tools that I have learned along this journey to living my best life in Christ. Are you ready? LetaEUR(tm)s get started.

Loaded with God'S Favor

Having been instrumental in building a church from the embryonic stage, the author understands the sacrifices that the first family must make in order for the pastor's vision to be realized. Many times these sacrifices impact the family in ways that are parallel to none. Often, some are unnecessary, but due to a lack of wisdom, knowledge and understanding of the role and responsibility, the family may experience much suffering and pain. As a result of the author's own encounterings in this area, she believes her experiences were not uncommon to the wives of pastors, but also, she believes they were not ordinary. It is her persuasion that every thing that has happened to her had a purpose, and certainly, they have been instrumental in helping her to understand what hurting wives of pastors feel. In this, her third published book she shares very personal experiences, which she believes, were not meant to be kept

personal. She is convinced that her pain and her living will be in vain, if she takes her experiences to the grave. The author believes she has a healing message that can revolutionize the pastor's wife. Not only will it benefit the pastor's wife, but also it has a message conducive to anyone who wishes to rise above many of life's circumstances. She feels that much pain can be avoided where there is wisdom. With her experience has come wisdom; therefore, this book has been written that others may benefit from her wisdom without paying the price of experience, which one of life's most expensive and greatest teachers.

The Anatomy of Anger

This book is a must read. The author expresses her concern for people. She wants people to super charge their faith by operating in faith by believing and trusting God at His Word. She encourages people to put their trust in Jesus Christ and allow the Holy Spirit to lead and guide them daily. She explains what it takes to be a mighty warrior in the army of the Lord. What it takes to be a godly woman. She urges people to not give into the pressure of this world, but to make a stand on the Word of God. By keeping the faith until the end, God's children will have a glorious future in Jesus Christ. She did not compromise her faith in the Lord or her walk in the Lord to seek others approval. She also encourages people not to compromise their faith in the Lord. She understands that the Lord will protect us from all evil while on this earth. She knows what the power of prayer can do against the enemy and can move mountains out of your life. She recognizes that God works everything for our good in every situation in life and that God is able to see us through all our obstacles in life. She explains that we must be steadfast and immovable in the Lord. She encourages people to be strong and courageous in the Lord. Therefore, to keep the faith in Jesus Christ, no matter what the circumstances are in life.

The Life of Jonathan Martin, of Darlington, Tanner, Written by Himself, Etc

This book was written because I found out how important it is to give your life to Jesus. Now I understand why it is important to accept Him as your Lord and Savior, Jesus Christ. Not only was I blinded, but I could have been dead and in hell. I thank and praise God for His grace and mercy on me; for enlightening me, caring for me and for giving me hope. For loving me and for who I am. I thank Him for teaching me the truth. For letting me be able to write this book. I want the world to know young and old, no matter what is wrong or went wrong in your life, you can make it.

Rise Up O' Woman and Deliver Yourself

The Lord is that Spirit, where the Spirit of the Lord is, there is liberty. II Corin. 3:17 Not by might, nor by power, but by My Spirit, saith the Lord of Hosts. Zech. 4:6 We are to live our lives in faith, hope, and love by walking under the control of the Holy Spirit. This devotional book is to encourage everyone to have a daily walk with the Holy Spirit, so that he or she can have the victory every day.

A Mighty Woman of God

Let me tell you why I Love Jesus is a book like no other. It is about two friends who met on their life's journey holding on to a similar hope in their hearts. Rekindling their friendship after many years of silence, they begin to realize through the conversations that they had something in common""a genuine love for God! Who could imagine losing loved ones, having strange supernatural experiences, and going into battle with depression would cause someone to fall so deeply in love with a higher power. They both feel so blessed to be able to share their triumphant stories with the world. If it had been for the Lord on their side, where would they be? You can only find out if you read the testimony. Truly, we are overcomers by one another's testimonies, and these two women have overcome so many obstacles in their life. In this book, they give all glory, honor, and praise to the Lord Jesus for bringing them through the worst times in their lives. Also, these women celebrate some of the beautiful gifts they believe came straight from the heart of the Father. Faith and favor can open doors no man can shut if you only believe. Anyone who reads this book will be encouraged and hopefully begin to count their many blessings.
