The Ghost in the Graveyard

Just a small-town girl, living in a haunted world... I swore off men after my last boyfriend took me for everything I had. Now I'm living rent-free, but of course, there's a catch—the house is on the edge of a graveyard. It's hard to feel at home here when things start going bump in the night. The only upside is the hot cemetery caretaker, Rick. The last thing I need is another man in my life, but I literally can't keep my hands off him. Our attraction is almost magical. All hell breaks loose when a spirit appears on my staircase. I turn to Rick for help and find my haunted house isn't the strangest thing in the tiny town of Red Grove. Dark forces are at work, and they have everything to do with me, the house, and the ghosts that live in my attic. * * * What people are saying about the Ghost and the Graveyard "The action is non-stop and I find myself constantly asking, "How does she come up with this stuff?!" Author M.J. Shiller "It has thrills, chills, a nice touch of humor, and a romance that's HOT. That's not fog wafting through the graveyard--it's steam!" Kathy Tosh "The plot is fun, entertaining and different. There is a light humor woven into the story...This is a great debut novel in a new series and I am going to be looking out for the next installments!" Paranormalromancenovel.com

The Ghost in the Graveyard

Greyfriar's Cemetery in Edinburgh has a centuries old reputation for being haunted. Its gruesome history includes use as a mass prison, headstone removal, witchcraft, bodysnatching, desecration, corpse dumping and live burial. In 1998, something new and inexplicable began occurring in the graveyard. Visitors encountered 'cold spots', strange smells and banging noises. They found themselves overcome by nausea, or cut and bruised by something they could not see. Over the space of two years, twenty-four people were knocked unconscious. Homes next to the graveyard wall became plagued by crockery

smashing, objects moving and unidentified laughter. Witnesses to these attacks ran into the hundreds. There were two exorcisms of the area. Both failed. The section of Greyfriars where the attacks occurred is now chained shut. The entity responsible has been named the 'Mackenzie Poltergeist'. It has become one of the best-documented and most conclusive paranormal cases in history. The Poltergeist is still growing stronger. This is its story.

The Ghost That Haunted Itself

Legends of abandoned old graveyards and some not so abandoned abound—the crying dog in the cemetery well, the wandering ghost of Long Tom March, who carries a deck of cards and won't rest until he finds a winning poker hand. Next to a graveyard where an arm is buried, the old piano in the forgotten church plays. These and other tales along with some more recent real-life experiences will intrigue you, skeptic or not. Read the tales with an open mind. They are for pleasure, a bit of paranormal, a little seriousness, and hopefully a laugh or two. If you are a nonbeliever in the supernatural, you may change your skepticism is etched in stone. Then again the author learned that nothing is etched in stone forever. This humorous book also includes some unusual coffins, tombstones, and epitaphs as well as some early Texas burial traditions.

The Restorer

Midnight. Some call it the witching hour. Others call it the devil's hour. Here in the graveyard, midnight is a very special time. It is a time when ghostly spirits are at their strongest, when the veil between our world and theirs is at its thinnest. Legend has it, that while most of the world is asleep, the lack of prayers allow the spirits to communicate under the cover of darkness, among the headstones, their whispers rustling in the leaves of the old oak trees. But if you're here in the graveyard, you can tell yourself it's just the wind, that the moonlight is playing tricks on your eyes, that it's only the swirling mist you see. But when you hear the graveyard gate clang shut, the dead have something to say. Here are their stories...

- Pretty in Pink: The ethereal ghost of the Pink Lady floats over the graves of the Yorba Cemetery in Yorba Linda, California—on June 15 of even-numbered years, that is.
- The Queen of Voodoo: The restless spirit of Marie Laveau, the nineteenth-century Queen of Voodoo, is said to appear in New Orleans's St. Louis Cemetery No. 1 in the form of a gigantic black crow or a phantom black hellhound—when she's not walking through the French Quarter.
