Edupreneur: How To Monetise Your Expertise and Profitably Educate Your Market

In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, Germania is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

What Extraordinary People Know

When life-changing pain is coupled with the welcoming of a new story for yourself, the word bittersweet just doesn't do it justice. You are quite literally in the middle - anchored between where you thought you were headed and where you're going now. In that uncertain middle space is where this story takes place, and maybe where you find yourself, too. The life Kelsey Baldwin had imagined for herself, the one she was right in the middle of, quickly crumbled around her on a single day as she was faced with a looming divorce while staring at a positive pregnancy test. It wasn't the way it was supposed to go. With each uncertain transition she went through - divorce, pregnancy, giving birth, moving cities, dating, raising a child without a partner - she clung to what she knew for sure: she was a strong girl and a brave girl, and the middle was not the ending. (Spoiler: that's why it's called the middle.) My story might look really different than yours, but I'm willing to bet you find threads from my messy middle that are also woven into yours.

Gateway to American Economics

When a government test programme uncovers Iris has a unique gift which can ensure the survival of millions of people around the globe, her young life changes forever. Her DNA and other biological material enable many diseases and conditions to be cured, but what about Iris? Trapped in a government research facility she becomes little more than a lab rat. That is until a young, disaffected journalist called Jade, and a group of revolutionaries known as The Resistance embark on a mission to free her. Working undercover, and following a well-conceived plan, the close-knit team steal Iris away from The Institute and the immoral forces which control her life. With the help of Jade and Dr Rosen, who has a personal connection with Iris, the young, innocent girl undergoes an extensive, emotional and heart-wrenching detox. But just as she discovers some semblance of 'normal' life, the inevitable happens. Will she and her new protectors escape The Authorities once more? Or will The Authorities use whatever means necessary to capture and incarcerate Iris forever this time? This intense, atmospheric and unsettling sci-fi thriller will get deep inside your head and very quickly, you'll be rooting for good to outwit evil. Find out more in the 'Look Inside' feature and prepare yourself for a chilling rollercoaster of a read.

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show with Trevor Noah*, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.

From e-commerce to cloud computing, Amazon continues to disrupt industry after industry. For some time now, their wide reach has extended into publishing. Since its inception in 2007, Kindle Direct Publishing (KDP) has taken the industry by storm, enabling fledgling writers to bypass the hurdles of

traditional publishing and appeal directly to their readership. The stigmas have faded, self-publishing is the future of publishing, and--from the looks of things--Amazon KDP is the future of self-publishing. Not only is it the future, but as of now, KDP is the best option for writers looking to self-publish while making a real, livable income. The benefits of publishing through Amazon are immense. There are virtually no barriers to entry. If you have your manuscript and book cover ready right now, your book can be listed on the Amazon marketplace by tomorrow. Moreover, KDP gives you free and immediate access to the largest reader base in the world. Do you have an idea for a book but are not sure what exact action steps to take? Are you simply looking for a way to make a few thousand dollars (or potentially more) in passive income per month? If so, then you've come to the right place. In this book, I will show you exactly how to turn your idea into a professional Amazon listing that will earn you--assuming you follow my guidelines closely--at least \$500 per month for each book you publish. This book covers everything you need to know about publishing on Amazon, including how to find the most profitable book ideas, how to obtain cover designs that sell, how to format your book for KDP, how to grow sales with Amazon Ads, and much more! I hold nothing back in this comprehensive book on self-publishing. Learn everything I've picked up over my many years of experience as a self-published author, and see for yourself how I make at least \$500 per month on every book I write.

Tu Libro en la Librería Más Grande Del Mundo

El objetivo de este libro es brindar una guía paso a paso para que tú como autor(a), escritor(a), conferencista, profesional, estudiante, ama de casa... publiques de una forma práctica y sencilla tu libro en Amazon y recibas las regalías por tu libro en más de 200 países del mundo incluida Latinoamérica."Cuando estaba en la oficina de un diario local dejando la publicidad para contratar un programador, se acercó un señor de aproximadamente unos 55 años, quien manifestó a la recepcionista que era autor de un libro... Lo saludé y felicité por haber escrito el libro y por curiosidad le pregunté: ¿por qué no publica su libro en versión digital en la librería más grande del mundo como es Amazon.com? y así el libro no sólo sería conocido a nivel local, sino también a nivel mundial. A lo cual él me contestó: que había "escuchado de Amazon, e incluso había comprado unos libros y los leía en su computador, pero no sabía cómo publicarlos y peor aún cómo cobrar (recibir) el dinero"...Por esto y varias razones más, me sentí en la obligación de escribir este libro manual, el cual sea una guía paso a paso y responda a estas dudas y te ayude a materializar el sueño de ver publicado tu libro en la gran librería de e-books Amazon Kindle.El próximo Best Seller puedes ser tú, así como 50 sombras de Grey, empezó como un ebook, luego fue publicado en Amazon..., posteriormente lo vendieron en físico las editoriales e hicieron una película.En este libro no te enseñare a redactar o escribir un libro, pues ese es una arte, lo que sí obtendrás es una Plantilla en Microsoft Word, configurada con las especificaciones de Amazon Kindle.Y por supuesto aprenderás cómo:* proteger tus derechos de autor (a), * publicar en Amazon Kindle, * hacer la portada de tu libro con una herramienta gratuita, * crear tu página de autor Amazon (desconocido por algunos Best Seller y Gurús del Internet) * cobrar fácilmente tus regalías por la venta del libro y* retirar el dinero en un cajero automático de tu ciudad y/o usarlo para compras del supermercado o tiendas online.¡Que disfrutes de mi libro!Tu servidor, Franklin Matango Proaño"Manos que dan, mano que reciben"

Publica Tu Libro En Amazon Con Mi Ayuda

Publica tu libro en Amazon con mi ayuda personal y con mi estrategia. Publica con la garantía y el sello de Esther Llull en Amazon. Se introduce un cambio de mentalidad desde el soporte físico a la inmaterial nube, de la era analógica a la digital. ¿Qué libro me llevaría a una isla desierta? Esas son las ventajas y posibilidades del libro digital. Las premisas y herramientas necesarias están en Word y en Kindle pasando por archivos de pdf, epub o mobi. Un documento en Word sería mi preferido para empezar. Y luego empezaríamos a paginar el libro y a crear un índice digital y un encabezamiento y un pie numerado de páginas. Por la primera copia en papel, que recibes en tu casa por correo oficial, sólo pagas 19,90 € y, entonces, tú eres quien decides si seguir adelante con la publicación si ésta es de tu agrado. Entonces tienes que crear tu propia página en Createspace.com de Amazon para poder crear más copias y donde podrías tener la contabilidad futura de tus propias ventas e ingresos y llegando a los mercados internacionales en digital y papel. Se aceptan manuscritos originales a mano y/o en digital, preferiblemente en Word o Pdf. Por el proceso siguiente de publicación y maquetación te comprometes a pagar 59,90 € en una cuota del primer mes, y una cuota igual más en el plazo del mes siguiente. Entre estos dos meses mientras se recibe el pago recibirás dos ejemplares más, uno por cada pago, y luego tú tendrás acceso exclusivo mediante la creación de tu propia contraseña en la página de creación y publicación de Amazon. Es muy fácil. Se puede experimentar en el primer mes para verificar los pasos y comprobar el acceso hasta tu libro y que tú tienes el control y podrías hacerme todas las preguntas que quieras hasta que lo domines. Lo importante son los pasos profesionales de la publicación y maquetación que exigen una gran técnica y en eso es en lo que yo te doy prestación, en el resto de los pasos de reproducción, distribución y expansión de copias tú empiezas a ser tu propio protagonista y quien recibe los futuros ingresos por las ventas de Amazon. Estos dos pagos se hacen a la cuenta mía de Amazon, a través de la plataforma de Amazon, por lo que no tienes que comprometer tu privacidad sino simplemente ser cliente o usuario de Amazon para que estos lleguen por su mediación directamente hasta mí. Se podrá hacer mediante la descarga de tres de mis libros en formato de tapa blanda hasta complementar la cantidad correspondiente establecida teniendo como comprobante el email de su compra que se me reenviará. El primer pago atinente a la primera copia también se hará mediante la descarga de este libro en formato de tapa blanda para complementar dicha cantidad. Te deseo buena suerte en tu próximo libro electrónico a escribir y publicar conmigo y con un trato personalizado, amable y formal. Puedes descargar la muestra gratuita de este libro no aquí (tapa blanda), sino en la muestra digital (ebook) del libro en Kindle, que se muestra en el otro formato. También puedes encontrarme en Facebook: Ishtar Terra Esther Llull.
