

The Quiet American Graham Greene

[#The Quiet American](#) [#Graham Greene](#) [#Vietnam War novel](#) [#political fiction](#) [#classic literature](#)

Explore Graham Greene's iconic novel, 'The Quiet American,' a gripping tale set during the nascent Vietnam War. This powerful story delves into a complex love triangle between a cynical British journalist, an idealistic American operative, and a beautiful Vietnamese woman, offering a poignant critique of foreign intervention and the clash of ideologies.

SWEET KYRA and the American Dream

Prepare to sweep thru an epic American tale with Sweet Kyra Fjord, a woman for all seasons, as she transforms from an obese girl into alluring, brilliant womanhood: A poet, philosopher, journalist and mother, with a penetrati ng view of the human conditi on. High-adventure-and acti on? You bet! - Flashing you through her family story from the Civil War to modern Chicago. From the moment they meet as children, Sweet Kyra soars in adventures with cousin Helga Steinhoff , whose family story takes us back to the Nazi Lebensborn program to create a master race; and best friend Susan Mifume whose ninja, samurai and kamikaze forebears excelled in World War II. Writi ng from an intriguing female point of view, Onin weaves a big story in a unique short literary form including poetry, that misses no riveti ng detail. Bizet?s opera Carmen overarches as a connecti ng force for many enchanti ng characters. And of course, an evil Dragon threatens Sweet Kyra?s life?enjoy.

How Sweet It Is

The first Black woman elected to statewide office in Virginia reveals in her memoir how her Christian faith, unwavering patriotism, and fervent commitment to conservative principles propelled her to serve and sacrifice for her country and a better future. Winsome Earle-Sears sent shock waves across Virginia and the country at large when she pulled off her stunning upset victory in November 2021 and became the first woman lieutenant governor of Virginia and the first Black woman, the first naturalized female citizen, and first female veteran elected to statewide office. She earned intense national coverage because of her unwavering support for Second Amendment rights and her strong commitment to education opportunity for all students. Now in her memoir, How Sweet It Is, Winsome will tell her story and explain how she arrived at that historic moment in time. A devout Christian, Winsome is also a true believer in the promise of the American Dream. Her father was approved to immigrate to the U.S.A. and left Jamaica, arriving in America on August 11, 1963, with only \$1.75 in his pocket. Winsome joined him when she was just six years old, and ever since she has never ceased enthusiastically bucking conventions, defying expectations, and charging straight toward challenges. Winsome's remarkable story is one of faith and family, personal loss and perseverance, philanthropy and patriotism, service and sacrifice. But through it all, her Christian faith sustained her, drove her, and compelled her to

give back to her community and her country. Her unyielding belief in the fundamental righteousness of America stands in stark opposition to the increasingly pervasive ideologies that are dividing the country. In *How Sweet It Is*, Winsome encourages Americans to never stop fighting for their country and shows them how to chart a new path forward.

The Tortilla Curtain

When Delaney Mossbacher knocks down a Mexican pedestrian, he neither reports the accident nor takes his victim to hospital. Instead the man accepts \$20 and limps back to poverty and his pregnant 17-year-old wife, leaving Delaney to return to his privileged life in California. But these two men are fated against each other, as Delaney attempts to clear the land of the illegal immigrants who he thinks are turning his state park into a ghetto, and a boiling pot of racism and prejudice threatens to spill over.

My (Underground) American Dream

A National Bestseller! What does an undocumented immigrant look like? What kind of family must she come from? How could she get into this country? What is the true price she must pay to remain in the United States? JULISSA ARCE knows firsthand that the most common, preconceived answers to those questions are sometimes far too simple-and often just plain wrong. On the surface, Arce's story reads like a how-to manual for achieving the American dream: growing up in an apartment on the outskirts of San Antonio, she worked tirelessly, achieved academic excellence, and landed a coveted job on Wall Street, complete with a six-figure salary. The level of professional and financial success that she achieved was the very definition of the American dream. But in this brave new memoir, Arce digs deep to reveal the physical, financial, and emotional costs of the stunning secret that she, like many other high-achieving, successful individuals in the United States, had been forced to keep not only from her bosses, but even from her closest friends. From the time she was brought to this country by her hardworking parents as a child, Arce-the scholarship winner, the honors college graduate, the young woman who climbed the ladder to become a vice president at Goldman Sachs-had secretly lived as an undocumented immigrant. In this surprising, at times heart-wrenching, but always inspirational personal story of struggle, grief, and ultimate redemption, Arce takes readers deep into the little-understood world of a generation of undocumented immigrants in the United States today- people who live next door, sit in your classrooms, work in the same office, and may very well be your boss. By opening up about the story of her successes, her heartbreaks, and her long-fought journey to emerge from the shadows and become an American citizen, Arce shows us the true cost of achieving the American dream-from the perspective of a woman who had to scale unseen and unimaginable walls to get there.

Iris

Have you ever been "the new girl"? Everyone feels like an outsider sometimes, but when you move to America from Holland, you really are the new girl. Iris Beekman is finally getting used to having divorced parents when her mom informs them all that she's taken a teaching job in America. The panic attacks Iris has had since Dad left start up again, and her older brother Pim makes it clear to everyone that he's not happy about the move. But with their beloved grandma in tow, Iris and her siblings move to California with their mom to start a new life. In America, Iris meets new friends, goes on a field trip to the Golden Gate Bridge, dresses up for Halloween for the first time, and joins an after-school committee to help plan the winter dance. But even as things are falling into place for her, they're falling apart for her brother. Pim hides in his room, sulks around the neighborhood, and gets into trouble with the police on Halloween night. And just when Iris thinks things can't get any worse, Pim decides it's time to start scheming about how they can get their parents back together. Will Pim get his three-part plan to reunite their parents off the ground in time to break up Dad and his girlfriend? Will Iris be able to keep her anxiety in check when Mom starts dating a fellow college professor? And will the family pull together or fall apart when tragedy strikes? Follow Iris as she goes in search of her American Dream. (This series is perfect for middle grade readers and those who love the 'American Girl' books, but its family topics and real-life drama make it a solid read for all ages!)

Jason & Kyra

For use in schools and libraries only. Handsome and popular Jason tries to come to terms with his irascible, often absent father and his growing attraction to the quiet, studious Kyra.

Athene

Contains biographical sketches of writers who either began writing novels after 1945 or have done their most important work since then.

Statement

On the day of her late husband's funeral, widow Kyra Latimer is confronted by a young woman claiming to be her long-lost daughter, given up for adoption twenty years earlier, who leaves her toddler son with his "grandmother" to raise among the eccentric members of Kyra's famous British theatrical family

America, Here I Come!

Billionaire businessman Nathan intends to win a bet that says he can find a woman to love him for something other than his money, and when he is helped out by new assistant Chloe when he is sick, he sees his chance.

American Novelists Since World War II.

A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of "friend" gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful.

JOHN SIMON ON FILM: CRITICISM 1982-2001

Compendium of Early American Folk Remedies, Receipts & Advice

Book Review Index provides quick access to reviews of books, periodicals, books on tape and electronic media representing a wide range of popular, academic and professional interests. The up-to-date coverage, wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool. More than 600 publications are indexed, including journals and national general interest publications and newspapers. Book Review Index is available in a three-issue subscription covering the current year or as an annual cumulation covering the past year.

Second Time Around

The "Index to Dance Periodicals," prepared by the staff of the Dance Division of The New York Public Library for the Performing Arts, indexes current periodical literature on dance and dance-related topics. This "Index" provides easy access for the scholar, student, performer and general interest researcher. From professional to artistic, from scholarly to popular, the articles represent a multitude of topics and issues illustrating the present diversity of the dance field, and are international in scope. Although most of the thousands of articles in each annual volume are in English, three foreign language periodicals have also been indexed. The "Index to Dance Periodicals" supplements the annual "Bibliographic Guide to Dance," which lists bibliographic citations to all forms of materials, including rare treatises and visual materials, cataloged each year by the Dance Division of New York Public Library for the Performing Arts. The entire catalog of the Dance Division of the New York Public Library for the Performing Arts is cumulated each year in G.K. Hall's annual CD-ROM, "Dance on Disc," which contains more than 200,000 catalog entries, representing all forms of materials. Also, "Dance on Disc" now contains the Dance Division authority file of 165,996 standardized forms of proper names for people, dance companies, titles of choreographic works and subjects. The authority file includes cross-references, clarifying notes, and first performance information for staged choreographed works, including location, date, choreographer, other credits and dance company. Periodicals indexed include: "American Journal of Dance Therapy Attitude: The Dancers? Magazine BalletReview Ballett International/Tanz Aktuell

[English edition] Ballett-Journal/Das Tanzarchiv Brolga: an Australian Journal about Dance Choreography and dance Contact Quarterly Current Biography Yearbook" (Occasionally indexed for articles pertinent to the dance field) "Dance Australia Dance Chronicle Dance Europe Dance International Dance Magazine Dance Research (London) Dance Research Journal Dance Teacher (Formerly Dance Teacher Now) Dance Theatre Journal Dancing Times Danser Skating Tanzdrama Magazine "

A Taxonomy of Love

Describes and rates more than twenty thousand videos, and provides indexes by theme, awards, actors, actresses, and directors.

John Simon on Film

Animal and human parents show unconditional love for their babies.

Time

How many girls can say their first kiss was with a prince in the British royal family? I was fourteen and he was sixteen, and yes, it was magical. But that kiss didn't exactly change my life. To tell you the truth, I didn't even think about it-or Nicky Windsor-for the next ten years . . . until fate, in the guise of my grandparents, brought us back together again. Now everything has spun out of control. I'm ducking reporters and photographers when I try to leave home. My friends act as if I'm someone they don't know anymore. The whole world seems to be watching me, wanting to see some kind of modern Cinderella story. But trust me, I'm no man's princess. I'm more comfortable in tennis shoes than in a tiara, more likely to rock a bucket than a ball gown, and more liable to fall on my face than to pull off a graceful wave. The only thing that keeps me from running away and hiding is Nicky. He's all I've ever wanted in a man: hot, hunky and head-over-heels in love with me. I think I feel the same way. I think I want to be with him forever. But the idea of life with the royal family terrifies me. Even if I have found my one and only, can I handle what comes after our happy ending?

Book Review Index - 2009 Cumulation

Food Snob n: reference term for the sort of food obsessive for whom the actual joy of eating and cooking is but a side dish to the accumulation of arcane knowledge about these subjects From the author of The United States of Arugula--and coauthor of The Film Snob's Dictionary and The Rock Snob's Dictionary--a delectable compendium of food facts, terminology, and famous names that gives ordinary folk the wherewithal to take down the Food Snobs--or join their zealous ranks. Open a menu and there they are, those confusing references to "grass-fed" beef, "farmstead" blue cheese, and "dry-farmed" fruits. It doesn't help that your dinner companions have moved on to such heady topics as the future of the organic movement, or the seminal culinary contributions of Elizabeth Drew and Fernand Point. David Kamp, who demystified the worlds of rock and film for grateful readers, explains it all and more, in The Food Snobs Dictionary. Both entertaining and authentically informative, The Food Snob's Dictionary travels through the alphabet explaining the buzz-terms that fuel the food-obsessed, from "Affinage" to "Zest," with stops along the way for "Cardoons," "Fennel Pollen," and "Sous-Vide," all served up with a huge and welcome dollop of wit.

Pure-bred Dogs, American Kennel Gazette

If Lord Donovan Trent had his way, he would spend his days carelessly wooing the women of London society. Instead, he found himself banished to the English countryside of Cornwall, forced by the decrees of his father's will to run his family's tin mines and find a country bride. The last thing the handsome lord needed was a local lass sticking her nose into his affairs, but that seemed to be exactly what the parson's daughter Corisande Easton had in mind. "It's been five months since my last four-heart rating, but this book was worth waiting for. Miriam Minger's *Secrets of Midnight* wins with a finely woven story . . . a marvelous tapestry of plots." – The Atlanta Journal-Constitution "A sumptuous and enjoyable read!" - Romantic Times "Miriam Minger is a master storyteller who illustrates the full gamut of emotions felt by her characters. Emotions so strong that you are pulled into the pages and into their lives." – Inside Romance "With Miriam Minger, you're assured of a good read!" - Heartland Critiques Enjoy all five books in Miriam Minger's bestselling *The Man of My Dreams* Series: Book 1: *SECRETS OF MIDNIGHT* (Donovan and Corisande) Book 2: *MY RUNAWAY HEART* (Jared and

Lindsay) Book 3: MY FORBIDDEN DUCHESS (Walker and Marguerite) Book 4: KISSED AT TWILIGHT (Adam and Linette) Book 5: MY FUGITIVE PRINCE (Valentin and Estelle)

Index to Dance Periodicals

In 2011, Showtime premiered *Shameless*, a comedy-drama about the audacious behaviors of the Gallaghers, a white, working-class family living in Chicago's South Side. In 2020, the series headed into the production of its eleventh and final season, making it the longest-running original scripted program in Showtime's history. *Shameless* explores topics such as poverty, alcoholism, teen pregnancy, and mental illness. The series has been credited with "reinventing working-class TV" and for humanizing groups that are typically "othered" or simply laughed at. However, others have critiqued the show for relying on and promoting stereotypes, and for the cavalier ways in which it portrays controversial social issues like rape and abortion. *Shameless Sociology: Critical Perspectives on a Popular Television Series* offers a critical eye toward topics such as gentrification, pregnancy and abortion, racial and gender inequality, and homophobia, and illustrates the ways in which *Shameless* sometimes confronts and topples stereotypes, yet, at other times, serves to reinforce and perpetuate them. Given the broad appeal of the show and the diverse topics it covers, this book will appeal to the general public, as well as researchers of media, culture, and social inequalities, and undergraduate and graduate students at institutions of higher education.

Index to Dance Periodicals 2001

College junior Sara Barnes thought her life was totally under control. All she had to worry about was her final exams, Christmas shopping, applying to medical school – and what to do about the cute freshman in the next dorm with a crush on her. Everything was going according to plan, until the night she started seeing other people's dreams. It's bad enough that Sara is learning more than she ever needed to know about her friends and classmates, watching their most secret fantasies whether she wants to or not. Much worse are the other dreams, the ones she sees nearly every night, featuring a strange, terrifying man who commits unspeakable crimes. Now Sara wonders if she's the only witness to a serial killer – and the only one who knows when and where he's going to strike next. *Dream Student* is the prequel to the *Dream Doctor* Mysteries.

Drum

"The eagerly anticipated follow-up to Heidi Swanson's James Beard-nominated *Super Natural Cooking* features 100 vegetarian recipes for nutritious, gratifying, weekday-friendly dishes from the popular blogger behind *101 Cookbooks*. In *Super Natural Cooking*, Heidi taught us how to navigate a healthier, less-processed world of cooking by restocking our pantries and getting acquainted with organic, nutrient-rich whole foods. Now, in *Super Natural Every Day*, Heidi presents a sumptuous collection of seductively flavored dishes that are simple enough to prepare for breakfast on the fly, a hearty brown bag lunch, or a weeknight dinner with friends. Nearly 100 vegetarian recipes, including Pomegranate-Glazed Eggplant, Black Sesame Otsu, Mostly Not Potato Salad, Chickpea Saffron Stew, Salted Buttermilk Cake, and a new version of the ever-popular Pan-Fried Beans and Greens, are presented in Heidi's signature nonpreachy style. Gorgeously photographed, this stylish cookbook reveals the beauty of uncomplicated food prepared well and reflects a realistic yet gourmet approach to a healthy and sophisticated urban lifestyle"--

Newsweek

Sixteen-year-old Sera is the only survivor of an explosion on a plane. She wakes up in hospital to find that she has no memory. The only clue to her identity is a mysterious boy who claims she was part of a top-secret science experiment. The only adult she trusts insists that she shouldn't believe anything that anybody tells her. In a tense and pacy novel exploding with intrigue and action, Sera must work out who she is and where she came from. Eventually she will learn that the only thing worse than forgetting her past is remembering it.

Videohound's Golden Movie Retriever

'You'll laugh like a drain' Stylist *Dear Girls* is Ali Wong's collection of heartfelt and hilarious letters to her daughters covering everything they need to know in life, like the unpleasant details of dating, how to be a working mum in a male-dominated profession and how she trapped their dad. She shares the

wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (and the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam and parenting war stories. Ali Wong's letters are absurdly funny, surprisingly moving and enlightening (and gross) for all.

Catalog of Copyright Entries

Katie Takeshima's sister, Lynn, makes everything seem glittering and shining. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always something glittering in the future.

I Am Not Ashamed of the Gospel of Christ for It Is the Power of God unto Salvation to every One That Believeth to the Jew First and Also to the Greek

There Is no Power except the Power of Almighty God

The Power of the Spirit

The Mighty Signs and Wonders by the Power of the Spirit of God

No Substitute for the Work of the Holy Spirit

The Power of the Holy Spirit That Brings all of God's Resources to You

When Did Saul Become Paul

The Filling of the Holy Spirit

The Quickest Way for God To Take His Hand off of Your Ministry

God Does Not Fill You To Fill You

Divine Miracle of Salvation
