Episode 35, The Economics of Construction - Episode 35, The Economics of Construction by ConstructechTV 7,687 views 5 years ago 33 minutes - Peggy Smedley kicks off a new episode, talking about infrastructure, labor, and technology. She narrows in on the **economics**, of ...
Peggy takes a look at the economics and cost of a jobsite accident, and shares an example from John Parker, vice president, Elzinga & Volkers, about how it is turning a paradigm shift upside down.
Peggy takes a closer look at market forecasts with Ed Zarenski, analyst and educator looking at the future of construction with a focus on potential market hurdles.
Economist Bernie Markstein of Markstein Advisors, and Peggy weigh in whether trade is good or bad—and discuss the controversy surrounding trade issues.
Peggy wraps up the show by giving viewers an inside look at five facts you might not know about tariffs, and the impact it is having on the construction industry.
