Flames at Twilight

It is July 384 when Roman officer, Calpurnius Potitus, receives a script from the emperor of Rome that he must take one hundred men with him to Britannia to reinforce the Roman army and protect the population from hostile marauders, especially the Celts from Hibernia who frequently invade the coastlands to murder and capture citizens. After a stunned Calpurnius reluctantly notifies his wife and teenage son, Succat, of the impending upheaval in their lives, he gathers his men and begins a dangerous journey into Britannia where uncertainty awaits. A year after their arrival, all seems surprisingly well until their world comes crashing down without warning. After the Celts invade, capture Succat, and transport him to Ireland to become a slave, Calpurnius's son sets out on a valiant quest to survive that eventually leads him to a monastery on the island of Saint-Honorat. As Succat leaves his old life behind, the abbot assigns him a new name. While Ptraic becomes a man of God committed entirely to the will of the Most Holy Trinity, he rises up to accept his destiny to bring Christianity to the

Emerald Isle. *Flames at Twilight* shares a fascinating tale that celebrates the remarkable journey and life of Saint Patrick.

Concerned only with having fun and going on his next wildlife adventure, he flies across the ocean at a moment's notice to team up with a lost desert tribe of gypsy cobras in Kalbelia, India, to immerse himself in their lost culture. And it is there, where he challenges the king of all cobras but after playing with the dangers of the animal kingdom, he finally falls in love with the intriguing gypsy girl who makes his heart dance. Miller has always been all about laughter, daring, and the wilds of nature, but love is another side of life, one that is sweet and sacred and opens him up to a new type of spirituality. Out on their desert oasis, far away from his home in Australia, Miller grows into something deeper than his action hero exterior. As his own heart is caught unexpectedly by the special gypsy girl, he realizes that for all his skills, even a god of nature like him can be surprised by what's out there. Finally, he learns the sweet joys of falling in love, the other half of the natural world. And he will never be the same. A fun-filled, feel-good read, this spiritual tale explores every side of the natural world, from the bite of the king cobra to the gentle joys of falling in love. Everyone's favourite adventurer finally happens upon the love of twin flames. Back Cover text: Miller, a wildlife expert, celebrity conservation leader, and educational entertainer, much-adored by millions for being a real god of Nature on Earth, feels the pulling pangs of love drawing on his heartstrings as he falls in love in Kalbelia, India, with the sweet and seductive desert rose, Sunya, who works as the translator and tour guide appointed by her tribe of gypsy cobras. When I wrote my last book, the Spirit showed me that the cleansing of the Temple by Jesus in the gospels is connected to the visit of the Lord to His people in Malachi 3, where He comes as a Refiner's fire. This end-time cleansing of the temple will be accomplished by the plaited 3-fold whip woven together by the Spirit. These 3 portions will be His fire, His revelation light and the end-time wine imparted to a company of messengers who would also be consumed with zeal for His house. In Mark 11, Jesus plaited this whip and drove out all who were connected to merchandising the temple 3&1/2 days before He uttered the words, ""It is finished"" and yielded up His spirit. What occurred in these 3&1/2 days before His death gives us some understanding of what will unfold in the 3&1/2 years of the ministry of the end-time witnesses. Here is an account of the work of the end-time fire.

The Book of End-Time Fire

A National Bestseller! The great filmmaker Werner Herzog, in his first novel, tells the incredible story of Hiroo Onoda, a Japanese soldier who defended a small island in the Philippines for twenty-nine years after the end of World War II. In 1997, Werner Herzog was in Tokyo to direct an opera. His hosts asked him, Whom would you like to meet? He replied instantly: Hiroo Onoda. Onoda was a former soldier famous for having quixotically defended an island in the Philippines for decades after World War II, unaware the fighting was over. Herzog and Onoda developed an instant rapport and would meet many times, talking for hours and together unraveling the story of Onoda's long war. At the end of 1944, on Lubang Island in the Philippines, with Japanese troops about to withdraw, Lieutenant Hiroo Onoda was given orders by his superior officer: Hold the island until the Imperial army's return. You are to defend its territory by guerrilla tactics, at all costs. . . . There is only one rule. You are forbidden to die by your own hand. In the event of your capture by the enemy, you are to give them all the misleading information you can. So began Onoda's long campaign, during which he became fluent in the hidden language of the jungle. Soon weeks turned into months, months into years, and years into decades—until eventually time itself seemed to melt away. All the while Onoda continued to fight his fictitious war, at once surreal and tragic, at first with other soldiers, and then, finally, alone, a character in a novel of his own making. In *The Twilight World*, Herzog immortalizes and imagines Onoda's years of absurd yet epic struggle in an inimitable, hypnotic style—part documentary, part poem, and part dream—that will be instantly recognizable to fans of his films. The result is a novel completely unto itself, a sort of modern-day Robinson Crusoe tale: a glowing, dancing meditation on the purpose and meaning we give our lives.

Best known for his poetry, William Butler Yeats dedicated a large part of his life to Irish folklore. His aim was to study the mythic and magical roots of the Irish tales, which resulted in this great "handful of dreams," as the author called it. "The Celtic Twilight" invites you into the eerie and puckish world of fairies, ghosts, and spirits. Its title referred to the pre-dawn hours when the Druids performed their rituals. Yeats wrote the book from stories recounted to the poet by his friends, neighbors, and acquaintances.
