### Shalom in Psalms

"The son of a Jewish father and Baptist mother, Paul Wilbur grew up attending synagogue. In college he was transformed by a Baptist minister's teaching about a rabbi, Jesus, who fulfilled the promise of the Torah. As he grew in his relationship with Jesus, Wilbur was reintroduced to the God of the Old Testament and began exploring his Jewish heritage. Along the way, he discovered the power of Jewish worship traditions—the weekly Shabbat, with the power of Holy Communion and dedication to family, along with other high holy traditions and feast days. Observing those ancient rituals, now infused with the power of the Holy Spirit, Wilbur heard a sound that he describes as a "roar from Zion." As evangelicals came to understand and incorporate ancient Jewish worship practices in their home and church lives, miracles broke out, fathers assumed their roles as the head of their families, prodigal children returned home, and marriages were restored. What began with one man is now becoming a movement, with tens of thousands taking part"--

In this stirring book, world-renowned worship leader Paul Wilbur gives an eye-opening and inspirational charge to the people of God: Look at the Scriptures; look at the increasingly chaotic state of the world; look at the outpouring of the Spirit in the nations, while much of the Church of America slumbers in compromise; look at the rising tide of hatred of Jews and Christians around the globe; look at how God continues to unfold His promises to Israel—and then lift up your eyes, and look to the King in adoration and expectation. He is coming soon!

Are your roots firmly grounded in Scripture? The destiny of Israel and the Christian Church is bound together, evident in the Scriptures. Learning this truth is essential for survival. Jewish Roots—A Foundation of Biblical Theology is an introduction to biblical theology from a Jewish contextual point of view plus practical evaluation and council for the Messianic Jewish communities and the Christian Church. Jewish Roots presents the fundamentals regarding biblical theology, Israel and the Church, the Jewish people, the Messianic Jewish community, and much more. Important matters are discussed such as the relationship of law and grace, the role of the Spirit, and an approach to Judaism. This new edition considers recent biblical scholarship and evaluates the progress of the Messianic Jewish community—a pulsating grass roots movement among Jewish and non-Jewish followers of Jesus of Nazareth who recognize and identify with their Jewishness. Messianic Judaism and Messianic Jewish biblical theology are significant not only to those who are part of Messianic Jewish congregations—indeed, because the destiny of Israel and the Church is bound together, Messianic Jewish theology has implications of great importance for all people worldwide

Published in the year of the school's 125th anniversary, Hail Mount Hermon! A Tribute is a tribute not only to the school's founders, principals and teachers but also to all Hermonites (alumni) of all eras and ages who have great love and affection for their alma mater and hopes that Mount Hermon School looks back to its great legacy and lives on to reach greater heights. The book chronicles the school's tragic beginning soon after its opening in 1895, founding of Queen's Hill School in the beginning of the 20th century, the establishment of Mount Hermon School at the present campus in Darjeeling in 1929–30, and how the school has grown and progressed thereafter right up to the present era. Throughout its 125 years of existence (1895–2020), Mount Hermon School, founded by Christian missionaries of America in the latter part of the 19th century, had its share of ups and downs. However, the school was able to pull through hard times mainly because of the faith, dedication and determination of its leadership. Major events and renowned personalities of the school are well-documented in this book for posterity to note the spirit in which the school was initially founded and why it survived for so long despite trying circumstances to become one of the leading educational institutions in India. The efforts of the Hermonites and their concern for their alma mater to regain its past glory is recorded in the latter

part of this book. Their love and concern for their alma mater is a profound reflection of the spirit that not only gave birth to this great institution but kept it going in the past 125 years through troubled times.

Most people want to live forever. They desire long, healthy, fulfilling lives. But God has a bigger, better plan, though it comes at a cost. There is a training process that we need to go through. More than that, a complete change of heart is needed – we must be born again. And to follow Christ, our will must be submitted to His will, and our lives must be filled with His Spirit. There is only one way to eternal life. The Apostle Peter signed up for a life like that. He left his career, his family, and whatever meager enjoyments he might have had to follow a humble, nondescript Teacher named Jesus. During those three years of training, Peter was taught by the Master. Some of those lessons were not easy at all; yet Peter was given grace in the eyes of the Lord, and when he fell, the Lord forgave him, strengthened him, and kept him to the end. What about you? Do you need courage, strengthening, and training? In this book, J. Wilbur Chapman admonishes, teaches, and encourages. Chapman's love for the Lord and for His people shines clearly in his messages. He expounds on Scripture, relates real-life stories, and tells us about the only way to be saved – and how we may experience the fullness of life in Christ.

### Hail Mount Hermon! A TRIBUTE

What do current events in the Middle East have to do with the Kingdom of God-and why should believers care? Why should anyone care? Fresh from the "prophetic Scriptures" emerge ancient answers to modern-day questions that affect all people worldwide. Understanding the prophecy in Isaiah 19 brings sense to the seemingly nonsensical conflicts plaguing that vital region of the world. The Lord is preparing to propel Egypt onto a turbulent course of divine confrontation and spiritual breakthrough, leading to the entire nation of surviving Egyptians becoming worshippers of the Lord-and flowing into the other nations of the Middle East including Israel-"a blessing in the midst of the earth" (Isaiah 19:24). The culmination of these events will unite three revered and historic enemies in worship of the One

True God-resulting in a blessing to the whole earth and establishing His Kingdom on earth as it is in heaven!

### Nehemiah People

This is a treatise on family history and is primarily about three gentlemen and a woman. They represent ancestors, from three different generations, who nobly carried their family torch and established high standards to which succeeding generations would aspire. These ancestors respectively, are two male slaves, the son of a freed slave and a daughter of the son of a freed slave. Their lives spanned three vastly different eras of American history, and each of them remarkably exhibited immense courage, patience, intelligence, insight, resourcefulness, the ability to endure, the willingness to struggle and the faith to sacrifice against all odds. Embedded in their landscapes were enormous setbacks, perils and personal tragedy, however each of them elected to move forward in a bold and ambitious manner like the iconic "Iron Horse." At a juncture in American history when our individual futures are severely challenged, these four are featured because their stories are very illuminating, because they were, under the circumstances, heroic ancestors who withstood many of the challenges of their eras, because they possessed great character, and not because of any amount of materiality they accumulated. Their stories serve to memorialize the victims of bondage and Jim Crow and to communicate the history, culture and principles of two proud American families. There are noted ancestors of other families across this great country that deserve a similar distinction and maybe this treatise will inspire such an undertaking.

### The Whole Journey

Sensory language is commonly used to describe human encounters with the divine. Scripture, for example, employs perceptual language like 'taste and see that the Lord is good', 'hear the word of the Lord', and promises that 'the pure in heart will see God'. Such statements seem to point to certain features of human cognition that make perception-like contact with divine things possible. But how precisely should these statements be construed? Can the elusive notion of 'spiritual perception' survive rigorous theological and philosophical scrutiny and receive a constructive articulation? Perceiving

Things Divine seeks to make philosophical and theological sense of spiritual perception. Reflecting the results of the second phase of the Spiritual Perception Project, this volume argues for the possibility of spiritual perception. It also seeks to make progress towards a constructive account of the different aspects of spiritual perception while exploring its intersection with various theological and philosophical themes, such as biblical interpretation, aesthetics, liturgy, race, ecology, eschatology, and the hiddenness of God. The interdisciplinary scope of the volume draws on the resources of value theory, philosophy of perception, epistemology, philosophy of art, psychology, systematic theology, and theological aesthetics. The volume also draws attention to how spiritual perception may be affected by such distortions as pornographic sensibility and racial prejudice. Since perceiving spiritually involves the whole person, the volume proposes that spiritual perception could be purified by ascetic discipline, healed by contemplative practices, trained in the process of spiritual direction and the pursuit of virtue, transformed by the immersion in the sacramental life, and healed by opening the self to the operation of divine grace.

### The Sunday-school World

In Truly Free best-selling author Robert Morris invites us into a glorious truth—that the promise of being set free from the slavery of sin is a promise to be set free completely. Jesus said, “All authority in heaven and on earth has been given to me” (Matthew 28:18). As believers, we have Christ and never need to be afraid. Yet it’s also true that we are not immune to the effects of evil. Christ has conquered sin and death, but in his infinite wisdom—for reasons that are often difficult for us to understand—evil is still permitted to exist. Even if we’re saved and trust in Christ, we may still find areas in which we just can’t get victory. Maybe it’s a sin we’ve confessed again and again or a constant struggle with depression, anger, or lust. These long-imbedded patterns of shameful living continue to entangle us day after day, month after month, and even year after year. Although evil is real and Christians can be oppressed by it, we have the promise that the one who is in us is greater than the one who is in the world (1 John 4:4). Jesus saves us, trains us to resist the power of evil, and delivers us from anything that holds us back. With Jesus, we can be truly free forever.

### Three Iron Horses and a Butterfly

This is the introductory volume of a multivolume, verse-by-verse, interfaith rereading of the New Testament letter to the Ephesians. It looks to the Tiantai Buddhist master Zhiyi and his "threefold truth" to enhance our appreciation of nascent trinitarian themes in Ephesians. And it draws upon a broad array of scientific, theological, and philosophical thinkers in aid of rejecting the epistle's ancient, geocentric cosmology and its accommodations to the misogynistic, patriarchal, and slaveholding norms of its first-century surroundings. As a whole, the work constitutes a twenty-first century apologetic for doctrinal humility and for theologizing within a global theological commons.
