Introduction

Its a Textus Receptus Bible

Why is it better than the King James Version

The NKJV is marketed as an update to the KJV

Not everyone likes the Received Text

Flawed?!? Just like the Critical Text?

the TR is closer the the Byzantine text than the Critical Text

Modern translations are bad and evil and from the Devil?

An analogy of accuracy and a ruler.

Should the NKJV be revised?

The New King James Version doesn't align with the TR but with the Critical Text?
