The Skylanders Mask of Power adventure continues, as Cynder teams up with Zook and Hex to confront a new foe: the Weather Wizard! Storm clouds are gathering - which wouldn't be unusual, if it wasn't for the fact that this is meant to be the Cloudless Desert! As weird weather reports flood in from all over Skylands, Cynder heads off on a mission to the Isle of the Undead to find out what's going on. Whatever it is, it definitely looks like rain! The secrets of the Mask of Power unfold further in this fifth novel in the story series from the pen of Onk Beakman. Based on the characters from the smash hit Skylanders video games.

Skylanders Mask of Power: Cynder Confronts the Weather Wizard

In this sticker story, Max and Ruby are celebrating Thanksgiving! Join them as they prepare their Thanksgiving meal, talk about what they're thankful for, read a book about the history of Thanksgiving, and much more.

Gill Grunt embarks on a series of adventures to save the Skylanders realm from danger.

Gill Grunt and the Curse of the Fish Master

When word reaches the Skylanders of a giant, ancient and deadly weapon, Spyro, Gill Grunt, Boomer and Eruptor set out to find it before the evil Kaos can get there first. Can Master Eon's group of heroes use their Elemental powers to save Skylands from The Machine of Doom? Find out in this hilarious and exciting novel starring the characters from the smash hit video game 'Skylanders- Spyro's Adventure'.

The Machine of Doom

"Tank Girl created by Alan Martin and Jamie Hewlett"--Copyright page.

Tank Girl

When a monster is born, there are two possibilities— Either it's a faraway-in-the-forests monster, or . . . it's an under-your-bed monster. If it's a faraway-in-the-forests monster, that's that. But if it's an under-your-bed monster, all sorts of comical things can happen. Read it at bedtime and laugh your pajamas off . . . or read it during the day and laugh your socks off!

When a Monster Is Born

The official story leading into the all-new Skylanders video game! The citizens of Skylands are in their most desperate hour as Kaos begins to tear the world apart with his newfound powers. Spyro and an elite group of Skylanders must enter an ancient and unknown part of Skylands and find the only hope left that can stand against Kaos' might! The origin story of the next big Skylanders video game starts right here!

Skylanders: Rift Into Overdrive

Doctor Who Atlas

After being in New Zealand for only five days, the English Chamberlain family vanished into thin air. Thirty years later, the remains of the eldest Chamberlain child are discovered in a remote part of the West Coast, showing he lived in the wilderness for four years. Where is the rest of the family? Up on the highway, the only evidence that the Chamberlains had ever been there was two smeared tire tracks in the mud leading into an almost undamaged screen of bushes and trees. No other cars passed that way until after dawn. By that time the tracks had been washed away by the heavy rain. After being in New Zealand for only five days, the English Chamberlain family had vanished into thin air. The date was 4 April 1978. In 2010 the remains of the eldest Chamberlain child are discovered in a remote part of the West Coast, showing he lived for four years after the family disappeared. Found alongside him are his father's watch and what turns out to be a tally stick, a piece of scored wood marking items of debt. How had he survived and then died? Where is the rest of the family? And what is the meaning of the tally stick?

The Tally Stick

When Shigeru Miyamoto created "Jumpman" for his new platform game, Donkey Kong, it's highly unlikely that he realised he was creating the most recognisable gaming character of all time. That's exactly what happened though, and after a quick name change to Mario as well as a change in job professions (he started off life as a carpenter) the mascot to end all mascots was born. Everyone remembers the first time they discovered the princess they were rescuing was in another castle, or their first encounter with Bowser. They remember the impact of witnessing a 3D Mario in Super Mario 64 or the time they teared across Rainbow Road in Super Mario Kart. There is no denying that Mario has had an incredible impact on the games industry. The Complete Book of Mario celebrates Nintendo's greatest star from Super Mario Bros to Super Mario Odyssey and every aspect of the popular character.

Invisible in the back of the class, 10th-grade loner Yugi always had his head in some game - until he solved the Millennium Puzzle, an Egyptian artifact containing the spirit of a master gambler from the age of the pharaohs! Awakened after 3,000 years, the King of Games possesses Yugi, recklessly challenging evildoers to the Shadow Games, where even the most ordinary bet may result in weirdness beyond belief ... and the loser losing their mind! Who will win the Game of Silence? Who will win the Game of One Digit - Yugi's thumb or a violent criminal's finger on the trigger of a gun? And what about the Game of Air Hockey With Explosives Over a Hot Stove? This exciting mega-hit is printed in the original right-to-left Japanese format. Let the games begin!

Tween Hobo: Off the Rails

From playwright and TV writer Alena Smith comes a hilarious and irreverent illustrated book based on the popular Twitter feed (@tweenhobo), featuring a young spunky girl who sets out in search of freedom, adventure, and her own personal obsession: Justin Bieber tickets. Get ready to laugh and learn with the littlest hobo. She's only twelve years old, but a "hard twelve." You'll meet her friends: Stumptown Jim (her weatherbeaten BFFL); Tin Cap Earl (who's always down to shoot a junkyard haul video); Toothpick Frank (who learns to love Pinterest); Salt Chunk Annie (a "woman of the night," whatever that means); and Hot Johnny Two-Cakes (who Tween Hobo swears she does NOT have a crush on). Find out how she survives, thanks in part to strawberry lip gloss. You'll hear her take on major cultural events ("I go off a fiscal cliff every time I go near a Claire's"). And you'll enjoy beautiful hand-rendered illustrations that bring out the beauty in her words—just like how eyeliner makes a hobo's look really pop. Often snarky and frequently ridiculous, this imaginative journal-like book includes maps, jokes, laughs, doodles, tips, hobo symbols ("House with a triangle on top means PIZZA PARTY!!!), games, stories, and more. So grab your iPhone and wrap it in a handkerchief, tie it to a stick, and let's roll!

The long-awaited ultimate illustration collection of Shirow Miwa, known as the author of manga DOGS, takes us deep into the core of his imagination! Characters from the game Fate / Grand Order, Saber/Sigurd and Lancer/Brynhild are now included in this updated English edition! Shirow Miwa, the Japanese manga artist and illustrator, is best known for the manga series DOGS and RWBY, but has also contributed to visual works such as the 7th Dragon 2020 and Fate / Grand Order games, and the animated films Kiznaiver and JOKER GAME. In his career as a manga artist and an illustrator, Miwa has drawn a range of edgy characters from ancient people with animal ears, summoned beasts and superhero-like aliens, to true bad boys wearing glasses, pretty girls riding robots, a mysterious priest, samurai in sailor uniforms, brutal twins, a macho butler, a hot final boss and many more... How were these distinctive characters created? Where does Miwa's imagination come from? What was he thinking while he was working on each of these stunning visual works? Delving into the core of Shirow Miwa's imagination, this book will fascinate those in the animation and gaming industries with its treasured rough sketches, character model sheets, and visual illustrations. Included at the end is Shirow Miwa's own commentary on each manga, game, and animations, which he wrote as part

of each work's creative team. This additional material gives readers insight into his creative process and thinking and allows them to witness the moment of birth of each of his mysterious yet attractive characters. This book is an updated English edition of Gadgetry Shirow Miwa Design Achieves, which was originally published in Japan. The cover image has been redesigned to feature Saber/Sigurd and Lancer/Brynhild from the game Fate / Grand Order. This edition also showcases new character model sheets of Saber/Sigurd, which will surely satisfy the fans of Shirow Miwa hoping to collect all of his artworks.

Ghostbusters: P.K.E. Meter

From the New York Times best-selling author of Cod and Salt, a definitive history of paper and the astonishing ways it has shaped today's world. Paper is one of the simplest and most essential pieces of human technology. For the past two millennia, the ability to produce it in ever more efficient ways has supported the proliferation of literacy, media, religion, education, commerce, and art; it has formed the foundation of civilizations, promoting revolutions and restoring stability. By tracing paper's evolution from antiquity to the present, with an emphasis on the contributions made in Asia and the Middle East, Mark Kurlansky challenges common assumptions about technology's influence, affirming that paper is here to stay. Paper will be the commodity history that guides us forward in the twenty-first century and illuminates our times.

Raised in a desperately poor village during the height of China's Cultural Revolution, Li Cunxin's childhood revolved around the commune, his family and Chairman Mao's Little Red Book. Until, that is, Madame Mao's cultural delegates came in search of young peasants to study ballet at the academy in Beijing and he was thrust into a completely unfamiliar world. When a trip to Texas as part of a rare cultural exchange opened his eyes to life and love beyond China's borders, he defected to the United States in an extraordinary and dramatic tale of Cold War intrigue. Told in his own distinctive voice, this is Li's inspirational story of how he came to be Mao's last dancer, and one of the world's greatest ballet dancers.

Jung Yun's *O Beautiful* is a "mesmerizing and timely" (New York Times) novel about a woman trying to come to terms with the ghosts of her past and the tortured realities of a deeply divided America. Elinor Hanson is struggling to reinvent herself as a freelance writer when she receives an unexpected assignment, a chance to write for a prestigious magazine about the Bakken oil boom in North Dakota. Elinor grew up near the Bakken, raised by an overbearing father and a distant Korean mother who met and married when he was stationed overseas. After decades away from home, Elinor returns to a landscape she hardly recognizes, overrun by tens of thousands of newcomers. Surrounded by roughnecks seeking their fortunes in oil and long-time residents worried about their changing community, Elinor experiences a profound sense of alienation and grief. The longer she pursues this potentially career-altering assignment, the more her past intertwines with the story she's trying to tell, revealing disturbing new realities that will forever change her and the way she looks at the world. With graceful prose, Jung Yun's *O Beautiful* presents an immersive portrait of a community rife with tensions and competing interests, and one woman's attempts to reconcile her anger with her love of a beautiful, but troubled land.
