A Christmas Story

A beloved, bestselling classic of humorous and nostalgic Americana—the book that inspired the equally classic Yuletide film and the live musical on Fox. The holiday film *A Christmas Story*, first released in 1983, has become a bona fide Christmas perennial, gaining in stature and fame with each succeeding year. Its affectionate, wacky, and wryly realistic portrayal of an American family's typical Christmas joys and travails in small-town Depression-era Indiana has entered our imagination and our hearts with a force equal to *It's a Wonderful Life* and *Miracle on 34th Street*. This edition of *A Christmas Story* gathers together in one hilarious volume the gems of autobiographical humor that Jean Shepherd drew upon to create this enduring film. Here is young Ralphie Parker's shocking discovery that his decoder ring is really a device to promote Ovaltine; his mother and father's pitched battle over the fate of a lascivious leg lamp; the unleashed and unnerving savagery of Ralphie's duel in the show with the odious bullies Scut Farkas and Grover Dill; and, most crucially, Ralphie's unstoppable campaign to get Santa—or anyone else—to give him a Red Ryder carbine action 200-shot range model air rifle. Who cares that the whole adult world is telling him, "You'll shoot your eye out, kid"? The pieces that comprise *A Christmas Story*, previously published in the larger collections *In God We Trust*, *All Others Pay Cash* and *Wanda Hickey's Night of Golden Memories*, coalesce in a magical fashion to become an irresistible piece of Americana, quite the equal of the film in its ability to warm the heart and tickle the funny bone.

In God We Trust

A collection of humorous and nostalgic Americana stories—the beloved, bestselling classics that inspired the movie *A Christmas Story* Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant—and utterly hilarious—works of comic art. *In God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *In God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together

rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

A Christmas Story

In conjunction with the 30th anniversary of its theatrical release, this is the untold story of the making of the film, and what happened afterwards. Ralphie Parker's quest for a Red Ryder air rifle didn't end with the movie's release; the tale inspired massive VHS sales, a Broadway production, and a mountain of merchandise. Complete with rare and previously unreleased photographs, now fans of the movie and film buffs alike can learn all they didn't know about the timeless classic.

The Woking Dead

Donald J. Trump was the vaccine America needed. He fought for America against the Deep State and the woke maniacs relentlessly destroying everything Americans love. They're attacking George Washington. They're attacking Dave Chappelle and Abraham Lincoln. They have taken over the New York Times and the NBA. Trump understood this, and he stood, seemingly alone at times, against the cancel culture hordes clawing to take down the United States from within. Rice understood the importance of Trump and why America needed him. This explains why many of Trump's closest advisors have sought out A.J. Rice's media advice and publicity help. If he wasn't helping you today, chances are he will tomorrow. Rice has fought behind the scenes for years, in ways you saw and heard but never understood—until now. A creative mind behind some of the nation's most important talk radio stars and the strategist behind the America First books you love to read. Like it or not, his content has been around you in some form for decades. He was in your favorite publications and behind some of America's most courageous culture warriors and institutions, crafting strategy and winning the battles you care about. You've seen A.J. Rice's work for years...you just never knew it. In *The Woking Dead*, Rice reveals it all. This bracing, hilarious, biting, hard-hitting collection takes you deep into the fight to make America great again. Rice, a contributor to many popular publications and the CEO of Publius PR in Washington, DC, seeks to save America from Joe Biden and his woke zombie battalions in government, entertainment, academia, sports, and media. *The Woking Dead* will wake you up to what's happening in your culture and help you gird your loins for the crazy years ahead.

Christmas in the Movies

Turner Classic Movies presents a bucket list of the best and most beloved holiday films of all time, complete with spirited commentary, behind-the-scenes stories, and photos spanning eight decades of Christmastime favorites. Nothing brings the spirit of the season into our hearts quite like a great holiday movie. "Christmas films" come in many shapes and sizes and exist across many genres. Some, like *It's a Wonderful Life* and *A Christmas Story*, are perennials, while others, such as *Die Hard*, have only gradually become yuletide favorites. But they all have one thing in common: they use themes evoked by the holiday period - nostalgia, joy, togetherness, dysfunction, commercialism, or cynicism - as a force in their storytelling. *Turner Classic Movies: Christmas in the Movies* showcases the very best among this uniquely spirited strain of cinema. Each film is profiled on what makes it a "Christmas movie," along with behind-the-scenes stories of its production, reception, and legacy. Complemented by a trove of color and black-and-white photos, *Turner Classic Movies: Christmas in the Movies* is a

glorious salute to a collection of the most treasured films of all time. Among the 30 films included: The Shop Around the Corner, Holiday Inn, Meet Me in St. Louis, It's a Wonderful Life, Miracle on 34th Street, White Christmas, A Christmas Story, National Lampoon's Christmas Vacation, Home Alone, Little Women, and The Nightmare Before Christmas.

Wanda Hickey's Night of Golden Memories

A bestselling classic of humorous and nostalgic Americana and the basis of the movie A Christmas Story. "Mr. Shepherd has the true satirist's grip on his pen: he is humorous, sympathetic, and ironic all at once."—Boston Globe Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant—and utterly hilarious—works of comic art. Wanda Hickey's Night of Golden Memories represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. Wanda Hickey's Night of Golden Memories is a universal (and achingly funny) orchestration of Midwestern puberty rites. From the gut-wrenching playground antics of one Delbert Bumpus and the almighty sacrifice of the Easter ham, to taffy-apple binges at the state fair and the supernatural glow surrounding unapproachable high school beauty Daphne Bigelow, to the memorable disaster that was Shepherd's (and everyone else's) junior prom—these are some of the archetypal legends of childhood that Shepherd evokes from his nostalgic Indiana muse. A timeless and enduring classic, Wanda Hickey's Night of Golden Memories captures the sweet cacophonous roar of youth tempered with the wit and honesty of a grown boy

A Christmas Story

"A Christmas Story" has become a perennial holiday favourite since its release in 1983. While millions watch the movie every year on television, few know the story behind the film's production, release, and unlikely ascent. Ralphie Parker's quest for "a Red Ryder carbine action, two hundred shot Range Model air rifle with a compass in the stock and this thing which tells time" didn't begin or end with the release of Bob Clark's sleeper hit. Adapted from Jean Shepherd's radio broadcasts and short stories, A Christmas Story has inspired a mountain of merchandise, sequels, a stage adaptation, and a big-budget Broadway musical. There's also a tourist attraction in Cleveland and annual conventions. Not bad for a movie that was only a modest hit during its original theatrical run. Now, in time for its

30th anniversary, the story of the making of the film -- and what happened afterwards -- is being told for the first time. Complete with rare and previously unreleased photographs and drawing on original interviews with cast and crew, "A Christmas Story: Behind the Scenes of a Holiday Classic" is sure to make you glad you didn't shoot your eye out

Krampus: Shadow of Saint Nicholas

YOU BETTER WATCH OUT... KRAMPUS IS COMING TO TOWN. Ancient folklore warns of a mythical counterpart to Santa Claus, who punishes naughty children every Christmas... his name is KRAMPUS. Michael Dougherty presents the official graphic novel based on his festive horror comedy, which expands the mythology of this iconic terror with an anthology of three deliciously twisted morality tales that will leave you praying you are not on the naughty list. At the most wonderful time of the year, a drunken mall Santa comes under siege from some very mischievous Christmas spirits, a dysfunctional cop becomes trapped with the man who ruined his life and the wealthy town "scrooge" must face the shadows from his past as his home comes under invasion from the homeless. This Christmas, Krampus will make sure they all get what they deserve. Michael Dougherty, the writer/director behind cult horror hit *Trick 'r Treat*, is joined by a fantastic team of creators, uniting Krampus co-screenwriters Zach Shields and Todd Casey and artists Fiona Staples (*Saga*), Christian Dibari (*Hoax Hunters*), Maan House (*Witchblade*), and Stuart Sayger (*Bram Stoker's Death Ship*) to deliver a twisted gift for the holiday season.

A Highland Christmas

In dark, wintry Lochdubh, Christmas Cheer is about as welcome as a flat tyre on a deserted road. The Calvinist element in town has always resisted what they view as secular frivolity, so for most of the townsfolk there'll be no carols, feasting, gifts - or even whisky on Christmas Day! And for PC Hamish Macbeth there's no holiday from crime - he finds himself hunting for a missing cat belonging to a lonely spinster. Curt and unfriendly, the woman is convinced her pet has been stolen but once behind her heavily-bolted door, Hamish can spot her true problem - she lives in fear, though of who or what he cannot guess. Then someone steals a Christmas tree and lights from the nearby village of Cnothan. So it is up to Hamish to sort all these problems out - and he had better do it quickly, for the church bells will soon peal on the eve of Christmas. This one-off standalone story is a special Christmas treat for all fans of Hamish Macbeth and can be read at any point in the ongoing series. Also features the first UK publication of a Hamish Macbeth short story, *Knock, Knock, You're Dead!* Praise for the Hamish Macbeth series: 'First rate ... deft social comedy and wonderfully realized atmosphere.' Booklist 'It's always a treat to return to Lochdubh.' New York Times 'Readers will enjoy the quirks and unique qualities of the cast ... Beaton catches the beauty of the area's natural geography and succinctly describes its distinct flavour.' Library Journal 'Befuddled, earnest and utterly endearing, Hamish makes his triumphs sweetly satisfying.' Publishers Weekly

The Triple Dog Dare

For forty uninterrupted years, Robert Moses was the most powerful man in New York. Though never elected to office, he manipulated those who were through a mix of guile, charm and intimidation. Motivated at first by a determination to improve the lives of New York City's workers, he created parks, bridges and 627 miles of expressway to connect the people to the great outdoors. But in the 1950s, groups of citizens began to organize against his schemes and against the motor car, campaigning for a very different idea of what a city should be. David Hare's blazing account of a man - played by Ralph Fiennes - whose iron will exposed the weakness of democracy in the face of charismatic conviction, premieres at the Bridge Theatre, London, in March 2022.

Straight Line Crazy

This romantic, hilarious, and astonishingly moving story, winner of the Grand Jury prize at the 1998 Cannes Film Festival, explores the power of the imagination, set against the stark reality of World War II Europe. The companion screenplay to the Miramax film presents the profound yet tender story that has touched the hearts of so many.

Life is Beautiful/La Vita E Bella

"In a fascinating, concise tour through history, the book tells the story of Christmas-from its pre-Christian roots, through the birth of Jesus, to the holiday's spread across Europe into the Americas and beyond, and to its mind-boggling transformation through modern consumer culture."--Page 2 of cover.

An Eclectic Collection of Fiction That Inspired Film Memento, All About Eve, Rear Window, Rashomon, and 2001: A Space Odyssey are all well-known and much-loved movies, but what is perhaps a lesser-known fact is that all of them began their lives as short stories. Adaptations gathers together 35 pieces that have been the basis for films, many from giants of American literature (Hemingway, Fitzgerald) and many that have not been in print for decades (the stories that inspired Bringing Up Baby, Meet John Doe, and All About Eve). Categorized by genre, and featuring movies by master directors such as Steven Spielberg, Stanley Kubrick, Robert Altman, Frank Capra, and John Ford, as well as relative newcomers such as Chris Eyre and Christopher Nolan, Adaptations offers insight into the process of turning a short story into a screenplay, one that, when successful, doesn't take drastic liberties with the text upon which it is based, but doesn't mirror its source material too closely either. The stories and movies featured in Adaptations include: •Philip K. Dick's "The Minority Report," which became the 2002 blockbuster directed by Steven Spielberg and starring Tom Cruise •"The Harvey Pekar Name Story" by reclusive graphic artist Harvey Pekar, whose life was the inspiration for American Splendor, winner of the 2003 Sundance Grand Jury Prize •Hagar Wilde's "Bringing Up Baby," the basis of the classic film Bringing Up Baby, anthologized here for the first time ever •"The Swimmer" by John Cheever, an example of a highly regarded story that many feared might prove unadaptable •The predecessor to the beloved holiday classic A Christmas Story, "Red Ryder Nails the Hammond Kid" by Jean Shepherd Whether you're a fiction reader or a film buff, Adaptations is your behind-the-scenes look at the sometimes difficult, sometimes brilliantly successful process from the printed page to the big screen. From the Trade Paperback edition.

The Night I Met Father Christmas

Jean Shepherd was one of America's favorite humorists, his most notable achievement being the creation of the indefatigable Ralphie Parker and his quest for a BB gun in the holiday classic *A Christmas Story*. But he was so much more, a comic Garrison Keillor–like figure whose unique voice transcended the airwaves and affected a whole generation of nostalgic Americans. *The Ferrari in the Bedroom* is Shepherd's wry, affectionate look at the hang-ups and delusions of Americans in the 1970s. From his sardonic assessment of fads such as the nostalgia craze ("Thinking that the old days were good is a terrible sickness. Everything was just as bad then as it is now.") to a modest proposal for the foundation of S.P.L.A.T. (The Society for the Prevention of the Leaving of Animal Turds), Jean Shepherd provides a generous measure of his special brand of wise and warm humor as an antidote for some of America's more ridiculous obsessions.

The Ferrari in the Bedroom

The novel that began as a radio hoax, Theodore Sturgeon's *I, Libertine* is a hilarious erotic romp through the royal boudoirs of eighteenth-century London. Inspired by a notorious radio hoax in the mid-1950s, popular radio host and prankster Jean Shepherd exhorted his faithful listeners to approach their local booksellers the next morning and request copies of the historical novel *I, Libertine* by Frederick R. Ewing—a book that had never been written, by an author who had never been alive. The hoax was so successful that *I, Libertine* became the talk of the town, even earning the unique distinction of being banned by the Archdiocese of Boston, despite the fact that it didn't yet exist. Now there was nothing left to do but write the thing . . . and fantasy and science fiction legend Theodore Sturgeon was called in to work his magic. Originally written pseudonymously, Sturgeon's *I, Libertine* is a glorious tale of close shaves, daring escapes, and wildly licentious behavior. It covers the bawdy misdeeds of Captain Lance Courtenay as he carelessly romps through the royal court and the bedchambers of London's finest ladies. Chock-full of wicked wit and Sturgeon's trademark twists and turns, it is a hilarious, picaresque adventure that Ewing himself would certainly have been proud to call his own, if he had existed. This ebook features an illustrated biography of Theodore Sturgeon including rare images and never-before-seen documents from the University of Kansas's Kenneth Spencer Research Library and the author's estate, among other sources.
