Porsche High-Performance Driving Handbook

While the world's people suffer the apocalyptic torments of floods, fires, droughts, heatwaves, desertification, disease vectors, food shortages, forced migration, ecosystem collapse, extinction, and other effects of uncontrolled climate change, the world's governmental and political leaders continue to accelerate our wild ride to climate doom. Is there any way for the rest of us to put on the brakes?

Climate insurgency is a strategy for using people power to realize our common interest in protecting the climate. It uses mass, global, nonviolent action to challenge the legitimacy of public and corporate officials who are perpetrating climate destruction. A global climate insurgency has already begun. It has the potential to halt and roll back the fossil fuel agenda and the global thrust toward climate destruction. Against Doom: A Climate Insurgency Manual tells how to put that strategy into action—and how it can succeed. It is a handbook for halting global warming and restoring our climate—a how-to for climate insurgents.

Unwind

Connor's parents want to be rid of him because he's a troublemaker. Risa has no parents and is being unwound to cut orphanage costs. Lev's unwinding has been planned since his birth as part of his family's strict religion. Brought together by chance, and kept together through desperation, these three unlikely companions make a harrowing cross-country journey, knowing all the while that their lives are

hanging in the balance. If they can survive until their eighteenth birthdays, they can't be harmed. But when every piece of them, from their hands to their hearts, are wanted by a world gone mad, eighteen seems far, far away... "Gripping, brilliantly imagined futuristic thriller... The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens." Publishers Weekly, starred review "A thought-provoking, well-paced read that will appeal widely" School Library Journal, starred review "A breathless tale turning pages for teenage boys, as it challenges not just where life begins and ends, but what it means to be alive." Educ8 magazine "a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff." thebookbag.co.uk "This is the kind of rare book that makes the hairs on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film." The Times

Undivided

Proactive Citizenry, the company which created Cam from the parts of unwound teens, has a plan: to mass produce Rewound teens like Cam for military purposes. But below the surface is of that horror lies another shocking level of intrigue: Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. As Conner, Risa and Lev uncover these shocking secrets, enraged teens begin to march on Washington to demand justice and a better future. But more trouble is brewing. Starkey's group of storked teens are growing more powerful and militant with each new recruit. And if they have their way, they'll burn the harvest camps to the group, and put every adult in them before a firing squad-which could destroy any chance America has for a peaceful future. Praise for UNWIND: "This is the kind of rare book that makes the hairs on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film." The Times "Gripping, brilliantly imagined futuristic thriller... The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens." Publishers Weekly, starred review "a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff." thebookbag.co.uk "This book challenges ones ideas about life, about morality, about religion, about fanatics. It is not a comfortable read but it is thought-provoking." Carousel

UnWholly

"Thanks to Connor, Lev, and Risa, and their high-profile revolt at Happy Jack Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of troublesome teens and, in the same stroke, providing much-needed tissues for transplant might be convenient, but its morality has finally been brought into question. However, unwinding has become big business, and there are powerful political and corporate interests that want to see it not only continue, but expand, allowing the unwinding of prisoners and the impoverished. Cam is a teen who does not exist. He is made entirely out of the parts of other unwinds. Cam, a 21st century Frankenstein, struggles with a search for identity and meaning, as well as the concept of his own soul, if indeed a rewind being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--

UnStrung

How did Lev Calder move from an unwillingly escaped Tithe to a clapper? In this revealing short story, Neal Shusterman opens a window on Lev's adventures between the time he left CyFi and showed up at the Graveyard. Pulling elements from Neal Shusterman's critically acclaimed Unwind and giving hints about what is to come in the riveting sequel, UnWholly, this short story is not to be missed.

UnSouled

After the destruction of the Graveyard, Connor and Lev are on the run, seeking a woman who may be the key to bringing down unwinding forever while Cam, the rewind boy, tries to prove his love for Risa by bringing Proactive Citizenry to its knees.

Unwind

In a society where unwanted teens are salvaged for their body parts, three runaways fight the system that would "unwind" them Connor's parents want to be rid of him because he's a troublemaker. Risa has no parents and is being unwound to cut orphanage costs. Lev's unwinding has been planned since his birth, as part of his family's strict religion. Brought together by chance, and kept together by

desperation, these three unlikely companions make a harrowing cross-country journey, knowing their lives hang in the balance. If they can survive until their eighteenth birthday, they can't be harmed -- but when every piece of them, from their hands to their hearts, are wanted by a world gone mad, eighteen seems far, far away. In *Unwind*, Boston Globe/Horn Book Award winner Neal Shusterman challenges readers' ideas about life -- not just where life begins, and where it ends, but what it truly means to be alive.

Ultimate Unwind Paperback Collection (Boxed Set)

Don't miss a moment of the complete New York Times bestselling *Unwind* Dystology series from Neal Shusterman, now available as a collectible paperback boxed set. After the Second Civil War, the Bill of Life was passed, stating that human life may not be touched from the moment of conception until a child reaches the age of thirteen. But it allows parents to get rid of their teenager through a process called "unwinding." These kids may have nothing left to give to their families but can still give to society through the body parts that are harvested for donations. Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, his parents' tenth child whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev must work together to survive—and they may change the fate of America in the process. This complete boxed set includes paperback editions of: *Unwind* *UnWholly* *UnSouled* *UnDivided* *UnBound*

The Unwind Collection

All three thrilling books in Neal Shusterman's New York Times bestselling *Unwind* trilogy, together in one boxed set. After the Second Civil War, the Bill of Life states that human life may not be touched from the moment of conception until a child reaches the age of thirteen. However, a loophole allows parents to retroactively get rid of a teenager through a process called "unwinding." Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev have to work together to survive. The complete riveting trilogy, which VOYA calls "smart, intense, and thought provoking," is packaged together in this boxed set that includes *Unwind*, *UnWholly*, and *UnSouled*.

Everwild

After the events of *Everlost*, Nick and Allie are on separate paths—and *Everlost*, the limbo land of dead children, is at war in this riveting novel from New York Times bestselling and award-winning author Neal Shusterman. Nick wants to help the dead reach the light at the end of the tunnel, but Mary Hightower, their self-proclaimed queen and a dangerous fanatic, is determined to keep them trapped in *Everlost* for all of eternity. Traveling in the memory of the Hindenburg, Mary is spreading her propaganda and attracting *Afterlights* to her cause at a frightening speed. Allie travels home to seek out her parents, along with Mikey, who was once the terrifying monster the McGill. Allie is tempted by the seductive thrill of skinjacking the living, until she discovers the shocking truth about skinjackers that makes her question her place in both worlds.

The Skinjacker Trilogy

Not every child who dies goes on to the afterlife. Some are caught halfway between life and death, in a sort of limbo known as *Everlost*: a shadow of the living world, filled with all the things and places that no longer exist. It's a magical, yet dangerous place where bands of lost kids run wild and anyone who stands in the same place too long sinks to the center of the Earth. Allie and Nick don't survive the car crash, and end up in *Everlost*, where coins are more valuable than anyone knows, fortune cookies tell the truth, monsters are real, and the queen of lost souls lives in a once-beloved tower. Nick and Allie have to learn to survive in a world with different rules, and figure out who they can trust--and who they must oppose at all costs. At stake is nothing less than the fate of *Everlost* and the living world they have left behind. In this gripping trilogy, Neal Shusterman explores questions of life, death, and what just might lie in between.

Freedom Libraries

This book delves into how Freedom Libraries were at the heart of the Civil Rights Movement, and the remarkable courage of the people who used them. As the Civil Rights Movement exploded across the United States, numerous libraries were desegregated on paper only, and there was another virtually unheard of struggle—the right to read.

Downsiders

When fourteen-year-old Lindsay meets Talon, who lives in the secret *Downsider* community that evolved in the subterranean passages of the subway built in New York in 1867, she and her new friend try to bridge the differences between their two cultures.

Scythe

A Time Best YA Book of All Time (2021) Two teens must learn the "art of killing" in this Printz Honor–winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling *Unwind* dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now *Scythes* are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the "art" of taking life, knowing that the consequence of failure could mean losing their own. *Scythe* is the first novel of a thrilling new series by National Book Award–winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

Everfound

In the limbo that's Everlost, Mary, Nick, Allie, and others face the decisions that will determine whether that place and the Earth itself will continue to exist, as well as where their own futures lie.

Challenger Deep

National Book Award * Golden Kite Award Winner * Six Starred Reviews A captivating novel about mental illness that lingers long beyond the last page, *Challenger Deep* is a heartfelt tour de force by New York Times bestselling author Neal Shusterman. Caden Bosch is on a ship that's headed for the deepest point on Earth: Challenger Deep, the southern part of the Marianas Trench. Caden Bosch is a brilliant high school student whose friends are starting to notice his odd behavior. Caden Bosch is designated the ship's artist in residence to document the journey with images. Caden Bosch pretends to join the school track team but spends his days walking for miles, absorbed by the thoughts in his head. Caden Bosch is split between his allegiance to the captain and the allure of mutiny. Caden Bosch is torn. *Challenger Deep* is a deeply powerful and personal novel from one of today's most admired writers for teens. Laurie Halse Anderson, award-winning author of *Speak*, calls *Challenger Deep* "a brilliant journey across the dark sea of the mind; frightening, sensitive, and powerful. Simply extraordinary."

The Dark Side of Nowhere

Fourteen-year-old Jason faces an identity crisis after discovering that he is the son of aliens who stayed on earth following a botched invasion mission.

The Everlost

Nick and Allie don't survive the crash, and now they are in limbo, stuck halfway between life and death, in a netherworld known as Everlost. Everlost is home to those who didn't make it to their final destination: A magical yet dangerous place filled with shadows where lost souls run wild. Shocked and frightened, Nick and Allie aren't ready to rest in peace just yet. They want their lives back. Desperate for a way out, their search takes them deep into the uncharted regions of Everlost. But the longer they stay, the more they forget about their past lives. And with all memory of home fading fast and an unknown evil lurking in the shadows, Nick and Allie may never escape this strange, terrible world. In this imaginative, supernatural thriller, Neal Shusterman explores questions of life, death, and what just might lie in between.

The Compound

S.A. Bodeen's *The Compound* is a 2009 Bank Street - Best Children's Book of the Year. Eli and his family have lived in the Compound for six years. The world they knew is gone. Eli's father built the Compound to keep them safe. Now, they can't get out. He won't let them.

Place on Dalhousie, The

When Rosie Gennaro first meets Jimmy Hailler, she has walked away from life in Sydney, leaving behind the place on Dalhousie that her father, Seb, painstakingly rebuilt for his family but never saw completed. Two years later, Rosie returns to the house and living there is Martha, whom Seb Gennaro married less than a year after the death of Rosie's mother. Martha is struggling to fulfil Seb's dream, while Rosie is coming to terms with new responsibilities. And so begins a stand-off between two women who refuse to move out of the home they both lay claim to. As the battle lines are drawn, Jimmy Hailler re-enters Rosie's life. Having always watched other families from the perimeters, he's now grappling, heartbreakingly, with forming one of his own ...

Violent Ends

Relates how one boy--who had friends, enjoyed reading, playing saxophone in the band, and had never been in trouble before--became a monster capable of entering his high school with a loaded gun and firing on his classmates, as told from the viewpoints of several victims. Each perspective is written by a different writer of young adult fiction.

Warden of Time (The After Cilmeri Series)

Warden of Time continues the story of time travel, romance, and adventure begun with Daughter of Time ... As both modern man and medieval king, David is committed to transforming medieval England into his own version of Avalon. Not everyone supports his ideals, however, and having offended the pope by welcoming Jews and heretics into England, David is summoned to Canterbury to explain himself. But when information comes to light that reveals the accusations against him have less to do with religion than with power and wealth, David finds himself on familiar ground—and at the center of a conspiracy that stretches from Ireland to Italy. Facing excommunication, a fickle populace, and a rebellion even by his fellow time travelers, he must decide what his throne is worth, and what he's willing to sacrifice to keep it. Complete series reading order: Daughter of Time, Footsteps in Time, Winds of Time, Prince of Time, Crossroads in Time, Children of Time, Exiles in Time, Castaways in Time, Ashes of Time, Warden of Time, Guardians of Time, Masters of Time, Outpost in Time, Shades of Time, Champions of Time, Refuge in Time, Outcasts in Time, Hidden in Time. Unwholly

In a society where unwanted and troublesome teens are salvaged for their body parts, Connor, Risa and Lev continue to fight against the system that would 'unwind' them. Thanks to their high-profile revolt at the Happy Jack Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of so-called troublesome teens might be convenient, but its morality has finally been brought into question and a new law passed. However, unwinding has become big business, and there are powerful political and corporate interests, not to mention the illegal 'Parts Pirates', that want to see it not only continue, but expand. Connor, Risa and Lev each struggle to rescue as many AWOL teens as possible and offer them sanctuary. But life at the Graveyard is hard, rivalries bubble under the surface and the cracks are beginning to show. And then there is Cam, a teen who does not exist. Made entirely out of parts from one hundred other 'unwinds', Cam is a 21st century Frankenstein, a rewind, struggling to find a true identity and meaning, and a place in society. But when a sadistic bounty hunter who takes "trophies" from all the 'unwinds' he captures starts to pursue Connor, Lev and Risa, Cam finds his own fate inextricably bound with theirs...

Lessons from a Dead Girl

An unflinching story of a troubled friendship -- and one girl's struggle to come to terms with secrets and shame and find her own power to heal (age 14 and up). Leah Greene is dead. For Laine, knowing what really happened and the awful feeling that she is, in some way, responsible set her on a journey of painful self-discovery. Yes, she wished for this. She hated Leah that much. Hated her for all the times in the closet, when Leah made her do those things. They were just practicing, Leah said. But why did

Leah choose her? Was she special, or just easy to control? And why didn't Laine make it stop sooner? In the aftermath of the tragedy, Laine is left to explore the devastating lessons Leah taught her, find some meaning in them, and decide whether she can forgive Leah and, ultimately, herself.

If We Survive

When revolutionaries seize control of a country in Central America where sixteen-year-old Will is serving at a mission, he and the other volunteers find themselves in a desperate race to escape the violence and return home.

UnBound

Presents a collection of stories about Connor, Risa, and Lev after they have destroyed the Proactive Citizenry and are, apparently, free to live in a peaceful future.

In the Lake of the Woods

A politician's past war crimes are revealed in this psychologically haunting novel by the National Book Award-winning author of *The Things They Carried*. Vietnam veteran John Wade is running for senate when long-hidden secrets about his involvement in wartime atrocities come to light. But the loss of his political fortunes is only the beginning of John's downfall. A retreat with his wife, Kathy, to a lakeside cabin in northern Minnesota only exacerbates the tensions rising between them. Then, within days of their arrival, Kathy mysteriously vanishes into the watery wilderness. When a police search fails to locate her, suspicion falls on the disgraced politician with a violent past. But when John himself

disappears, the questions mount—with no answers in sight. In this contemplative thriller, acclaimed author Tim O'Brien examines America's legacy of violence and warfare and its lasting impact both at home and abroad.

Untwine

Waking up in the hospital seriously injured, Giselle reflects on her past choices to evaluate how her friends, her family and especially her identical twin have defined her existence.

Scorpion Shards

Six teens struggle to discover the source of their strange and horrific abilities in this first book of The Star Shards Chronicles. Dillon has the terrifying power to create massive amounts of destruction with the slightest tweak of his will. Deanna is so consumed by fear, it has become like a black hole, drawing to her the very things that terrify her. Then, when the glare of a supernova sixteen light-years away illuminates the night sky, they have a vision: There are six of them out there, all teenagers, and all suffering from supernatural afflictions that disfigure their bodies and souls. Only by finding one another will the six ever be strong enough to defeat these mysterious forces that, bit by bit, are devouring their souls from the inside out. Acclaimed author Neal Shusterman “combines personal quest, horror, and science fiction into an absorbing exploration of good and evil, guilt, forgiveness and personal responsibility” (VOYA) in this thrilling start to a riveting trilogy. Originally published by Tor Fantasy in 1995.
