Intro

2. The industrial revolution set the beginning of modern employment relations between employers and employees.

2. During the industrial revolution, countries witnessed massive economic and social changes which had a direct impact on organisations and their labour force.

According to the Graham and Bennett (1998)

2. The term employee relations has become increasingly common due to the nature of employment, which has now

2. The aim of employee relations is to prevent conflict and resolve problems which arise in a work setting.

2. Employees are provided with information regarding company policies, goals, rights, regulations and legislation applicable to them.

3. Increases employee loyalty which results in high employee retention and a pleasant workplace.
