Boo: Little Dog in the Big City

Grover is so excited – he's going on a road trip! But first his owner, Annie, has a special guest to pick up from the animal shelter. Squeak is a rescued kelpie puppy. He needs a new home on a farm, with lots of room to run around. But Grover has always lived in the city. How can he help Squeak find a new home? What will happen to Squeak? Where will he go? Claire Garth is a former primary school teacher who adopted the real Grover after starting as a manager at Sydney Dogs and Cats Home. Grover McBane, Rescue Dog is Claire's first children's series. Following the books, Claire and Grover visited schools to raise awareness about adoption and animal rescue. Johannes Leak is an illustrator and commercial artist who specializes in cartooning, magazine illustration, music album artwork and

storyboards. He lives and works on the NSW Central Coast where he can also be spotted surfing and walking his dog, Calvin.

The Cumulative Book Index

This is the story of Louis Potvin, a successful entrepreneur and self-made man. HOME STRETCH follows Louis' first book, LOUIS' PLACE, which outlined the first 50 years of his life and his many accomplishments. HOME STRETCH covers the remaining years of Louis' life with his wife and business partner of 38 years, Carol Potvin. HOME STRETCH is about Louis and Carol's life together at Lillooet Lake, a beautiful and rugged mountainous region north of Whistler and Pemberton, located in British Columbia, Canada. Before there was road access Louis made this mountainous area his home, and developed it for pioneer families who wanted to live off the grid, some of whose stories are relived within the book. This included developing state of the art services, such as setting up a sawmill, schooling in water and disposal systems, operating and maintaining machinery, and building a water turbine for electricity and telephone hookup where no service existed. Living at Lillooet Lake is not without its challenges - over the years forest fires, snow, bears and other wildlife have competed for Louis and Carol's attention. However, this was a small price to pay to be able to enjoy the beauty of the lake and its surroundings. A beauty that both Louis and Carol, along with their children, grandchildren and friends, have enjoyed for over 40 years. If you enjoyed reading Louis' first book you will enjoy HOME STRETCH even more.

HOME STRETCH

Sam has always wanted a dog, but Jenny is a dog like no other. She has come from another world'a parallel world of mythology, where the whims of the gods decide the course of Destiny. Jenny fled in terror after her attempt to save the life of her first beloved boy interrupted the gods' plans for a battle for control of the world. But now her escape threatens Sam's world as well. So Jenny has to convince her motley pack of dog friends'tiny Pico, giant Gentleman Jim, slow-moving Boris, excitable Checkers, and nervous Flo'that it's their destiny to restore the worlds to order before it's too late. Norse mythology, a huge respect for the hearts and minds of dogs, and many dashes of humor combine to tell the tale of a grand, epic quest to save the world for humans, gods, and dogs.

All about Small Dogs in the Big City

"Tangle the Dog - Lost in the Big City" is a heartwarming and adventurous tale of a lovable puppy named Tangle who gets separated from his family during a trip to the bustling city. The story takes readers on an emotional journey as Tangle, with courage and determination, finds his way back to the loving embrace of his family. The book begins by introducing Tangle, a playful and curious puppy who lives with his loving family in a small, peaceful town. Tangle's family decides to embark on a trip to the big city for a special occasion, and they bring Tangle along for the adventure. Despite his excitement, Tangle is overwhelmed by the sights, sounds, and smells of the city. He becomes distracted and, in the blink of an eye, loses sight of his family. Separated from his loved ones, Tangle finds himself lost and alone in the intimidating urban jungle. The story follows Tangle's journey through the big city as he encounters various challenges that test his bravery, resilience, and wit. "Tangle the Dog - Lost in the Big City" is a captivating and inspiring story that teaches valuable lessons about courage, determination, and bravery. Through the lovable character of Tangle, readers of all ages will learn that even the smallest and most vulnerable among us can overcome adversity and find their way back home.

The Way We Were

A New York Times bestseller? Oh, you know the dogs weren't going to let the cats get away with that! This canine companion to *I Could Pee on This*, the beloved volume of poems by cats, *I Could Chew on This* will have dog lovers laughing out loud. Doggie laureates not only chew on quite a lot of things, they also reveal their creativity, their hidden motives, and their eternal (and sometimes misguided) effervescence through such musings as "I Dropped a Ball," "I Lose My Mind When You Leave the House," and "Can You Smell That?" Accompanied throughout by portraits of the canine poets in all their magnificence, *I Could Chew on This* is a work of unbridled enthusiasm, insatiable appetite, and, yes, creative genius. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.

City of Dogs

This collection explores the significance of New York City in children's literature, stressing literary, political, and societal influences on writing for young people from the twentieth century to the present day. Contextualized in light of contemporary critical and cultural theory, the chapters examine the varying ways in which children's literature has engaged with New York City as a city space, both in terms of (urban) realism and as an 'idea', such as the fantasy of the city as a place of opportunity, or other associations. The collection visits not only dominant themes, motifs, and tropes, but also the different narrative methods employed to tell readers about the history, function, physical structure, and conceptualization of New York City, acknowledging the shared or symbiotic relationship between literature and the city: just as literature can give imaginative 'reality' to the city, the city has the potential to shape the literary text. This book critically engages with most of the major forms and genres for children/young adults that dialogue with New York City, and considers such authors as Margaret Wise Brown, Felice Holman, E. L. Konigsburg, Maurice Sendak, J. D. Salinger, John Donovan, Shaun Tan, Elizabeth Enright, and Patti Smith.

Tangle the Dog

The Dog Log, written as a daily notation to the sheriff's department, begins as a simple complaint about a barking dog, but it soon becomes a powerful self-exploration and confessional. It's a touching, hilarious, and cleverly sneaky memoir of a man in Los Angeles who rediscovers himself when his elderly neighbor falls and he must reluctantly tend to her two badly behaved Yorkshire terriers. What he discovers in her apartment shocks him into a surprising decision, and by addressing her problems, he inadvertently resolves his own. With humor and honesty, *The Dog Log* looks into big-city loneliness, heartbreak, and old age, but then climbs into the light. When one man knocks on his neighbor's door, and his life changes forever.

Children's Literature and New York City

Deep in the bush, where the trees grow tall, Finn discovers an old deserted shack. Inside is shivery cold, with green fungus on the walls. When a dog growls and a gravelly voice snarls, Finn's hair stands up like bristles on a brush. An old man and his dog are glowing in the darkness. Jack Henry lived in the shack 100 years ago and was friends with all the wild creatures. When Finn is with the old ghost, he can feel what the birds are singing and what the animals are feeling. But now they are all in danger - someone is going to bulldoze the land and wreck their homes. How can one boy, a ghost and his dog save the bush? Spook's Shack is another magical adventure-fantasy from the author of Nim's Island.

Biscuit Visits the Big City (Dot Book)

Set during the Roman invasion of Britain in 43 AD, The Golden Cord -- the second book in The Long-Aimed Blow series -- opens with unbridled cruelty. Caradoc's lust to rule Albion drives him to eliminate all in his path. He murders his father and his own wife, then he exiles his brother, Amminus, the rightful heir to the throne. Left behind are his twin sons, Boaz and Jachin. Each mistakenly believes the other has been killed by their father. As they mature into adults, their lives take very different paths -- with one becoming a Greek physician and the other a Roman legionnaire. Now High King of Albion,

will Caradoc be dethroned when Amminus resurfaces? Will the twins reunite? Will Jachin sate his thirst for revenge by killing his father? Or will Caradoc's ruthless ambition continue to destroy his sons' lives? The Golden Cord taps into the age-old themes of familial love, unrestrained ambition, breathtaking adventure, and reckless revenge intertwined with hope and redemption, recovery and faith. It's a tale vast in scope, conveying an ancient world where loyalties and passions violently collide, culminating in total war.

'A really lovely book for dog lovers' - Jilly Cooper 'Charming, funny, heartwarming and full of dogs - what more could you want?' - Adam Kay, bestselling author of *This is Going to Hurt* 'A joy from start to finish. I loved it!' - Stacey Halls, bestselling author of *The Familiars* 'An absolutely glorious romp of a book' - Ruth Hogan, bestselling author of *The Keeper of Lost Things* Kate MacDougall always knew her heart wasn't really in her job at Sotheby's. All around her, friends were finding their dream jobs and whooshing up career ladders. After yet another breakage, this time of two precious porcelain pigeons, she had enough, and walked out of her snoozy, back office existence into the unknown world of the then-nascent gig economy. London's No. 1 Dog-Walking Agency is the story of her next 9 years and the dogs (and people) she meets along the way. There's Winston, the Labrador, who isn't allowed to get muddy, even after his owners split up and then enlist Kate in their custody battle. There's the chic trio of Islington couples whose immaculately arranged dog walking schedule is thrown off when one of them gets off with the dog walker Kate has employed. There's Kate's long-suffering, dog-agnostic boyfriend Finlay, and her mother, who is always on the alert for wedding bells. Amongst all this, there's Kate herself: trying to work out what she wants from life, and when and how to get there.
