A Mother's Kisses

"A Mother's Kisses" is the story of 17-year-old Joseph and his mother, Meg, in the summer after Joseph's high school graduation. Meg starts arranging his life for him, even going so far as to accompany him to college.

A Mother's Kisses

Sometimes the power of a mother's kiss cannot be measured. Author Melissa Miller shows us just how special a mother's kiss can be as she illustrates so many of the times when those kisses are the only thing that will help. Join Melissa in this heart warming tale that any mother and child can relate to. What mommy wouldn't want to read this book with her child?

A Mother's Kisses

"To have a child is one of God's greatest blessings." Priscilla Cotton This book is from me to you -- a special kiss to say that I will always love you. I am so glad that I am able to call you my child!

Mommy's Kisses

Piper Paw cannot bear being kissed by his mother all the time, and it takes some painful experiences for them to reach a mutual understanding.

Kisses from a Mother's Heart

Every mother knows that the sweetest way to say "I love you" is with a kiss. This loving book shows that animals know all about a mother's love, too.

No Kiss for Mother

The tender messages in this picture book differ from every other book about "mommy's kisses." Through rhyme which doesn't miss a beat, we see the many ways a little girl's mommy uses kisses to teach, coax, soothe, encourage, play and convey a myriad of other expressions of love. This story is also unique in showing the way a mother's loving kisses are passed down from generation to generation, providing a satisfying ending, with the newest generation about to receive her rich inheritance. If you are a mother with a young daughter, buy this book for her—you'll both treasure it!

Mommy's Best Kisses Board Book

Kisses of Sunshine for Moms

"Spring has arrived. For those with toddlers in their lives, this book will make a nice surprise gift that underscores the prominent concept of love this time of year." —New York Journal of Books One of NorthSouth's bestselling titles—sweet as a kiss—tells the story of a puppy named Hugs and his discovery that the best love of all comes from his mother. A puppy named "Hugs" decides to visit each animal on the farm to find out which animal gives the best kiss. From duck, to rabbit, to butterfly, and pig and horse, he goes. All are happy to oblige. The pup discovers the horse's kiss is a little wet and sticky, but nice and warm. The rabbit's kiss is a little wiggly, but quite soft. Who will have the best kiss? He collects lots of wonderful nuzzles, but when he returns home, he discovers that the best kiss of all is the one he gets from his loving mother. Like a kiss itself, this tale may well be the subject of repeated requests. Publishers Weekly Fans of Weninger's series about the rabbit Davy will recognize illustrator Tharlet's expressive style, even though her character this time is a puppy, Hugs. With fur that seems real enough to touch, a sunny disposition, and sweet manners, Hugs is a real charmer. Booklist Rare is the child, parent, or older sibling who will be able to resist this invitation to mix reading with kissing. Kirkus Reviews

My Mother Didn't Kiss Me Good-night

From bestselling author Kate McMullan, a sweet rhyming bedtime story celebrating mothers' love. It's bedtime in the jungle, but baby panda, elephant, orangutan, and leopard are nowhere to be found. Their mamas set out to look for their wayward little ones, calling them to bed with a soft lullaby. But look! The baby animals are crawling, creeping, hiding, and giggling, playfully staying just one step ahead of their loving mamas. Kate McMullan's lilting rhymes pair perfectly with Tao Nyeu's rich illustrations, creating a dreamy picture book that is a perfect new baby or mother's day gift.

Mom's Hugs and Kisses

A mother echidna accompanies her baby through the day. She gently encourages her little one with kisses—to make friends, to try new things, to learn to swim and much more . . . until it is time for a final kiss goodnight.

Mama's Kisses

As they prepare for a short separation, Mama Bear and Little Bear find a way to reassure each other while they are apart.

Mummy's Kisses

Mommy Kisses presents a story about nurturing the power of love between parents and children that will appeal to all ages. Mommy Kisses is the personal story of a recurring act of love between Susan and her children. "As my children began growing up they became less desirous of having Mommy kissing them, However, I did not think it a good idea to not kiss my children. I don't remember thinking a long time about how to handle the wiping off of my kisses. I just remember coming out with, "You can't wipe off a Mommy kiss. It goes in too fast and too deep " Later I told them that, "Someday you will need a Mommy kiss and I won't be there. Then you can reach inside and pull one out and know that I love you." When her son and daughter grew into teenagers, Susan would go into their rooms while

they were asleep and whisper to them about Mommy kisses. Then she would blow them a kiss and say a prayer. She never knew the full effect Mommy kisses had on her children until years later when her son called to say that he had pulled out a Mommy Kiss that day. Susan now plays the same game with her own grandchildren. "They get caught up in the fun of wiping off kisses and hearing the same thing repeated to them time and again," They love to be reminded that the love from Mommy will never end.

The Kiss Box

Mothers are superheroes when they're battling cancer, and this empowering picture book gives them an honest yet spirited way to share the difficult experience with their kids. Author Jessica Reid Sliwerski was diagnosed with breast cancer four months after giving birth to her daughter. And through all the stages of treatment—surgery, chemotherapy, radiation, losing her hair—she thought about how hard it would be to talk to your child about cancer while coping with it. She wrote this picture book to give other parents and their children an encouraging tool for having those conversations—a lovingly upbeat book that is also refreshingly authentic and straightforward. With its simple text and heartwarming illustrations, *Cancer Hates Kisses* is relatable to any type of cancer.

Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

WHEN MAMA CAN'T KISS IT BETTER is the raw account of a true story that shocked the nation in 2010. Gertz was America's most hated mother when news of a decision to place her adopted child in another family broke in the media. Called out by many as an unfit mother and an evil woman who threw away her child, she was catapulted into the national and international media. Her daughter, Emily suffered from fetal alcohol spectrum disorder, reactive attachment disorder, bipolar disorder, and other disorders. She had never bonded with Lori, her father or her siblings and had begun a spiral of self-destruction that often involved running into traffic and other dangerous behaviors. While Gertz recalls feeling isolated, accounts like hers are not rare. Stories like When Mama Can't Kiss it Better are not told terribly often because of the stigma and finger pointing. She writes, "The mother is always blamed first when a child suffers from extreme behavioral disabilities." There are millions of parents who are struggling to raise children with behavioral disabilities, who feel misunderstood, unheard, and judged, and who want to be reassured that there are others like them. With one in four Americans struggling with mental illness (NIMH) every year everyone in this country either lives with mental illness or knows someone who does. The greatest tragedy is that 60% of the adults and 50% of the children suffering from mental disorders will receive absolutely NO services or support for their mental illness. WHEN MAMA CAN'T KISS IT BETTER covers: * The adoption of their daughter Emily, early signs of trouble, their birthmother's suicide, the truth about her pregnancy and warnings about how to avoid what happened to the author and her family * Raw and honest details about her daughter's rages, suicide attempts, and hospitalizations * The turmoil that living with mental illness causes for everyone in the home and how it affects siblings and marriages * The difficulty in receiving support from physicians, educators, & clinicians * The author's increasing desperation to find answers and help as rages and impulsivity became safety issues * Being judged by doctors, schools, and outsiders as "the problem" while her daughter collected diagnosis after diagnosis * The painful decision to place her daughter in another family and how she came to accept that she had to do the unthinkable * Parents worldwide waging verbal attacks on her since if the fault belonged to Gertz alone, it couldn't happen to anyone else Note from the Author: I spent the better part of six years writing this book, which began as the only way I could cope with what was happening in our lives. I just couldn't believe the lack of resources there were when I reached out for them so vociferously and started documenting what was happening inside our family if not only to maintain my sanity. I am passionate about telling my story to help increase understanding of the enormous challenges parents of special needs children face in a culture that believes that motherly love and perseverance can cure all ills. For those on similar paths, the story of my journey to a sense of peace within the context of facing unrealized dreams, human limitations, broken hearts, and the unfair circumstances of life may help them find that same place of peace in the tough decisions within their own lives. I pray this book will bring attention to the need to better support parents and kids with mental illness and other invisible disabilities and I am deeply grateful for the opportunity to call attention to such pressing societal issues. Now in trade paperback for the first time from Anchor Canada, Joy Fielding's first thriller! Those goodbye kisses Donna received from her children when ex-husband Victor picked them up for their day's outing with him were for all time . . . forever. Only Donna did not know that, and the memory of her children's kisses on the day they disappeared come back to haunt her, for Victor did not return. Instead, this handsome, twisted man, who had destroyed their marriage and almost destroyed Donna's sanity, vanished with her little boy and girl. And Donna was left with a lover whose love was no longer enough, a new life that had suddenly turned agonizingly empty, and a terror-filled quest to find her children that would take her across the country and beyond the law . . .

Take a Kiss to School

In a dark night on a tree branch, Owen the little owl tries to sleep as his mother comforts him. Owen wonders how much the moms of other animals love their child and how they kiss goodnight. Giraffe mama soars so high in the sky . But how it comes down to kiss its child? How would crocodile mummy kiss with those large teeth? How would dolphin mama kiss its baby under water? Will the peacock mom spread its tail while kissing its little chick? Will penguin mama kiss its baby in the cold bitter winter? Then Owen's mom reveals a sweet secret as she kisses Owen goodnight. "Mom, How Do Animals Kiss Goodnight?" has brilliant illustrations and nice rhymes that will delight your child . Your child will learn to fall asleep in love and affection. This is the second book of the Goodnight Series by Peter Childs that follows Owen's path of adventure and learning. Finally, there is a majestic bonus for your little child in the last page. Enjoy!

Kiss Mommy Goodbye

Tells how a Mother's purple kisses illustrates her unconditional love for her children.

Mom, How Do Animals Kiss Goodnight?

13th June, 1940. Carefully labelled, and each clutching a little brown suitcase, Terry, aged seven, and his elder brother Jack, eleven, stand amid the throng of chattering children which crowds the narrow platform at Welling station, awaiting the steam engine which will pull them and their fellow evacuees across the country towards their secret destination - and a new life... In the tiny Cornish backwater of Doublebois the brothers find they have swapped the newly built streets of suburban London for the joys of the countryside. The woods become their playground, tree-climbing, rabbit-catching and night-fishing their new pastimes. But it is the railway, above all, which delights them. The main London to Penzance line runs through a cutting right below the small community, the goods yard and siding lie a couple of hundred yards down the line: to the two young sons of a railway worker, No. 7 the Railway Cottages seems the perfect new home. And despite a not-always-friendly rivalry between local kids and the 'vackies', village life under the care of irreverent, Welsh ex-miner Uncle Jack and his generous wife Aunty Rose is idyllic. That is, until the bombing of nearby Plymouth and tragic news from the Front shatter the peace of Doublebois, a reminder of the brutal reality of a war which at times seems so far away. Warm-hearted and moving, Kisses on a Postcard is a vivid and intimate portrait of a forgotten part of our wartime history; a compelling and uplifting memoir of growing up in an extraordinary time.

My Purple Kisses

Losing your mother when very young is a devastating experience. The authors featured in Kiss Me Goodnight recall the lost moments they shared with their mothers, exploring their feelings, longings, and how they have learned to cope with the loss through their adult lives. Unlike other books on motherlessness, Kiss Me Goodnight reveals the experience through stories, poems, and essays given an intimate and highly personal view of mother loss.

New York Times-Bestselling Author: A Jewish man struggles in midcentury suburbia in this dark comic novel "in the tradition of the Charlie Chaplin movie."—Time The first novel by Bruce Jay Friedman, the author of such classics as *The Lonely Guy* and *A Mother's Kisses*, Stern tells the story of a young Jewish man who relocates his family from the city to the suburbs—where they are besieged by voracious caterpillars and a bigotry that ranges from the genteel snub to outright confrontation. When his wife is accosted by a boorish neighbor, Stern begins hatching a plot to exact revenge—a painstaking, procrastination-filled process with hilarious consequences. "An iridescent tour de force...carnal, humorous, and at times slightly surrealistic."—The New York Times Book Review "A strange and touching novel...funny and sad at the same time."—Time "What makes Friedman more interesting than most of Malamud, Roth, and Bellow is the sense he affords of possibilities larger than the doings and undoings of the Jewish urban bourgeois...what makes him more important is that he writes out of the viscera instead of the cerebrum."—The Nation

Present for Mom

One Hundred Kisses is a story about a little girl, Hannah, who falls off her bike and how her mother makes her feel better with "one hundred kisses" when that one kiss just won't do the trick. This story is very special to Shari as her mom, Sylvia Davis, is the illustrator of Hannah. Her daughter, Alexis, had a "hand" in the illustrations as well. The collaboration of love from a mother and daughter is a common thread not only for the author and illustrator, but also for the story itself. Counting and repetitive reading are incorporated in the story for early readers. For teachers, One Hundred Kisses is a great asset to the classroom for that special benchmark of one hundred days of school. This story of a mother's love to heal an injury is sure to make your heart smile.

A Jar Full of Kisses

During the last 20 years, parents and teachers have passed along the secret of the Kissing Hand to children facing first days of kindergarten, first grade, and other separations. Now younger children can get in on Mama Raccoon's secret and find comfort in *A Kissing Hand* for Chester Raccoon, a board-book adaptation of the original picture book. Chester could feel his mother's kiss leap straight into his heart. "With a Kissing Hand," said Chester's mom, "We'll never be apart." "Just press your hand upon your cheek and feel that loving glow. It's Mommy saying, 'I love you,' wherever you may go." The Kissing Hand has become a children's classic that has touched the lives of millions of children and their parents. *A Kissing Hand* for Chester Raccoon conveys the heart of the story in rhyming verse, perfect for read-aloud and easy for even the little ones to remember and recite. With illustrations by Barbara Gibson that capture the warmth and beauty of the original artwork, toddlers now share in the benefits from Mrs. Raccoon's secret for making a child feel safe and secure.

Stern

In this tender sequel to the New York Times bestseller and children's classic *The Kissing Hand*, Audrey Penn provides parents with another tale of love and reassurance to share with their children. Chester Raccoon has a baby brother—and the baby brother is taking over his territory. When Chester sees his mother give his baby brother a Kissing Hand—his Kissing Hand—he is overcome with sadness, but Mrs. Raccoon soothes his fears with her own special brand of wisdom, finding just the right way to let Chester know he is deeply loved. Brought to life by Barbara Leonard Gibson's warm illustrations, this story is perfect for families who are adjusting to all the changes new members can bring.

One Hundred Kisses

Abigail Garner was five years old when her parents divorced and her dad came out as gay. Like the millions of children growing up in these families today, she often found herself in the middle of the political and moral debates surrounding lesbian, gay, bisexual, and transgender (LGBT) parenting. Drawing on a decade of community organizing, and interviews with more than fifty grown sons and daughters of

LGBT parents, Garner addresses such topics as coming out to children, facing homophobia at school, co-parenting with ex-partners, the impact of AIDS, and the children's own sexuality. Both practical and deeply personal, *Families Like Mine* provides an invaluable insider's perspective for LGBT parents, their families, and their allies.

A Kissing Hand for Chester Raccoon

From the creator of the best-selling *God Gave Us You* comes a warm exploration of the ways parents show affection--and how it mirrors God's affection for his followers. Parents are always looking out for the perfect bedtime book to create a sense of well-being before a night of rest. *Mama Kisses, Papa Hugs* explores a child's curiosity about how love is shown between parent and child, with the reassurance that Mama and Papa will always love their little one. And like Lisa Tawn Bergren's young protagonist asks his mother, this question is pressing on the minds of many children: "Mama, how does God kiss us?" Mama smiled. "He kisses us a hundred times a day; although if you don't pay attention, you might miss it." "At night he kisses us with a shooting star. In the morning, he kisses us with sunlight, crawling across the fields and into our windows. On a hot summer afternoon, he kisses us with a gentle breeze. But most of all, he kisses us through our family. That's how God made us. That's why I give you Mama kisses."
