

The Ways Of The Samurai

[#samurai](#) [#bushido](#) [#warrior code](#) [#feudal Japan](#) [#japanese history](#)

Explore the profound ways of the Samurai, delving into the core principles of Bushido, their revered warrior code. This journey uncovers the discipline, honor, and loyalty that defined these iconic figures in feudal Japan, offering insights into one of history's most fascinating warrior cultures and its lasting impact on Japanese history and philosophy.

Our thesis archive continues to grow with new academic contributions every semester.

21 Life Rules of The Samurai - 21 Life Rules of The Samurai by RedFrost Motivation 443,225 views
 2 years ago 4 minutes, 18 seconds - The way of the samurai, is a path of ultimate focus, sacrifice
 and discipline. Their purpose is to serve others by protecting their ...

Do not ignore the ever creeping presence of death. Embrace the notion, become familiar with it, you
 can not assume the end is somewhere far down the road.

Use this harsh reminder to live intensely in the present moment. Ensure every second permeates
 with meaning and purpose.

Exist to serve others.

Make decisions within seven breaths. Over deliberation weakens judgement.

A **samurai**, lives with a single minded purpose.

Work to surpass others. Do not settle to be amongst great warriors, seek to be the best.

The three virtues of a good **samurai**, are wisdom, ...

Feel you are putting forth more effort than is needed, then you will be doing just the right amount.

Preparation is vital for your efficacy in battle. It enables you to make good decisions with rapidness.

A truly deadly trait.

Wisdom comes from conversing with others. Do not be afraid to accept tough criticism. A good teacher
 reveals the faults you are unable to see.

... desire to realise "**The Way**",. **Samurai**, have been known ...

Repeatedly enquire, "how can I develop myself?"

Foster a calm inner strength.

Reliability is the mark of a legendary **samurai**,. 15.

A **samurai**, cannot reach the heights of greatness ...

Rise at four, wash, cat at dawn and retire at dusk. 17.

Once the task has been set, surrender yourself wholeheartedly to its completion. Act without
 hesitation or fear of consequences. 18.

Taking the actions necessary to become a sage means you already are acting like a sage.

A samurai is not discouraged by unfavourable odds

If you believe your valor is beyond compare and that your skills cannot be matched then this will give
 you the confidence needed to be the best. 21.

THE SAMURAI, ALWAYS HAS TO RISE AND MOVE ...

TODAY IS VICTORY OVER YOURSELF OF YESTERDAY TOMORROW IS YOUR VICTORY OVER LESSER MEN.

HONOUR MAY NOT WIN POWER BUT IT WINS RESPECT AND RESPECT EARNS POWER
A WARRIOR IS WORTHLESS UNLESS HE RISES ABOVE OTHERS AND STANDS STRONG IN THE MIDST OF A STORM.

EVERYONE FEELS FEAR WHAT **A SAMURAI**, OR ...

IT IS GOOD TO FACE CHALLENGES IN YOUR YOUTH. HE WHO HAS NEVER SUFFERED WILL NOT SUFFICIENTLY TEMPER. HIS CHARACTER

MAINTAIN PEACE IN OUR OWN REALMS, NURTURE LIFE AND PREVENT

I KNOW NOTHING ABOUT SURPASSING OTHERS I ONLY KNOW HOW TO OUTDO MYSELF
AS A SAMURAI I MUST STRENGTHEN MY CHARACTER AS A HUMAN BEING I MUST PERFECT MY SPIRIT

THE UNDISTURBED MIND IS LIKE THE CALM BODY WATER REFLECTING THE BRILLIANCE OF THE MOON. EMPTY THE MIND AND YOU WILL REALIZE THE UNDISTURBED MIND

IT IS A WRETCHED THING THAT THE YOUNG MEN OF TODAY ARE SO CONTRIVING AND SO PROUD OF THEIR MATERIAL POSSESSIONS MEN WITH CONTRIVING HEARTS ARE LACKING IN DUTY LACKING IN DUTY. THEY WILL HAVE NO SELF-RESPECT

THE SAMURAI, IS THE FIRST TO SUFFER ANXIETY ...

WHEN YOU GIVE ADVICE YOU SHOULD FIRST DISCERN WHETHER OR NOT THE OTHER PERSON IS WILLING TO ACCEPT IT.

IF YOU EMBARK ON AN UNCHARTED PATH. INFINITE SECRETS WILL APPEAR AT THE END.

21 Life Rules of The Samurai - 21 Life Rules of The Samurai by RedFrost Motivation 442,943 views 2 years ago 4 minutes, 18 seconds - I wrote these rules for life after reading the Hagakure By Yamamoto Tsunetomo also known as the Book of **The Samurai**,.

Do not ignore the ever creeping presence of death. Embrace the notion, become familiar with it, you can not assume the end is somewhere far down the road.

Use this harsh reminder to live intensely in the present moment. Ensure every second permeates with meaning and purpose.

Exist to serve others.

Make decisions within seven breaths. Over deliberation weakens judgement.

A samurai, lives with a single minded purpose.

Work to surpass others. Do not settle to be amongst great warriors, seek to be the best.

The three virtues of a good **samurai**, are wisdom, ...

Feel you are putting forth more effort than is needed, then you will be doing just the right amount.

Preparation is vital for your efficacy in battle. It enables you to make good decisions with rapidness.

A truly deadly trait.

Wisdom comes from conversing with others. Do not be afraid to accept tough criticism. A good teacher reveals the faults you are unable to see.

Samurai, have been known to pray with tears of blood ...

Repeatedly enquire, "how can I develop myself?"

Foster a calm inner strength.

Reliability is the mark of a legendary **samurai**,. 15.

A samurai, cannot reach the heights of greatness ...

Rise at four, wash, cat at dawn and retire at dusk. 17.

Once the task has been set, surrender yourself wholeheartedly to its completion. Act without hesitation or fear of consequences. 18.

Taking the actions necessary to become a sage means you already are acting like a sage.

A samurai is not discouraged by unfavourable odds

If you believe your valor is beyond compare and that your skills cannot be matched then this will give you the confidence needed to be the best. 21.

The Way of the Masks

Originally published under the title *La Voie des masques*, Sylvia Modelski has translated Claude Levi-Strauss' explanation of the tribal masks of coastal British Columbia with reference to kinship ties, incest prohibition and myths.

The Way of the Masks

Study of masks of Northwest Coast Indians from BC. to Alaska.

The Way of the Masks

Claude Levi-Strauss's fascination with Northwest Coast Indian art dates back to the late 1930s. "Sometime before the outbreak of the Second World War," he writes, "I had already bought in Paris a Haida slate panel pipe." In New York in the early forties, he shared his enthusiasm with a group of Surrealist refugee artists with whom he was associated. "Surely it will not be long," he wrote in an article published in 1943, "before we see the collections from this part of the world moved from ethnographic to fine arts museums to take their just place amidst the antiquities of Egypt of Persia and the works of medieval Europe. For this art is not unequal to the greatest, and, in the course of the century and a half

of its history that is known to us, it has shown evidence of a superior diversity and has demonstrated apparently inexhaustible talents for renewal." In "The Way of the Masks," first published more than thirty years later, he returned to this material, seeking to unravel a persistent problem that he associated with a particular mask, the Swaihwé, which is found among certain tribes of coastal British Columbia. This book, now available for the first time in an English translation, is a vivid, audacious illustration of Levi-Strauss's provocative structural approach to tribal art and culture. Bringing to bear on the Swaihwé masks his theory that mythical representations cannot be understood as isolated objects, Levi-Strauss began to look for links among them, as well as relationships between these and other types of masks and myths, treating them all as parts of a dialogue that has been going on for generations among neighboring tribes. The wider system that emerges from his investigation uncovers the association of the masks with Northwest coppers and with hereditary status and wealth, and takes the reader as far north as the Dene of Alaska, as far south as the Yurok of northern California, and as far away in time and space as medieval Europe. As one reader said of this book, "It will be controversial, as his work always is, and it will stimulate more scholarship on the Northwest Coast than any other single book that I can think of."

Masks

Masks are objects that demonstrate creative skills of many different periods and cultures. Masks are a nearly universal phenomenon, but their uses and meanings are strikingly different across cultures. In this book, eight leading experts explore the stories of masks across ancient and modern civilizations in a survey of their meaning and power.

Death Masks

Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry Dresden should be happy that business is good - makes a change. But now he's getting more than he bargained for: a duel with the Red Court of Vampires' champion, who must kill Harry to end the war between vampires and wizards; professional hit men using Harry for target practice; the missing Shroud of Turin (less missing than expected) and a headless corpse the Chicago police need identifying . . . Not to mention the return of Harry's ex-girlfriend Susan, still struggling with her semi-vampiric nature. And who seems to have a new man. Some days, it just doesn't pay to get out of bed. No matter how much you're charging. Magic - it can get a guy killed.

The Mask Handbook

Full of simple explanations, fun and effective practical exercises and collating over twenty-five years' experience of writing for, directing and acting in masks, this handbook provides a fascinating demystification of the process of using masks.

The Road 2 De-Mask-Us

THE ROAD IS HERE FOR YOU! Are You Ready to be REVEALED? Masks are real! They keep you from seeing the real you. Many may say that they've never worn a mask before. However, this book

proves that this isn't true! If you've ever experienced trauma, pain, rejection, abandonment or abuse, the result of not being healed and delivered from those spirits and all other spirits is a mask. In the mirror, you appear real but who are you really seeing? Are you seeing the tried and true Woman of God or are you seeing pieces and parts of the world mixed with God's perception of you? With masks, the way you perceive, receive, and what you believe are all altered; and yes, these alterations lead to presumptions of who you are supposed to be! False Images Appearing Real! The Road 2 De-MASK-Us is a two-part devotional. Part I was created just for you to first accept that you are masked, to reveal why you are masked and lead you to permanently unmasking. If you are tired of wearing masks and are ready to discover the real you, God's original blueprint of you, then open the pages of this book and begin to honestly, openly and transparently reveal to heal and become the REVEALED YOU that you were destined, called and chosen to be!

Mask Off

What is masculinity? Dominating the world around us, from Trump's twitter outbursts to deadly gun violence, from male suicide rates to incels on Reddit and 4chan, masculinity is perceived to be 'toxic', 'fragile' and 'in crisis'. In *Mask Off*, JJ Bola exposes masculinity as a performance that men are socially conditioned into. Using examples of non-Western cultural traditions, music and sport, he shines light on historical narratives around manhood, debunking popular myths along the way. He explores how LGBTQ men, men of colour, and male refugees experience masculinity in diverse ways, revealing its fluidity, how it's strengthened and weakened by different political contexts, such as the patriarchy or the far-right, and perceived differently by those around them. At the heart of love and sex, the political stage, competitive sports, gang culture, and mental health issues, lies masculinity: *Mask Off* is an urgent call to unravel masculinity and redefine it.

Masks!: a Lift-The-Flap Book

Prepare your little readers for the new normal with this interactive lift-the-flap book that reveals the familiar and friendly faces behind personal protection masks. In the morning I pick out a mask to wear. Today is a perfect day to be a dragon. What sound do dragons make under their masks? Roar! This lift-the-flap book combines imaginative play and health safety, and leads you and your child through a busy day wearing masks. Follow the life of a mask from when you pick out a mask in the morning; to school where your teacher wears a mask; and to the end of the day when you wash your mask clean. Each page features colorful and exciting masks that you can lift to discover a familiar face! Who's behind that unicorn mask? Your best friend! And who's behind the mask with teddy bears on it? Your doctor, of course! This interactive book, paired with illustrator Junissa Bianda's bright, comforting art, will alleviate little ones' anxieties and fears of masks. Help kids get used to masks at their own pace, and in the safety of their own space.

Shameless

Are you plagued with memories of past failures? Do you ever feel like everything that goes badly is your fault? Do words like worthless and unacceptable describe how you feel about yourself? You're not alone. Millions of people struggle with these same thoughts, including people who might surprise you. These thoughts and feelings cause people to put on a variety of masks to cover up the dark and hidden places inside that they are terrified others may see. This book seeks to shed light on shame—the shadowy force that has controlled people's thoughts, actions, and lives for centuries. Comedian and pastor Steve Geyer will take you on a personal and poignant journey as he peels back his own mask and shares insights, life lessons, and a few well-timed laughs along the way. Reading *Shameless* will help you reader feel the weight of shame less and less. "Steve, I'm sitting in a questionable carwash in a less than desirable neighborhood and reading your book for the third time. The 'ugly cry' that happened with the first two readings has surfaced again and is scaring my fellow patrons. Thank you for your candor and transparency." —Cameron Winton, Pastor of Discipleship Woodlawn United Methodist Church, Panama City, FL

The Dancer and The Masks

The Masks We kidnapped her. A payment for a debt. A very personal one. With our father "The Collector" dead, we are the heirs to a twisted dynasty with nothing but revenge in our hearts, blood on our hands, and darkness in our souls. The Dancer we stole is our captive to play with, to possess, to ruin. And we will destroy her. The Dancer I was kidnapped. Ripped from the people I love, and imprisoned in a castle

in Scotland with walls as thick and impenetrable as the stone encasing my kidnappers' hearts. Do as they say and you'll survive, fight and feel the consequences of their wrath. The Masks who stole me are cruel, merciless and wicked. But they won't break me. **WARNING:** This is an 18+ dark, contemporary, reverse harem captive/kidnap romance and contains graphic sex scenes, violence, dub-con / non-con and subject matter that readers may find triggering.

Tear Off the Masks!

When revolutions happen, they change the rules of everyday life--both the codified rules concerning the social and legal classifications of citizens and the unwritten rules about how individuals present themselves to others. This occurred in Russia after the Bolshevik Revolution of 1917, which laid the foundations of the Soviet state, and again in 1991, when that state collapsed. *Tear Off the Masks!* is about the remaking of identities in these times of upheaval. Sheila Fitzpatrick here brings together in a single volume years of distinguished work on how individuals literally constructed their autobiographies, defended them under challenge, attempted to edit the "file-selves" created by bureaucratic identity documentation, and denounced others for "masking" their true social identities. Marxist class-identity labels--"worker," "peasant," "intelligentsia," "bourgeois"--were of crucial importance to the Soviet state in the 1920s and 1930s, but it turned out that the determination of a person's class was much more complicated than anyone expected. This in turn left considerable scope for individual creativity and manipulation. Outright imposters, both criminal and political, also make their appearance in this book. The final chapter describes how, after decades of struggle to construct good Soviet socialist personae, Russians had to struggle to make themselves fit for the new, post-Soviet world in the 1990s--by "de-Sovietizing" themselves. Engaging in style and replete with colorful detail and characters drawn from a wealth of sources, *Tear Off the Masks!* offers unique insight into the elusive forms of self-presentation, masking, and unmasking that made up Soviet citizenship and continue to resonate in the post-Soviet world.

The Masks We Wear

We all wear masks throughout life. But what are they? Where do they come from? Why are they so dangerous? And how can we get rid of them? Using his own life's journey as an illustration, UK's #1 Fear Strategist Keith Blakemore-Noble takes you on a journey of discovery introducing your masks, helping you releasing your masks, and shares with you a life beyond your masks. Contents Part 1 - Introducing Your Masks What Is A Mask? Why Do We Wear Masks? Where Do They Come From? What Happens When We Wear A Mask? What Happens When We Take It Off? Part 2 - Releasing Your Masks How Do We Take Them Off? A Simple Question Going Deeper Dealing With The Fear Return Of The Mask? Part 3 - Beyond Your Masks A New Life 8 Powerful Words A Useful Anchor When Is A Mask Not A Mask? Where To Now? What Readers Are Saying About The Masks We Wear "Keith stands up to his title of the UK's #1 Fear Strategist. A fascinating man, with amazing stories to tell." - Brad Burton, Founder of 4Networking "You just don't know, what you don't know. And sometimes someone comes along and it makes sense. Thank you Keith for lighting the way." - Miss H Whyment-Lester, Business Manager, London "Keith writes honestly and candidly and speaks directly to the reader with great effect. The book is thought provoking and informative, yet written in a way which made it easy to read." - Joanna Michael, UK "I've seen Keith talk at many different networking events and learnt something different each time. This book not only reinforces those lessons but teaches me more. Thank you Keith." - Gary Jones, Grow Marketing and Media "Do you want to be authentic? Then The Masks We Wear is an eye-opening, potent read for you. Throughout the book you discover masks you wear unconsciously. Once they are removed you can relax into who you are and express your uniqueness; people can really get to know you, and deep and honest relationships can be built. Unmask and enjoy life!" - Antonia Olga Daniek - Founder of "Be the Change-Maker" "Keith has definitely helped me on more than one occasion and now with this book I have a little bit of him in my home as well as my heart." - Miss Amy Temple, Female Empowerer "Keith's understanding of the intricacies and interplay of people's fears and emotions are very apparent throughout this excellent text. A must read for those interested to discover more about the metaphorical masks that each of us wear (at least at one time or another), their importance, and what to do about them." - Alison Stead, Counsellor (Adv.Dip.Couns) "Keith has a way of making quite a difficult subject seem very easy to understand and to work through. This book deserves your time, your attention and your best. And you deserve this book." - Paul Newton, MentalTheft

People of the Masks

As the prophets have foretold, a child of power has been born unto the Turtle People of the Iroquois Nation. The Elders call him False Face Child, for he is the son of a powerful spirit. A living talisman, the child has inhuman eyes--black mirrors, ageless and deep--and all fear him. All but Jumping Badger, the most powerful war leader of the Bear People. He destroys an entire village to take the boy to use as a spiritual weapon. But his triumph is short-lived. The Bear People suffer terrible visions and hear the voices of the spirits. Strange ailments and mysterious deaths take them one by one. Though he is a seer, False Face Child is also a sad and lonely young boy named Rumbler. Twelve-year-old Wren befriends him and together they escape across the winter landscape of New York and Ontario with Jumping Badger close behind. He now fears the boy's power and seeks to kill him. Their only hope is to stay alive long enough to find Rumbler's legendary father, known only as The Disowned. An epic journey, *People of the Masks* is another riveting volume in New York Times and USA Today bestselling authors W. Michael Gear and Kathleen O'Neal Gear's North America's Forgotten Past series. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Mayhem at the Museum

PJ masks are on their way, into the night to save the day! By day, they are Connor, Greg and Amaya, but by night they are Catboy, Gekko and Owlette, the PJ Masks. Join them in this super-cool adventure storybook based on the episode 'Gekko and the Mayhem at the Museum' - Romeo has made a Big Box of Bad and has made the museum his headquarters. If the PJ Masks don't stop him, Romeo will control the whole city! Catboy, Owlette and Gekko must work together to beat the baddie. Also available: PJ Masks: PJ Robot and PJ Masks: Super Sticker Scenes

Masks in Horror Cinema

Why has the mask been such an enduring generic motif in horror cinema? This book explores its transformative potential historically across myriad cultures, particularly in relation to its ritual and mythmaking capacities, and its intersection with power, ideology and identity. All of these factors have a direct impact on mask-centric horror cinema: meanings, values and rituals associated with masks evolve and are updated in horror cinema to reflect new contexts, rendering the mask a persistent, meaningful and dynamic aspect of the genre's iconography. This study debates horror cinema's durability as a site for the potency of the mask's broader symbolic power to be constantly re-explored, re-imagined and re-invented as an object of cross-cultural and ritual significance that existed long before the moving image culture of cinema.

Masks

After something goes horribly wrong during her traditional Masking ceremony in the magical world of Aygrima, Mara Holdfast must figure out what happened before she becomes doomed to work as a slave in the mines for the rest of her life. 30,000 first printing.

Masks

This book is not intended as an attack on Christianity or the Christ of faith, but is an assessment of all the historical evidence about Jesus Christ. Although there is a huge literature on the subject - theological, historical, mythical, New Age and speculative - almost all of it is aimed at a niche market. *The Masks of Christ* is very different, being a mainstream book aimed at everyone. For the first time, all the various theories and facts about Jesus are considered between the covers of one accessible book. As the phenomenal sales of *The Da Vinci Code* continue to fuel a growing global appetite for questioning the old certainties and assumptions about Christianity and what it says about its founder, never has there been a more perfect time to launch *The Masks of Christ*.

The Masks Of Christ

"The Book of Masks" by Remy de Gourmont (translated by Jacob Howard Lewis). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Masks as agents of social control in northeast Liberia

In addresses written for a wide general audience, one of the twentieth century's most prominent thinkers, Claude Lévi-Strauss, here offers the insights of a lifetime on the crucial questions of human existence. Responding to questions as varied as 'Can there be meaning in chaos?', 'What can science learn from myth?' and 'What is structuralism?', Lévi-Strauss presents, in clear, precise language, essential guidance for those who want to learn more about the potential of the human mind.

The Book of Masks

PJ masks are on their way, into the night to save the day! By day, they are Connor, Greg and Amaya, but by night they are Catboy, Gekko and Owlette, the PJ Masks. Join them in this super-cool adventure story book based on the episode 'Feathered Friends' - Owlette really wants a pet, but when a bird arrives in the PJ Masks' HQ, Owlette gets more than she bargained for. Luna Girl has been up to something, and the PJ Masks must work together - and with Birdy - to save the day. PJ Masks all shout hooray! Also available: PJ Masks: Mayhem at the Museum and PJ Masks: Into the Night Glow-in-the-Dark sticker book PJ Masks (c) Frog Box / Entertainment One UK Limited / Walt Disney EMEA Productions Limited 2014

Myth and Meaning

Don these pop-out masks and plunge into make-believe adventures in an enchanted forest. In an enchanted forest of paper, paint, and whimsy, a hapless hunter bumbles after creatures large and small, from a mother fox and her pups to forest giants and vivid birds. Bold illustrations with dream-world colors bring the woodlands to life. Nine pre-cut pop-out masks allow children to act out the story with family and friends. Slipping into the roles of the book's creatures, they can also create delightful tales of their own and lose themselves in a land of make-believe.

Feathered Friends

For at least 20,000 years, masking has been a mark of cultural evolution and an indication of magical-religious sophistication in society. This book provides a comprehensive understanding of the mask as a powerful cultural phenomenon—a means by which human groupings attempted to communicate their dignity and sense of purpose, as well as establish a continuum between the natural and supernatural worlds. It addresses the distinctive environments within which masks flourished, and analyzes the mask as a manifestation of art, ethnology and anthropology.

Masks in the Forest

Acting with masks is one of the most ancient stage techniques still in use today. Masking Unmasked is a basic guide to using this ancient art to develop character and movement in four sections that correspond to mask size: Full-Face Masks, Clowning, Bag Masks, and Half-Face Masks. Each section addresses fundamental acting principles and shows how the ancient technique can be applied to the contemporary stage. It is the perfect book to use as background to traditional, non-masked acting principles. For instance, mask acting provides a great way of strengthening core acting skills. Actors in masks experience the primary goal of acting because they are required to tap into profound physical, vocal, emotional, and psychological transformations in the course of creating a character. In addition, masking promotes honest, believable, and detailed work. Illustrated profusely throughout, the hands-on exercises developed by Simon teach actors to shift cleanly between beats, execute moment-to-moment specificity, unleash creative impulses, take risks and expand character range, power and vulnerability. Masking Unmasked is a book of ancient acting techniques that are indispensable for the actor of today.

Masks and Masking

It's time to be a hero! By day, they are Connor, Greg and Amaya, but by night they are Catboy, Gekko and Owlette, the PJ Masks. This cool adventure storybook is based on the episode 'Owlette and the Battling Headquarters' - Amaya notices that the Ninjalinos are stealing all the school buses, and it turns out that Night Ninja is using the stolen buses to build a headquarters to rival the PJ Masks! At first Owlette is worried that the PJ Masks' HQ cannot fight back power-for-power, but eventually the PJ Masks work together to beat the baddies. PJ Masks all shout hooray! Also available: PJ Masks: Pedal Power, PJ Masks: Meet the PJ masks sticker book, PJ Masks: Annual 2018 PJ Masks (c) Frog Box / Entertainment One UK Limited / Walt Disney EMEA Productions Limited 2014

Masking Unmasked

Sing and dance along with Baby Shark, in this catchy tune all about staying healthy and wearing a mask! Sing, dance, and read along as Baby Shark and the whole shark family highlight the importance of mask wearing! Join Baby Shark and his underwater friends as they go on fun adventures all around town, from the soccer game to the grocery store and fun on the playground, staying safe and wearing masks all the way. A fun tool for kids and caregivers alike, this story is an approachable, reassuring way to talk about mask-wearing while singing along to your little one's favorite song. Featuring fun dance moves, an irresistibly catchy tune, and mask-wearing tips from Baby Shark himself, this book is a must-have for every home!

Battle of the HQs

WINNER OF: Frantz Fanon Outstanding Book from the Caribbean Philosophical Association Canadian Political Science Association's C.B. MacPherson Prize Studies in Political Economy Book Prize Over the past forty years, recognition has become the dominant mode of negotiation and decolonization between the nation-state and Indigenous nations in North America. The term "recognition" shapes debates over Indigenous cultural distinctiveness, Indigenous rights to land and self-government, and Indigenous peoples' right to benefit from the development of their lands and resources. In a work of critically engaged political theory, Glen Sean Coulthard challenges recognition as a method of organizing difference and identity in liberal politics, questioning the assumption that contemporary difference and past histories of destructive colonialism between the state and Indigenous peoples can be reconciled through a process of acknowledgment. Beyond this, Coulthard examines an alternative politics—one that seeks to revalue, reconstruct, and redeploy Indigenous cultural practices based on self-recognition rather than on seeking appreciation from the very agents of colonialism. Coulthard demonstrates how a "place-based" modification of Karl Marx's theory of "primitive accumulation" throws light on Indigenous-state relations in settler-colonial contexts and how Frantz Fanon's critique of colonial recognition shows that this relationship reproduces itself over time. This framework strengthens his exploration of the ways that the politics of recognition has come to serve the interests of settler-colonial power. In addressing the core tenets of Indigenous resistance movements, like Red Power and Idle No More, Coulthard offers fresh insights into the politics of active decolonization.

Wear Your Mask, Baby Shark (A Baby Shark Book)

Want to feel and act differently? What to change the way people react towards you? Then a Magnificent Mask is definitely for you! Learn about the history of masks around the world, how to make masks, and some special effects using masks!

Red Skin, White Masks

It's time for a masquerade! Readers will enjoy making their very own masks out of paper-mache. This book teaches readers to create several paper-mache projects, such as a superhero mask and monster mask. Readers will also learn how to make masks of animal faces, such as lions, owls, and bunnies. Colorful photographs make each step accessible even to beginning readers, and step-by-step instructions guide readers through each part of the process. Crafters are on their way to becoming masters of disguise!

Magnificent Masks

Nietzsche's Metaphilosophy

Perfect for fans of The Thief Lord! Aribella lives in Venice, the daughter of an impoverished lace-maker. But she has a deadly secret: when angered, sparks shoot from her fingertips. Unable to keep her power hidden, she flees - but when dark spectres rise from the lagoon, the fire in her hands saves her life. A stranger witnesses the attack - and through him, Aribella leaves her old life behind and discovers the world of the Cannovacci, magical warriors sworn to defeat the strange spectres menacing the city ...

Smiling From Ear to Ear

It was never a sure thing that James Ensor, the great Belgian painter of macabre and ghoulish scenes, would become a nationally revered figure. James Ensor was unusual in many ways. Apart from his training in Brussels, he spent his entire long life in Ostend, seemingly the opposite of cosmopolitan. Later on he was expelled by the group Les XX for a particularly controversial canvas: The Entry of Christ into Brussels, which he had painted in 1889. An expressionist before the term was coined, he used the iconography of masks and skeletons to point up the essential horrors of life, and often underwrote his images with a sardonic gallows humour. It has been said that he appropriated the subject matter of a Bosch or Bruegel and revisioned them using the techniques of Manet or Rubens. But this is to diminish his own unique take on both art and experience. A genuine maverick in the way that so many Belgian artists are (lest we forget Magritte), James Ensor can claim a dark and distinctive place in the art histories of the last hundred years.

The Mask of Aribella

This late work of Frithjof Schuon represents a general survey of his metaphysical perspective, which is that of the Sophia perennis, or "perennial wisdom" found at the heart of the world's religions. This new edition of The Play of Masks features a fully revised translation from the French original as well as over 50 pages of new material, including previously unpublished selections from the author's letters and other private writings. Also included is an editor's preface, extensive editor's notes, a glossary of foreign terms and phrases, an index, and biographical notes. Composed of short independent treatises, this book presents readers with fundamental keys for understanding the nature of God, the world, and the human situation. Throughout his writings, Schuon emphasizes the centrality of three elements: Truth, Way, and Virtue. The Truth is what we must know; the Way is what we must do; Virtue is what we must love, become, and be.

James Ensor, 1860-1949

Who are the three primary characters in Shakespeare's Othello-and how have their interpretations changed throughout history as social mores affected the audience, critics, and actors who portrayed them? These are the questions that noted Shakespearean Marvin Rosenberg seeks to answer in The Masks of Othello: The Search for the Identity of Othello, Iago, and Desdemona by Three Centuries of Actors and Critics. In this 1961 work, Rosenberg explores some of Shakespeare's most complex characters, and aims to help us understand how three people who are capable of such wrong-especially

Iago and Othello-can yet inspire the audience's compassion. Born in Fresno, California, in 1912 to Russian immigrant parents, Rosenberg was a student of English throughout his life. He earned his B.A. and M.A. in English from the University of California at Berkeley, followed by a stint working for the U.S. State Department during World War II. He then returned to UC Berkeley for his Ph.D. in English. He later joined the college faculty as a journalism professor, but eventually transferred to the Department of Dramatic Art. During this time, Rosenberg and his students set to documenting the way Shakespeare's works have been staged since they were first performed in the late 16th and early 17th centuries. Rosenberg used this material to trace the way the bard's scenes and characters have been reinterpreted and altered over the ensuing 350 years. The Masks of Othello was the first in a series of Masks books that would eventually include The Masks of King Lear (1972), The Masks of Macbeth (1978), The Masks of Hamlet (1992), and the posthumous The Masks of Anthony and Cleopatra (2006). In this first work, Rosenberg explores the complexity and differing interpretations of noble yet jealous Othello, naïve Desdemona, and conniving Iago over 357 years of productions. Rosenberg writes, "Since a staged play is a public event, performed before a willing audience, the actors' characterizations were partly products of their times, and to understand their differences we must know something of how a changing society influenced them, as it responded to them." This is particularly true of Othello, as it is one of Shakespeare's most sexually charged works-a "problem" to be solved in restrictive 18th century society. Many productions chose to "eliminate verbal and visual imagery that was erotic or in 'bad taste'..." including references to nudity and men and women lying together-odd omissions from a story about infidelity and jealousy. Another frequent issue was virtuous Desdemona's violent death, which caused an uproar at more than one performance. A production in France even changed the ending when Parisian society ladies had to be carried out of the theater in a swoon following the grisly scene. The new ending allowed Desdemona's (still living) father to rush in and save her from Othello at the last moment. The change only lasted for a few performances before the director decided he couldn't bear the false conclusion, and restored the original ending. The play has seen subtle updates as well, including the ways the actors have chosen to portray the characters over the centuries. Othellos have been intellectual and thoughtful, violent and brooding, troubled and unsure. Iagos have been domineering, sneering, spiteful, and a "gay light-hearted monster." Desdemonas have been yielding and tender, strong and determined, and even coarse in some of her banter (often cut from 18th and 19th century productions). The Masks of Othello is a fascinating exploration of the play and the way each performance is a reflection of its own time. It's a must-read for every scholar of Shakespeare.

The Play of Masks

'Utterly captivating. Carrick spins an exciting web of mystery, magic, and political treachery in a richly drawn and innovative world.' S. A. Chakraborty, author of The City of Brass Darkly magical and beautifully imagined, The Mask of Mirrors is the unmissable start to the Rook & Rose trilogy, a rich and dazzling fantasy adventure in which a con artist, a vigilante, and a crime lord must unite to save their city. Nightmares are creeping through the city of dreams . . . Renata Virdaux is a con artist who has come to the sparkling city of Nadezra -- the city of dreams -- with one goal: to trick her way into a noble house and secure her fortune and her sister's future. But as she's drawn into the aristocratic world of House Traementis, she realises her masquerade is just one of many surrounding her. And as corrupted magic begins to weave its way through Nadezra, the poisonous feuds of its aristocrats and the shadowy dangers of its impoverished underbelly become tangled -- with Ren at their heart. 'Wonderfully immersive--I was unable to put it down.' Andrea Stewart, author of The Bone Shard Daughter 'An intricate, compelling dream of a book' Melissa Caruso, author of The Tethered Mage 'I was utterly entranced by this glittering world filled with masked vigilantes, cunning conwomen, and dark magic. A sheer delight!' Katy Rose Pool, author of There Will Come A Darkness
