Lords of the Sith

When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their own ruthlessness to prevail. It appears things are as you suspected, Lord Vader. We are indeed hunted. Anakin Skywalker, Jedi Knight, is just a memory. Darth Vader, newly anointed Sith Lord, is ascendant. The Emperor's chosen apprentice has swiftly proven his loyalty to the dark side. Still, the history of the Sith Order is one of duplicity, betrayal, and acolytes violently usurping their Masters' and the truest measure of Vader's allegiance has yet to be taken. Until now. On Ryloth, a planet crucial to the growing Empire as a source of slave labor and the narcotic known as bespin, an aggressive resistance movement has arisen, led by Cham Syndulla, an idealistic freedom fighter, and Isval, a vengeful former slave. But Emperor Palpatine means to control the embattled world and its precious resources by political power or firepower and he will be neither intimidated nor denied. Accompanied by his merciless disciple, Darth Vader, he sets out on a rare personal mission to ensure his will is done. For Syndulla and Isval, it's the opportunity to strike at the very heart of the ruthless dictatorship sweeping the galaxy. And for the Emperor and Darth Vader, Ryloth becomes more than just a matter of putting down an insurrection: When an ambush sends them crashing to the planet's surface, where inhospitable terrain and an army of resistance fighters await them, they will find their relationship tested as never before. With only their lightsabers, the dark side of the Force, and each other to depend on, the two Sith must decide if the brutal bond they share will make them victorious allies or lethal adversaries.

Star Wars, Lords of the Sith

When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their own ruthlessness to prevail.

Dark Lords of the Sith

In the remote reaches of the Star Wars Universe, an ancient and deadly power has been awakened by a foolish and arrogant young Jedi. He will begin a quest to become a Dark Lord of Sith, and every galaxy will be threatened by his fearful power.

Star Wars: Heir to the Jedi

Luke Skywalker's game-changing destruction of the Death Star has made him not only a hero of the Rebel Alliance but a valuable asset in the ongoing battle against the Empire. Though he's a long way from mastering the power of the Force, there's no denying his phenomenal skills as a pilot—and in the eyes of Rebel leaders Princess Leia Organa and Admiral Ackbar, there's no one better qualified to carry out a daring rescue mission crucial to the Alliance cause. A brilliant alien cryptographer renowned for her ability to breach even the most advanced communications systems is being detained by Imperial agents determined to exploit her exceptional talents for the Empire's purposes. But the prospective spy's sympathies lie with the Rebels, and she's willing to join their effort in exchange for being reunited with her family. It's an opportunity to gain a critical edge against the Empire that's too precious to pass up. It's also a job that demands the element of surprise. So Luke and the ever-resourceful droid R2-D2 swap their trusty X-wing fighter for a sleek space yacht piloted by brash recruit Nakari Kelen, daughter of a biotech mogul, who's got a score of her own to settle with the Empire. Challenged by ruthless Imperial bodyguards, death-dealing enemy battleships, merciless bounty hunters, and monstrous brain-eating parasites, Luke plunges head-on into a high-stakes espionage operation that will push his abilities as a Rebel fighter and would-be Jedi to the limit. If ever he needed the wisdom of Obi-Wan Kenobi to shepherd him through danger, it's now. But Luke will have to rely on himself, his friends, and his own burgeoning relationship with the Force to survive.

The Best of Star Wars Insider Volume 5: Lords of the Sith

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} “At last we reveal ourselves to the Jedi...” They are the warriors whose thirst for power is matched only by their ruthlessness, but who are the Sith Lords? From the opening moments of A New Hope in which the imposing figure of Darth Vader strode onto the Tantive IV – and into movie history – to Kylo Ren's memorable debut in Star Wars: The Force Awakens, the Sith have proved that the bad guys have all the fun. This collection includes interviews with the actors who brought the Sith to life such as Ian McDiarmid (Emperor Palpatine/Darth Sidious), Hayden Christensen (Anakin Skywalker), and Christopher Lee (Count Dooku), along with articles that explore these evil practitioners of the dark side. “Much of the best writing about the Star Wars franchise has appeared in the pages of Star Wars Insider Magazine.” – Manhattan Book Review

Star Wars: Shadow of the Sith

Luke Skywalker and Lando Calrissian return in this essential novel set between Return of the Jedi and The Force Awakens. The Empire is dead. Nearly two decades after the Battle of Endor, the tattered remnants of Palpatine's forces have fled to the farthest reaches of the galaxy. But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable . . . and Luke's worst fears are confirmed when his old friend Lando Calrissian comes to him with reports of a new Sith menace. After Lando's daughter was stolen from his arms, he searched the stars for any trace of his lost child. But every new rumor leads only to dead ends and fading hopes-until he crosses paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will answer the questions that have haunted him since the Empire fell. In exchange, he must complete a final mission: Return to Exegol with the key to the Sith's glorious rebirth-Rey, the granddaughter of Darth Sidious himself. As Ochi hunts Rey and her parents to the edge of the galaxy, Luke and Lando race into the mystery of the Sith's lingering shadow and aid a young family running for their lives.

Star Wars: The Secrets of the Sith

Join Emperor Palpatine, otherwise known as Darth Sidious, in this exploration of the Sith and the evil allies of the dark side. The Secrets of the Sith will thrill young fans with dark-side knowledge, incredible artwork, and interactive features, such as pop-ups, booklets, and lift-the-flap inserts.

The Dark Lord Trilogy: Star Wars Legends

For the first time in one thrilling volume, three novels—Labyrinth of Evil, Revenge of the Sith, and Dark Lord: The Rise of Darth Vader—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still rests in the swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed. LABYRINTH OF EVIL by James Luceno REVENGE OF THE SITH by Matthew Stover, based on the story and screenplay by George Lucas DARK LORD The Rise of Darth Vader by James Luceno

Secrets of the Jedi

Although it is understood that Jedi aren't allowed to form attachments, Master Obi-Wan's apprentice Anakin Skywalker has secretly married Padme Amidala and it is feared that having done so may affect his next important mission to locate a piece of technology during the Clone Wars.

It contains the first Echelon in our "Nine Echelons of Sith Mastery" training program.

Jedi vs. Sith: Star Wars: The Essential Guide to the Force

THE ULTIMATE GUIDE TO THE ABSOLUTE POWER AT THE HEART OF THE STAR WARS GALAXY
The Force, in the immortal words of Obi-Wan Kenobi, "surrounds us, it penetrates us, it binds the galaxy together." The fortunate few who are able to tap into this extraordinary power have studied and cultivated the full spectrum of its potential—either embracing its virtuous qualities or succumbing to its evil temptations. The Jedi seek to bring peace and enlightenment to the galaxy, while the Sith hunger only for conquest and control. This comprehensive one-of-a-kind overview chronicles the known history of the Force and its wielders down through the ages, from the founding tenets of Jedi and Sith teachings to the landmark events and legendary figures who have shaped the struggle between the light and dark sides. In first-hand accounts by Obi-Wan Kenobi, Yoda, Luke Skywalker, Leia Organa Solo, Darth Bane, Darth Vader, Count Dooku, Emperor Palpatine, and a host of other Jedi Masters, Sith Lords, scholars, and sages, *Star Wars: Jedi vs. Sith: The Essential Guide to the Force* spans the breadth of available knowledge, including • the first recorded discovery of the Force • significant battles affected by the Force throughout galactic history • the purpose, construction, and importance of Holocrons • the evolution of the Jedi and Sith orders • Force-sensitive abilities—including battle meditation, telekinesis, and "mind tricks" • noteworthy Jedi and Sith lightsabers, and the seven forms of lightsaber combat • a vivid portrait of the Chosen One, Anakin Skywalker **PLUS—More than one hundred brand new full-color illustrations!** No Star Wars library is complete without this definitive guide to understanding the Force. Remember: the Force will be with you . . . always!

Star Wars: Phasma

Discover Captain Phasma's mysterious history in the official prequel to *The Last Jedi*, the highly anticipated blockbuster film directed by Rian Johnson. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins—and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the *Battlecruiser Absolution*, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper—Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma's past—and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it—and once his adversary unleashes the full measure of her fury.

The Hammer and the Blade

For readers of Brent Weeks, Joe Abercrombie, Peter V. Brett, and Scott Lynch comes the first book in a fantastic, hilarious new sword-and-sorcery series that puts a clever new twist on the golden age of epic fantasy. Robbing tombs for fun and profit might not be a stable career, but Egil and Nix aren't in it for the long-term prospects. Egil is the hammer-wielding warrior-priest of a discredited god. Nix is a roguish thief with just enough knowledge of magic to conjure up trouble. Together, they seek riches and renown, yet often find themselves enlisted in lost causes—generally against their will. So why should their big score be any different? The trouble starts when Nix and Egil kill the demonic guardian of a long-lost crypt, nullifying an ancient pact made by the ancestors of an obscenely powerful wizard. Now the wizard will stop at nothing to keep that power from slipping away, even if it means freeing a rapacious beast from its centuries-old prison. And who better than Egil and Nix—the ones responsible for his current predicament—to perform this thankless task? Praise for *The Hammer and the Blade* and Paul S. Kemp “A gripping tale [with] the feeling of a classic *Dungeons & Dragons* campaign.”—*Publishers Weekly* “Most heroes work up to killing demons. Egil and Nix start there and pick up the pace.”—*Elaine Cunningham*, author of the *Thorn Trilogy* “Kemp delivers sword and sorcery at its rollicking best, after the fashion of Fritz Leiber's *Fafhrd* and the *Gray Mouser*.”—*Library Journal*

A Discourse in Steel

Egil and Nix have retired, as they always said they would. No, really - they have! No more sword and hammer-play for them! But when two recent acquaintances come calling for help, our hapless heroes find themselves up against the might of the entire Thieves Guild. And when kidnapping the leader of the most powerful guild in the land seems like the best course of action, you know you're in over your head. A hugely-enjoyable adventure in classic sword and sorcery mode, from the New York Times bestselling author of “*Star Wars: Deceived*” and “*The Hammer and the Blade*”.

Star Wars®: Episode III: Revenge of the Sith

Award-winning author Patricia C. Wrede tells the final chapter of the Star Wars saga, in this incredible novel based on one of the most eagerly awaited movies of all time. The circle will now be complete: the final installment of the Star Wars saga, showing the emergence of Darth Vader, the downfall of the Jedi, and the revenge of the Sith.

Star Wars®: Imperial Handbook

The exciting next book in the bestselling Jedi/Sith/Bounty Hunter series has arrived! The Empire has taken hold of the galaxy, and high-ranking officials from each branch of the military have created an Imperial Handbook, compiling tactical guidelines and procedures as well as mission reports and classified documents for all newly ascending commanders. This comprehensive manual details secrets of Imperial battle tactics, acceptable actions for bringing swift justice to traitors, and the Emperor's long-term plan for galactic military domination. After the Battle of Endor, this copy of the Imperial

Handbook fell into the hands of the Rebel Alliance. Well-known rebels provide a humorous running counter-commentary to the official Imperial propaganda in the form of handwritten annotations in the margins of the pages. © and TM Lucasfilm Ltd. Used Under Authorization

Star Wars

Readers discover the secrets of the dark side and meet the most fearsome and powerful Sith lords of the Star Wars universe, including Darth Maul, Darth Vader, Count Dooku, and Emperor Palpatine.

Star Wars

This is the full color paperback edition of the fourth book from Sith Academy, a Dark Side school founded by the first real Sith Order on this planet. In this book we discuss the key ideas and thinkers that have guided our path to the Dark Side. It is based on years of experience, research, reflections and revelations as power-seekers and Dark Lords. We publish these thoughts for Acolytes on the path to Sith Mastery, so they may learn of philosophies not taught in any mundane, Light Side school, and in so doing arm themselves with explosive thought-bombs and gain unlimited intellectual power. *Dark Side Philosophy* contains our philosophies of power, politics, evil, war, death, magick, metaphysics, empire, history, the cosmos, and more. It discusses the nature of the Dark Side, the Force and the philosophy of Sithism. It also contains the nine Challenges that the Sith Acolyte must complete to advance to the next level of Sith training. Every Dark Lord must develop a philosophy that can withstand any attack and become a mighty weapon of conquest. This book is written to give the Sith Acolyte the tools to do just that. Are you ready to begin? --The Dark Lords, Imperial Year 8, Month 1 (September 2018)

Sith Academy

In this essential *Star Wars Legends* novel, the second in the *Darth Bane* trilogy, the fearsome Sith lord takes on a deadly new apprentice. Darth Bane's twisted genius made him a natural leader among the Sith—until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order . . . and create it anew from the ashes. As the last surviving Sith, Darth Bane promulgated a harsh new directive: the Rule of Two. Two there should be; no more, no less. One to embody the power, the other to crave it. Now Darth Bane is ready to put his policy into action and thinks he has found the key element that will make his triumph complete: a student to train in the ways of the dark side. Though she is young, Zannah possesses an instinctive link to the dark side that rivals his own. With his guidance, she will become essential in his quest to destroy the Jedi and dominate the galaxy.

Rule of Two: Star Wars Legends (Darth Bane)

This eBook sampler is the perfect way to prepare for the next exciting era of *Star Wars* storytelling! With Episodes VII, VIII, and IX on the horizon, Del Rey is proud to present the first wave of novels that are part of the official *Star Wars* film canon, created in collaboration with the newly formed Lucasfilm Story Group. The exclusive previews of these four books, starring fan favorites and set during and before the original trilogy, will transport you once again to a galaxy that doesn't feel quite so long ago, or so far away. . . . *A NEW DAWN* by John Jackson Miller Set during the mysterious "Dark Times" between

Episodes III and IV, *A New Dawn* tells the story of how two of the lead characters from the animated series *Star Wars Rebels* first came to cross paths. **TARKIN** by James Luceno Bestselling *Star Wars* veteran James Luceno gives Grand Moff Tarkin the *Star Wars: Darth Plagueis* treatment, bringing the legendary character from *A New Hope* to full, fascinating life. **HEIR TO THE JEDI** by Kevin Hearne The author of *The Iron Druid Chronicles* pens a thrilling new adventure set between *A New Hope* and *The Empire Strikes Back*, and—for the first time ever—written entirely from Luke Skywalker's first-person point of view. **LORDS OF THE SITH** by Paul S. Kemp When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their fearsome fighting skills to prevail.

Stories of Jedi and Sith

Journey to the Unknown Regions and learn more about Thrawn's origins and his home: *The Chiss Ascendancy*.

Thrawn Ascendancy

A mysterious former Sith wanders the galaxy in this stunning *Star Wars* tale. An original novel inspired by the world of *The Duel* from the *Star Wars Visions* animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.

Star Wars Visions: Ronin

Navigators Gav and Jori Dragon chart the routes of hyperspace and sell them to traders, but when their ship is damaged, they find themselves trapped on the planet Cinnagar

The Golden Age of the Sith

For the first time in one thrilling volume, three novels—*Labyrinth of Evil*, *Revenge of the Sith*, and *Dark Lord: The Rise of Darth Vader*—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. Jedi vs. Sith: Star Wars: The Essential Guide to the Force

As the Empire's grip tightens on the galaxy, the stirrings of a rebellion begin in the Mon Cala system. The fearsome Darth Vader knows that order must be maintained at all costs - and this time the job of snuffing out hope falls to Vader, his inquisitors...and Wilhuff Tarkin! To bring Mon Cala to heel means finding the surviving Jedi that foment this unrest. No tolerance for rebellion can be afforded...but how far will Vader go to complete his mission? The Dark Lord of the Sith goes in for some wet work in this brutal story! COLLECTING: DARTH VADER 13-18

Star Wars: Darth Vader - Dark Lord of the Sith Vol. 3

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular “Deceived” and “Hope” game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never

want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Deceived: Star Wars Legends (The Old Republic)

Darth Vader, the evil emperor's powerful enforcer, sets out to eliminate all resistance to the Empire, a mission that reveals his true strength and role as the Emperor's iron fist.

Lords of the Sith

When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their own ruthlessness to prevail. â€œIt appears things are as you suspected, Lord Vader. We are indeed hunted.â€ Anakin Skywalker, Jedi Knight, is just a memory. Darth Vader, newly anointed Sith Lord, is ascendant. The Emperorâ€™s chosen apprentice has swiftly proven his loyalty to the dark side. Still, the history of the Sith Order is one of duplicity, betrayal, and acolytes violently usurping their Mastersâ€™ and the truest measure of Vaderâ€™s allegiance has yet to be taken. Until now. On Ryloth, a planet crucial to the growing Empire as a source of slave labor and the narcotic known as â€œoespice,â€ an aggressive resistance movement has arisen, led by Cham Syndulla, an idealistic freedom fighter, and Isval, a vengeful former slave. But Emperor Palpatine means to control the embattled world and its precious resourcesâ€"by political power or firepowerâ€"and he will be neither intimidated nor denied. Accompanied by his merciless disciple, Darth Vader, he sets out on a rare personal mission to ensure his will is done. For Syndulla and Isval, itâ€™s the opportunity to strike at the very heart of the ruthless dictatorship sweeping the galaxy. And for the Emperor and Darth Vader, Ryloth becomes more than just a matter of putting down an insurrection: When an ambush sends them crashing to the planetâ€™s surface, where inhospitable terrain and an army of resistance fighters await them, they will find their relationship tested as never before. With only their lightsabers, the dark side of the Force, and each other to depend on, the two Sith must decide if the brutal bond they share will make them victorious allies or lethal adversaries.

Star Wars, Lords of the Sith

When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their own ruthlessness to prevail.

Dark Lords of the Sith

In the remote reaches of the Star Wars Universe, an ancient and deadly power has been awakened by a foolish and arrogant young Jedi. He will begin a quest to become a Dark Lord of Sith, and every galaxy will be threatened by his fearful power.

Star Wars: Heir to the Jedi

Luke Skywalker's game-changing destruction of the Death Star has made him not only a hero of the Rebel Alliance but a valuable asset in the ongoing battle against the Empire. Though he's a long way from mastering the power of the Force, there's no denying his phenomenal skills as a pilot—and in the eyes of Rebel leaders Princess Leia Organa and Admiral Ackbar, there's no one better qualified to carry out a daring rescue mission crucial to the Alliance cause. A brilliant alien cryptographer renowned for her ability to breach even the most advanced communications systems is being detained by Imperial agents determined to exploit her exceptional talents for the Empire's purposes. But the prospective spy's sympathies lie with the Rebels, and she's willing to join their effort in exchange for being reunited with her family. It's an opportunity to gain a critical edge against the Empire that's too precious to pass up. It's also a job that demands the element of surprise. So Luke and the ever-resourceful droid R2-D2 swap their trusty X-wing fighter for a sleek space yacht piloted by brash recruit Nakari Kelen, daughter of a biotech mogul, who's got a score of her own to settle with the Empire. Challenged by ruthless Imperial bodyguards, death-dealing enemy battleships, merciless bounty hunters, and monstrous brain-eating parasites, Luke plunges head-on into a high-stakes espionage operation that will push his abilities as a Rebel fighter and would-be Jedi to the limit. If ever he needed the wisdom of Obi-Wan Kenobi to shepherd him through danger, it's now. But Luke will have to rely on himself, his friends, and his own burgeoning relationship with the Force to survive.

The Best of Star Wars Insider Volume 5: Lords of the Sith

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} “At last we reveal ourselves to the Jedi...” They are the warriors whose thirst for power is matched only by their ruthlessness, but who are the Sith Lords? From the opening moments of A New Hope in which the imposing figure of Darth Vader strode onto the Tantive IV – and into movie history – to Kylo Ren's memorable debut in Star Wars: The Force Awakens, the Sith have proved that the bad guys have all the fun. This collection includes interviews with the actors who brought the Sith to life such as Ian McDiarmid (Emperor Palpatine/Darth Sidious), Hayden Christensen (Anakin Skywalker), and Christopher Lee (Count Dooku), along with articles that explore these evil practitioners of the dark side. “Much of the best writing about the Star Wars franchise has appeared in the pages of Star Wars Insider Magazine.” – Manhattan Book Review

Star Wars: Shadow of the Sith

Luke Skywalker and Lando Calrissian return in this essential novel set between Return of the Jedi and The Force Awakens. The Empire is dead. Nearly two decades after the Battle of Endor, the tattered remnants of Palpatine's forces have fled to the farthest reaches of the galaxy. But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable . . . and Luke's worst fears are confirmed when his old friend Lando Calrissian comes to him with reports of a new Sith menace. After Lando's daughter was stolen from his arms, he searched the stars for any trace of his lost child. But every new rumor leads only to dead ends and fading hopes-until he crosses paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will answer the questions that have haunted him since the Empire fell. In exchange, he must complete a final mission: Return to Exegol with the key to the Sith's glorious rebirth-Rey, the granddaughter of Darth Sidious himself. As Ochi hunts Rey and her parents to the edge of the galaxy, Luke and Lando race into the mystery of the Sith's lingering shadow and aid a young family running for their lives.

Star Wars: The Secrets of the Sith

Join Emperor Palpatine, otherwise known as Darth Sidious, in this exploration of the Sith and the evil allies of the dark side. The Secrets of the Sith will thrill young fans with dark-side knowledge, incredible artwork, and interactive features, such as pop-ups, booklets, and lift-the-flap inserts.

The Dark Lord Trilogy: Star Wars Legends

For the first time in one thrilling volume, three novels—Labyrinth of Evil, Revenge of the Sith, and Dark Lord: The Rise of Darth Vader—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still rests in the swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed. LABYRINTH OF EVIL by James Luceno REVENGE OF THE SITH by Matthew Stover, based on the story and screenplay by George Lucas DARK LORD The Rise of Darth Vader by James Luceno

Secrets of the Jedi

Although it is understood that Jedi aren't allowed to form attachments, Master Obi-Wan's apprentice Anakin Skywalker has secretly married Padme Amidala and it is feared that having done so may affect his next important mission to locate a piece of technology during the Clone Wars.

Star Wars Knights of the Old Republic II

The writings and exercises in this book are designed to awaken your Power-Craving - the first requirement of all would-be Dark Lords. It contains the first Echelon in our "Nine Echelons of Sith Mastery" training program.

Jedi vs. Sith: Star Wars: The Essential Guide to the Force

THE ULTIMATE GUIDE TO THE ABSOLUTE POWER AT THE HEART OF THE STAR WARS GALAXY
The Force, in the immortal words of Obi-Wan Kenobi, "surrounds us, it penetrates us, it binds the galaxy together." The fortunate few who are able to tap into this extraordinary power have studied and cultivated the full spectrum of its potential—either embracing its virtuous qualities or succumbing to its evil temptations. The Jedi seek to bring peace and enlightenment to the galaxy, while the Sith hunger only for conquest and control. This comprehensive one-of-a-kind overview chronicles the known history of the Force and its wielders down through the ages, from the founding tenets of Jedi and Sith teachings to the landmark events and legendary figures who have shaped the struggle between the light and dark sides. In first-hand accounts by Obi-Wan Kenobi, Yoda, Luke Skywalker, Leia Organa Solo, Darth Bane, Darth Vader, Count Dooku, Emperor Palpatine, and a host of other Jedi Masters, Sith Lords, scholars, and sages, *Star Wars: Jedi vs. Sith: The Essential Guide to the Force* spans the breadth of available knowledge, including • the first recorded discovery of the Force • significant battles affected by the Force throughout galactic history • the purpose, construction, and importance of Holocrons • the evolution of the Jedi and Sith orders • Force-sensitive abilities—including battle meditation, telekinesis, and "mind tricks" • noteworthy Jedi and Sith lightsabers, and the seven forms of lightsaber combat • a vivid portrait of the Chosen One, Anakin Skywalker **PLUS—More than one hundred brand new full-color illustrations!** No Star Wars library is complete without this definitive guide to understanding the Force. Remember: the Force will be with you . . . always!

Star Wars: Phasma

Discover Captain Phasma's mysterious history in the official prequel to *The Last Jedi*, the highly anticipated blockbuster film directed by Rian Johnson. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins—and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the *Battlecruiser Absolution*, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper—Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma's past—and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it—and once his adversary unleashes the full measure of her fury.

The Hammer and the Blade

For readers of Brent Weeks, Joe Abercrombie, Peter V. Brett, and Scott Lynch comes the first book in a fantastic, hilarious new sword-and-sorcery series that puts a clever new twist on the golden age of epic fantasy. Robbing tombs for fun and profit might not be a stable career, but Egil and Nix aren't in it for the long-term prospects. Egil is the hammer-wielding warrior-priest of a discredited god. Nix is a roguish thief with just enough knowledge of magic to conjure up trouble. Together, they seek riches and renown, yet often find themselves enlisted in lost causes—generally against their will. So why should their big score be any different? The trouble starts when Nix and Egil kill the demonic guardian of a long-lost crypt, nullifying an ancient pact made by the ancestors of an obscenely powerful wizard. Now the wizard will stop at nothing to keep that power from slipping away, even if it means freeing a rapacious beast from its centuries-old prison. And who better than Egil and Nix—the ones responsible for his current predicament—to perform this thankless task? Praise for *The Hammer and the Blade* and Paul S. Kemp “A gripping tale [with] the feeling of a classic *Dungeons & Dragons* campaign.”—*Publishers Weekly* “Most heroes work up to killing demons. Egil and Nix start there and pick up the pace.”—*Elaine Cunningham*, author of the *Thorn Trilogy* “Kemp delivers sword and sorcery at its rollicking best, after the fashion of Fritz Leiber's *Fafhrd* and the *Gray Mouser*.”—*Library Journal*

A Discourse in Steel

Egil and Nix have retired, as they always said they would. No, really - they have! No more sword and hammer-play for them! But when two recent acquaintances come calling for help, our hapless heroes find themselves up against the might of the entire Thieves Guild. And when kidnapping the leader of the most powerful guild in the land seems like the best course of action, you know you're in over your head. A hugely-enjoyable adventure in classic sword and sorcery mode, from the New York Times bestselling author of *"Star Wars: Deceived"* and *"The Hammer and the Blade"*.

Star Wars®: Episode III: Revenge of the Sith

Award-winning author Patricia C. Wrede tells the final chapter of the Star Wars saga, in this incredible novel based on one of the most eagerly awaited movies of all time. The circle will now be complete: the final installment of the Star Wars saga, showing the emergence of Darth Vader, the downfall of the Jedi, and the revenge of the Sith.

Star Wars®: Imperial Handbook

The exciting next book in the bestselling Jedi/Sith/Bounty Hunter series has arrived! The Empire has taken hold of the galaxy, and high-ranking officials from each branch of the military have created an Imperial Handbook, compiling tactical guidelines and procedures as well as mission reports and classified documents for all newly ascending commanders. This comprehensive manual details secrets of Imperial battle tactics, acceptable actions for bringing swift justice to traitors, and the Emperor's long-term plan for galactic military domination. After the Battle of Endor, this copy of the Imperial

Handbook fell into the hands of the Rebel Alliance. Well-known rebels provide a humorous running counter-commentary to the official Imperial propaganda in the form of handwritten annotations in the margins of the pages. © and TM Lucasfilm Ltd. Used Under Authorization

Star Wars

Readers discover the secrets of the dark side and meet the most fearsome and powerful Sith lords of the Star Wars universe, including Darth Maul, Darth Vader, Count Dooku, and Emperor Palpatine.

Star Wars

This is the full color paperback edition of the fourth book from Sith Academy, a Dark Side school founded by the first real Sith Order on this planet. In this book we discuss the key ideas and thinkers that have guided our path to the Dark Side. It is based on years of experience, research, reflections and revelations as power-seekers and Dark Lords. We publish these thoughts for Acolytes on the path to Sith Mastery, so they may learn of philosophies not taught in any mundane, Light Side school, and in so doing arm themselves with explosive thought-bombs and gain unlimited intellectual power. *Dark Side Philosophy* contains our philosophies of power, politics, evil, war, death, magick, metaphysics, empire, history, the cosmos, and more. It discusses the nature of the Dark Side, the Force and the philosophy of Sithism. It also contains the nine Challenges that the Sith Acolyte must complete to advance to the next level of Sith training. Every Dark Lord must develop a philosophy that can withstand any attack and become a mighty weapon of conquest. This book is written to give the Sith Acolyte the tools to do just that. Are you ready to begin? --The Dark Lords, Imperial Year 8, Month 1 (September 2018)

Sith Academy

In this essential *Star Wars Legends* novel, the second in the *Darth Bane* trilogy, the fearsome Sith lord takes on a deadly new apprentice. Darth Bane's twisted genius made him a natural leader among the Sith—until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order . . . and create it anew from the ashes. As the last surviving Sith, Darth Bane promulgated a harsh new directive: the Rule of Two. Two there should be; no more, no less. One to embody the power, the other to crave it. Now Darth Bane is ready to put his policy into action and thinks he has found the key element that will make his triumph complete: a student to train in the ways of the dark side. Though she is young, Zannah possesses an instinctive link to the dark side that rivals his own. With his guidance, she will become essential in his quest to destroy the Jedi and dominate the galaxy.

Rule of Two: Star Wars Legends (Darth Bane)

This eBook sampler is the perfect way to prepare for the next exciting era of *Star Wars* storytelling! With Episodes VII, VIII, and IX on the horizon, Del Rey is proud to present the first wave of novels that are part of the official *Star Wars* film canon, created in collaboration with the newly formed Lucasfilm Story Group. The exclusive previews of these four books, starring fan favorites and set during and before the original trilogy, will transport you once again to a galaxy that doesn't feel quite so long ago, or so far away. . . . *A NEW DAWN* by John Jackson Miller Set during the mysterious "Dark Times" between

Episodes III and IV, A New Dawn tells the story of how two of the lead characters from the animated series Star Wars Rebels first came to cross paths. **TARKIN** by James Luceno Bestselling Star Wars veteran James Luceno gives Grand Moff Tarkin the Star Wars: Darth Plagueis treatment, bringing the legendary character from A New Hope to full, fascinating life. **HEIR TO THE JEDI** by Kevin Hearne The author of The Iron Druid Chronicles pens a thrilling new adventure set between A New Hope and The Empire Strikes Back, and—for the first time ever—written entirely from Luke Skywalker's first-person point of view. **LORDS OF THE SITH** by Paul S. Kemp When the Emperor and his notorious apprentice, Darth Vader, find themselves stranded in the middle of insurgent action on an inhospitable planet, they must rely on each other, the Force, and their fearsome fighting skills to prevail.

Star Wars 2014 Sampler

Brown Sarwat Chadda Delilah S. Dawson Tessa Gratton Michael Kogge Sam Maggs Michael Moreci Alex Segura Vera Strange Karen Strong with illustrations by Jake Bartok

Stories of Jedi and Sith

Journey to the Unknown Regions and learn more about Thrawn's origins and his home: The Chiss Ascendancy.

Thrawn Ascendancy

A mysterious former Sith wanders the galaxy in this stunning Star Wars tale. An original novel inspired by the world of The Duel from the Star Wars Visions animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.

Star Wars Visions: Ronin

Navigators Gav and Jori Dragon chart the routes of hyperspace and sell them to traders, but when their ship is damaged, they find themselves trapped on the planet Cinnagar

The Golden Age of the Sith

For the first time in one thrilling volume, three novels—Labyrinth of Evil, Revenge of the Sith, and Dark Lord: The Rise of Darth Vader—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the

dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still rests in the swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed. LABYRINTH OF EVIL by James Luceno REVENGE OF THE SITH by Matthew Stover, based on the story and screenplay by George Lucas DARK LORD The Rise of Darth Vader by James Luceno Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The Dark Lord Trilogy: Star Wars Legends

Ulic Qel-Droma and Nomi Sunrider and young Jedi Knights drawn into a battle for the survival of the Old Republic. But as the power of the evil Sith spreads across the galaxy, it threatens the existence of the Jedi themselves, and draws one of their greatest allies over to the dark side!

Dark Lords of the Sith

Now that the Sith Empire has rallied its forces to crush the Republic, their only threat is Jori Daragon, a mapper of hyperspace who happened to stumble upon the plans of the Sith and a lone woman who may become the savior of the Republic. Original.

The Fall of the Sith Empire

THE ULTIMATE GUIDE TO THE ABSOLUTE POWER AT THE HEART OF THE STAR WARS GALAXY The Force, in the immortal words of Obi-Wan Kenobi, “surrounds us, it penetrates us, it binds the galaxy together.” The fortunate few who are able to tap into this extraordinary power have studied and cultivated the full spectrum of its potential—either embracing its virtuous qualities or succumbing to its evil temptations. The Jedi seek to bring peace and enlightenment to the galaxy, while the Sith hunger only for conquest and control. This comprehensive one-of-a-kind overview chronicles the known history of the Force and its wielders down through the ages, from the founding tenets of Jedi and Sith teachings to the landmark events and legendary figures who have shaped the struggle between the light and dark sides. In first-hand accounts by Obi-Wan Kenobi, Yoda, Luke Skywalker, Leia Organa Solo, Darth Bane, Darth Vader, Count Dooku, Emperor Palpatine, and a host of other Jedi Masters, Sith Lords, scholars, and sages, Star Wars: Jedi vs. Sith: The Essential Guide to the Force spans the breadth of available knowledge, including • the first recorded discovery of the Force • significant battles affected by the Force throughout galactic history • the purpose, construction, and importance of Holocrons • the evolution of the Jedi and Sith orders • Force-sensitive abilities—including battle meditation, telekinesis, and “mind tricks” • noteworthy Jedi and Sith lightsabers, and the seven forms of lightsaber combat • a vivid portrait of the Chosen One, Anakin Skywalker PLUS—More than one hundred brand new full-color illustrations! No Star Wars library is complete without this definitive guide to understanding the Force. Remember: the Force will be with you . . . always!

Jedi vs. Sith: Star Wars: The Essential Guide to the Force

As the Empire's grip tightens on the galaxy, the stirrings of a rebellion begin in the Mon Cala system. The fearsome Darth Vader knows that order must be maintained at all costs - and this time the job of snuffing out hope falls to Vader, his inquisitors...and Wilhuff Tarkin! To bring Mon Cala to heel means finding the surviving Jedi that foment this unrest. No tolerance for rebellion can be afforded...but how far will Vader go to complete his mission? The Dark Lord of the Sith goes in for some wet work in this brutal story! COLLECTING: DARTH VADER 13-18

Star Wars: Darth Vader - Dark Lord of the Sith Vol. 3

The second novel set in the Old Republic era and based on the massively multiplayer online game Star Wars®: The Old Republic™ ramps up the action and brings readers face-to-face for the first time with a Sith warrior to rival the most sinister of the Order's Dark Lords—Darth Malgus, the mysterious, masked Sith of the wildly popular “Deceived” and “Hope” game trailers. Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace would transform him into something far more heinous—something Malgus would never

want to be, but cannot stop, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. And now she's going to find out what happened to him, even if it means breaking every rule in the book. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Deceived: Star Wars Legends (The Old Republic)

Darth Vader, the evil emperor's powerful enforcer, sets out to eliminate all resistance to the Empire, a mission that reveals his true strength and role as the Emperor's iron fist.

Star Wars(TM) - Die Sith-Lords

Willings Press Guide 2007 V1

This press guide aims to provide a comprehensive, accurate and informative guide to the UK press, both print and broadcast.

Freak

From its first caustic, blackly hilarious quote to its unbelievable ending, *Freak* examines a roller coaster ride of a life and never lets up. It tells the true story of Rebecca O'Donnell, an atypical hero who found joy and laughter in the darkest of circumstances. Unlike so many spunky survivors of damaged pasts, Rebecca belonged to those far more common gray areas of depression and insecurity, hidden behind a mask she showed the world. For decades, all her decisions were colored by that grayness, that insecurity; she had put herself into a pit and had to discover a way to crawl out of it. With laughter, self-recognition, and a drop of shaky courage, Rebecca shares exactly how she did that, discovering in the process a gift that she never expected: the ability to help others build their own ladder out of hell. *Freak* offers hope to anyone who has ever heard that voice of self-hatred—the gremlin of insecurity whispering that we can't, we shouldn't, and we don't deserve. It is the denial of that gremlin and the shattering of its lie that make this memoir resonate with other victims of incest, substance abuse, and depression.

The Pocket

A New York Times Best Art Book of 2019 “A riveting book . . . few stones are left unturned.”—Roberta Smith’s “Top Art Books of 2019,” The New York Times This fascinating and enlightening study of the tie-on pocket combines materiality and gender to provide new insight into the social history of women’s everyday lives—from duchesses and country gentry to prostitutes and washerwomen—and to explore their consumption practices, sociability, mobility, privacy, and identity. A wealth of evidence reveals unexpected facets of the past, bringing women’s stories into intimate focus. “What particularly interests Burman and Fennetaux is the way in which women of all classes have historically used these tie-on pockets as a supplementary body part to help them negotiate their way through a world that was not built to suit them.”—Kathryn Hughes, The Guardian “A brilliant book.”—Ulinka Rublack, Times Literary Supplement

A Research Agenda for Global Higher Education

This innovative Research Agenda critically reflects on the state of the art and offers inspiration for future higher education research across a variety of geographical, disciplinary and theoretical perspectives. It explores the impact of Covid-19, and the need to re-engage with the Global South and reconsider conventional paradigms and assumptions. Leading international contributors address a set of salient issues, ranging from research on macro-level themes to meso and micro-level phenomena.

God's Middle Finger

A narrative portrait of the Sierra Madre describes the author's numerous journeys into its ungoverned regions, where he consulted with a folk healer and witnessed local violence and lawlessness that eventually threatened his own survival. Original. 75,000 first printing.

George III

The Times Book of the Year *Winner of the Elizabeth Longford Prize for Historical Biography, 2022* *Winner of the General Society of Colonial Wars' Distinguished Book Award, 2021* *Winner of the History Reclaimed Book of the Year, 2022* *Shortlisted for the Duff Cooper Prize, 2021* Andrew Roberts, one of Britain's premier historians, overturns the received wisdom on George III. George III, Britain's longest-reigning king, has gone down in history as 'the cruellest tyrant of this age' (Thomas Paine, eighteenth century), 'a sovereign who inflicted more profound and enduring injuries upon this country than any other modern English king' (W.E.H. Lecky, nineteenth century), 'one of England's most disastrous kings' (J.H. Plumb, twentieth century) and as the pompous monarch of the musical Hamilton (twenty-first century). Andrew Roberts's magnificent new biography takes entirely the opposite view. It portrays George as intelligent, benevolent, scrupulously devoted to the constitution of his country and (as head of government as well as head of state) navigating the turbulence of eighteenth-century politics with a strong sense of honour and duty. He was a devoted husband and family man, a great patron of the arts and sciences, keen to advance Britain's agricultural capacity ('Farmer George') and determined that her horizons should be global. He could be stubborn and self-righteous, but he was also brave, brushing aside numerous assassination attempts, galvanising his ministers and generals at moments of crisis and stoical in the face of his descent - five times during his life - into a horrifying loss of mind. The book gives a detailed, revisionist account of the American Revolutionary War, persuasively taking apart a significant proportion of the Declaration of Independence, which Roberts shows to be largely Jeffersonian propaganda. In a later war, he describes how George's support for William Pitt was crucial in the battle against Napoleon. And he makes a convincing, modern diagnosis of George's terrible malady, very different to the widely accepted medical view and to popular portrayals. Roberts writes, 'the people who knew George III best loved him the most', and that far from being a tyrant or incompetent, George III was one of our most admirable monarchs. The diarist Fanny Burney, who spent four years at his court and saw him often, wrote 'A noble sovereign this is, and when justice is done to him, he will be as such acknowledged'. In presenting this fresh view of Britain's most misunderstood monarch, George III shows one of Britain's premier historians at his sparkling best.

The Witchfinder's Sister

'The number of women my brother Matthew killed, so far as I can reckon it, is one hundred and six...' THE PAGE-TURNING RICHARD AND JUDY BOOK CLUB BESTSELLER 'A compelling debut from a gifted storyteller' Sarah Perry, author of *The Essex Serpent* When Alice Hopkins' husband dies in a tragic accident, she returns to the small Essex town of Manningtree, where her brother Matthew still lives. But home is no longer a place of safety. Matthew has changed, and there are rumours spreading through the town: whispers of witchcraft, and of a great book, in which he is gathering women's names. To what lengths will Matthew's obsession drive him? And what choice will Alice make, when she finds herself at the very heart of his plan? Winner of the HWA Debut Crown Award 2017, and a Spring 2018 Richard and Judy Book Club pick, this beautiful and haunting historical thriller is perfect for fans of Sarah Waters, *The Miniaturist* and *Burial Rites*. 'Vivid and terrifying' Paula Hawkins, author of *The Girl on the Train* 'Thumpingly good' Lucy Mangan 'A clever, pacy read that blends truth and fiction...what elevates this book above other historical thrillers are the questions that Underdown asks about the nature of power, fear and how easy it is to become complicit in terrible acts' The Times 'A chilling, creeping novel with very obvious parallels to more modern forms of witch-hunts and misogyny, but is still firmly rooted in an England torn apart by civil war and gripped by religious fervour' Red 'A haunting, brooding debut' Psychologies 'At once a feminist parable and an old-fashioned, check-twice-under-the-bed thriller' Patrick Gale 'A richly told and utterly compelling tale, with shades of Hilary Mantel' Kate Hamer, author of *The Girl in the Red Coat* 'Anyone who liked Cecilia Ekbäck's *Wolf Winter* is going to love this' Natasha Pulley, author of *The Watchmaker of Filigree Street* 'Beth Underdown grips us from the outset and won't let go...at once a feminist parable and an old-fashioned, check-twice-under-the-bed thriller' Patrick Gale, author of *Notes from an Exhibition* 'A tense, surprising and elegantly-crafted novel' Ian McGuire, author of *The North Water* 'Beth Underdown cleverly creates a compelling atmosphere of dread and claustrophobia... Even from the distance of nearly four hundred years, her Matthew Hopkins is a genuinely frightening monster' Kate Riordan 'Superb: dark, terrifying and utterly compelling' Tracy Borman 'A novel for our times. Beth Underdown's *The Witchfinder's Sister* explores another time and

another place to lay bare the visceral horror of what a witch hunt truly is' New York Times Book Review
'Entertaining and thought-provoking, with a valuable message for our own times' Washington Post

Population Health: Behavioral and Social Science Insights

The purpose of this book is to gain a better understanding of the multitude of factors that determine longer life and improved quality of life in the years a person is alive. While the emphasis is primarily on the social and behavioral determinants that have an effect on the health and well-being of individuals, this publication also addresses quality of life factors and determinants more broadly. Each chapter in this book considers an area of investigation and ends with suggestions for future research and implications of current research for policy and practice. The introductory chapter summarizes the state of Americans' health and well-being in comparison to our international peers and presents background information concerning the limitations of current approaches to improving health and well-being. Following the introduction, there are 21 chapters that examine the effects of various behavioral risk factors on population health, identify trends in life expectancy and quality of life, and suggest avenues for research in the behavioral and social science arenas to address problems affecting the U.S. population and populations in other developed and developing countries around the world. Undergraduate and graduate students pursuing coursework in health statistics, health population demographics, behavioral and social science, and health policy may be interested in this content. Additionally, policymakers, legislators, health educators, and scientific organizations around the world may also have an interest in this resource.

Militant Democracy

This book is a collection of contributions by leading scholars on theoretical and contemporary problems of militant democracy. The term 'militant democracy' was first coined in 1937. In a militant democracy preventive measures are aimed, at least in practice, at restricting people who would openly contest and challenge democratic institutions and fundamental preconditions of democracy like secularism - even though such persons act within the existing limits of, and rely on the rights offered by, democracy. In the shadow of the current wars on terrorism, which can also involve rights restrictions, the overlapping though distinct problem of militant democracy seems to be lost, notwithstanding its importance for emerging and established democracies. This volume will be of particular significance outside the German-speaking world, since the bulk of the relevant literature on militant democracy is in the German language. The book is of interest to academics in the field of law, political studies and constitutionalism.

Radio Heaven

2nd edition with inspirational new content. A book about the power of doing business for social good and designing your own destiny rather than waiting for your parents, boss, partner or society to determine it for you. Part biography and part tool kit with practical, easy-to-digest ideas for any reader to follow their passion in life and business, regardless of time, financial position, or experience. It is our hope that RADIO HEAVEN will help you discover what is it you really want to do (and not do!), overcome the inevitable obstacles, and really get on with it! The clock starts now.

Hitler's American Gamble

'History at its scintillating best ... hard-hitting, revelatory and superbly researched' Andrew Roberts, author of Churchill: Walking with Destiny 'A rare achievement ... sure to become an instant classic' John Lewis Gaddis, Yale University This gripping book dramatizes the extraordinarily compressed and terrifying period between the surprise Japanese attack on Pearl Harbor and Hitler's declaration of war on the United States. These five days transformed much of the world and have shaped our own experience ever since. Simms and Laderman's aim in the book is to show how this agonizing period had no inevitability about it and that innumerable outcomes were possible. Key leaders around the world were taking decisions with often poor and confused information, under overwhelming pressure and knowing that they could be facing personal and national disaster. And yet, there were also long-standing assumptions that shaped these decisions, both consciously and unconsciously. Hitler's American Gamble is a superb work of history, both as an explanation for the course taken by the Second World War and as a study in statecraft and political choices.

Why Nations Fail

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Award 2012. Why are some nations more prosperous than others? Why Nations Fail sets out to answer this question, with a compelling and elegantly argued new theory: that it is not down to climate, geography or culture, but because of institutions. Drawing on an extraordinary range of contemporary and historical examples, from ancient Rome through the Tudors to modern-day China, leading academics Daron Acemoglu and James A. Robinson show that to invest and prosper, people need to know that if they work hard, they can make money and actually keep it - and this means sound institutions that allow virtuous circles of innovation, expansion and peace. Based on fifteen years of research, and answering the competing arguments of authors ranging from Max Weber to Jeffrey Sachs and Jared Diamond, Acemoglu and Robinson step boldly into the territory of Francis Fukuyama and Ian Morris. They blend economics, politics, history and current affairs to provide a new, powerful and persuasive way of understanding wealth and poverty.

Pain and Prejudice

An incredibly important and powerful look at how our culture treats the pain and suffering of women in medical and social contexts. A polemic on the state of women's health and healthcare. One in ten women worldwide have endometriosis, yet it is funded at 5% of the rate of diabetes; women are half as likely to be treated for a heart attack as men and twice as likely to die six months after discharge; over half of women who are eventually diagnosed with an autoimmune disease will be told they are hypochondriacs or have a mental illness. These are just a few of the shocking statistics explored in this book. Fourteen years after being diagnosed with endometriosis, Gabrielle Jackson couldn't believe how little had changed in the treatment and knowledge of the disease. In 2015, her personal story kick-started a worldwide investigation into the disease by the Guardian; thousands of women got in touch to tell their own stories and many more read and shared the material. What began as one issue led Jackson to explore how women - historically and through to the present day - are under-served by the systems that should keep them happy, healthy and informed about their bodies. Pain and Prejudice is a vital testament to how social taboos and medical ignorance keep women sick and in anguish. The stark reality is that women's pain is not taken as seriously as men's. Women are more likely to be disbelieved and denied treatment than men, even though women are far more likely to be suffering from chronic pain. In a potent blend of polemic and memoir, Jackson confronts the private concerns and questions women face regarding their health and medical treatment. Pain and Prejudice, finally, explains how we got here, and where we need to go next.

Movement Medicine

Movement Medicine is the kind of instruction manual you'll actually want to read. It is laced with personal stories from the authors' lives that are funny, inspiring and moving, as well as 38 recipes that will change the way you see and feel about yourself and your place in this world. Anybody in a body can take part. So that means you. Take a deep breath. Your drum is calling you. Its rhythm is in your blood. We are being challenged as a species to raise our game. The 9 Gateways are a map and a guide for the critical times we live in. In them, you will see the ancient and the modern, the psychotherapeutic and the shamanic, the devotional and the traditional, the scientific and the mystical, all woven together into material that is strong enough to support you to 'Live Your Dream.'

Book of the Dead

Discover how the ancient Egyptians controlled their immortal destiny! This book, edited by Foy Scalf, explores what the Book of the Dead was believed to do, how it worked, how it was made, and what happened to it.

The Examiner

We are living through a time when old identities - nation, culture and gender are melting down. Spaces of Identity examines the ways in which collective cultural identities are being reshaped under conditions of a post-modern geography and a communications environment of cable and satellite broadcasting. To address current problems of identity, the authors look at contemporary politics between Europe and its most significant others: America; Islam and the Orient. They show that it's against these places that Europe's own identity has been and is now being defined. A stimulating account of the complex and contradictory nature of contemporary cultural identities.

Spaces of Identity

How did computers take over the world? In late 1945, a small group of brilliant engineers and mathematicians gathered at the newly created Institute for Advanced Study in Princeton, New Jersey. Their ostensible goal was to build a computer which would be instrumental in the US government's race to create a hydrogen bomb. The mathematicians themselves, however, saw their project as the realization of Alan Turing's theoretical 'universal machine.' In Turing's Cathedral, George Dyson vividly re-creates the intense experimentation, incredible mathematical insight and pure creative genius that led to the dawn of the digital universe, uncovering a wealth of new material to bring a human story of extraordinary men and women and their ideas to life. From the lowliest iPhone app to Google's sprawling metazoan codes, we now live in a world of self-replicating numbers and self-reproducing machines whose origins go back to a 5-kilobyte matrix that still holds clues as to what may lie ahead.

Turing's Cathedral

Named a 2018 Notable Work of Nonfiction by The Washington Post NOW A NEW YORK TIMES BESTSELLER • Winner, The 2018 Southern Book Prize NAMED A BEST/MOST ANTICIPATED BOOK OF 2018 BY: Chicago Tribune • Time • Publisher's Weekly A stunning follow up to New York Times bestseller *Tears We Cannot Stop* The Washington Post: "Passionately written." Chris Matthews, MSNBC: "A beautifully written book." Shaun King: "I kid you not—I think it's the most important book I've read all year..." Harry Belafonte: "Dyson has finally written the book I always wanted to read...a tour de force." Joy-Ann Reid: A work of searing prose and seminal brilliance... Dyson takes that once in a lifetime conversation between black excellence and pain and the white heroic narrative, and drives it right into the heart of our current politics and culture, leaving the reader reeling and reckoning." Robin D. G. Kelley: "Dyson masterfully refracts our present racial conflagration... he reminds us that Black artists and intellectuals bear an awesome responsibility to speak truth to power." President Barack Obama: "Everybody who speaks after Michael Eric Dyson pales in comparison." In 2015 BLM activist Julius Jones confronted Presidential candidate Hillary Clinton with an urgent query: "What in your heart has changed that's going to change the direction of this country?" "I don't believe you just change hearts," she protested. "I believe you change laws." The fraught conflict between conscience and politics – between morality and power – in addressing race hardly began with Clinton. An electrifying and traumatic encounter in the sixties crystallized these furious disputes. In 1963 Attorney General Robert Kennedy sought out James Baldwin to explain the rage that threatened to engulf black America. Baldwin brought along some friends, including playwright Lorraine Hansberry, psychologist Kenneth Clark, and a valiant activist, Jerome Smith. It was Smith's relentless, unfiltered fury that set Kennedy on his heels, reducing him to sullen silence. Kennedy walked away from the nearly three-hour meeting angry – that the black folk assembled didn't understand politics, and that they weren't as easy to talk to as Martin Luther King. But especially that they were more interested in witness than policy. But Kennedy's anger quickly gave way to empathy, especially for Smith. "I guess if I were in his shoes...I might feel differently about this country." Kennedy set about changing policy – the meeting having transformed his thinking in fundamental ways. There was more: every big argument about race that persists to this day got a hearing in that room. Smith declaring that he'd never fight for his country given its racist tendencies, and Kennedy being appalled at such lack of patriotism, tracks the disdain for black dissent in our own time. His belief that black folk were ungrateful for the Kennedys' efforts to make things better shows up in our day as the charge that black folk wallow in the politics of ingratitude and victimhood. The contributions of black queer folk to racial progress still cause a stir. BLM has been accused of harboring a covert queer agenda. The immigrant experience, like that of Kennedy – versus the racial experience of Baldwin – is a cudgel to excoriate black folk for lacking hustle and ingenuity. The questioning of whether folk who are interracially partnered can authentically communicate black interests persists. And we grapple still with the responsibility of black intellectuals and artists to bring about social change. What Truth Sounds Like exists at the tense intersection of the conflict between politics and prophecy – of whether we embrace political resolution or moral redemption to fix our fractured racial landscape. The future of race and democracy hang in the balance.

What Truth Sounds Like

As the global 'data revolution' accelerates, how can the data rights and interests of indigenous peoples be secured? Premised on the United Nations Declaration on the Rights of Indigenous Peoples, this book argues that indigenous peoples have inherent and inalienable rights relating to the collection, ownership and application of data about them, and about their lifeways and territories. As the first

book to focus on indigenous data sovereignty, it asks: what does data sovereignty mean for indigenous peoples, and how is it being used in their pursuit of self-determination? The varied group of mostly indigenous contributors theorise and conceptualise this fast-emerging field and present case studies that illustrate the challenges and opportunities involved. These range from indigenous communities grappling with issues of identity, governance and development, to national governments and NGOs seeking to formulate a response to indigenous demands for data ownership. While the book is focused on the CANZUS states of Canada, Australia, Aotearoa/New Zealand and the United States, much of the content and discussion will be of interest and practical value to a broader global audience. 'A debate-shaping book ... it speaks to a fast-emerging field; it has a lot of important things to say; and the timing is right.' — Stephen Cornell, Professor of Sociology and Faculty Chair of the Native Nations Institute, University of Arizona 'The effort ... in this book to theorise and conceptualise data sovereignty and its links to the realisation of the rights of indigenous peoples is pioneering and laudable.' — Victoria Tauli-Corpuz, UN Special Rapporteur on the Rights of Indigenous Peoples, Baguio City, Philippines

Indigenous Data Sovereignty

Crime, Shame and Reintegration is a contribution to general criminological theory. Its approach is as relevant to professional burglary as to episodic delinquency or white collar crime. Braithwaite argues that some societies have higher crime rates than others because of their different processes of shaming wrongdoing. Shaming can be counterproductive, making crime problems worse. But when shaming is done within a cultural context of respect for the offender, it can be an extraordinarily powerful, efficient and just form of social control. Braithwaite identifies the social conditions for such successful shaming. If his theory is right, radically different criminal justice policies are needed - a shift away from punitive social control toward greater emphasis on moralizing social control. This book will be of interest not only to criminologists and sociologists, but to those in law, public administration and politics who are concerned with social policy and social issues.

Crime, Shame and Reintegration

This open access book explores the global challenges and experiences related to digital entrepreneurial activities, using carefully selected examples from leading companies and economies that shape world business today and tomorrow. Digital entrepreneurship and the companies steering it have an enormous global impact; they promise to transform the business world and change the way we communicate with each other. These companies use digitalization and artificial intelligence to enhance the quality of decisions and augment their business and customer operations. This book demonstrates how cloud services are continuing to evolve; how cryptocurrencies are traded in the banking industry; how platforms are created to commercialize business, and how, taken together, these developments provide new opportunities in the digitalized era. Further, it discusses a wide range of digital factors changing the way businesses operate, including artificial intelligence, chatbots, voice search, augmented and virtual reality, as well as cyber threats and data privacy management. "Digitalization mirrors the Industrial Revolution's impact. This book provides a complement of perspectives on the opportunities emanating from such a deep seated change in our economy. It is a comprehensive collection of thought leadership mapped into a very useful framework. Scholars, digital entrepreneurs and practitioners will benefit from this timely work." Gina O'Connor, Professor of Innovation Management at Babson College, USA "This book defines and delineates the requirements for companies to enable their businesses to succeed in a post-COVID19 world. This book deftly examines how to accomplish and achieve digital entrepreneurship by leveraging cloud computing, AI, IoT and other critical technologies. This is truly a unique "must-read" book because it goes beyond theory and provides practical examples." Charlie Isaacs, CTO of Customer Connection at Salesforce.com, USA "This book provides digital entrepreneurs useful guidance identifying, validating and building their venture. The international authors developed new perspectives on digital entrepreneurship that can support to create impact ventures." Felix Staeritz, CEO FoundersLane, Member of the World Economic Forum Digital Leaders Board and bestselling author of FightBack, Germany

From religious beliefs and legends to movies and TV shows, from advertising and celebrities to Internet sites and photo ops, this illustrated A–Z encyclopedia makes it easy to locate each topic, and the opportunities for further research assure its timeliness. Is the human race the result of a breeding experiment carried out by ancient astronauts? Are satanists, extraterrestrials—or both—mutilating

cattle? Whimsical and fascinating, *UFOs and Popular Culture* explores a rich facet of Americana and its impact on contemporary society. The UFO phenomenon is put into folkloric and psychological perspective, revealing much about our collective psyche. From religious beliefs and legends to movies and TV shows; from advertising and celebrities to Internet sites and photo ops; this illustrated A–Z encyclopedia is your first stop resource for understanding UFO beliefs and their impact on contemporary America. Topics explored include Music and UFOs, Naked Aliens, Reincarnation, Roswell, Brad Steiger, Heaven's Gate, War of the Worlds, and UFO Conventions.

Digital Entrepreneurship

This book provides you with all the tools you need to write an excellent academic article and get it published.

UFOs and Popular Culture

Diaspora & transnationalism are widely used concepts in academic & political discourses. Although originally referring to quite different phenomena, they increasingly overlap today. Such inflation of meanings goes hand in hand with a danger of essentialising collective identities. This book analyses this topic.

Writing Your Journal Article in Twelve Weeks

Reproduction of the original: *The Condition of the Working-Class in England in 1844* by Frederick Engels

Diaspora and Transnationalism

The ebook edition of this title is Open Access, thanks to Knowledge Unlatched funding, and freely available to read online. Drawing on historical and contemporary case studies, this book delves into visual and text-based materials to unpack gender-based violence(s) perpetrated and experienced by both sexes within and beyond the conflict zone.

The Condition of the Working-Class in England in 1844

Building on the concepts of professional competence that he introduced in his classic *The Reflective Practitioner*, Schon offers an approach for educating professional in all areas that will prepare them to handle the complex and unpredictable problems of actual practice with confidence, skill, and care.

Gender and the Violence(s) of War and Armed Conflict

Galton founded the science of Eugenics and coined the word in 1883. He investigated the families of great men and thought genius was hereditary.

Educating the Reflective Practitioner

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. *Principles of Marketing* keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Hereditary Genius

Praise for *How I Became a Quant* "Led by two top-notch quants, Richard R. Lindsey and Barry Schachter, *How I Became a Quant* details the quirky world of quantitative analysis through stories told by some of today's most successful quants. For anyone who might have thought otherwise, there are engaging personalities behind all that number crunching!" --Ira Kawaller, Kawaller & Co. and the Kawaller Fund "A fun and fascinating read. This book tells the story of how academics, physicists, mathematicians, and other scientists became professional investors managing billions." --David A. Krell, President and CEO, International Securities Exchange "How I Became a Quant should be must

reading for all students with a quantitative aptitude. It provides fascinating examples of the dynamic career opportunities potentially open to anyone with the skills and passion for quantitative analysis." --Roy D. Henriksson, Chief Investment Officer, Advanced Portfolio Management "Quants"--those who design and implement mathematical models for the pricing of derivatives, assessment of risk, or prediction of market movements--are the backbone of today's investment industry. As the greater volatility of current financial markets has driven investors to seek shelter from increasing uncertainty, the quant revolution has given people the opportunity to avoid unwanted financial risk by literally trading it away, or more specifically, paying someone else to take on the unwanted risk. *How I Became a Quant* reveals the faces behind the quant revolution, offering you the chance to learn firsthand what it's like to be a quant today. In this fascinating collection of Wall Street war stories, more than two dozen quants detail their roots, roles, and contributions, explaining what they do and how they do it, as well as outlining the sometimes unexpected paths they have followed from the halls of academia to the front lines of an investment revolution.

Principles of Marketing

Raising hopes for disease treatment and prevention, but also the specter of discrimination and "designer genes," genetic testing is potentially one of the most socially explosive developments of our time. This book presents a current assessment of this rapidly evolving field, offering principles for actions and research and recommendations on key issues in genetic testing and screening. Advantages of early genetic knowledge are balanced with issues associated with such knowledge: availability of treatment, privacy and discrimination, personal decision-making, public health objectives, cost, and more. Among the important issues covered: Quality control in genetic testing. Appropriate roles for public agencies, private health practitioners, and laboratories. Value-neutral education and counseling for persons considering testing. Use of test results in insurance, employment, and other settings.

How I Became a Quant

By turns heartbreaking and hilarious, troubling and uplifting, these "electric" essays come together to create a provocative, conversation-sparking, multivocal portrait of modern America (The Washington Post). From Trump's proposed border wall and travel ban to the marching of white supremacists in Charlottesville, America is consumed by tensions over immigration and the question of which bodies are welcome. In this much-anticipated follow-up to the bestselling UK edition, hailed by Zadie Smith as "lively and vital," editors Nikesh Shukla and Chimene Suleyman hand the microphone to an incredible range of writers whose humanity and right to be here is under attack. Chigozie Obioma unpacks an Igbo proverb that helped him navigate his journey to America from Nigeria. Jenny Zhang analyzes cultural appropriation in 90s fashion, recalling her own pain and confusion as a teenager trying to fit in. Fatimah Asghar describes the flood of memory and emotion triggered by an encounter with an Uber driver from Kashmir. Alexander Chee writes of a visit to Korea that changed his relationship to his heritage. These writers, and the many others in this urgent collection, share powerful personal stories of living between cultures and languages while struggling to figure out who they are and where they belong.

Assessing Genetic Risks

This book presents the new Precariat – the rapidly growing number of people facing lives of insecurity, on zero hours contracts, moving in and out of jobs that give little meaning to their lives. The delivery driver who brings your packages, the uber driver who gets you to work, the security guard at the mall, the carer looking after our elderly...these are The Precariat. Guy Standing investigates this new and growing group, finding a frustrated and angry new underclass who are often ignored by politicians and economists. The rise of zero hours contracts, encouraged by fat cat corporations as risk-free employment, and by silicon valley as a way of outsourcing costs and responsibility, has been exacerbated by the COVID pandemic. At the same time, in its experience of lockdown, the western world is realizing the true value of these nurses, carers and key workers. The answer? The return of income security and meaningful work - the principles 20th century capitalism was built on. By making the fears and desires of the Precariat central to economic thinking, Standing shows how concepts like Basic Income are not just desirable but inevitable, and plots the way to a better future.

The Good Immigrant

This book identifies the rights of stateless people and outlines the major legal obstacles preventing the eradication of statelessness.

A Terrible Thing

"It's Leonardo, Donatello, Raphael, and Michelangelo as you've never seen them before! Join the lean, green, shell-kicking brothers of the Teenage Mutant Ninja Turtles on a high-octane tour of their world. Based on Nickelodeon's top-rated animated series, this collection volume contains five pop-up spreads featuring exciting scenes in the Turtles' lair, the Shredder's hideout, and an all-out battle on streets of NYC. It's non-stop ninja action!"--Back cover.

The Precariat

This book examines the contention that current US-Russia relations have descended into a 'New Cold War'. It examines four key dimensions of the original Cold War, the structural, the ideological, the psychological, and the technological, and argues that the current US-Russia relationship bears little resemblance to the Cold War. Presently, the international system is transitioning towards multipolarity, with Russia a declining power, while current ideological differences and threat perceptions are neither as rigid nor as bleak as they once were. Ultimately, when the four dimensions of analysis are weighed in unison, this work argues that the claim of a New Cold War is a hyperbolic assessment of US-Russia relations.

Nationality and Statelessness under International Law

This book explores how, in the wake of the Anthropocene, the growing call for urgent decarbonisation and accelerated energy transitions might have unintended consequences for energy poverty, justice and democracy, especially in the global South. *Dilemmas of Energy Transitions in the Global South* brings together theoretical and empirical contributions focused on rethinking energy transitions conceptually from and for the global South, and highlights issues of justice and inclusivity. It argues that while urgency is critical for energy transitions in a climate-changed world, we must be wary of conflating goals and processes, and enquire what urgency means for due process. Drawing from a range of authors with expertise spanning environmental justice, design theory, ethics of technology, conflict and gender, it examines case studies from countries including Bolivia, Sri Lanka, India, The Gambia and Lebanon in order to expand our understanding of what energy transitions are, and how just energy transitions can be done in different parts of the world. Overall, driven by a postcolonial and decolonial sensibility, this book brings to the fore new concepts and ideas to help balance the demands of justice and urgency, to flag relevant but often overlooked issues, and to provide new pathways forward. This volume will be of great interest to students and scholars of energy transitions, environmental justice, climate change and developing countries. The Open Access version of this book, available at <https://www.taylorfrancis.com/books/oa-edit/10.4324/9781003052821> has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.
